PRESS RELEASE

## MTS ANNOUNCES CHANGE TO 2006 REPORTED FINANCIAL RESULTS

MOSCOW, RUSSIAN FEDERATION MAY 30, 2007 MOBILE TELESYSTEMS OJSC ( MTS - NYSE: MBT), THE LARGEST MOBILE PHONE OPERATOR IN RUSSIA AND THE CIS, ANNOUNCES THAT IT WILL RECORD A CHARGE TO NON-OPERATING EXPENSES FOR THE YEAR ENDED DECEMBER 31, 2006 IN RELATION TO A \$170 MILLION PUT OPTION HELD BY NOMI HOLD SECURITIES INC. ( NOMI HOLD ).

As announced previously by the Company, individual shareholders of AFK Sistema, the largest private sector consumer services company in Russia and the CIS and majority shareholder of MTS, have agreed to assist MTS Finance in defending its rights in its on-going dispute with Nomihold. Nomihold is seeking to compel MTS Finance through arbitration proceedings to purchase from Nomihold a 49% stake in Tarino Limited, the former indirect owner of Kyrgyz GSM operator Bitel, for \$170 million pursuant to an option agreement. The matter is currently pending, and MTS Finance is vigorously contesting this action and has asked the arbitration tribunal to dismiss Nomihold's claim. In the event that the arbitration decision regarding the \$170 million put option is unfavorable to MTS Finance, shareholders of Sistema have agreed to make a capital contribution to MTS Finance of up to \$170 million.

Despite the guarantee, MTS, in agreement with its auditor, believes that it should presently record the charge and include this as a liability for the purposes of its FY 2006 financial statements and disclosure pending resolution of this legal matter. The impact on our financial results for the year ended December 31, 2006, is summarized below, while amended financial statements are attached to this press release.

Balance sheet US\$ million	As previously reported		As amended	
	As of 31 Dec 2006		As of 31 Dec 2006	
Accrued expenses and other current liabilities	954,710		1,124,710

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. These forward looking statements include the Company's belief concerning the \$170 million liability for the put option, which amount is the subject of arbitration and may change as a result of the arbitration proceedings. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, risks associated with operating in Russia, volatility of stock price, financial risk management and future growth subject to risks.
