(1) The Share Prices set forth in the table will be adjusted as of any date on which the Conversion Price is adjusted. The adjusted Share Prices will equal the Share Prices applicable immediately prior to the adjustment multiplied by a fraction, the numerator of which is the Conversion Price as so adjusted and the denominator of which is the Conversion Price immediately prior to the adjustment to the Conversion Price. In addition, the number of additional shares in the table will be subject to adjustment in a manner corresponding to the adjustments made in the Conversion Price.

Notwithstanding the foregoing, in no event will the total common shares issuable upon conversion of the Convertible Preference Shares above exceed 1.5184 common shares per \$100.00 liquidation preference per Convertible Preference Share, subject to adjustments in the same manner as the Conversion Price is adjusted.
