Press release

MTS Secures ECA Financing

November 20, 2009

Moscow, Russian Federation Mobile TeleSystems OJSC (MTS NYSE: MBT), the largest mobile phone operator in Russia and the CIS, announces that it has secured a credit facility in the amount of up to approximately \$1,074 million backed by Sweden's Export Credit Agency EKN(1) to be used for the development of the Company's mobile networks through purchases of equipment from Ericsson, the world's leading provider of technology and services to telecom operators.

The facility will have two tranches; the first tranche will be in the amount of up to \$428.9 million with a maturity in June 2019; the second tranche of up to \$645.5 with maturity in September 2020. The facility will have an annual interest rate of LIBOR+1.15%. The amounts to be drawn by the Company will be linked to the equipment purchases over the course of the next couple of years.

The banks facilitating the transaction are Calyon, ING Bank N.V. and Nordea Bank AB as Original Mandated Lead Arrangers with Raiffeisen Zentralbank Österreich AG as a Mandated Lead Arranger.

Mikhail Shamolin, President and CEO of MTS, commented, "The terms and size of the loan that we were able to secure provide us with the necessary flexibility in our CAPEX plans going forward as we build out our networks to provide quality services to our subscribers. Our goal is to capture growth in both voice and data markets by executing on our 3i Strategy, and we look to companies such as Ericsson to provide us with the necessary tools to maximize the benefits we derive from our networks as we launch innovative new services."

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and the negative of such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, including Comstar-UTS, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
