ITEM 7.01 Regulation FD Disclosure

On March 3, 2010, Registrant issued a press release announcing its fourth quarter and fiscal 2009 financial results. Included in financial tables accompanying that press release was a reconciliation between a non-GAAP measure, net income (loss) available to common stockholders excluding impairment and closure charges, gain on extinguishment of debt, amortization of intangible assets, non-cash interest expense and (gain) loss on disposition of assets (dollars and per share amounts), and the most directly comparable GAAP financial measure, net income (loss) available to common stockholders (dollars and per share amounts), for the fourth quarter and fiscal years ended December 31, 2009 and 2008. In response to investor requests, the Registrant is providing the reconciliation between that same non-GAAP measure and the GAAP equivalent for the first, second and third fiscal quarters of 2009. The reconciliation is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Registrant also wishes to disclose its guidance for fiscal 2010 with respect to depreciation and amortization expense. This guidance excludes any impact from future sales of Applebee's company-operated restaurants. Registrant expects depreciation and amortization expense will range between \$65 million and \$70 million for fiscal 2010, of which approximately \$9 million will be included in general and administrative expenses.

The preceding sentence constitutes a forward-looking statement provided by Registrant pursuant to the safe harbor established under the Private Securities Litigation Reform Act of 1995. This statement involves known and unknown risks, uncertainties and other factors, which may cause the actual results to be materially different than those expressed. These factors include, but are not limited to the factors discussed from time to time in the Company's news releases, public statements and/or filings with the Securities and Exchange Commission, especially the Risk Factors sections of Annual and Quarterly Reports on Forms 10-K and 10-Q. Registrant disclaims any intent or obligation to update this forward-looking information.
