**Item 1.01 Entry Into a Material Definitive Agreement**

See Item 2.03 below.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant**

On October 5, 2007, ERP Operating Limited Partnership (the Operating Partnership ) entered into a new senior unsecured credit agreement for a \$500 million term loan facility. The full principal amount of the loan facility will be funded in a single borrowing no later than October 13, 2007 (subject to any increases in the loan facility as described below). The Operating Partnership plans to use the proceeds from the loan facility to pay down a portion of the amount outstanding under the Operating Partnership s existing \$1.5 billion long-term revolving credit facility (which will remain in place) and for general corporate purposes. Equity Residential, the sole general partner of the Operating Partnership, and Lexford Properties, L.P., a subsidiary of the Operating Partnership, are guarantors of the Operating Partnership s obligations under the loan facility. The loan facility is with Bank of America, N.A., as administrative agent, JPMorgan Chase Bank, N.A., as syndication agent, Citicorp North America Inc., Deutsche Bank Securities Inc., Regions Bank, The Royal Bank of Scotland PLC, and U.S. Bank National Association, as documentation agents, and a syndicate of other banks.

The new loan facility matures on October 5, 2010, subject to two one-year extension options exercisable by the Operating Partnership. The interest rate on the unpaid balance under the new loan facility will generally be LIBOR plus a spread, which is dependent on the current credit rating of the Operating Partnership s long-term senior unsecured debt and is currently 42.5 basis points. The Operating Partnership has the ability to increase its borrowings under the loan facility to a total of \$750 million, provided one or more existing or new lenders are willing to provide such increased borrowings. The loan facility does not require amortization of principal and may be paid prior to maturity in whole or in part at the Operating Partnership s option without penalty or premium (other than certain fees with respect to Euro Dollar loans prepaid prior to the end of an interest period). The covenants contained in the new loan facility are the same as those contained in the Operating Partnership s existing \$1.5 billion long-term revolving credit facility.
