Yes No

Ad Hoc Notice

September 19, 2014

Moscow, Russian Federation Mobile TeleSystems OJSC (MTS NYSE: MBT), the leading telecommunications provider in Russia and the CIS, announces that transactions involving MTS 's ordinary shares and shares held in depositary accounts, as well as trading of the Company 's shares on the Moscow Exchange, will be temporarily suspended due to the reorganization of MTS OJSC through the takeover of subsidiaries approved at MTS 's most recent AGM.

In accordance with recently approved Russian laws, trading on the Moscow Exchange will be suspended the day after documents pertaining to the termination of operations of the subsidiary companies are submitted to relevant tax authorities. Trading in MTS 's shares should resume the day after the Company receives from the tax authorities documents pertaining to the termination of the operations of subsidiary companies, which likely will occur within six working days. It is expected that trading will be suspended on September 25, 2014; trading in Company 's shares should fully resume on October 3, 2014.

The subsidiary companies include Elf CJSC, EFCOM CJSC, Pilot CJSC, TVKiK CJSC, ZhelGorTeleCom CJSC, Intercom CJSC, TRK TVT OJSC, Kaskad-TV CJSC, Kuznetsktelemost CJSC, Sistema Telecom CJSC, and TZ CJSC. The reorganization of these entities was approved at the annual general meeting of shareholders on June 24, 2014.

Recent changes in Russian law do not impact the trading of the Company 's ADRs or shares on foreign exchanges. However, during this period, MTS 's depositary bank will not be able to issue or cancel ADRs on behalf of shareholders and ADR holders.

Some of the information in this press release may contain projections or other forward-looking statements regarding future events or the future financial performance of MTS, as defined in the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. You can identify forward looking statements by terms such as expect, believe, anticipate, estimate, intend, will, could, may or might, and such terms or other similar expressions. We wish to caution you that these statements are only predictions and that actual events or results may differ materially. We do not undertake or intend to update these statements to reflect events and circumstances occurring after the date hereof or to reflect the occurrence of unanticipated events. We refer you to the documents MTS files from time to time with the U.S. Securities and Exchange Commission, specifically the Company's most recent Form 20-F. These documents contain and identify important factors, including those contained in the section captioned Risk Factors that could cause the actual results to differ materially from those contained in our projections or forward-looking statements, including, among others, the severity and duration of current economic and financial conditions, including volatility in interest and exchange rates, commodity and equity prices and the value of financial assets; the impact of Russian, U.S. and other foreign government programs to restore liquidity and stimulate national and global economies, our ability to maintain our current credit rating and the impact on our funding costs and competitive position if we do not do so, strategic actions, including acquisitions and dispositions and our success in integrating acquired businesses, potential fluctuations in quarterly results, our competitive environment, dependence on new service development and tariff structures, rapid technological and market change, acquisition strategy, risks associated with telecommunications infrastructure, governmental regulation of the telecommunications industries and other risks associated with operating in Russia and the CIS, volatility of stock price, financial risk management and future growth subject to risks.
