The Board of Directors (the **Board**) of GNC Holdings, Inc., a Delaware corporation (the **Company**, **we**, **us** or **our**), has prepared this document to solicit your proxy to vote upon certain matters at our 2012 annual meeting of stockholders (the **Annual Meeting**).

These proxy materials contain information regarding the Annual Meeting, to be held on April 19, 2012, beginning at 8:00 a.m. Eastern Time at the Omni William Penn Hotel, 530 William Penn Place, Pittsburgh, Pennsylvania 15219, and at any adjournment or postponement thereof. As permitted by the rules adopted by the Securities and Exchange Commission (the **SEC**), rather than mailing a full paper set of these proxy materials, we are mailing to many of our stockholders only a notice of internet availability of proxy materials (the **Notice**) containing instructions on how to access and review these proxy materials and submit their respective proxy votes online. If you receive the Notice and would like to receive a paper copy of these proxy materials, you should follow the instructions for requesting such materials located at www.proxyvote.com.

QUESTIONS ABOUT THE ANNUAL MEETING AND THESE PROXY MATERIALS

It is anticipated that we will begin mailing this proxy statement, the proxy card, our 2011 Annual Report on Form 10-K (the **Annual Report**) and the Notice, and that these proxy materials will first be made available online to our stockholders, on or about March 8, 2012. The information regarding stock ownership and other matters in this Proxy Statement is as of February 23, 2012 (the **Record Date**), unless otherwise indicated.

What may I vote on?

You may vote on the following proposals:

- the election of four Class I directors for three-year terms expiring at the 2015 annual meeting of stockholders once their respective successors have been duly elected and qualified, or their earlier resignation or removal (Proposal 1);

- the ratification of the appointment of PricewaterhouseCoopers LLP (PwC) as independent auditors for our 2012 fiscal year (Proposal 2);
- the approval, by non-binding vote, of the compensation paid to our named executive officers in 2011, as disclosed in these proxy materials (commonly known as a say-on-pay proposal) (Proposal 3); and
- a recommendation, by non-binding vote, of the frequency of future advisory votes on executive compensation (commonly known as a say-on-frequency proposal) (Proposal 4).

THE BOARD RECOMMENDS A VOTE FOR THE ELECTION OF THE FOUR CLASS I DIRECTORS, FOR THE RATIFICATION OF THE APPOINTMENT OF PWC AS THE INDEPENDENT AUDITORS, FOR THE APPROVAL, ON AN ADVISORY BASIS, OF COMPENSATION PAID TO THE NAMED EXECUTIVE OFFICERS IN 2011 (SAY-ON-PAY) AND TO RECOMMEND HOLDING THE SAY-ON-PAY VOTE ONCE EVERY YEAR (SAY-ON-FREQUENCY).

Table of Contents

Who may vote?

Stockholders of record of our Class A common stock, par value \$0.001 per share (Class A common stock), and Class B common stock, par value \$0.001 per share (Class B common stock and, together with Class A common stock, common stock), at the close of business on the Record Date are entitled to receive the Notice and these proxy materials and to vote their respective shares at the Annual Meeting. Each share of common stock is entitled to one vote on each matter that is properly brought before the Annual Meeting, except that shares of Class B common stock are not entitled to vote on the election or removal of directors. With respect to the Annual Meeting, shares of Class B common stock are not entitled to vote on Proposal 1 related to the election of four Class I directors. As of the Record Date, 104,233,878 and 2,060,178 shares of Class A common stock and Class B common stock, respectively, were outstanding.

How do I vote?

We encourage you to vote your shares via the Internet. How you vote will depend on how you hold your shares of common stock.

Stockholders of Record

If your common stock is registered directly in your name with our transfer agent, American Stock, Transfer & Trust Company, LLC, you are considered a stockholder of record with respect to those shares, and a full paper set of these proxy materials is being sent directly to you. As a stockholder of record, you have the right to vote by proxy.

You may vote by proxy in any of the following three ways:

Internet. Go to **www.proxyvote.com** to use the Internet to transmit your voting instructions and for electronic delivery of information. Have your proxy card in hand when you access the website.

Phone. Call **1-800-690-6903** using any touch-tone telephone to transmit your voting instructions. Have your proxy card in hand when you call.

Mail. Mark, sign and date your proxy card and return it in the postage-paid envelope we have provided, or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Edgar Filing: GNC HOLDINGS, INC. - Form DEF 14A

Voting by any of these methods will not affect your right to attend the Annual Meeting and vote in person. However, for those who will not be voting in person at the Annual Meeting, your final voting instructions must be received by no later than 11:59 p.m. on April 18, 2012.

Beneficial Owners

Most of our stockholders hold their shares through a stockbroker, bank or other nominee, rather than directly in their own names. If you hold your shares in one of these ways, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you by your broker, bank or nominee who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote. Your broker, bank or nominee has enclosed a voting instruction form for you to use in directing the broker, bank or nominee on how to vote your shares. If you hold your shares through a New York Stock Exchange (NYSE) member brokerage firm, such member brokerage firm has the discretion to vote shares it holds on your behalf with respect to Proposal 2 (the ratification of PwC as independent auditors for our 2012 fiscal year), but not with respect to Proposal 1 (the election of four Class I directors), Proposal 3 (the say-on-pay proposal) or Proposal 4 (the say-on-frequency proposal), as more fully described under What is a broker non-vote ? below.

Table of Contents

Can I change my vote?

Yes. If you are the stockholder of record, you may revoke your proxy before it is exercised by doing any of the following:

- sending a letter to us stating that your proxy is revoked;
- signing a new proxy and sending it to us; or
- attending the Annual Meeting and voting by ballot.

Beneficial owners should contact their broker, bank or nominee for instructions on changing their votes.

How many votes must be present to hold the Annual Meeting?

A quorum is necessary to hold the Annual Meeting. A quorum is a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting. They may be present at the Annual Meeting or represented by proxy. Abstentions and broker non-votes are counted as present and entitled to vote for purposes of determining a quorum.

How many votes are needed to approve the proposals?

At the Annual Meeting, a FOR vote by a majority of votes cast is required for Proposal 1 (the election of four Class I directors), Proposal 2 (the ratification of PwC as independent auditors for our 2012 fiscal year) and Proposal 3 (the say-on-pay proposal). With respect to Proposal 4 (the say-on-frequency proposal), the alternative receiving the greatest number of votes (every one year, two years or three years) will be the frequency that our stockholders will approve, by non-binding vote, the say-on-pay proposal.

A FOR vote by a majority of votes cast means that the number of shares voted FOR exceeds the number of shares voted AGAINST.

What is an abstention?

An abstention is a properly signed proxy card that is marked `abstain`. Abstentions do not constitute votes `FOR` or votes `AGAINST`.

What is a broker non-vote?

A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received timely instructions from the beneficial owner. Under current applicable rules, Proposal 2 (the ratification of PwC as independent auditors for our 2012 fiscal year) is a discretionary item upon which NYSE member brokerage firms that hold shares as nominee may vote on behalf of the beneficial owners if such beneficial owners have not furnished voting instructions by the tenth day before the Annual Meeting.

However, NYSE member brokerage firms that hold shares as a nominee may not vote on behalf of the beneficial owners on the following proposals unless you provide voting instructions: Proposal 1 (the election of four Class I directors), Proposal 3 (the say-on-pay proposal) and Proposal 4 (the say-on-frequency proposal). Therefore, if an NYSE member brokerage firm holds your common stock as a nominee, please instruct your broker how to vote your common stock on each of these proposals. This will ensure that your shares are counted with respect to each of these proposals.

Table of Contents

Will any other matters be acted on at the Annual Meeting?

If any other matters are properly presented at the Annual Meeting or any adjournment or postponement thereof, the persons named in the proxy will have discretion to vote on those matters. As of February 10, 2012, the date by which any proposal for consideration at the Annual Meeting submitted by a stockholder must have been received by us to be presented at the Annual Meeting, and as of the date of these proxy materials, we did not know of any other matters to be presented at the Annual Meeting.

Who pays for this proxy solicitation?

We will pay the expenses of soliciting proxies. In addition to solicitation by mail, proxies may be solicited in person or by telephone or other means by our directors or associates. We will reimburse brokerage firms and other nominees, custodians and fiduciaries for costs incurred by them in mailing these proxy materials to the beneficial owners of common stock held of record by such persons.

Whom should I call with other questions?

If you have additional questions about these proxy materials or the Annual Meeting, please contact: GNC Holdings, Inc., 300 Sixth Avenue, Pittsburgh, Pennsylvania, 15222, Attention: Gerald J. Stubenhofer, Jr., Telephone: (412) 288-4619.

The Annual Meeting will be our first annual meeting of stockholders since we completed our initial public offering (the IPO) in April 2011. We encourage, but do not require, our directors to attend our annual meetings of stockholders.

Director Independence

The Board is comprised of Norman Axelrod, Jeffrey P. Berger, Andrew Claerhout, Joseph Fortunato, Michael F. Hines, David B. Kaplan, Brian Klos, Johann O. Koss, Amy B. Lane, Romeo Leemrijse and Richard J. Wallace. Pursuant to the voting agreement in the Stockholders Agreement, dated April 6, 2011 (the Stockholders Agreement), by and among the Company, Ares Corporate Opportunities Fund II, L.P. (Ares) and, together with OTPP, the Sponsors) and OTPP, Messrs. Axelrod, Kaplan and Klos were designated by Ares, and Messrs. Claerhout, Koss and Leemrijse were designated by OTPP. Messrs. Berger, Hines and Wallace were jointly designated by the Sponsors, and Ms. Lane was not designated by either of the Sponsors. Mr. Fortunato was elected to the Board in accordance with the Stockholders Agreement, which provides that our Chief Executive Officer will sit on the Board. Carmen Fortino and Beth Kaplan resigned from the Board, effective March 2, 2011 and June 20, 2011, respectively. Mr. Fortino and Ms. Kaplan were jointly designated by the Sponsors.

Our Class A common stock has been listed for trading on the NYSE under the symbol GNC since March 31, 2011. The Board, upon the findings of the Nominating Committee, has determined that each of Ms. Lane and Messrs. Axelrod, Berger, Hines, Koss and Wallace is independent within the meaning of Rule 303A.02 of the NYSE Listed Company Manual (the Manual). Prior to the consummation of the IPO, we had no securities listed for trading on a national securities exchange or in an automated inter-dealer quotation system of a national securities association that required a majority of the Board to be independent.

Leadership Structure

The Board has no policy with respect to the separation of the offices of Chief Executive Officer and Chairman of the Board. It is the Board's view that rather than having a rigid policy, the Board, with the advice and assistance of the Nominating Committee, and upon consideration of all relevant factors and circumstances, will determine, as and when appropriate, whether to institute a formal policy.

Currently, our leadership structure separates the offices of Chief Executive Officer and Chairman of the Board, with Mr. Fortunato serving as our Chief Executive Officer and Mr. Axelrod as Chairman of the Board. We believe this is appropriate, as it provides Mr. Fortunato with the ability to focus on our day-to-day operations while Mr. Axelrod focuses on oversight of the Board.

stockholders, and, upon consideration of all relevant factors and circumstances, recommends to the Board for its approval the slate of director nominees to be nominated for election at our annual meeting of stockholders. The Nominating Committee considers potential nominees without regard to race, color, creed, religion, national origin, age, gender, sexual orientation or disability. The Nominating Committee has not adopted a formal policy with respect to diversity.

Following the consummation of the IPO, we relied on Rule 303A.00 of the Manual (Rule 303A.00), which exempted us from Rule 303A.04 of the Manual requiring that the Nominating Committee be composed entirely of independent directors. In the fourth quarter of 2011, we completed a follow-on offering of Class A common stock (the Follow-on Offering). Upon the consummation of the Follow-on Offering, we no longer qualified as a controlled company within the meaning of Rule 303A.00 and, pursuant to Rule 303A.00, the Nominating Committee must be composed entirely of independent directors within one year from the consummation of the Follow-on Offering.

Pursuant to the *Merger Agreement* and on March 16, 2007, GNC Acquisition Inc. was merged with and into GNC Parent Corporation, with GNC Parent Corporation as the surviving corporation and our wholly owned subsidiary (the *Merger*). Stockholders Agreement

The Stockholders Agreement provides that the Board will consist of at least nine members and that the Sponsors will have the right to nominate to the Board, subject to their election by our stockholders:

- for so long as the Sponsors collectively own more than 50% of the then outstanding shares of common stock, the greater of up to nine directors and the number of directors comprising a majority of the Board; and
- except as provided below, for so long as the Sponsors collectively own 50% or less of the then outstanding shares of common stock, that number of directors (rounded up to the nearest whole number or, if such rounding would cause the Sponsors to have the right to elect a majority of the Board, rounded to the nearest whole number) that is the same percentage of the total number of directors comprising the Board as the collective percentage of common stock owned by the Sponsors.

Table of Contents

Half of such nominees will be nominated by each of the Sponsors; except that (i) if the number of directors to be nominated is odd, the Sponsors will jointly nominate one such director and each Sponsor will nominate one half of the remainder, and (ii) if either Sponsor owns more than 5%, but less than or equal to 10%, of the then outstanding shares of common stock, one director will be nominated by such Sponsor, and the remainder of such nominees will be nominated by the other Sponsor.

Notwithstanding the foregoing, if either Sponsor at any time ceases to own more than 5% of the then outstanding shares of common stock, that Sponsor will not have the right to designate any directors, the shares of common stock owned by that Sponsor will be excluded in calculating the thresholds above, and the rights set forth above will only be available to the Sponsor that owns the applicable percentage of shares of common stock. The Stockholders Agreement also provides for the nomination to the Board, subject to his or her election by our stockholders at the annual meeting, of our chief executive officer. Each Sponsor has agreed, for so long as such Sponsor owns more than 5% of the outstanding shares of common stock, to vote all of the shares of Class A common stock held by it in favor of the foregoing nominees.

The Stockholders Agreement also provides that, for so long as the Sponsors collectively own more than one third of the then outstanding shares of our common stock, the following corporate actions will require the approval of either Sponsor; except that if either Sponsor owns 10% or less of the then outstanding shares of common stock, such actions will not be subject to the approval of such Sponsor and the shares of common stock owned by such Sponsor will be excluded in calculating the one third threshold:

- a change of control or, subject to certain exceptions, our merger or consolidation;

- (i) the entrance into any joint venture, investment, recapitalization, reorganization or contract with any other person (in each case other than a wholly owned subsidiary), (ii) the acquisition of any securities or assets of another person (other than a wholly owned subsidiary), in the case of any of the transactions set forth in clause (i) or (ii), whether in a single transaction or series of related transactions, with a value, or for a purchase price, in excess of \$75 million, or (iii) the exercise of any ownership rights in respect of any of the foregoing;

Mr. Fortunato, our Chief Executive Officer and President, has been with us for over 20 years and in his current role since 2005. Under his leadership we have been able to expand our store and franchise network to more than 7,600 retail locations in the United States (including 924 franchise and 2,125 Rite Aid franchise store-within-a-store locations), and franchise operations in 53 international countries (including distribution centers where retail sales are made). In addition, we have grown our market leading position, and, based on information we compiled from the public securities filings of our primary competitors, our network of domestic retail locations is now approximately eleven times larger than the next largest U.S. specialty retailer of nutritional supplements. We have sought to establish competitive compensation programs that enable us to attract and retain skillful, experienced and dedicated executives as well as motivate management to maximize performance while building stockholder value.

On April 6, 2011, we completed the IPO and became a publicly traded company. Historically, our executive compensation program has been structured to generate and reward superior company performance by establishing compensation packages under which variable, or incentive, compensation is weighted more heavily than base salary. We have established compensation programs to motivate our executives to focus on both our short- and long-term

Table of Contents

performance by providing a mix of short- and long-term incentive compensation in the form of annual cash incentive compensation and long-term equity-based incentive compensation. We believe that this approach aligns the incentives to our executives with the interests of our stockholders. Although we have retained these philosophies, we modified certain aspects of our executive compensation program in connection with becoming a publicly traded company, primarily in the area of variable compensation.

Long-term Incentive Compensation. Before the IPO, we limited our long-term incentive compensation to stock options. In April 2011, in connection with the IPO, we adopted, and our stockholders approved, a new equity-based compensation plan, the 2011 Stock Plan (as defined below), under which we made special one-time grants of stock options and shares of time-vested restricted stock to our executives, including each of the Named Executive Officers, to compensate them for their efforts in preparing for and completing the IPO. For our 2012 fiscal year, we established a new equity-based long-term incentive compensation program for our executives, including our named executive officers, that provides for grants of stock options and time-vested restricted stock under the 2011 Stock Plan. The majority of the value provided in these grants was in the form of stock options; however, we believe that granting restricted stock cultivates an ownership mentality among our executives and, when combined with stock options, effectively focuses management on achieving our objectives, thereby more closely aligning the interests of our executives with the long-term interests of our stockholders. For information, see *Elements of Compensation – Long-term Incentive Compensation* below.

Annual Cash Incentive Compensation. Before the IPO, annual cash incentive compensation was tied to the achievement of EBITDA (as defined below) targets exclusively. In January 2012, we adopted an annual cash incentive compensation program for our executives, including each of the Named Executive Officers other than Ms. Kaplan, that is based on a combination of performance metrics including EBITDA, transaction counts and domestic company-owned same store sales growth. We believe that these additional criteria incentivize our executives to focus on multiple performance drivers throughout our business. For information, see *Elements of Compensation – Annual Cash Incentive Compensation* below.

Compensation Policies and Objectives

The primary objectives of our executive compensation program are to (i) align cash and stock-based rewards with individual performance that created stockholder value, (ii) attract and retain high quality employees, (iii) build an ownership mentality among our key employees and (iv) provide cost effective cash and stock-based rewards that are competitive with other organizations and fair to our stockholders and employees. The foregoing objectives are applicable to the compensation of the Named Executive Officers, and to the elements of their respective executive compensation packages as follows:

Base Salary. The objective in determining base salaries for the Named Executive Officers is to set base salaries at levels that are (i) sufficient to attract and retain high quality, qualified employees and (ii) perceived as fair to our stockholders and employees. The Compensation Committee seeks to set base salaries at levels commensurate with other retailers of comparable revenue size to us. In addition, base salaries are influenced by the complexity and level of the applicable position.

Annual Cash Incentive Compensation. We use annual cash incentive compensation to incentivize the Named Executive Officers to contribute to our growth and financial performance and to provide rewards based on achievement of predetermined goals intended to represent increases in stockholder value. As additional cash compensation that is contingent on our financial performance, annual cash incentive compensation augments the base salary component while being tied to our financial performance.

Edgar Filing: GNC HOLDINGS, INC. - Form DEF 14A

Long-term Incentive Compensation. We believe that stock-based awards are important in building an ownership mentality among our executives and aligning the long-term financial interests of our executives with those of our stockholders. Stock options and restricted stock provide incentives to drive performance, but have long-term horizons because value to our executives is dependent on continued employment.

Benefits and Perquisites. The Named Executive Officers are entitled to participate in, and to receive benefits under, the benefit plans, arrangements and policies available to our employees or executives generally, and, in 2011, received perquisite allowances in the form of cash payments. We believed limited perquisites were a necessary

Table of Contents

component of a competitive compensation package. With respect to 2012, in an effort to simplify our compensation program, the Compensation Committee decided to terminate the payment of perquisite allowances for our executives except as described below under Elements of Compensation Benefits and Perquisites.

Executive Compensation Process

Role of the Compensation Committee

The Compensation Committee oversees the development and implementation of our executive compensation policies and objectives, determines the structure of our executive compensation packages generally, determines the actual compensation paid to each of our senior executives and evaluates the performance of our Chief Executive Officer. In addition, the Compensation Committee has the authority to (i) review our incentive compensation plans, recommend changes to such plans to the Board and exercise all the authority of the Board with respect to the administration of such plans, and (ii) retain, terminate and set the terms of our and the Compensation Committee's relationship with any consultants and other outside advisors who assist the Compensation Committee in carrying out its duties.

Role of Management

The Compensation Committee considers the recommendations of management, principally our Chief Executive Officer, when determining the structure of our executive compensation packages generally and the actual compensation paid to each of our senior executives. However, the Compensation Committee does not delegate any of its functions to others in setting compensation, and no Named Executive Officer is a member of the Compensation Committee. In addition, our Chief Executive Officer does not provide recommendations with respect to his own compensation.

Role of Outside Advisors

The Compensation Committee has retained Hay Group and James F. Reda & Associates, LLC (Reda) as independent consultants to provide information, advice and recommendations regarding our executive compensation policies and design. Hay Group and Reda specialize in advising on director and executive compensation matters. In early 2011, in connection with the IPO, the Compensation Committee engaged Reda to review and provide recommendations regarding one-time long-term incentive compensation grants to our executives. In June 2011, the Compensation Committee engaged Hay Group to review and provide information, advice and recommendations regarding our executive compensation program generally, as well as the individual compensation packages of each of our senior executives, including the Named Executive Officers. As discussed below under Use of Benchmarking Data, at the direction of the Compensation Committee, Hay Group worked with our Chief Executive Officer and our Human Resources personnel to compare our executive compensation packages to those of a group of comparable companies.

Hay Group and Reda report and provide advice and recommendations to the Compensation Committee and do not report to management or us. Prior to their engagements, neither Hay Group nor Reda had previously worked with us in any capacity, nor have either of them served us in any

capacity, other than as consultants to the Compensation Committee.

Use of Benchmarking Data

Generally, the base salaries and annual cash incentive compensation paid to the Named Executive Officers in 2011 were established by the Compensation Committee prior to the consummation of the IPO. Since the IPO, the Compensation Committee has sought to determine how our compensation programs compare to other publicly traded companies similar to us. The Compensation Committee seeks to set compensation for the Named Executive Officers at levels that are competitive with similar companies in our industry but consistent with our growth strategy and with an emphasis on variable compensation, rather than fixed compensation. In June 2011, the Compensation Committee directed Hay Group to obtain compensation information on top executives at a group of comparable retail companies selected by Hay Group (the Peer Group) to assist the Compensation Committee in comparing our executive compensation program generally, as well as the individual compensation packages of each of our senior

Table of Contents

executives, to the packages maintained by the companies in the Peer Group. The Peer Group was comprised of the following 17 publicly traded retail companies, which the Compensation Committee believes are broadly reflective of the size, scope and complexity of our business; each of our revenue, market capitalization and price to earnings ratio was approximately equal to the median of the Peer Group:

Big 5 Sporting Goods	Nu Skin Enterprises	Usana Health Sciences
Cabela's	Perrigo	Village Super Market
Dick's Sporting Goods	RadioShack	Vitamin Shoppe
Hansen Natural	Sally Beauty Holdings	Weight Watchers
Herbalife	Ulta Salon Cosmetics & Fragrance	Weis Markets
Hibbett Sports	United Natural Foods	

Hay Group reported to the Compensation Committee that, compared to the Peer Group, the 2011 base salaries of our Named Executive Officers other than Ms. Kaplan were generally at or below the median (with the exception of Mr. Fortunato, whose base salary was above the 75th percentile), and that the total target compensation in 2011 of our Named Executive Officers other than Ms. Kaplan ranged from between the 50th and 75th percentiles of the Peer Group to above the 75th percentile of the Peer Group. Hay Group's evaluation influenced the Compensation Committee's determination of the compensation packages for our Named Executive Officers for 2012, as described below.

As discussed below under **Elements of Compensation – Long-term Incentive Compensation**, we made one-time grants of stock options and restricted stock to the Named Executive Officers in connection with the consummation of the IPO. Hay Group reported to the Compensation Committee that, as a result of such one-time grants, the long-term equity incentive compensation of Mr. Nuzzo was between the median and the 75th percentile, and of Messrs. Fortunato, Dowd, Hennion and Stubenhofer were above the 75th percentile.

In connection with establishing compensation packages for 2012, based in part upon the results of Hay Group's analysis of compensation information obtained on top executives at companies in the Peer Group, the Compensation Committee, (i) modified our annual cash incentive compensation program for the Named Executive Officers to provide that cash compensation will be paid based on our achievement of predetermined levels of EBITDA, transaction counts and domestic company-owned same store sales growth, as discussed below under **Elements of Compensation – Annual Cash Incentive Compensation**, (ii) approved grants of long-term incentive awards for 2012 to our executives under the Grant Policy (as defined below), including each Named Executive Officer other than Ms. Kaplan, as discussed below under **Elements of Compensation – Long-term Incentive Compensation**, (iii) adopted the Executive Stock Ownership Guidelines, as discussed below under **Executive Officer Stock Ownership Guidelines**, and (iv) adjusted the based salaries of Messrs. Fortunato, Nuzzo, Dowd, Hennion and Stubenhofer, as discussed below under **Elements of Compensation – Base Salary**.

Elements of Compensation

Base Salary

We pay base salaries to the Named Executive Officers. On March 7, 2011, in anticipation of the consummation of the IPO, we entered into an amended and restated employment agreement with Mr. Fortunato (as amended, the **Fortunato Agreement**), pursuant to which Mr. Fortunato's annual base salary was increased to \$1,000,000. In determining the annual base salary of Mr. Fortunato, the Compensation Committee primarily considered the responsibilities associated with being the chief executive officer of a public company.

In June 2011, the Compensation Committee increased Mr. Dowd's annual base salary to \$425,000 in connection with his promotion to Executive Vice President, Chief Merchandising Officer and General Manager. The Compensation Committee approved such increase because it believed that the increased base salary was commensurate with the responsibilities and level of seniority accompanying his position at the time of his promotion.

With respect to 2012, the Compensation Committee increased the annual base salaries of each of Messrs. Fortunato, Nuzzo, Dowd, Hennion and Stubenhofer to \$1,050,000, \$469,000, \$483,000, \$439,000 and \$361,100, respectively.

Table of Contents

When setting such base salaries, the Compensation Committee (i) intended to more closely align the base salaries of Messrs. Nuzzo, Dowd, Hennion and Stubenhofer to the median base salaries of comparable executives in the Peer Group and (ii) replaced the payment of annual perquisite allowances with a corresponding increase in base salary, as discussed below under Elements of Compensation Benefits and Perquisites. The Compensation Committee also considered the following factors: (a) for Mr. Fortunato, the additional leadership responsibilities he has assumed in connection with the ongoing growth in each of our operating segments, (b) for Mr. Nuzzo, the responsibilities associated with being the chief financial officer of a public company, as well as the new responsibilities he assumed as the head of information technology, (c) for Mr. Dowd, the new responsibilities he assumed by leading a number of company initiatives and managing a group of employees that had grown significantly following his promotion in June 2011, (d) for Mr. Hennion, the responsibilities associated with our expanding e-commerce business, including the integration of LuckyVitamin.com, which we acquired in August 2011, and (e) for Mr. Stubenhofer, the responsibilities associated with being the chief legal officer of a public company.

Annual Cash Incentive Compensation

Annual cash incentive compensation is documented in an annual plan that is adopted by the Compensation Committee under the 2011 Stock Plan prior to or during the first quarter of the applicable year. The annual performance bonus for each Named Executive Officer has a target and maximum bonus amount expressed as a percentage of his annual base salary. The respective percentages are determined by position and level of responsibility and are stated in an annual cash incentive compensation plan adopted by the Compensation Committee.

The following table sets forth the target and maximum bonus amounts for each level of executive, expressed as a percentage of base salary, with respect to the 2011 incentive plan adopted in February 2011 (the 2011 Incentive Plan), the 2010 incentive plan adopted in February 2010 (the 2010 Incentive Plan), and the 2009 incentive plan adopted in February 2009 (the 2009 Incentive Plan):

<u>Level</u>	2011 Incentive Plan		2010 Incentive Plan		2009 Incentive Plan	
	<u>Target</u> <u>Amount</u>	<u>Maximum</u> <u>Amount</u>	<u>Target</u> <u>Amount</u>	<u>Maximum</u> <u>Amount</u>	<u>Target</u> <u>Amount</u>	<u>Maximum</u> <u>Amount</u>
Chief Executive Officer and President	75%	135%	75%	125%	75%	125%
Executive Vice President	45%	100%	45%	100%	45%	100%
Senior Vice President	40%	75%	40%	75%	40%	75%

Under the 2011 Incentive Plan, the 2010 Incentive Plan and the 2009 Incentive Plan, cash compensation was based on our achievement of predetermined levels of budgeted earnings before interest, taxes, depreciation and amortization, which is calculated at the end of the applicable year including adjustments disclosed in our quarterly earnings reports (EBITDA). The target bonus was designed to provide the Named Executive Officers with a bonus the Compensation Committee determined would be equitable if we achieved EBITDA equal to budgeted EBITDA. The threshold bonus was designed to provide the Named Executive Officers with some bonus opportunity, but less than the target opportunity, if we did not achieve our budgeted EBITDA but met at least a threshold level of EBITDA achievement. The maximum bonus was designed to reward the Named Executive Officers with a bonus in excess of the target in the event we significantly exceeded our budgeted EBITDA.

The following table sets forth the thresholds and related goals with respect to the 2011 Incentive Plan, the 2010 Incentive Plan and the 2009 Incentive Plan:

Edgar Filing: GNC HOLDINGS, INC. - Form DEF 14A

<u>Thresholds</u>	<u>2011 Incentive Plan Budgeted EBITDA</u>	<u>2010 Incentive Plan Budgeted EBITDA</u>	<u>2009 Incentive Plan Budgeted EBITDA</u>
Threshold	94.6%	91.5%	95.0%
Target	100.0%	100.0%	100.0%
Maximum	103.7%	103.9%	106.5%

Table of Contents

In 2011, 2010 and 2009, we achieved 117.1%, 104.5% and 104.6%, respectively, of budgeted EBITDA. Based on our performance in 2011 and 2010, we achieved the maximum EBITDA set forth in the 2011 Incentive Plan and the 2010 Incentive Plan, respectively, and each plan participant, including the Named Executive Officers, was paid the maximum annual cash incentive compensation under such plans, except for Ms. Kaplan, who did not receive any compensation under the 2011 Incentive Plan because she was not an employee of the Company on December 31, 2011, and Mr. Hennion, who did not receive any compensation under the 2010 Incentive Plan because he was not an employee of the Company prior to 2011. Based on our performance in 2009, we achieved budgeted EBITDA between the target and maximum, and each plan participant, including the Named Executive Officers other than Mr. Hennion, received a pro rated payment between the target and maximum levels.

The annual cash incentive plan for 2012 performance (the 2012 Incentive Plan) was adopted by the Compensation Committee in February 2012 and provides for the following threshold, target and maximum bonus amounts, expressed as a percentage of base salary:

<u>Level</u>	2012 Incentive Plan		
	<u>Threshold Amount</u>	<u>Target Amount</u>	<u>Maximum Amount</u>
Chief Executive Officer and President	25%	80%	160%
Executive Vice President	20%	50%	100%
Senior Vice President	15%	40%	80%

The targets under the 2012 Incentive Plan are generally based on our achievement of (i) a predetermined level of EBITDA and (ii) other objective, quantifiable performance goals related to each participant's position. With respect to Messrs. Fortunato, Nuzzo, Dowd, Hennion and Stubenhofer, the targets are based on our achievement of EBITDA and transaction counts and domestic company-owned same store sales growth. They will receive 80% of the target bonus amount if we achieve budgeted EBITDA equal to the target, and 10% for each of the other performance goals we achieve. The EBITDA thresholds and related goals for Messrs. Fortunato, Nuzzo, Dowd, Hennion and Stubenhofer under the 2012 Incentive Plan are as follows:

<u>Thresholds</u>	<u>2012 Incentive Plan Budgeted EBITDA</u>
Threshold	94.7%
Target	100.0%
Maximum	104.8%

Any cash incentive compensation paid with respect to the performance goals related to transaction counts and domestic company-owned same store sales growth will be paid only if we achieve our respective target for each aspect of our business. The Compensation Committee may, in its discretion, amend the foregoing levels on an individual basis if it determines that competitive considerations or circumstances require us to make exceptions to the foregoing levels to retain qualified executives.

We do not disclose our internal budget for results of operations, including budgeted EBITDA (as determined by management and approved by the Board), transaction counts and domestic company-owned same store sales growth. These amounts constitute confidential financial information, and we believe that disclosure of this amount, whether with respect to historical periods or future periods, would cause us competitive harm by disclosing to competitors key elements of our internal projections.

Edgar Filing: GNC HOLDINGS, INC. - Form DEF 14A

The Compensation Committee sets the EBITDA and other performance targets at levels it believes are both challenging and achievable. By establishing targets that are challenging, the Compensation Committee believes that performance of our employees, and therefore our performance, is maximized. By setting targets that are also achievable, the Compensation Committee believes that employees remain motivated to perform at the high level required to achieve the targets. In setting and determining the difficulty of achieving these targets, the Compensation Committee considers primarily recent performance under our incentive plans, our internal projections and the assumptions on which our projections are based, including prevailing and expected general economic conditions.

Table of Contents

While we have experienced success in meeting the established EBITDA targets, the Compensation Committee may determine in a particular year that, based upon factors other than financial performance, the awarding of full or partial bonuses is appropriate. The EBITDA target under the 2012 Incentive Plan represents an increase of 34.8% over the EBITDA target under the 2011 Incentive Plan, which represented an increase of 16.1% over the EBITDA target under the 2010 Incentive Plan. Each of these increases exceeded the increase in actual EBITDA achieved in the preceding year. Based primarily on the fact that achieving the EBITDA target under the 2012 Incentive Plan requires us to achieve EBITDA in excess of that which we achieved in 2011, the Compensation Committee believes that achieving 100% or more of budgeted EBITDA and the other performance targets established in the 2012 Incentive Plan, while possible to achieve for the Named Executive Officers, will present a significant challenge.

The Named Executive Officers are entitled to annual cash incentive compensation pursuant to the terms of their respective employment agreements.

Generally, annual cash incentive compensation is payable only if the Named Executive Officer is employed by us on the date payment is made. As discussed above, Ms. Kaplan did not receive a bonus under the 2011 Incentive Plan.

Long-term Incentive Compensation

All of our employees, and the employees of our direct and indirect subsidiaries and other affiliates, including the Named Executive Officers, are eligible for awards of stock options, restricted stock and other stock-based awards under the GNC Holdings, Inc. 2011 Stock and Incentive Plan (the 2011 Stock Plan). The Compensation Committee is responsible for administering, selecting the individuals who are eligible to participate in and determining the types and amounts of stock-based awards granted under the 2011 Stock Plan. The Compensation Committee has discretion to delegate all or a portion of its authority under the 2011 Stock Plan, but does not currently delegate any function of making awards. In March 2007, we adopted the GNC Acquisition Holdings Inc. 2007 Stock Incentive Plan (the 2007 Stock Plan). Following the IPO and the adoption of the 2011 Stock Plan in April 2011, we have not granted and will not grant any additional awards under the 2007 Plan.

Stock options granted under the 2007 Stock Plan and 2011 Stock Plan generally are subject to vesting in equal annual installments on the first five anniversaries of the date of grant and have a term of ten years and seven years, respectively. The Compensation Committee determines the size of stock-based awards in accordance with the Named Executive Officer's performance and level of position.

Pursuant to the Fortunato Agreement and in connection with the consummation of the IPO, Mr. Fortunato was granted an option to purchase up to 250,000 shares of Class A common stock at an exercise price of \$16.00 per share, and an option to purchase up to 250,000 shares of Class A common stock at an exercise price of \$24.00 per share. Such stock options were granted under the 2011 Stock Plan, vest in equal installments on the first four anniversaries of the date of grant and have a term of ten years. The Compensation Committee determined to grant such options based primarily on the responsibilities associated with being the chief executive officer of a public company and to align the long-term financial interests of Mr. Fortunato with those of our stockholders.

Following the consummation of the IPO, in April and July 2011, the Compensation Committee granted one-time awards of stock options and restricted stock under the 2011 Stock Plan to certain of our executives including, in April 2011, to each of the Named Executive Officers other than Mr. Fortunato, to compensate them for their efforts in preparing for and completing the IPO. Also, since none of the Named Executive

Edgar Filing: GNC HOLDINGS, INC. - Form DEF 14A

Officers had received any grants of long term incentive compensation since the commencement of their employment, the grants were intended and set at levels to bring their overall level of long-term incentive compensation in line with levels competitive within our industry.

In connection with his promotion to Executive Vice President, Chief Merchandising Officer and General Manager, in October 2011, Mr. Dowd was granted an option to purchase up to 17,255 shares of Class A common stock at an exercise price of \$25.10 per share and 2,745 shares of restricted stock. The Compensation Committee determined to grant such awards based on the responsibilities and level of seniority accompanying his position and the Compensation Committee's desire to align the long-term financial interests of Mr. Dowd with those of our stockholders.

Table of Contents

Based in part upon the results of Hay Group's analysis of the compensation packages of top executives at companies in the Peer Group, in December 2011, the Compensation Committee granted awards of stock options and restricted stock under the 2011 Stock Plan in respect of 2012 long-term equity compensation to certain executives, including each of the Named Executive Officers other than Ms. Kaplan. The awards were intended to be annual grants in accordance with the Grant Policy (as defined below) and designed to align the long-term financial interests of our executives with those of our stockholders. The awards were granted to each of Messrs. Fortunato, Nuzzo, Dowd, Hennion and Stubenhofer at a level that, based in part on the results of Hay Group's compensation analyses, were competitive compared to long-term incentive awards granted to executives with comparable titles and responsibilities within the Peer Group.

In January 2012, the Compensation Committee adopted a policy to consider grants of long-term incentive compensation awards on an annual basis, except for new hires, promotions and special performance recognition (the Grant Policy). Under the Grant Policy, awards will generally be granted at least two trading days after the release of material information, such as quarterly or annual earnings.

Benefits and Perquisites

In 2011, Messrs. Nuzzo, Dowd, Hennion and Stubenhofer and Ms. Kaplan received perquisite allowances in the amounts of \$29,000, \$43,000, \$29,000, \$21,500 and \$50,000, respectively. Mr. Fortunato received a perquisite allowance under his previous employment agreement, but the allowance was terminated under the Fortunato Agreement. The Named Executive Officers received cash payments (paid semi-monthly) in lieu of in-kind perquisites, and were not required to spend the cash payments or report to us how the amounts were used. We provided perquisite allowances to give the Named Executive Officers flexibility in determining how to spend their perquisite dollars and to reduce administrative costs that otherwise would be associated with tracking reimbursements for eligible perquisite expenditures. The Compensation Committee set the amounts of the perquisite allowances at levels it considered appropriate and competitive with the market.

With respect to 2012, in an effort to simplify our compensation program, the Compensation Committee decided to terminate the payment of perquisite allowances for our executives, and raised the base salaries of Messrs. Nuzzo, Dowd, Hennion and Stubenhofer by \$29,000, \$43,000, \$29,000, \$21,500, respectively, to replace the perquisite allowances it terminated. The Compensation Committee also decided to provide Mr. Fortunato with an annual perquisite allowance of \$15,000 to be used for an automobile, and up to 25 hours per year of personal use of company aircraft.

Non-qualified Deferred Compensation Plan

We maintain the GNC Live Well Later Non-qualified Deferred Compensation Plan for the benefit of a select group our highly compensated employees. Under the deferred compensation plan, certain eligible employees may elect to defer a portion of their future compensation under the deferred compensation plan by electing such deferral prior to the beginning of the calendar year during which the deferral amount would be earned. Messrs. Dowd and Hennion are the only Named Executive Officers who made contributions to the deferred compensation plan in 2011. For more information regarding the deferred compensation, please see Non-qualified Deferred Compensation for Our Fiscal Year ended December 31, 2011 below.

Employment Agreements

We have employment agreements with all of the Named Executive Officers other than Ms. Kaplan, whose employment agreement terminated upon her resignation. Each employment agreement provides that any incentive compensation payable to the Named Executive Officer will be subject to the clawback policies adopted or implemented by us, including in respect of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and the regulations promulgated thereunder (Dodd-Frank). Please see Potential Payments Upon Termination or Change in Control below for more information regarding such employment agreements and termination and payments made in connection with a change in control. We will continue to determine appropriate employment agreement packages for the Named Executive Officers in a manner that we believe will attract and retain qualified executives.

Table of Contents

Mr. Fortunato. The Fortunato Agreement provides that Mr. Fortunato will serve as our Chief Executive Officer and President for a three-year term ending March 6, 2014, with automatic annual one-year renewals thereafter unless we or Mr. Fortunato provide at least one-year's advance notice of non-renewal.

Messrs. Nuzzo, Dowd, Hennion and Stubenhofer. In February and March 2012, we entered into amended and restated employment agreements with Messrs. Nuzzo, Dowd, Hennion and Stubenhofer. Each agreement is for a two-year term ending in February 2014, with automatic annual one-year renewals thereafter unless we or the executive provide at least 30 days' advance notice of non-renewal.

Ms. Kaplan. Ms. Kaplan's employment agreement provided that Ms. Kaplan would serve as our President and Chief Merchandising and Marketing Officer. Effective June 20, 2011, Ms. Kaplan resigned from her position as our President and Chief Merchandising and Marketing Officer. In connection with her resignation, Ms. Kaplan received benefits commensurate with the benefits payable to her upon a termination without cause under her employment agreement, which is discussed below under Potential Payments Upon Termination or Change in Control. In connection with Ms. Kaplan's resignation, she executed a release of claims against us and certain of our affiliates.

Impact of Accounting and Tax Considerations

As a general matter, the Compensation Committee reviews and considers the various tax and accounting implications of the compensation vehicles we utilize.

The 2011 Stock Plan is intended to constitute a plan described in Treasury Regulation Section 1.162-27(f)(1), pursuant to which the deduction limits under Section 162(m) of the Internal Revenue Code do not apply during the applicable reliance period. In general, the reliance period ends upon the earliest of: (i) the expiration of the 2011 Stock Plan (i.e., 10 years after the date the 2011 Stock Plan was approved by our stockholders); (ii) the material modification of the 2011 Stock Plan; (iii) the issuance of all available stock under the 2011 Stock Plan; or (iv) the first stockholder meeting at which directors are to be elected that occurs after December 31, 2013. The Compensation Committee intends to utilize performance-based compensation programs that meet the deductibility requirements under Section 162(m). However, the Compensation Committee may approve compensation that may not be deductible if the Compensation Committee determines that such compensation is in our best interests including, for example, the payment of certain non-deductible compensation necessary in order to attract and retain individuals with superior talent.

Section 162(m) of the Internal Revenue Code generally disallows public companies a tax deduction for compensation in excess of \$1,000,000 paid to their chief executive officer and their four other most highly compensated executive officers unless certain performance and other requirements are met. Our intent generally is to design and administer executive compensation programs in a manner that will preserve the deductibility of compensation paid to our executives, and we believe that a substantial portion of our current executive compensation program (including the stock-based and other awards that may be granted to the Named Executive Officers as described above) satisfies the requirements for exemption from the \$1,000,000 deduction limitation. However, we reserve the right to design programs that recognize a full range of performance criteria important to our success, even where the compensation paid under such programs may not be deductible. The Compensation Committee will continue to monitor the tax and other consequences of our executive compensation program as part of its primary objective of ensuring that compensation paid to our executives is reasonable, performance-based and consistent with our goals and the goals of our stockholders.

Executive Stock Ownership Guidelines

We believe that, to align the long-term financial interests of our executive officers with those of our stockholders, our executives should hold a financial stake in us. The Board adopted a policy in December 2011 requiring our Chief Executive Officer and other executive officers to own stock in the Company equal to a minimum of six times and two times, respectively, of such executive officer's annual base salary (the Executive Stock Ownership Guidelines). The Executive Stock Ownership Guidelines provide that our executive officers have five years from the date of adoption of the Executive Stock Ownership Guidelines or, with respect to newly appointed executive officers, five years from the date of their appointment, to comply with the Executive Stock Ownership Guidelines, and should retain at least 50% of all shares owned by or underlying equity awards granted to the executive officers

Table of Contents

until the ownership thresholds are met. The Compensation Committee will evaluate whether exceptions should be made for any executive officer on whom this requirement would impose a financial hardship or for other appropriate reasons as determined by the Compensation Committee. For the purposes of such stock ownership policy, stock includes (i) directly held shares of our common stock, (ii) shares of unvested restricted stock or restricted stock units and (iii) vested shares of our common stock held in any deferred compensation or retirement benefit plan generally available to our executive officers.

Table of Contents**NON-QUALIFIED DEFERRED COMPENSATION FOR OUR FISCAL YEAR ENDED DECEMBER 31, 2011**

We maintain the GNC Live Well Later Non-qualified Deferred Compensation Plan for the benefit of a select group of our highly compensated executives. Under the deferred compensation plan, employees may elect to defer a portion of their future compensation until a specified future year, or until retirement. We may in our discretion elect to make a matching contribution to the plan for a calendar year, based on amounts deferred by participants for that year. Participants may select the investment fund or funds in which such deferred amounts are deemed to be invested for the purpose of crediting deferrals with investment gains and losses.

Messrs. Dowd and Hennion are the only Named Executive Officers who participate in the deferred compensation plan. The following table identifies their contributions, our contributions, the aggregate earnings and withdrawals in 2011 and the aggregate balances as of December 31, 2011.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

The termination and change in control arrangements for the Named Executive Officers and other senior executives are generally governed by form employment agreements. As such, these arrangements generally are uniform and not highly negotiated. The amounts payable in connection with termination and change in control events are tied to our executives' respective base salaries and cash incentive compensation awards, and therefore are proportionately higher for the more senior and highly compensated executives. Similarly, the termination and change in control arrangements for Mr. Fortunato provide, and for Ms. Kaplan provided, for higher payments than those for other executives. The termination provisions, which provide for lump sum payments of salary and cash incentive compensation, and in some instances, acceleration of the vesting of stock-based awards, are or were, as applicable, designed to preserve the value of the long-term compensation arrangements for Mr. Fortunato and Ms. Kaplan to ensure the continued alignment of their long-term financial interests with those of our stockholders.

The Compensation Committee does not generally consider the amounts when establishing the compensation of the Named Executive Officers. The Compensation Committee, together with the Board, established the termination and change of control arrangements described herein to address and conform to our overall compensation objectives in attracting and retaining the caliber of executives that are integral to our growth: market competitiveness; maintaining management continuity, particularly through periods of uncertainty related to change in control events; providing our key personnel with the assurance of fair and equitable treatment following a change in control and other events; and ensuring that management is held to high standards of integrity and performance.

The following is a summary of the termination and change of control provisions in the employment agreement of each of the Named Executive Officers as of December 31, 2011, other than Ms. Kaplan. As discussed above under Executive Compensation Elements of Compensation Employment Agreements, in February 2012, we entered into amended and restated employment agreements with Messrs. Nuzzo, Dowd, Hennion and Stubenhofer.

Mr. Fortunato

Upon Mr. Fortunato's termination due to death or total disability, we will be required to pay to him (or his guardian or personal representative):

- a lump sum equal to his base salary; and
- a prorated share of the annual bonus he would have received had he worked the full year, provided bonus targets are met for such year.

We will also pay the monthly cost of COBRA coverage for Mr. Fortunato to the same extent we paid for such coverage prior to the termination date for the period permitted by COBRA or, in the case of disability, until Mr. Fortunato obtains other employment offering substantially similar or improved group health benefits. In addition, Mr. Fortunato's outstanding stock options will vest and restrictions on restricted stock awards will lapse as of the date of termination, in each case, assuming he had continued employment during the calendar year in which termination occurs.

and for the year following such termination.

If Mr. Fortunato's employment is terminated without cause, he resigns for good reason (as defined in the Fortunato Agreement and summarized below) or we decline to renew the employment term for reasons other than those that would constitute cause (as defined in the Fortunato Agreement and summarized below) after the initial three-year employment term, then, subject to Mr. Fortunato's execution of a release, we will be required to pay him:

- a lump sum payment in the amount of two times his base salary; and
- a lump sum payment in the amount of two times his average annual bonus paid or payable with respect to the most recent three fiscal years.

We will also pay the monthly cost of COBRA coverage for Mr. Fortunato to the same extent we paid for such coverage prior to the termination date for the period permitted by COBRA or until Mr. Fortunato obtains other

Table of Contents

employment offering substantially similar or improved group health benefits. In addition, Mr. Fortunato's outstanding stock options will vest and restrictions on restricted stock awards will lapse if they would have otherwise done so in the 24 months following the termination date had Mr. Fortunato continued to be employed.

If such termination occurs in anticipation of or during the two-year period following a change in control or during the two year period following consummation of the IPO, the multiple of base salary and average annual bonus will increase from two times to three times. A termination of Mr. Fortunato's employment will be deemed to have been in anticipation of a change in control if such termination occurs at any time from and after the period beginning six months prior to a change in control and such termination occurs (i) after we enter into a definitive agreement that provides for a change in control or (ii) at the request of an unrelated third-party who has taken steps reasonably calculated to effect a change in control.

Under the Fortunato Agreement, "cause" generally means any of the following events as determined in good faith by a two-thirds vote of the Board, Mr. Fortunato's:

- conviction of, or plea of *nolo contendere* to, a crime which constitutes a felony;
- willful disloyalty or deliberate dishonesty with respect to us or Centers that is injurious to our or Centers' financial condition, business or reputation;
- commission of an act of fraud or embezzlement against us or Centers;
- material breach of any provision of his employment agreement or any other written contract or agreement with us or Centers that is not cured; or
- willful and continued failure to materially perform his duties or his continued failure to substantially perform duties requested or prescribed by the Board or Centers' board of directors which is not cured.

Under the Fortunato Agreement, "good reason" generally means, without Mr. Fortunato's consent:

- our failure to comply with any material provision of his employment agreement which is not cured;

Edgar Filing: GNC HOLDINGS, INC. - Form DEF 14A

- a material adverse change in his responsibilities, duties or authority which, in the aggregate, causes his positions to have less responsibility or authority;
- removal from his current positions or failure to elect (or appoint) him to, or removal of him from the Board or Centers board of directors;
- a material reduction in his base salary; or
- a relocation of his principal place of business of more than 75 miles.

Under the Fortunato Agreement, change in control generally means:

- an acquisition representing 50% or more of either our common stock or the combined voting power of our securities entitled to vote generally in the election of the Board;
- a change in two-thirds of the members of the Board from the members on the effective date of his employment agreement, unless approved by (i) two-thirds of the members of the Board on the effective date of his employment agreement or (ii) members nominated by such members;

- Centers ceases to be our direct or indirect wholly owned subsidiary.

Messrs. Nuzzo, Dowd, Hennion and Stubenhofer

The employment agreements of Messrs. Nuzzo, Dowd, Hennion and Stubenhofer also provide for certain benefits upon termination of employment. Upon death or disability, the executives (or their estates) are entitled to their current base salary for the remainder of the employment period, and, subject to the discretion of the Board or the Compensation Committee, a pro rata share of the annual bonus based on actual employment, provided bonus targets are met. Upon termination of employment by us without cause or voluntarily by the executive for good reason, subject to the execution of a written release, the executive is also entitled to:

- salary continuation generally for the greater of six months and the remainder of the agreement term (except for Mr. Stubenhofer, whose salary continues for the remainder of the agreement term), or two years if the termination occurs upon or within six months following a change in control;
- subject to the discretion of the Board or the Compensation Committee, a pro rata share of the annual bonus based on actual employment; and
- reimbursement for any portion of the monthly cost of COBRA coverage that exceeds the amount of monthly health insurance premium (with respect to the executive's coverage and any eligible dependent coverage) payable by the executive immediately prior to such termination, such reimbursements to continue through the expiration of the agreement term or the severance period.

For purposes of the employment agreements, cause generally means the executive's:

- failure to comply with any obligation imposed by his employment agreement;
- being indicted for any felony or any misdemeanor that causes or is likely to cause harm or embarrassment to us, in the reasonable judgment of the Board;
- theft, embezzlement or fraud in connection with the performance of duties;

Edgar Filing: GNC HOLDINGS, INC. - Form DEF 14A

- engaging in any activity that gives rise to a material conflict of interest with us;
- misappropriation by the executive of any of our material business opportunities;
- any failure to comply with, observe or carry out our or the Board's rules, regulations, policies or codes of ethics or conduct;
- substance abuse or illegal use of drugs that, in the reasonable judgment of the Board, impairs the executive's performance or causes or is likely to cause harm or embarrassment to us; or
- engagement in conduct that the executive knows or should know is injurious to us.

For purposes of the employment agreements, "good reason" generally means, without the executive's prior written consent:

- our failure to comply with material obligations under his employment agreement;
- a change of the executive's position; or
- a material reduction in the executive's base salary.

Table of Contents

For purposes of the employment agreements, "change in control" generally means:

- an acquisition representing 50% or more of either our common stock or the combined voting power of our securities entitled to vote generally in the election of the Board;
- a change in two-thirds of the members of the Board from the members on the effective date of the executive's employment agreement, unless approved by (i) two-thirds of the members of the Board on the effective date of the executive's employment agreement or (ii) members nominated by such members;
- the approval by our stockholders of (i) a complete liquidation or dissolution of us or Centers or (ii) the sale or other disposition (other than a merger or consolidation) of all or substantially all of our or our subsidiaries' assets; or
- Centers ceases to be our direct or indirect wholly owned subsidiary.

Under all circumstances, Messrs. Nuzzo's, Dowd's, Hennion's and Stubenhofer's unvested equity awards will be forfeited as of the date of the executive's termination.

The following tables quantify the estimated payments and benefits that the Named Executive Officers, other than Ms. Kaplan, would have received if they had terminated employment on December 31, 2011 under the circumstances shown or if we had undergone a change in control on such date. The tables exclude (i) compensation amounts accrued through December 31, 2011 that would be paid in the normal course of continued employment, such as accrued but unpaid salary, and (ii) vested account balances under our 401(k) plan that are generally available to all of our salaried employees. The amounts reflected for the prorated annual cash incentive compensation payable under the various termination scenarios are the amounts that were actually paid to the Named Executive Officers in February 2012 under the 2011 Incentive Plan.

With respect to Ms. Kaplan, the table quantifies the payments and benefits that Ms. Kaplan was entitled to receive under her employment agreement upon her termination.

Where applicable, the information in the tables uses a fair market value per share of \$28.95 as of December 31, 2010 for our Class A common stock, which is equal to the closing price of our Class A common stock on December 30, 2011.

(2) Amount was computed with respect to our fiscal years ended December 31, 2010, 2009 and 2008.

(3) Amount is equal to two times the annualized value of Ms. Kaplan's perquisite allowance.

(4) Reflects the value of shares underlying unvested stock options, for which vesting was accelerated in accordance with Ms. Kaplan's employment agreement, as of the closing of the NYSE on June 20, 2011, the effective date of Ms. Kaplan's resignation. The value of such shares underlying unvested stock options as

Table of Contents

of the closing of the NYSE of December 30, 2011 was \$10,652,250. If Ms. Kaplan had continued her employment with us, the unvested portion of such stock options would have vested on January 2, 2012.

The employment agreements provide that if any payment or benefit will be subject to or result in the imposition of the excise tax imposed by Code Section 4999, then the amount of such payment or payments will be reduced to the highest amount that may be paid by us without subjecting such payment to the excise tax. Mr. Fortunato's employment agreement provides that the foregoing reduction will not apply if he will, on a net after-tax basis, receive less compensation than if the payment were not so reduced. Based on a hypothetical change in control on December 31, 2011 (and, in Mr. Fortunato's case, a hypothetical termination on December 31, 2011 that was in anticipation of a subsequent change in control), none of the payments or benefits provided to Messrs. Fortunato, Nuzzo, Dowd, Hennion or Stubenhofer would have been subject to or resulted in the imposition of the excise tax imposed by Code Section 4999. Accordingly, no reductions in such payments and benefits have been applied in the tables above. For purposes of calculating whether any payment or benefit would have been subject to or resulted in the imposition of the excise tax, (i) we have assumed that the 2011 annual cash incentive compensation is not contingent a the change in control and (ii) we have not valued the non-competition covenant in the employment agreements of Messrs. Fortunato, Nuzzo, Dowd, Hennion or Stubenhofer.

The Fortunato Agreement provides for accelerated vesting of stock-based awards upon a change in control. The 2007 Stock Plan and the 2011 Stock Plan provide that, in the event of a change in control, unvested stock-based awards generally may be fully vested, cancelled for fair value or substituted for awards that substantially preserve the applicable terms of such stock-based awards. We have assumed for purposes of the table that upon a change in control, Messrs. Nuzzo's, Dowd's, Hennion's and Stubenhofer's unvested stock-based awards would not be accelerated, and instead would be substituted for awards that substantially preserve the applicable terms of the stock-based awards.

Narrative to the Director Compensation Table

In 2011, our Compensation Committee retained Hay Group as an independent consultant and directed Hay Group to compile compensation information regarding directors at companies in the Peer Group to assist the Compensation Committee in comparing our director compensation policy (including pay components and levels) to the director compensation policies (including pay components and levels) of the companies in the Peer Group.

Based in part on the recommendations of Hay Group, and in connection with the IPO, we revised our director compensation policy as follows for our fiscal year ended December 31, 2011: (i) our non-employee chairman received an annual retainer of \$200,000, and each of our other non-employee directors received an annual retainer of \$45,000 for service on the Board; (ii) each of our non-employee directors received an annual retainer of (a) \$6,000, \$5,000 and \$5,000 for service on the Audit Committee, the Compensation Committee and the Nominating Committee, respectively; and (b) \$15,000, \$10,000 and \$5,000 for service as the chairperson of the Audit Committee, the Compensation Committee and the Nominating Committee, respectively; and (iii) each of our non-employee directors received \$65,000 in annual option awards.

In December 2011, based in part on additional recommendations of Hay Group, we further revised our director compensation policy (as revised, the Director Compensation Policy), effective January 2012, to compensate our non-employee directors as follows: (i) our non-employee chairman will receive an annual retainer of \$200,000, and our other non-employee directors will receive annual retainers of \$45,000 for service on the Board; and (ii) each of our non-employee directors will receive (a) an annual retainer of \$15,000, \$10,000 and \$10,000 for service as the chairperson of the Audit Committee, the Compensation Committee and the Nominating Committee, respectively, (b) \$2,000, \$1,750, \$1,500 and \$1,500 for attendance, or half of such amounts, as applicable, for telephonic attendance, at meetings of the Board, the Audit Committee, the Compensation Committee and the Nominating Committee, respectively, and (c) \$95,000 in annual equity awards. In light of the equity awards granted to (i) Messrs. Axelrod and Hines in April 2011 to reward their service as directors through and in connection with the IPO, and (ii) Ms. Lane in August 2011 and Messrs. Berger and Koss in March 2011, in each case in connection with her or his election to the Board, the annual equity awards for our 2012 fiscal year will be granted in April 2012 and pro-rated accordingly.

Edgar Filing: GNC HOLDINGS, INC. - Form DEF 14A

The Compensation Committee believes that payments of retainer fees for service on the Committees and fees for each Board and Committee meeting attended provide appropriate incentives for active participation. In addition, the Compensation Committee believes that annual equity awards align the long-term financial interests of our directors and our stockholders.

Table of Contents

The Director Compensation Policy amended our previous director compensation policy, effective from August 15, 2007 through June 30, 2011 (the Old Director Compensation Policy). Pursuant to the Old Director Compensation Policy, we compensated our directors as follows: (i) our non-employee chairman received an annual retainer of \$200,000; and (ii) our other non-employee directors received an annual retainer of \$40,000. Each non-employee director was entitled to receive a grant of non-qualified stock options to purchase a minimum of 35,000 shares of our Class A common stock.

The annual retainers paid to our non-employee directors under the Director Compensation Policy are generally paid in four equal quarterly installments every March, June, September and December with respect to our second, third, fourth and first fiscal quarters, respectively.

As discussed above under Other Board Information Board Committees Compensation Committee, in February 2012, based on the recommendations of the Compensation Committee and the Nominating Committee, the Board delegated authority for these matters to the Nominating Committee.

Director Stock Ownership Guidelines

We believe that, to align the interests of our directors with our stockholders, our directors should hold a financial stake in us. The Board adopted a policy in December 2011 requiring each of our directors to own stock in the Company equal to a minimum of five times such director's annual retainer for service on the Board (the Director Stock Ownership Guidelines). The Director Stock Ownership Guidelines provide that our directors have five years from the date of adoption of the Director Stock Ownership Guidelines or, with respect to newly elected directors, five years from the date of their election, to comply with the Director Stock Ownership Guidelines, and should retain at least 50% of all shares owned by or underlying equity awards granted to the directors until the ownership thresholds are met. The Nominating Committee will evaluate whether exceptions should be made for any director on whom this requirement would impose a financial hardship or for other appropriate reasons as determined by the Nominating Committee. For the purposes of such stock ownership policy, stock includes directly held shares of our common stock and shares of unvested restricted stock.

ADVISORY VOTE ON EXECUTIVE COMPENSATION (PROPOSAL 3)

In accordance with Section 14A of the Exchange Act, which was added by Dodd-Frank, we are providing our stockholders the opportunity to cast a non-binding advisory vote to approve the compensation of the Named Executive Officers. This proposal, commonly known as a say-on-pay proposal, gives our stockholders the opportunity to express their views on the compensation of the Named Executive Officers.

As described in the Compensation Discussion and Analysis section of these proxy materials, the primary objectives of our executive compensation program are to (i) align cash and stock-based rewards with individual performance that created stockholder value, (ii) attract and retain high quality employees, (iii) build an ownership mentality among our key employees and (iv) provide cost effective cash and stock-based rewards that are competitive with other organizations and fair to our stockholders and employees. The foregoing objectives are applicable to the compensation of the Named Executive Officers.

We believe that our executive compensation program achieves these objectives by emphasizing long-term stock-based incentive awards and performance-based compensation, which has enabled us to successfully motivate and reward the Named Executive Officers. We believe our executive compensation program is appropriate in light of our overall compensation philosophy and objectives and has played an essential role in our continued growth and financial success by aligning the long-term interests of the Named Executive Officers with the long-term interests of our stockholders.

For these reasons, the Board recommends a vote in favor of the following resolution:

RESOLVED, that the compensation paid to the Company's Named Executive Officers for fiscal year ended December 31, 2011, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED.

As an advisory vote, this proposal is not binding upon us. Notwithstanding the advisory nature of this vote, the Compensation Committee values the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for our named executive officers. The affirmative vote of the holders of a majority of the votes cast by our stockholders in person or represented by proxy and entitled to vote is required to approve this Proposal 3.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS FOR THE COMPANY'S FISCAL YEAR ENDED DECEMBER 31, 2011, AS DISCLOSED IN THESE PROXY MATERIALS.

Table of Contents

ADVISORY VOTE ON SAY-ON-FREQUENCY VOTE (PROPOSAL 4)

In accordance with the Dodd-Frank, we are seeking the input of our stockholders on the frequency with which we will hold a non-binding, advisory vote by our stockholders to approve the compensation of our named executive officers (commonly known as a say-on-frequency vote). In voting on this Proposal 4, stockholders are provided with four choices: stockholders may indicate their preference as to whether the advisory vote to approve the compensation of the Named Executive Officers should occur once every year, two years or three years; stockholders may also abstain from voting.

After careful consideration, it is the opinion of the Board that an annual advisory stockholder vote on the compensation of our named executive officers is the most appropriate option for us because it will allow our stockholders to provide more frequent, direct input on our compensation policies and practices, and the resulting compensation for our named executive officers. Stockholders will have the opportunity to consider our most recent compensation decisions in the context of our pay for performance policy and focus on increasing long-term stockholder value, and to provide feedback to us in a timely way. Finally, the Board believes an annual advisory stockholder vote promotes corporate transparency.

While the Board has determined that the say-on-frequency vote shall be held annually, stockholders are not voting to approve or disapprove of the Board's determination. Rather, stockholders are being provided with the opportunity to cast an advisory vote through the resolution set forth above. As an advisory vote, the result of the vote is not binding on us. However, the Board values the opinions of our stockholders in their vote on this matter, and will consider the outcome of the vote when making a determination as to the frequency of future advisory votes to approve executive compensation. The alternative receiving the greatest number of votes (once every one year, two years or three years) will be the resulting recommendation, on an advisory basis, of our stockholders.

THE BOARD RECOMMENDS THAT THE STOCKHOLDERS VOTE, ON AN ADVISORY BASIS, TO RECOMMEND HOLDING THE SAY-ON-FREQUENCY VOTE ONCE EVERY YEAR.

Table of Contents**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table below sets forth information regarding the beneficial ownership of our common stock as of February 23, 2012 by (i) each person, or group of affiliated persons, known by us to beneficially own more than five percent of our common stock; (ii) the Named Executive Officers; (iii) each of our directors and nominees for director; and (iv) all of our directors and executive officers as a group.

Beneficial ownership is determined in accordance with the Exchange Act and includes voting and investment power with respect to our common stock. The following table includes common stock issuable within 60 days of February 23, 2012 upon the exercise of all options and other rights beneficially owned by the indicated stockholders on that date. Percentage of beneficial ownership is based on 104,233,878 shares and 2,060,178 shares of Class A common stock and Class B common stock, respectively, outstanding at February 23, 2012. Except as otherwise noted below, each person or entity named in the following table has sole voting and investment power with respect to all shares of our common stock that he, she or it beneficially owns.

Unless otherwise indicated, the address of each beneficial owner listed below is c/o GNC Holdings, Inc., 300 Sixth Avenue, Pittsburgh, PA 15222.
