Item 1.02 Termination of a Material Definitive Agreement.

On April 23, 2008, Frontier Airlines Holdings, Inc. (Frontier) entered into a mutual agreement with Republic Airways, Inc. (Republic) for the termination of the Airline Services Agreement (the Agreement) between Republic and Frontier. Under the terms of the Agreement, Republic operated twelve Embraer 170 aircrafts as part of Frontier s regional jet service. Frontier maintained control of routing, scheduling and ticketing of the regional jet service Republic provided. Frontier purchased aircraft capacity from Republic at predetermined rates and industry standard pass-through costs. The Agreement was included as Exhibit 10.31 to Frontier s Form 10-K for the year ended March 31, 2007 filed with the Securities and Exchange Commission on May 25, 2007.

Due to current economic conditions and Frontier s reorganization under Chapter 11 of the United States Bankruptcy Code (the Bankruptcy Code), Frontier reassessed the use of regional aircraft in its fleet, and concluded termination of the Agreement was advisable. A structured reduction and gradual phase-out of Republic s twelve aircraft from Frontier s daily operations will be completed by mid-June 2008. Termination of the Agreement is contingent on receiving court approval in Frontier s Chapter 11 bankruptcy proceeding.

On April 23, 2008, Frontier issued a press release announcing the matters discussed above. A copy of the press release entitled Frontier Airlines Discontinues Agreement with Republic Airways is attached hereto as Exhibit 99.1.
