We use several abbreviations in this statement. We may refer to our company as us, we, iMergent or the Company. The terms meeting and annual meeting, refer to our 2006 Annual Meeting of Stockholders.

The enclosed annual report to stockholders is not to be regarded as proxy soliciting material. If you would like an additional copy of the report, please contact us at 754 E. Technology Avenue, Orem, Utah 84097, Attn: Investor Relations, telephone: (801) 227-0004.

Record Date and Voting Securities

Our Board of Directors has fixed the close of business on September 29, 2006 as the record date for the determination of stockholders entitled to receive notice of and to vote at the meeting and any adjournment or postponement of the meeting. Only holders of record of our common stock on September 29, 2006 are entitled to vote at the meeting. If your shares are owned of record in the name of a broker or other nominee, you should follow the voting instructions provided by your nominee. Each holder of record of common stock at the close of business on the record date is entitled to one vote per share on each matter to be voted upon by the stockholders at the meeting. As of September 29, 2006, there were 12,289,410 shares of our common stock issued and outstanding.

Voting and Revocability of Proxies

You may vote by completing and returning the enclosed proxy or by voting in person at the annual meeting. Our Board of Directors is soliciting the accompanying proxy for use at the meeting. The proxy may be revoked at any time prior to its use by: (1) delivering to our secretary a signed notice of revocation or a later dated proxy, (2) attending the annual meeting and voting in person, or (3) giving notice of revocation of the proxy at the annual meeting. Attendance at the meeting will not in itself constitute the revocation of a proxy. Prior to the meeting, any written notice of revocation should be sent to iMergent, Inc., 754 East Technology Avenue, Orem, Utah, 84097, Attention: Corporate Secretary. Any notice of revocation that is delivered at the meeting should be hand delivered to our secretary at or before the vote is taken. A stockholder may be requested to present identification documents for the purpose of establishing such stockholder's identity.

Our shares of common stock, represented by properly executed proxies, will be voted in accordance with the instructions indicated on such proxies. If no specific instructions are given, the shares will be voted FOR the election of the nominees for director set forth herein and FOR approval of the other proposals listed in the proxy. In addition, if other matters come before the annual meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters.

One or more inspectors of election, duly appointed for that purpose, will count and tabulate the votes cast and report the results of the votes at the meeting to our management. Your vote at the meeting will not be disclosed except as needed to permit the inspector to tabulate and certify the votes, or as is required by law.

Please fill in, sign and date the enclosed Proxy and return it promptly in the enclosed envelope. No postage will be required for you to return the Proxy in the enclosed envelope if you mail it in the United States. You will be able to revoke your Proxy and vote in person if you decide to attend the meeting. The last valid vote you submit chronologically will supercede your prior vote(s).

Quorum, Voting Requirements and Effect of Abstentions and Non-Votes

At the meeting, the inspector of election will determine the presence of a quorum and tabulate the results of the voting by stockholders. The holders of a majority of the total number of outstanding shares of stock that are entitled to vote at the meeting, at least 6,144,706 shares, must be present in person or by proxy in order to have the quorum that is necessary for the transaction of business at the annual meeting. Shares of common stock represented in person or by proxy (including shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for purposes of determining whether a quorum exists. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

The nominees for director who receive a plurality of the votes cast by the holders of our common stock, in person or by proxy at the meeting, will be elected. Abstentions and broker non-votes are not counted for purposes of the election of directors. A non-vote occurs, with respect to a proposal, when a broker or nominee holding shares for a beneficial owner does not have discretionary voting power and has not received instructions from the beneficial owner. The affirmative vote of the holders of a majority of the common shares present in person or represented by proxy and entitled to vote is required to approve the other proposals. An abstention is counted as a vote against a proposal. A broker non-vote is not counted for purposes of approving a proposal. Stockholders have no dissenters' or appraisal rights in connection with the proposals to be presented at the meeting.

Expense of Solicitation of Proxies

We will pay the cost of soliciting proxies for our annual meeting. In addition to solicitation by mail, our directors, officers and employees, without additional pay, may solicit proxies by telephone, telecopy or in person. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy material to their principals, and we will reimburse them for their expenses in so doing.

PROPOSAL I
Election of Directors

At the meeting, 3 Class II directors are to be elected for a term ending at the annual meeting of our stockholders for the fiscal year ending June 30, 2007, or until each of their respective successors has been duly elected and qualified. In addition, 2 Class I directors are to be elected for a term ending at the annual meeting of our stockholders for the fiscal year ending June 30, 2008, or until each of their respective successors has been duly elected and qualified. In May 2000, our stockholders approved an amendment to our Bylaws that provided for a classified board and two-year staggered terms of the members of our board of directors. The amendment contemplates the election of one-half of the directors at each annual meeting and was originally intended to significantly extend the time required to effect a change in control of our Board of Directors. However, because we did not hold an annual meeting for the fiscal year ending June 30, 2005, we are electing all of the directors at this meeting. The Class II directors will serve until our annual meeting of stockholders for the fiscal year ending June 30, 2007, and the Class I directors will serve until our annual meeting of stockholders for the fiscal year ending June 30, 2008. In the future, each director will be elected to serve for a two-year staggered term, with approximately half of the directors being elected at each annual meeting.

It is intended that valid proxies received will be voted, unless contrary instructions are given, to elect the three nominees named in the following table to serve as Class II directors and to elect the two nominees named in the following table to serve as Class I directors. Should any nominee decline or be unable to accept such nomination to serve as a director, an event that we do not currently anticipate, the persons named in the enclosed proxy reserve the right, in their discretion, to vote for a lesser number of or for substitute nominees designated by the board of directors, to the extent consistent with our certificate of incorporation and our bylaws.

Nominees of the Board

Our Board of Directors has nominated the following individuals to serve on our Board of Directors until our annual meeting of stockholders for the fiscal year ending June 30, 2007 or until their respective successors are elected. Each of the nominees has agreed to be named in this Proxy Statement and to serve if elected.

The Committee evaluates and recommends nominees for election by the Company's shareholders. The Committee may use any reasonable means for recruitment of potential members including their own expertise or the use of one or more third party search firms to assist with this purpose.

When considering a potential candidate for membership on the Board of Directors, the Nominating Committee may consider, in addition to the minimum qualifications and other criteria for Board membership approved by the Board of Directors, all facts and circumstances that the Nominating Committee deems appropriate or advisable, including, among other things, the skills of the proposed Director candidate, his or her availability, depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board of Directors. At a minimum, each nominee, whether proposed by a stockholder or any other party, is expected to have the highest personal and professional integrity, shall demonstrate sound judgment and shall be expected to effectively interact with other members of the Board of Directors to serve the long-term interests of the Company and its stockholders. In addition, the Nominating Committee may consider whether the nominee has direct experience in the Company's industry or in the markets in which the Company operates and whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience. The procedures to be followed by security holders in submitting such recommendations are described below in the section entitled "Submission of Security Holder Recommendations for Director Candidates."

A representative of Tanner LC is expected to be present at the Annual Meeting. The representative will have the opportunity to make a statement and respond to questions.

On October 7, 2005, the Company's Audit Committee dismissed Grant Thornton LLP (GT) as the independent registered public accounting firm for the Company.

GT's reports at the time the financial statements of the Company were originally issued for the two fiscal years ended June 30, 2004 and 2003 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle.

During the fiscal years ended June 30, 2004 and 2003 and through October 7, 2005, there were no disagreements with GT on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreement(s), if not resolved to the satisfaction of GT, would have caused GT to make reference to the subject matter of the disagreement(s) in GT's reports. However, on August 18, 2005, due to management's and the Audit Committee's conclusion to restate the Company's prior financial statements, GT's opinions are no longer to be relied upon.

Effective October 7, 2005, the Company's Audit Committee appointed Tanner LC as the Company's independent registered public accounting firm. Tanner LC was not consulted by the Company on any matter described in Item 304(a)(2) of Regulation S-K prior to their appointment.

Stockholder ratification of the selection of Tanner LC as our independent registered public accounting firm is not required by our Bylaws or other applicable legal requirement. However, our Board of Directors is submitting the selection of Tanner LC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interests and in the best interests of our stockholders.

The affirmative vote of the holders of a majority of the shares of our common stock present or represented and voting at the 2006 Annual Meeting will be required to approve this proposal.

The Board of Directors recommends a vote FOR the proposal to ratify the appointment of Tanner LC as our independent registered public accounting firm for the fiscal year ending June 30, 2007.

Fees of Independent Registered Public Accounting Firm

Edgar Filing: IMERGENT INC - Form DEF 14A

We have set forth below the aggregate fees billed for professional services rendered to us by Tanner LC in connection with our fiscal years ended June 30, 2006 and 2005. All of the services described in the following fee table were approved in conformity with the Audit Committee's pre-approval process.

	2006	2005
(1) Audit Fees (audit of our annual financial statements and reviews of our quarterly financial statements, including restatements of prior periods; SEC filings; and correspondence with SEC)	\$ 441,000	\$ 800,000
(2) Audit Related Fees (Review of correspondence with American Stock Exchange)	5,000	5,000
(3) Tax Fees (domestic tax compliance)	34,000	
(4) All Other Fees (none)		

Pre-Approval Policies and Procedures

The Audit Committee has adopted a policy and procedures for the pre-approval of audit and non-audit services rendered by our independent registered public accounting firm. The policy generally provides for the pre-approval of the scope of and fees for services in the defined categories of audit services, audit-related services, and tax services. Pre-approval is usually provided by the Audit Committee on a project-by-project basis before the independent registered public accounting firm is engaged to provide that service, and less frequently for diminimus projects only, pre-approval is provided with a not-to-exceed fee level determined for a group of such diminimus projects. The pre-approval of services may be delegated to the Chair of the Audit Committee, but the decision must be reported to and ratified by the full Audit Committee at its next scheduled meeting.

Compensation Committee Interlocks and Insider Participation

Our Compensation Committee consists of Peter Fredericks, Chairman, Thomas Scheiner and Robert Kamm. No interlocking relationships existed between our Compensation Committee and the board of directors or compensation committee of any other company, nor has any such interlocking relationship existed in the past. There

are no interlocking relationships between us and other entities that might affect the determination of the compensation of our directors and executive officers.

Board Compensation Committee Report on Executive Compensation

The Compensation Committee of our Board of Directors believes that the compensation levels of our executive officers should consist of (i) base salaries that are commensurate with executives of other comparable e-commerce companies and (ii) cash bonus opportunities based on achievement of objectives set by the Compensation Committee with respect to the chief executive officer and the president, and by the chief executive officer and the president, in consultation with the Compensation Committee, with respect to our other executive officers. The Compensation Committee also believes that it is important to provide our executive officers with significant stock-based incentive compensation that increases in value in direct correlation with improvement in the performance of our common stock, thereby aligning management's interests with that of our stockholders.

The Compensation Committee considered the following factors (ranked in order of importance) when determining compensation of our executive officers: (i) our performance measured by attainment of specific strategic objectives, stock price performance and operating results; (ii) the individual performance of each executive officer, including the achievement by the executive (or the executive's functional group) of identified goals; and (iii) historical cash and equity compensation levels.

As stated above, the compensation of executive officers is based upon individual performance and comparative industry compensation levels. Typically, early in each year, a performance plan is established. Each plan sets forth overall goals to be achieved by us, as well as specific performance goals to be achieved by each of our executive officers according to his or her duties and responsibilities, for the relevant year. These overall compensation goals include: (i) the meeting of targets relating to the gross revenues from operations; (ii) the meeting of targets relating to new customers in each of our targeted markets and to additional sales to existing customers in each of those markets; (iii) the acquisition of technologies and businesses consistent with our business and product goals and the successful integration of the acquired businesses and technologies; (iv) the enhancement of strategic relationships; (v) the meeting of cash flow, expense and other budgetary targets; and (vi) the achievement of appreciation in our stock price.

Bonus compensation for each executive, when awarded, was determined based on the executive's achievement of overall corporate goals and individual and functional area goals. Other executive officers received salary increases and bonuses based on their achievement of overall corporate goals and individual and functional area goals. On average, the Compensation Committee believes the cash compensation for our executive officers is comparable to industry salary and bonus levels.

The full Board of Directors and, upon formation of the Compensation Committee, the Compensation Committee, administer and authorize all grants and awards made under the 1998 Stock Compensation Program, the 1998 Stock Option Plan for Senior Executives, the 1999 Stock Option Plan for Non-Executives, and the 2003 Equity Incentive Plan. In some instances, awards have been authorized for new employees as incentives to join us. In determining whether and in what amount to grant stock options or other equity compensation to executive officers, the Board of Directors or the non-employee members of the Compensation Committee have considered the amount and date of vesting of then-currently outstanding incentive equity compensation granted previously to each executive officer. The Compensation Committee believes that continued grants of equity compensation to key executives are necessary to retain and motivate exceptionally talented executives who are necessary to achieve our long-term goals, especially at a time of significant growth and competition in our industry.

Edgar Filing: IMERGENT INC - Form DEF 14A

During recent fiscal years, the Board of Directors or non-employee members of the Compensation Committee have approved grants of equity compensation to all the executive officers named in the Summary Compensation Table above and approved grants of equity compensation to certain of the other executive officers, consistent with the overarching policy of the Board and Compensation Committee of granting equity compensation to key executives and to our employees in general.

Respectfully submitted,

Peter Fredericks, Chairman
Thomas Scheiner
Robert Kamm

AUDIT COMMITTEE REPORT

In accordance with its written charter adopted by the Board of Directors on March 23, 2004 and amended and restated on August 9, 2006, the Audit Committee is responsible for reviewing and discussing the Company's audited financial statements with management, discussing information with the Company's auditors relating to the auditors' judgments about the quality of our accounting principles, recommending to the Board of Directors that the audited financials be included in the Company's Annual Report on Form 10-K and overseeing compliance with the Securities and Exchange Commission requirements for disclosure of auditors' services and activities. During fiscal year 2004 and until August 2005, the Audit Committee consisted of Gary S. Gladstein (Chairman), Thomas Scheiner and Peter Fredericks. Mr. Gladstein resigned from the Board of Directors in August 2005. In September 2005, Mr. Robert Kamm accepted the appointment offered to him as a member of the Board of Directors and Chairman of the Audit Committee. The Board of Directors has determined that each of these persons is independent. The Audit Committee Charter is in compliance with all regulatory requirements, and is published on our website.

The Company's management has the primary responsibility for the Company's financial statements as well as its financial reporting process, principles and internal controls. The Company's independent auditors are responsible for performing an audit of our financial statements and expressing an opinion as to the conformity of such financial statements with U.S. generally accepted accounting principles. The Audit Committee is responsible for, among other things, reviewing the results of the audit engagement with our independent auditors; reviewing the adequacy, scope and results of the internal accounting controls and procedures; reviewing the degree of independence of the auditors; reviewing the auditors' fees; and recommending the engagement of auditors to the full board of directors.

In this context, the Audit Committee reviewed and discussed the audited financial statements of the Company as of and for the year ended June 30, 2006 with management and the independent auditors. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as currently in effect. In addition, the Audit Committee received written confirmation, in accordance with Independence Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and discussed with the auditors their independence from the Company. The Audit Committee has also considered whether the independent auditor's provisions of non-audit services to us is compatible with maintaining the auditors' independence.

The members of the Audit Committee are not engaged in the accounting or auditing profession. In the performance of their oversight function, the members of the Audit Committee necessarily relied upon the information, opinions, reports and statements presented to them by management of the Company and by the independent auditors. As a result, the Audit Committee's oversight and the review and discussions referred to above do not assure that management has maintained adequate financial reporting processes, principles and internal controls, that our financial statements are accurate, that the audit of such financial statements has been conducted in accordance with the standards of the Public Accounting Oversight Board or that our auditors meet the applicable standards for auditor independence.

Based on the review and discussions above, the Audit Committee recommended that the audited financial statements be included in our Annual Report on Form 10-K for the year ended June 30, 2006.
