**Item 1.01            Entry into a Material Definitive Agreement.**

On January 2, 2008, Vista Gold Corp. ( Vista ) announced that it had reached an agreement in principle on that date with A.M. King Industries, Inc. ( A.M. King ) and Del Norte Company Ltd. ( Del Norte ), a wholly owned subsidiary of A.M. King, to purchase gold processing equipment to be used at Vista s Paredones Amarillos gold project in Baja California Sur, Mexico. As reported in Vista s press release issued on January 7, 2008, the parties subsequently entered into a formal agreement with respect to the foregoing equipment purchase. The date of the agreement is January 4, 2008. Vista is making this equipment purchase through its wholly owned subsidiary, Minera Paredones Amarillos, S.A. de C.V., which is a party to the equipment purchase agreement along with Vista, A.M. King and Del Norte. There is no material relationship between Vista or its affiliates and any of the other parties. The equipment includes a 10,000 tonne per day semi-autogenous (SAG) grinding mill, two ball mills, a gyratory crusher and a shorthead cone crusher, along with other related components, spare parts, and other process plant equipment. The purchase price of US\$16,010,000 will be payable in three installments - the first payment of 50% of the purchase price (US\$8,005,000) was paid on signing of the purchase agreement on January 4, 2008 and the second and third payments (25%, or US\$4,002,500 each) are payable based on an equipment delivery schedule with respective parameters targeted to occur in February and March, 2008. The purchase price includes the cost of relocating the equipment to Edmonton, Alberta, Canada. From this point, Vista will arrange for reconditioning and transportation of the equipment to the Paredones Amarillos mine site. The equipment is presently located in northern Canada.
