 - (2) Calculated based on 28,246,684 Shares outstanding as of September 21, 2012, as represented by LML (as defined below) in the Arrangement Agreement (as defined below).

The address of the principal offices of Digital River is 10380 Bren Road West, Minneapolis, Minnesota 55343. The address of the principal offices of Merger Sub is c/o Digital River, 10380 Bren Road West, Minneapolis, Minnesota 55343. The name, business address, present principal occupation or employment and citizenship of each director and executive officer of each of Digital River and Merger Sub is set forth on Schedule A.

Digital River provides end-to-end global cloud-commerce and marketing solutions to a wide variety of companies in software, consumer electronics, computer games, video games and other markets. Digital River's services include design, development and hosting of online stores and shopping carts, store merchandising and optimization, order management, denied parties screening, export controls and management, tax compliance and management, fraud management, digital product delivery via download, physical product fulfillment, subscription management, online marketing including e-mail marketing, management of affiliate programs, paid search programs, payment processing services, website optimization, web analytics and reporting, and CD production and delivery.

Merger Sub is a wholly-owned direct subsidiary of Digital River formed for the purpose of consummating the Arrangement (as defined below).

On September 21, 2012 (and, with respect to Chris Koide, on September 25, 2012), Merger Sub entered into Lock-Up and Support Agreements with the Supporting Parties (as defined below) as a condition and inducement to Digital River and Merger Sub entering into the Arrangement Agreement (as defined below). Merger Sub did not use any funds or pay any additional consideration to acquire the rights under the Lock-Up

Edgar Filing: LML PAYMENT SYSTEMS INC - Form SC 13D

and Support Agreements. Digital River and Merger Sub intend to fund the Arrangement consideration with cash on hand.

For more detailed descriptions of the Arrangement Agreement and the Lock-Up and Support Agreements, see Item 4 below, which descriptions are incorporated by reference herein in response to this Item 3.

Item 4.

Purpose of Transaction.

(a)-(b) On September 21, 2012, Digital River, Inc., a Delaware corporation (Digital River), LML Acquisition Corp., a corporation existing under the laws of British Columbia, Canada and a direct wholly-owned subsidiary of Digital River (Merger Sub), and LML Payment Systems Inc., a corporation existing under the laws of British Columbia, Canada (LML) entered into an Arrangement Agreement (the Arrangement Agreement), which contemplates, subject to the satisfaction of certain conditions, the acquisition by Digital River, through Merger Sub, of all of the outstanding equity securities of LML pursuant to a plan of arrangement (the Arrangement) under Canadian law. As a result of the Arrangement, each of Merger Sub and LML will cease to exist and the combined company (the Surviving Corporation) will survive as a wholly-owned direct subsidiary of Digital River.

The completion of the Arrangement is subject to customary conditions, including without limitation, the approval of the Arrangement by 66 2/3% of the votes cast by LML shareholders, the approval of the British Columbia Supreme Court and the receipt of required regulatory approvals.

In connection with the execution of the Arrangement Agreement, on September 21, 2012, Merger Sub entered into Lock-Up and Support Agreements with each of the directors of LML, as well as Craig Thomson, President, Richard R. Schulz, Controller and Chief Accounting Officer, and Carolyn L. Gaines, Corporate Secretary, and with Don G. Choquer and certain of his affiliates and Millennium Partners, L.P. (Choquer and his affiliates and Millennium Partners, L.P. are referred to as the Supporting Shareholders). On September 25, 2012, Merger Sub entered into a Lock-Up and Support Agreement with Chris Koide, the Executive Vice President Operations of LML and the only executive officer of LML who had not previously entered into a Lock-Up and Support Agreement (the directors and executive officers of LML are collectively referred to as the Supporting Officers and Directors and, together with the Supporting Shareholders, are collectively referred to as the Supporting Parties). The Supporting Parties beneficially owned in the aggregate approximately 33.2% of the outstanding shares of LML common stock as of the date of the Arrangement Agreement (based on LML s representation in the Arrangement Agreement that there were 28,246,684 Shares issued and outstanding as of September 21, 2012).

Under the Lock-Up and Support Agreements, the Supporting Parties have agreed during the term of the Lock-Up and Support Agreements to vote all of their shares in favor of the Arrangement and the Arrangement Agreement and against any action or agreement that might reasonably be regarded as being in opposition to the Arrangement Agreement. The Supporting Parties are subject to certain non-solicitation restrictions set forth in the Lock-Up and Support Agreements.

The Lock-Up and Support Agreements terminate on the earliest of (i) a breach of a covenant, representation or warranty under the Agreement by Digital River, (ii) the date the Arrangement Agreement is terminated in accordance with its terms, (iii) the Closing of the Arrangement, (iv) the delivery of notice by Merger Sub of the termination of the Lock-Up and Support Agreements and (v) the mutual written agreement of Merger Sub and the Supporting Party.

Unlike the Lock-Up and Support Agreements signed by the Supporting Officers and Directors, the Lock-Up and Support Agreements signed by the Supporting Shareholders prohibit Merger Sub from entering into any Lock-Up and Support Agreement with a person or persons beneficially owning 5% or more of LML s outstanding common stock on terms more favorable to Merger Sub than Lock-Up and Support Agreements signed by the Supporting Shareholders. The Lock-Up and Support Agreements signed by the Supporting Shareholders also permit the Supporting Shareholders to transfer the shares covered thereby under certain circumstances and subject to certain conditions. Additionally, under the Lock-Up and Support Agreements signed by the Supporting Shareholders, the Supporting Shareholders can terminate the Lock-Up and Support Agreement if the Arrangement is not completed prior to February 22, 2013, even if the Arrangement Agreement has not been terminated as of such date.

(c) Not applicable.

(d) Reference is made to Items 4(a)-(b) above. From and after the effective time of the Arrangement, the directors of Merger Sub immediately prior to the effective time of the Arrangement shall be the directors of the Surviving Corporation, until their successors shall have been duly elected, designated or qualified or until their earlier death, resignation or removal in accordance with the certificate of incorporation and bylaws of the Surviving Corporation. Joel A. Ronning and Stefan B. Schulz are currently the only directors of Merger Sub. The officers of LML immediately prior to the effective time of the Arrangement shall continue as the officers

Edgar Filing: LML PAYMENT SYSTEMS INC - Form SC 13D

of the Surviving Corporation, until their successors shall have been duly elected, designated or qualified or until their earlier death, resignation or removal in accordance with the certificate of incorporation and bylaws of the Surviving Corporation, except that Merger Sub has been informed that Patrick Gaines, Carolyn Gaines and Richard R. Schulz intend to resign in connection with the consummation of the Arrangement. The current officers of LML are Patrick Gaines, Carolyn Gaines, Craig Thomson, Richard R. Schulz and Chris Koide.

(e) Other than as described above, not applicable.

(f) Other than as described above, not applicable.

(g) Reference is made to Items 4(a)-(f) above. Pursuant to Section 3.1(g) and (l) of the Plan of Arrangement, at the effective time of the Arrangement (i) the articles of incorporation of the Surviving Corporation shall be the same as the articles of incorporation of Merger Sub as in effect immediately prior to the effective time of the Arrangement, and (ii) the bylaws of Merger Sub, as in effect immediately prior to the effective time of the Arrangement, shall be the bylaws of the Surviving Corporation.

(h) and (i) Reference is made to Items 4(a)-(g) above. Upon consummation of the Arrangement, the Shares will cease to be listed on The NASDAQ Capital Market. In addition, as a result of the Arrangement, the Shares will become eligible for termination of registration pursuant to Section 12(g)(4) of the Act.

(j) Other than as described in this Schedule 13D or in the Arrangement Agreement or the Lock-Up and Support Agreements, neither Digital River nor Merger Sub nor, to Digital River's or Merger Sub's knowledge, any of the persons set forth on Schedule A hereto, currently has any plans or proposals that relate to, or may result in, any of the matters listed in Items 4(a)-(i) of Schedule 13D or any similar matter.

The foregoing descriptions of the Arrangement, the Arrangement Agreement and the Lock-Up and Support Agreements do not purport to be complete. References to, and descriptions of, the Arrangement, the Arrangement Agreement and the Lock-Up and Support Agreements throughout this Schedule 13D are qualified in their entirety by reference to the Arrangement Agreement, which is incorporated by reference as Exhibit 1 to this Schedule 13D, and the Lock-Up and Support Agreements, which are Exhibits 2-11 to this Schedule 13D. These agreements are incorporated by reference into this Schedule 13D wherever references and descriptions of them appear.

Item 5. Interest in Securities of the Issuer.

(a) As of the date hereof, neither Digital River nor Merger Sub owns any Shares. However, Merger Sub, pursuant to the Lock-Up and Support Agreements, and Digital River, because of its ownership of Merger Sub, may each be deemed to share with each Lock-Up and Support Shareholder the power to vote in favor of adoption and approval of the Arrangement Agreement (as described in Item 4), and, for the purpose of Rule 13d-3 promulgated under the Act, may be deemed to beneficially own 9,385,761 Shares (solely with respect to those matters described in the Lock-Up and Support Agreements), representing approximately 33.2% of the outstanding Shares of LML (based upon LML's representations in the Arrangement Agreement).

Except as described in Item 4 of this Schedule 13D and in the Lock-Up and Support Agreements, neither Digital River nor Merger Sub is entitled to any rights as a stockholder of LML. Each of Digital River and Merger Sub disclaims beneficial ownership of the Shares covered by the Lock-Up and Support Agreements and nothing herein shall be construed as an admission that either Digital River or Merger Sub is the beneficial owner of such Shares.

Edgar Filing: LML PAYMENT SYSTEMS INC - Form SC 13D

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by Digital River or Merger Sub or any other person that he, she or it is a member of a group for purposes of Section 13(d) of the Act, or for any other purpose, and membership in a group is hereby expressly disclaimed.

To the knowledge of Digital River and Merger Sub, none of the persons listed on Schedule A hereto beneficially owns any Shares.

(b) Pursuant to the Lock-Up and Support Agreements, Digital River and Merger Sub may each be deemed to have shared power to vote or direct the voting of 9,385,761 Shares (solely with respect to those matters described in the Lock-Up and Support Agreements), as described in Item 4.

(c) Other than as described in this Schedule 13D, neither Digital River nor Merger Sub, nor, to Digital River's or Merger Sub's knowledge, any of the persons listed on Schedule A attached hereto, has effected any transaction in Shares during the past 60 days.

(d) To Digital River's and Merger Sub's knowledge, no person other than the Lock-Up and Support Shareholders has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Shares covered by this Schedule 13D.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

See response to Item 4.

Except for the agreements described above and in the agreements incorporated herein by reference and set forth as exhibits hereto, neither Digital River nor Merger Sub, and to the best of Digital River's and Merger Sub's knowledge, none of the persons listed on Schedule A attached hereto, has any contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons enumerated in Item 2, and any other person, with respect to any securities of LML, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.
