In connection with the sales, the Company also issued, to the purchasers of such shares of Series B-2 Stock on their respective dates of purchase of such shares, warrants (the Warrants) to purchase up to a total of 1,039,969 shares of the Company s Common Stock, \$0.0001 par value per share (the Common Stock). Each Warrant is exercisable at any time prior to the fifth anniversary of its date of issuance at an exercise price of \$6.142 per share. The Purchase Agreement also contemplates the sale and issuance by the Company to one or more additional investors in one or more subsequent closings to occur at any time on or before March 15, 2014, of up to an additional 239,013 shares of Series B-2 Stock and Warrants to purchase up to an additional 597,531 shares of Common Stock.

On the Initial Closing Date, the Company filed with the Office of the Secretary of State of the State of Delaware a Certificate of Designations of Series B-2 Convertible Preferred Stock (the Series B-2 Certificate), which established, and set forth the rights, preferences and privileges of, the Series B-2 Stock. The Series B-2 Certificate provides that, as to dividends (other than with respect to the payment of the Series A-5 Special Accruing Dividend (as defined in the Company s existing Certificate of Designations of Series A-1 Convertible Preferred Stock, Series A-2 Convertible Preferred Stock, Series A-3 Convertible Preferred Stock, Series A-4 Convertible Preferred Stock, Series A-5 Convertible Preferred Stock and Series A-6 Convertible Preferred Stock filed by the Company with the Office of the Secretary of State of the State of Delaware on May 17, 2011, as amended from time to time (the Series A-1 Certificate)), which shall rank senior in payment to any other dividends payable on any and all shares of Series B-2 Stock) and upon Liquidation (as defined in the Series B-2 Certificate) or an Event of Sale (as defined in the Series B-2 Certificate), each share of Series B-2 Stock ranks equally to all shares of Series B Stock (as defined in the Series B-2 Certificate) and senior to all shares of Series A-1 Stock, Series A-2 Stock, Series A-3 Stock, Series A-4 Stock, Series A-5 Stock and Series A-6 Stock (each as defined in the Series B-2 Certificate) and senior to all shares of Common Stock and all other classes or series of stock not authorized by the Series B-2 Certificate, the Company s Certificate of Designations of Series B Convertible Preferred Stock filed by the Company with the Office of the Secretary of State of the State of Delaware on April 23, 2013, as amended from time to time (the Series B Certificate) or the Series A-1 Certificate as of the Initial Closing Date, except as otherwise approved by the affirmative vote or consent of (i) the holders of at least seventy percent (70%) of the outstanding shares of Series B-2 Stock (the Series B-2 Majority), (ii) the holders of at least seventy percent (70%) of the outstanding shares of Series B Stock (the Series B Majority) and (ii) the Senior Majority (as defined in the Series A-1 Certificate).

Each share of Series B-2 Stock is convertible, at the option of the holder thereof, at any time, into shares of Common Stock at the then prevailing conversion price as determined in the Series B-2 Certificate. The initial conversion price of the Series B-2 Stock is \$6.142, resulting in an initial conversion rate of 10 shares of Common Stock for every 1 share of Series B-2 Stock. In addition, all shares of Series B-2 Stock will be automatically converted into shares of Common Stock at the then effective conversion price if the Series B-2 Majority elects to so convert the Series B-2 Stock or on the date of the closing of a firm commitment underwritten public offering of shares of Common Stock prior to June 30, 2014 or the listing of the Common Stock on a national securities exchange at any time after such date, in each case pursuant to the provisions of the Series B-2 Certificate. The conversion price of the Series B-2 Stock is subject to adjustment based on weighted average anti-dilution provisions set forth in the Series B-2 Certificate. The conversion price of the Series B-2 Stock is also subject to adjustment if the public offering price of the Common Stock sold in a firm commitment underwritten public offering of the Common Stock occurring prior to June 30, 2014 is less than the original purchase price of the Series B-2 Stock, in which case the conversion price for the Series B-2 Stock will be adjusted to equal the public offering price for the Common Stock in such public offering.

The holders of shares of Series B-2 Stock are entitled to receive a per share dividend at the rate of eight percent (8%) of the Series B-2 Original Purchase Price (as defined in the Series B-2 Certificate) per annum, compounding annually, and which will accrue on a daily basis, whether or not declared, commencing on the date of issuance of such share of Series B-2 Stock. Any dividends with respect to the Series B-2 Stock shall be payable, at the sole discretion of the Board of Directors of the Company (the Board), in cash or by the issuance of a number of shares of Common Stock determined by the terms of the Series B-2 Certificate, when as and if declared or paid by the Board and, as accrued, on any Liquidation or Event of Sale. In the event of any Liquidation or Event of Sale, the holders of shares of Series B-2 Stock are entitled to receive a liquidation preference on a pari passu basis with the liquidation preference payable to the holders of shares of Series B Stock and before any other Preferred Stockholders (as defined in the Series B-2 Certificate) or other class or series of stock junior to the Series B-2 Stock in an amount per share equal to the sum of (A) one and one-half (1.5) times the Series B-2 purchase price, plus (B) an amount equal to any declared or accrued but unpaid dividends thereon as described above.
