**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

**(e) Restricted Stock Unit Grants**

On September 6, 2007, the Compensation Committee of the Board of Directors (the Committee) of On Assignment, Inc. (the Company) approved certain awards of Restricted Stock Units (RSU s), each representing the right to receive one share of Company common stock upon vesting, to be granted on the first trading day of the 2008 calendar year to the following officers (the Grantees) in the following amounts:

	<b>RSU Dollar Value</b>
James Brill	\$ 440,000
Mark Brouse	\$ 194,500
Emmett McGrath	\$ 250,000
Shawn Mohr	\$ 250,000

The number of RSU s comprising each Grantee s award will be determined by dividing the applicable Grantee s RSU Dollar Value by the fair market value (as that term is defined in Company s Restated 1987 Stock Option Plan, as amended and restated April 7, 2006) of a share of the Company s common stock on the grant date. Sixty percent (60%) of each Grantee s award will vest in equal, annual installments on each of the first three (3) anniversaries of the grant date, subject to the Grantee s continued employment through each such anniversary. The remaining forty percent (40%) of each Grantee s award will also vest in equal, annual installments on each of the first three (3) anniversaries of the grant date, but will be subject to the attainment of performance targets established by the Committee, in addition to being subject to the Grantee s continued employment through each such anniversary (the Performance Vesting Component). The Committee will establish the applicable performance targets within the first ninety (90) days of each year commencing in 2008. Subject to any accelerated vesting provided for under the Grantee s employment agreement and/or Company s Change in Control Severance Plan, if the Grantee s employment with the Company is terminated for any reason, any unvested portion of such Grantee s award will be forfeited as of the termination date. Upon the vesting of any Grantee s RSU s, shares underlying such RSU s will be delivered to the Grantee as soon as practicable after the vesting date.

Each annual installment of a Grantee s Performance Vesting Component will vest, subject to the Grantee s continued employment, as follows: half of each such installment will vest based upon attainment of eighty-five percent (85%) of adjusted EBITDA and/or branch contribution targets established annually by the Committee and the other half will vest incrementally based upon attainment of adjusted EBITDA and/or branch contribution targets between eighty-five percent (85%) and one hundred and ten percent (110%) of such targets.

If the performance targets applicable to either of the first two annual installment of a Grantee s Performance Vesting Component are not attained in full, then any portion of either such installment which fails to vest will roll forward for one year only and will be added to the installment scheduled to vest on the next following anniversary of the grant date. Vesting of such carried forward portion will be determined in the subsequent year by reference to the attainment of the performance targets applicable to such subsequent year.

The terms and conditions of each award will be set forth in an applicable award agreement. The foregoing description of the grant of RSU s does not purport to be complete and is qualified in its entirety by reference to the form of Stock Unit Agreement, a copy of which was filed as Exhibit 10.1 to Form 8-K on August 8, 2005, and is incorporated herein by reference.
