Item 3. Source and Amount of Funds or Other Consideration.

On February 27, 2015, Abbott completed the disposition of its non-U.S. developed markets branded generics pharmaceuticals business (the Assets) pursuant to an Amended and Restated Business Transfer Agreement and Plan of Merger (the BTA) by and among Abbott, Mylan Inc., a Pennsylvania corporation, the corporate predecessor of the Issuer, New Moon B.V., a private limited liability company (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the laws of the Netherlands, and Moon of PA Inc., a Pennsylvania corporation. In the transaction, Abbott France, Abbott Gibraltar and Abbott Luxembourg transferred the Assets in consideration of the issuance by the Issuer of an aggregate of 110,000,000 Ordinary Shares (collectively, the Shares).

Item 4. Purpose of Transaction.

Abbott France, Abbott Gibraltar and Abbott Luxembourg acquired beneficial ownership of the Shares in consideration of the transfer of the Assets to the Issuer pursuant to the BTA.

Subject to the terms of the Shareholder Agreement, as defined and described further below, depending on various factors, including the Issuer's financial performance and strategic direction, the market price of the Ordinary Shares, conditions in the securities and financial markets, general economic and industry conditions and other factors, the Reporting Persons may in the future take actions with respect to their investment in the Shares as they deem appropriate, including changing their present intentions, with respect to any and all matters required to be disclosed in this Statement. Without limiting the foregoing, subject to the terms of the Shareholder Agreement, the Reporting Persons may, from time to time, dispose, or cause affiliates to dispose, of some or all of the Shares, including through transactions or arrangements the effect of which is to hedge the risk of owning the Shares, acquire or cause affiliates to acquire additional Ordinary Shares or other securities of the Issuer, or continue to hold, or cause affiliates to hold, the Shares (or any combination or derivation of the foregoing).

The provisions of the Shareholder Agreement may restrict or prohibit the Reporting Persons from taking certain actions. The information set forth in Section 6 of this Statement, including the description of the Shareholder Agreement, is incorporated herein by reference.

Except as set forth in this Statement, the Reporting Persons and, to knowledge of the Reporting Persons, the persons identified on Schedule A to this Statement have no present plans, proposals or intentions that would result in or relate to any of the transactions described in clauses (a) through (j) of Item 4 of Schedule 13D under the Exchange Act. Item 5. Interest in Securities of the Issuer.

The Reporting Persons beneficially own an aggregate of 110,000,000 Ordinary Shares, representing approximately 22.52% of the outstanding Ordinary Shares. The foregoing percentage beneficial ownership is based on a total of 488,388,430 Ordinary Shares outstanding as of February 27, 2014, as reported by the Issuer in its Registration Statement on Form S-3 filed with the Securities and Exchange Commission on February 27, 2015. Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The Reporting Persons and the Issuer entered into a shareholder agreement (the *Shareholder Agreement*) as of February 27, 2015 in connection with the consummation of the transactions contemplated by the BTA. The Shareholder Agreement provides for certain rights, restrictions and obligations of the Reporting Persons and the Issuer with respect to the Shares.

Voting

So long as the Reporting Persons collectively own at least five percent of the Issuer's Ordinary Shares, the Reporting Persons are required to vote each voting security of the Issuer they beneficially own (i) in favor of all those persons nominated and recommended to serve as directors of the Issuer's board of directors or any applicable committee thereof and (ii) with respect to any other action, proposal or matter to be voted on by the shareholders of the Issuer (including through action by written consent), in accordance with the recommendation of the Issuer's board of directors or any applicable committee thereof. However, the Reporting Persons are free to vote at their discretion in connection with any proposal submitted for a vote of the Issuer's shareholders in respect of (a) the issuance of equity securities in connection with any merger, consolidation or business combination of the Issuer, (b) any merger, consolidation or business combination of the Issuer or (c) the sale of all or substantially all the assets of the Issuer, except where such proposal has not been approved or recommended by the Issuer's board of directors, in which event the Reporting Persons must vote against the proposal.

Edgar Filing: Mylan N.V. - Form SC 13D

In addition, so long as the Reporting Persons beneficially own an aggregate of five percent or more of the outstanding Ordinary Shares, the Reporting Persons will be subject to additional customary standstill restrictions (subject to customary exceptions), including with respect to: (i) acquiring any assets or businesses of the Issuer; (ii) conducting, funding, or otherwise becoming a participant in any tender offer involving equity securities of the Issuer; (iii) acting in concert with others to seek to control or influence the Issuer's board of directors or shareholders; (iv) soliciting proxies with respect to or otherwise influencing the voting of the Issuer's securities; (v) making any public announcement with respect to or proposing any

The Reporting Persons and their affiliates are also prohibited from knowingly advising, assisting, arranging or otherwise entering into discussions with any third party with respect to any of the actions prohibited by the standstill restrictions.

The standstill restriction on acquiring securities of the Issuer does not apply to: (a) acquisitions resulting from a stock split, stock dividend, reorganization, recapitalization, combination, or other like change approved or recommended by the Issuer's board of directors or (b) acquisitions made in connection with a transaction in which any of the Reporting Persons or their affiliates acquire a previously unaffiliated business entity that beneficially owns equity securities of the Issuer so long as the Reporting Persons or their affiliates cause the equity securities of the Issuer to be divested within 120 days after consummation of such transaction such that the ownership percentage of the Reporting Persons in the Issuer is below the ownership percentage set forth in the first sentence of the immediately preceding paragraph.

Transfer Restrictions

The Reporting Persons are subject to certain restrictions on their ability to transfer, or enter into a hedging agreement with respect to, Ordinary Shares without the Issuer's consent. Except for certain permitted transfers, the Reporting Persons may not transfer beneficial ownership of any Shares to certain competitors of the Issuer or to certain activist investors.

Permitted transfers include transfers: (i) to subsidiaries of Abbott that have executed a joinder to the Shareholder Agreement; (ii) in response to a tender or exchange offer that has been approved or recommended by the Issuer's board of directors; (iii) to the Issuer or its subsidiaries; (iv) effected through a public offering or a brokers' transaction; or (v) subject to certain restrictions, to a counterparty in connection with a hedging arrangement.

Offering Restrictions

During an initial restricted period of 90 days following the date of the Shareholder Agreement (subject to extension in certain instances), the Issuer may not directly or indirectly issue, sell, grant, pledge or otherwise encumber, or agree to issue, sell, grant, pledge or otherwise encumber, any interest in any equity securities, whether through a public offering or private placement or otherwise, (a) in connection with any merger or consolidation with any third party or any acquisition of all or substantially all of the assets or equity securities of any third party or (b) in connection with any other transaction, including any primary offering of equity securities by the Issuer, subject to limited ordinary course exceptions.

Registration Rights

The Reporting Persons have customary demand and piggyback registration rights. The Reporting Persons have the right to request that the Issuer file a registration statement with the Securities and Exchange Commission in order to register all or part of the Shares. The Reporting Persons are entitled to make no more than seven demand requests, each of which must register securities with a minimum aggregate value of \$200,000,000. The Issuer has customary black-out rights for up to 90 days in any 12-month period, provided that the Issuer has only limited black-out rights during the 90-day restricted period following the date of the Shareholder Agreement (subject to extension in certain instances).

So long as the Reporting Persons beneficially own an aggregate of 10% or more of the outstanding Ordinary Shares, the Reporting Persons are subject to customary lock-up agreements for up to 90 days in

the case of primary offerings with a minimum aggregate value of \$500,000,000. 5.3 The prohibition in Section 5.1(a) shall not apply to the activities of any Abbott Shareholder or any of their respective Affiliates in connection with:

(a) acquisitions made as a result of a stock split, stock dividend, reorganization, recapitalization, reclassification, combination, exchange of shares or other like change approved or recommended by the Board of Directors; or

(b) acquisitions made in connection with a transaction or series of related transactions in which the Abbott Shareholders or any of their respective Affiliates acquires a previously unaffiliated business entity that Beneficially Owns Equity Securities, Voting Securities or Derivative Instruments, or any securities convertible into, or exercisable or exchangeable for, Equity Securities, Voting Securities or Derivative Instruments, at the time of the consummation of such acquisition, provided that in connection with any such acquisition, such Abbott Shareholders or such applicable Affiliate, as the case may be, (i) either (A) causes such entity to divest the Equity Securities, Voting Securities or Derivative Instruments, or any securities convertible into, or exercisable or exchangeable for, Equity Securities, Voting Securities or Derivative Instruments, Beneficially Owned by the acquired entity within a period of one hundred twenty (120) calendar days after the date of the consummation of such acquisition or (B) divests the Equity Securities, Voting Securities or Derivative Instruments, or any other securities convertible into, or exercisable or exchangeable for, Equity Securities, Voting Securities or Derivative Instruments, Beneficially Owned by the Abbott Shareholders and their respective Affiliates, in an amount so that the Abbott Shareholders and their respective Affiliates, together with such acquired business entity, shall not, acting alone or as part of a Group, directly or indirectly, Beneficially Own a number of Ordinary Shares in excess of the Standstill Level following such acquisition, and (ii) if any general meeting of the shareholders of New Mylan is held prior to the disposition thereof, votes such Ordinary Shares or other Voting Securities on each matter presented at any such general meeting of the shareholders of New Mylan in accordance with the recommendation of the Board of Directors or any applicable committee thereof;

Section 6.

Registration Rights.

6.1 Demand Registration. At any time and from time to time on or after the date of this Agreement, Abbott, on behalf of the Abbott Shareholders, may request in writing (Request) that New Mylan register under the Securities Act all or part of the Registrable Securities that are Beneficially Owned by the Abbott Shareholders or their Affiliates (a) on a Registration Statement on Form S-3 or other available form (a Demand Registration) or (b) on a Shelf Registration Statement covering any Registrable Securities (or otherwise designating an existing Shelf Registration Statement with the SEC to

cover the Registrable Securities) (a Shelf Registration). Any such Request may involve (i) a registered offering by the Abbott Shareholders of Abbott securities that entitle the holders thereof to receive all or a portion of the Registrable Securities Beneficially Owned by the Abbott Shareholders (or the cash value thereof) or (ii) a Hedging Arrangement in which the counterparty to one or more Abbott Shareholders uses the Shelf Registration Statement to effect short sales of Registrable Securities; provided that the consent of New Mylan shall be required in connection with any Request pursuant to clause (ii) above, such consent not to be unreasonably withheld, delayed or conditioned. Abbott shall be entitled to make no more than seven (7) Requests, and each such Request shall be to register an amount of Registrable Securities having an aggregate value of at least \$200,000,000. Any requested registrations by Abbott prior to the date of this Agreement pursuant to Section 7.24(b) of the Business Transfer Agreement shall be deemed to be Demand Registrations or Shelf Registrations, as applicable, under this Agreement, including being taken into account in determining the foregoing permitted number of Requests, and each of the Abbott Shareholders and New Mylan shall have all rights and obligations under this Agreement with respect to such registrations as if such registrations had been requested under this Agreement. New Mylan shall not be obligated to effect a Demand Registration during the sixty (60) calendar day period following the effective date of a Registration Statement pursuant to any other Demand Registration. Each Request pursuant to this Section 6.1 shall be in writing and shall specify the number of Registrable Securities requested to be registered and the intended method of distribution of such Registrable Securities.

6.2 Restrictions on Demand Registrations. New Mylan may (a) postpone the filing or the effectiveness of a Registration Statement requested by the Abbott Shareholders or of a supplement or amendment thereto during the regular quarterly period during which directors and executive officers of New Mylan are not permitted to trade under the insider trading policy of New Mylan then in effect until the expiration of such quarterly period (but in no event later than two (2) Business Days after the date of New Mylan's quarterly earnings announcement) and (b) postpone for up to ninety (90) calendar days the filing or the effectiveness of a Registration Statement or of a supplement or amendment thereto if the Board of Directors determines in good faith that such Demand Registration or Shelf Registration, as the case may be, would (i) reasonably be expected to materially impede, delay, interfere with or otherwise have a material adverse effect on any material acquisition of assets (other than in the ordinary course of business), merger, consolidation, tender offer, financing or any other material business transaction by New Mylan or any of its Subsidiaries or (ii) require disclosure of information that has not been, and is otherwise not required to be, disclosed to the public, the premature disclosure of which would materially and adversely affect New Mylan; provided that the postponement right described by clause (b)(i) and, to the extent resulting from actions within New Mylan's control, clause (b)(ii), shall not be available to New Mylan during the Restricted Period. The postponement rights in this Section 6.2 shall not be applicable to the Abbott Shareholders for more than a total of ninety (90) calendar days during any period of twelve (12) consecutive months. The postponement rights in this Section 6.2 and the holdback obligation in Section 6.10 shall not be applicable to the Abbott Shareholders for more than a total of one hundred eighty (180) calendar days during any period of twelve (12) consecutive months.

6.3 Automatic Shelf Registrations. To the extent that New Mylan qualifies as a well-known seasoned issuer as defined in Rule 405 under the Securities Act (a WKSI) at the time of such request, Abbott may request that New Mylan file with the SEC an automatic shelf registration statement (as defined in Rule 405 under the Securities Act) on Form S-3 (an Automatic Shelf Registration Statement) permitting the public resale of Registrable Securities in accordance with the requirements of the Securities Act and the rules and regulations of the SEC thereunder. New Mylan shall use its reasonable best efforts and take all actions required or reasonably requested by Abbott to maintain the effectiveness of such Automatic Shelf Registration Statement in accordance with the requirements of the Securities Act and the rules and regulations of the SEC thereunder. At the time any Request for a Demand Registration

or Shelf Registration is submitted to New Mylan on or after the date of this Agreement and, pursuant to such Request, Abbott on behalf of the Abbott Shareholders requests, in accordance with this Section 6.3, that New Mylan file an Automatic Shelf Registration Statement, New Mylan shall file an Automatic Shelf Registration Statement in accordance with the requirements of the Securities Act and the rules and regulations of the SEC thereunder, which covers those Registrable Securities that are requested to be registered. At the written request of Abbott on behalf of the Abbott Shareholders, New Mylan shall pay the registration fee with respect to a take-down from an Automatic Shelf Registration Statement promptly and, in any event, within the time period required by applicable Law after receiving such written request. So long as the Abbott Shareholders are entitled to registration rights pursuant to this Section 6, New Mylan shall use its reasonable best efforts to remain a WKSI and not to become an ineligible issuer (as defined in Rule 405 under the Securities Act). If, at any time following the filing of an Automatic Shelf Registration Statement when New Mylan is required to re-evaluate its WKSI status, New Mylan determines that it is not a WKSI, New Mylan shall use its reasonable best efforts to post-effectively amend the Automatic Shelf Registration Statement to a Registration Statement or Shelf Registration Statement on Form S-3 or file a new Shelf Registration Statement on Form S-3, have such Shelf Registration Statement declared effective by the SEC and keep such Registration Statement effective during the period in which such Shelf Registration is required to be kept effective in accordance with this Section 6.

6.4 Selection of Underwriters; Underwritten Offering. If Abbott on behalf of the Abbott Shareholders so notifies New Mylan in writing, New Mylan shall use its reasonable best efforts to cause a Demand Registration or Shelf Registration to be in the form of an underwritten offering. In connection with any underwritten Demand Registration or Shelf Registration, (a) Abbott shall have the right to select the bookrunners, subject to the bookrunners being nationally recognized investment banks reasonably acceptable to New Mylan, (b) New Mylan shall have the right to select one bookrunner, subject to the bookrunner being a nationally recognized investment bank reasonably acceptable to Abbott, (c) each of Abbott and New Mylan shall have the right to select other non-bookrunning underwriters, subject to each such other non-bookrunning underwriter being a nationally recognized investment bank reasonably acceptable to the other Party, the number of which to be selected by each Party to be jointly determined by the Parties or, in the absence of agreement by the Parties, by the managing underwriter selected by Abbott, acting reasonably, (d) the managing underwriter selected by Abbott shall have primary authority and responsibility to direct the administration of the offering and (e) the underwriters selected by New Mylan shall collectively receive 33% of the underwriting commissions and other fees in respect of such Demand Registration or Shelf Registration. In connection with any Piggyback Registration that is an underwritten primary registration on behalf of New Mylan in which Registrable Securities requested to be included represent at least 10% of the number of securities to be included in the offering, (i) Abbott shall have the right to select a joint lead bookrunner to administer the offering, subject to such joint lead bookrunner being a nationally recognized investment bank reasonably acceptable to New Mylan, and (ii) the joint lead bookrunner selected by Abbott shall receive a percentage of the underwriting commissions and other fees in respect of such Piggyback Registration equal to the percentage of Registrable Securities included in such Piggyback Registration (but in no event more than 50% of such commissions and fees); provided that, for the avoidance of doubt, the managing underwriter selected by New Mylan shall have primary authority and responsibility to direct the administration of the offering. New Mylan agrees that Abbott shall be entitled to select the underwriter set forth on Schedule II to act as managing underwriter or joint lead bookrunner in accordance with this Section 6.4 subject to the terms and conditions set forth on Schedule II. The Abbott Shareholders may not participate in any registration hereunder which is underwritten unless the Abbott Shareholders agree to sell the Registrable Securities held by the Abbott Shareholders on the basis provided in any underwriting agreement with the underwriters and complete and execute all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

6.5 Piggyback Registrations.

(a) If New Mylan determines to register any of its securities either for its own account or the account of a security holder or holders, other than a registration pursuant to Section 6.1, a registration relating solely to any employee or director equity or equity-based incentive or compensation plan or arrangement or any similar employee or director compensation or benefit plan, a registration relating to the offer and sale of debt securities, a registration relating solely to a corporate reorganization (including by way of merger of New Mylan or any of its Subsidiaries with any other business) or acquisition of another business or a registration on any registration form that does not permit secondary sales (a Piggyback Registration), New Mylan shall (i) promptly give written notice of the proposed Piggyback Registration to Abbott and (ii) subject to Sections 6.5(b) and 6.5(c), include in such Piggyback Registration and in any underwriting involved therein all of such Registrable Securities as are specified in a written request or requests (Piggyback Requests) made by Abbott on behalf of the Abbott Shareholders received by New Mylan within ten (10) Business Days after such written notice from New Mylan is given to Abbott. Such Piggyback Requests shall specify the number of Registrable Securities requested to be disposed of by Abbott.

(b) If a Piggyback Registration is an underwritten primary registration on behalf of New Mylan, and the managing underwriters advise New Mylan in writing that in their opinion the aggregate number of securities requested to be included in such registration exceeds the number which can be sold in an orderly manner in such offering without adversely affecting the success of such offering (including an adverse effect on the offering price), New Mylan shall include in such registration only such securities as New Mylan is advised by such managing underwriters can be sold without such an effect, which securities shall be included in the following order of priority: (i) first, the securities New Mylan proposes to sell, (ii) second, the securities requested to be included in such registration by the holders of Registrable Securities and holders that are contractually entitled to include such securities therein pursuant to any written agreement entered into by New Mylan prior to the date of this Agreement (the Other Registrable Securities), pro rata on the basis of the number of Registrable Securities and Other Registrable Securities requested to be included in such registration and (iii) third, any other securities requested to be included in such registration. If a Piggyback Registration is an underwritten secondary registration on behalf of any holder of Other Registrable Securities, and the managing underwriters advise New Mylan in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in an orderly manner in such offering without adversely affecting the success of such offering (including an adverse effect on the offering price), New Mylan shall include in such registration only such securities as can be sold without such an effect, which securities shall be included in the following order of priority: (i) first, the Other Registrable Securities requested to be included in such registration, (ii) second, the Registrable Securities requested to be included in such registration and (iii) third, any other securities requested to be included in such registration.

(c) New Mylan and any holder of Other Registrable Securities initiating any registration shall have the right to, in its sole discretion, defer, terminate or withdraw any registration initiated by it under this Section 6.5 whether or not the Abbott Shareholders have elected to include any Registrable Securities in such registration. Notwithstanding anything contained herein, in the event that the SEC or applicable federal securities Laws and regulations prohibit New Mylan from including all of the Registrable Securities requested by Abbott to be registered in a registration statement pursuant to this Section 6.5, then New Mylan shall be obligated to include in such registration statement only such portion of the Registrable Securities as is permitted by the SEC or such federal securities Laws and regulations.

6.6 Withdrawals. Abbott may withdraw all or any part of the Registrable Securities from a Registration Statement at any time prior to the effective date of such Registration Statement. If such withdrawal is made primarily as a result of the failure of New Mylan to comply with any provision of this Agreement, New Mylan shall be responsible for the payment of all Registration Expenses in connection with such registration and such registration shall not count as a Demand Registration for purposes of Section 6.1. In the case of any other withdrawal, the Abbott Shareholders shall pay for the Registration Expenses associated with the withdrawn registration.

6.7 Registration Procedures. Whenever Abbott has made a Request in accordance with Section 6.1 that any Registrable Securities be registered pursuant to this Agreement, New Mylan shall:

(a) as expeditiously as reasonably practicable after the receipt by New Mylan of such a Request, prepare and file with the SEC a Required Registration Statement or Required Shelf Registration Statement, as the case may be, providing for the registration under the Securities Act of the Registrable Securities which New Mylan has been so requested to register in accordance with the intended methods of distribution thereof specified in such Request, and shall use reasonable best efforts to have such Required Registration Statement or Required Shelf Registration Statement, as the case may be, declared effective by the SEC as soon as practicable thereafter and to keep such Required Registration Statement or Required Shelf Registration Statement, as the case may be, continuously effective (i) in the case of a Demand Registration, for a period of at least ninety (90) calendar days (or, in the case of an underwritten offering, such period as the underwriters may reasonably require) following the date on which such Required Registration Statement is declared effective (or such shorter period which shall terminate when all of the Registrable Securities covered by such Required Registration Statement have been sold pursuant thereto) or (ii) in the case of a Shelf Registration, until such time as all Registrable Securities covered by such Required Shelf Registration Statement have been sold pursuant thereto, including, in either case, if necessary, by filing with the SEC a post-effective amendment or a supplement to the Required Registration Statement or Required Shelf Registration Statement or the related prospectus or any document incorporated therein by reference or by filing any other required document or otherwise supplementing or amending the Required Registration Statement or Required Shelf Registration Statement, if required by the rules, regulations or instructions applicable to the registration form used by New Mylan for such Required Registration Statement or Required Shelf Registration Statement or by the Securities Act, the Exchange Act, any state securities or blue sky Laws, or any rules and regulations thereunder;

(b) prepare and file with the SEC such amendments and supplements to such Registration Statement and the prospectus used in connection therewith as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement for the period set forth in (a) above;

(c) furnish to the Abbott Shareholders such number of copies of such Registration Statement, each amendment and supplement thereto, the prospectus included in such Registration Statement (including each preliminary prospectus) and such other documents as Abbott may reasonably request in order to facilitate the disposition of the Registrable Securities owned by the Abbott Shareholders;

(d) use its reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky Laws of such jurisdictions in the United States as Abbott reasonably requests and do any and all other acts and things which may be reasonably necessary or advisable to enable the Abbott Shareholders to consummate the disposition in such jurisdictions of the Registrable Securities owned by the Abbott Shareholders; provided that New Mylan shall not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify, (ii) consent to

general service of process in any such jurisdiction or (iii) subject itself to taxation in any jurisdiction where it is not so subject;

(e) in the event of any underwritten public offering, enter into an underwriting agreement or similar agreement, in usual and customary form, with the managing underwriters of such offering and use reasonable best efforts to take such other actions as the managing underwriters reasonably request in order to expedite or facilitate the disposition of such Registrable Securities, including causing its senior officers to participate in road shows and other information meetings organized by the managing underwriters;

(f) notify Abbott, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event as a result of which the prospectus included in such Registration Statement contains an untrue statement of a material fact or omits any fact necessary to make the statements therein, not misleading, and in such case, subject to Section 6.2, New Mylan shall promptly prepare a supplement or amendment to such prospectus so that, as thereafter delivered to the holders of Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein, not misleading;

(g) use its reasonable best efforts to cause all such Registrable Securities which are registered to be listed on each securities exchange on which similar securities issued by New Mylan are then listed;

(h) enter into such customary agreements and use reasonable best efforts to take all such other actions as Abbott or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities;

(i) make available for inspection by Abbott, any underwriter participating in any disposition pursuant to such Registration Statement and any attorney, accountant or other agent retained by the Abbott Shareholders or any underwriter, financial and other records, pertinent corporate documents and properties of New Mylan and its Subsidiaries as shall be reasonably necessary to enable them to exercise their due diligence responsibility, and cause New Mylan's officers, directors, employees and independent accountants to supply all other information reasonably requested by Abbott or any such underwriter, attorney, accountant or agent in connection with such Registration Statement;

(j) if such sale is pursuant to an underwritten offering, use reasonable best efforts to obtain comfort letters dated the pricing date of the offering of the Registrable Securities and the date of the closing under the underwriting agreement from New Mylan's independent public accountants in customary form and covering such matters of the type customarily covered by comfort letters in connection with underwritten offerings as the managing underwriter reasonably requests;

(k) use reasonable best efforts to furnish, at the request of Abbott on the date such securities are delivered to the underwriters for sale pursuant to such registration or are otherwise sold pursuant thereto, an opinion and a 10b-5 letter, dated such date, of counsel representing New Mylan for the purposes of such registration, addressed to the underwriters, if any, and to the seller making such request, covering such legal and other matters with respect to the registration in respect of which such opinion is being given and such letter is being delivered as the underwriters, if any, and the seller may reasonably request and are customarily included in such opinions and letters;

(l) subject to Section 6.2, use reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of the Registration Statement registering such Registrable Securities;

Edgar Filing: Mylan N.V. - Form SC 13D

- (m) otherwise use its reasonable best efforts to comply with all applicable rules and regulations of the SEC, and make available to its security holders, as soon as reasonably practicable after the effective date of the Registration Statement, an earnings statement covering the period of at least 12 months beginning with the first day of New Mylan's first full calendar quarter after the effective date of the Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder;
- (n) reasonably cooperate with the Abbott Shareholders and each underwriter participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA;
- (o) notify in writing Abbott and the underwriter, if any, of the following events as promptly as reasonably practicable:
 - (i) the effectiveness of any such Registration Statement;
 - (ii) any request by the SEC for amendments or supplements to the Registration Statement or the prospectus or for additional information and when same has been filed and become effective;
 - (iii) the issuance by the SEC of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings by any Person for that purpose; and
 - (iv) the receipt by New Mylan of any notification with respect to the suspension of the qualification of the Registrable Securities for the sale under the securities or blue sky Laws of any jurisdiction or the initiation or threat of any proceeding for such purpose;
- (p) to the extent reasonably required in writing by the lead managing underwriters with respect to an underwritten offering relating to the registration of Equity Securities having an aggregate value of at least \$200,000,000, agree, and cause the directors or officers of New Mylan to agree, to enter into customary agreements restricting the sale or distribution of Equity Securities during the period commencing on the date of the request (which shall be no earlier than fourteen (14) calendar days prior to the expected pricing of such underwritten offering) and continuing for not more than ninety (90) calendar days after the date of the final prospectus (or final prospectus supplement if the underwritten offering is made pursuant to a Shelf Registration Statement), pursuant to which such underwritten offering shall be made, plus an extension period, as may be proposed by the lead managing underwriters to address FINRA regulations regarding the publishing of research, or such lesser period as is required by the lead managing underwriters; and
- (q) use reasonable best efforts to take all other steps reasonably necessary to effect the registration of the Registrable Securities contemplated hereby.

If any such registration or comparable statement refers to any Abbott Shareholder by name or otherwise as the holder of any securities of New Mylan and if any Abbott Shareholder is or would be reasonably expected to be deemed to be a controlling person of New Mylan, Abbott shall

Edgar Filing: Mylan N.V. - Form SC 13D

have the right to require (i) the insertion therein of language, in form and substance satisfactory to Abbott and presented to New Mylan in writing, to the effect that the holding by the Abbott Shareholders of such securities is not to be construed as a recommendation by any Abbott Shareholder of the investment quality of New Mylan's securities covered thereby and that such holding does not imply that any Abbott Shareholder shall assist in meeting any future financial requirements of New Mylan or (ii) in the event that such

reference to any Abbott Shareholder by name or otherwise is not required by the Securities Act or any similar federal statute then in force, the deletion of the reference to such Abbott Shareholder; provided that with respect to this clause (ii) Abbott must furnish to New Mylan an opinion of counsel to such effect, which opinion and counsel shall be reasonably satisfactory to New Mylan. In connection with any Registration Statement in which the Abbott Shareholders are participating, Abbott shall furnish to New Mylan in writing such information and affidavits as New Mylan reasonably may from time to time reasonably request specifically for use in connection with any such Registration Statement or prospectus.

Abbott agrees that upon receipt of any notice from New Mylan of the happening of any event of the kind described in clauses (f), (o)(ii), (o)(iii) or (o)(iv) above, it shall forthwith discontinue its disposition of Registrable Securities pursuant to the applicable Registration Statement and the prospectus relating thereto until its receipt of the copies of the supplemented or amended prospectus contemplated by clause (o)(ii), or until it is advised in writing by New Mylan that the use of the applicable prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such prospectus; provided that New Mylan shall use its reasonable best efforts to supplement or amend the applicable Registration Statement and prospectus as promptly as practicable and shall extend the time periods under clause (a) above with respect to the length of time that effectiveness of a Registration Statement must be maintained by the amount of time that Abbott is required to discontinue disposition of such Registrable Securities.

6.8 Registration Expenses. Subject to Section 6.6, all expenses of New Mylan incident to New Mylan's performance of or compliance with this Section 6, including all registration and filing fees, fees and expenses of compliance with securities or blue sky Laws, printing expenses, messenger and delivery expenses, New Mylan's internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review, the expense of any liability insurance, the expenses and fees for listing the securities to be registered on each securities exchange on which similar securities issued by New Mylan are then listed and fees and disbursements of counsel for New Mylan and all independent certified public accountants retained by New Mylan (all such expenses being herein called Registration Expenses), shall be borne by New Mylan. The Abbott Shareholders shall pay all fees, costs and expenses of its counsel, accountants, advisers or representatives and all expenses of any broker's commission or underwriter's discount or commission relating to the registration and sale of Registrable Securities pursuant to this Agreement.

6.9 Requested Information. Not less than five (5) Business Days before the expected filing date of each Registration Statement pursuant to this Agreement, New Mylan shall notify each holder of Registrable Securities who has timely provided the requisite notice hereunder entitling such holder to register Registrable Securities in such Registration Statement of the information, documents and instruments from such holder that New Mylan or any underwriter reasonably requests in connection with such Registration Statement, including a questionnaire, custody agreement, power of attorney, lock-up letter and underwriting agreement, each in customary form reasonably acceptable to such holders (the Requested Information). If New Mylan has not received, on or before the second Business Day before the expected filing date, the Requested Information from such holder, New Mylan may file the Registration Statement without including Registrable Securities of such holder. The failure to so include in any Registration Statement the Registrable Securities of a holder of Registrable Securities (with regard to that Registration Statement) shall not result in any liability on the part of New Mylan to such holder.

6.10 Holdback Agreements. After the expiration of the Restricted Period, each Abbott Shareholder agrees to enter into customary agreements restricting the sale or distribution of Equity Securities (including sales pursuant to Rule 144) to the extent reasonably required in writing by the lead managing underwriters with respect to an applicable underwritten primary offering on behalf of New

Mylan relating to the registration of Equity Securities having an aggregate value of at least \$500,000,000 during the period commencing on the date of the request (which shall be no earlier than fourteen (14) calendar days prior to the expected pricing of such underwritten offering) and continuing for not more than ninety (90) calendar days after the date of the final prospectus (or final prospectus supplement if the underwritten offering is made pursuant to a Shelf Registration Statement), pursuant to which such underwritten offering shall be made, plus an extension period, as may be proposed by the lead managing underwriters to address FINRA regulations regarding the publishing of research, or such lesser period as is required by the lead managing underwriters. The Abbott Shareholders shall not be required to enter into a holdback agreement pursuant to this Section 6.10 (a) at any time when the aggregate Beneficial Ownership of the Abbott Shareholders and their respective Controlled Affiliates, as a group, is less than 10% and (b) unless the directors and executive officers of New Mylan are subject to substantially comparable restrictions. The postponement rights in Section 6.2 and the holdback obligation in this Section 6.10 shall not be applicable to the Abbott Shareholders for more than a total of one hundred eighty (180) calendar days during any period of twelve (12) consecutive months.

6.11 Rule 144 Reporting. With a view to making available to the Abbott Shareholders the benefits of certain rules and regulations of the SEC which may permit the sale of the Registrable Securities to the public without registration, New Mylan agrees to use its reasonable best efforts to:

- (a) make and keep public information available, as those terms are understood and defined in Rule 144 or any similar or analogous rule promulgated under the Securities Act, at all times after the effective date of the first registration filed by New Mylan for an offering of its securities to the general public;
- (b) file with the SEC, in a timely manner, all reports and other documents required of New Mylan under the Exchange Act; and
- (c) so long as the Abbott Shareholders own any Registrable Securities, furnish to Abbott promptly upon request (i) a written statement by New Mylan as to its compliance with the reporting requirements of Rule 144 of the Securities Act and of the Exchange Act, (ii) a copy of the most recent annual or quarterly report of New Mylan filed with the SEC and (iii) such other reports and documents as Abbott may reasonably request in connection with availing itself of any rule or regulation of the SEC allowing it to sell any such securities without registration, in each case to the extent not readily publicly available.

6.12 New Mylan Indemnification. New Mylan agrees to indemnify and hold harmless, to the extent permitted by applicable Law, each Abbott Shareholder, its Affiliates and each of its and their respective directors, officers, partners, members and agents and directors and each Person, if any, who controls any Abbott Shareholder (within the meaning of the Securities Act or the Exchange Act) from and against any and all losses, claims, damages, liabilities and expenses whatsoever (including reasonable, documented out-of-pocket expenses of investigation and reasonable, documented out-of-pocket attorneys' fees and expenses) caused by, arising out of or relating to any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto covering the resale of any Registrable Securities by or on behalf of the Abbott Shareholders or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such untrue statement or omission is contained in any information or affidavit so furnished in writing by Abbott expressly stated to be used in connection with such Registration Statement.

6.13 Abbott Indemnification. Each Abbott Shareholder jointly and severally agrees to indemnify and hold harmless, to the extent permitted by applicable Law, New Mylan, its Affiliates, its and their respective directors, officers, partners, members and agents and each Person, if any, who controls New Mylan (within the meaning of the Securities Act or the Exchange Act) from and against any and all losses, claims, damages, liabilities and expenses (including reasonable, documented out-of-pocket expenses of investigation and reasonable, documented out-of-pocket attorneys' fees and expenses) caused by, arising out of or relating to any untrue or alleged untrue statement of material fact contained in the Registration Statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto covering the resale of any Registrable Securities by or on behalf of the Abbott Shareholders or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by Abbott expressly stated to be used in connection with such Registration Statement.

6.14 Resolution of Claims. Any Person entitled to indemnification pursuant to this Section 6 shall give prompt written notice to the indemnifying Party of any claim with respect to which it seeks indemnification; provided that the failure so to notify the indemnifying Party shall not relieve the indemnifying Party of any liability that it may have to the indemnified party hereunder except to the extent that the indemnifying Party is materially prejudiced or otherwise forfeits substantive rights or defenses by reason of such failure. If notice of commencement of any such action is given to the indemnifying Party as above provided, the indemnifying Party shall be entitled to participate in and, to the extent it may wish, jointly with any other indemnifying Party similarly notified, to assume the defense of such action at its own expense, with counsel chosen by it and reasonably satisfactory to such indemnified party. The indemnified party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be paid by the indemnified party unless (a) the indemnifying Party agrees to pay the same, (b) the indemnifying Party fails to assume the defense of such action with counsel reasonably satisfactory to the indemnified party or (c) the named parties to any such action (including any impleaded parties) include both the indemnifying Party and the indemnified party and such parties have been advised by such counsel that either (i) representation of such indemnified party and the indemnifying Party by the same counsel would be inappropriate under applicable standards of professional conduct or (ii) it is reasonably foreseeable that there will be one or more material legal defenses available to the indemnified party which are different from or additional to those available to the indemnifying Party. In any of such cases, the indemnified party shall have the right to participate in the defense of such action with its own counsel, the reasonable, documented out-of-pocket fees and expenses of which shall be paid by the indemnifying Party, it being understood, however, that the indemnifying Party shall not be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all indemnified parties. No indemnifying Party shall be liable for any settlement entered into without its written consent (such consent not to be unreasonably withheld, conditioned or delayed). No indemnifying Party shall, without the consent of such indemnified party (such consent not to be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened proceeding in respect of which such indemnified party is a party and indemnity has been sought hereunder by such indemnified party, unless such settlement (x) includes an unconditional release of such indemnified party from all liability for claims that are the subject matter of such proceeding and (y) does not include an omission of fault, culpability or failure to act by or on behalf of any indemnified party.

6.15 Contribution. If the indemnification provided for in Section 6.12 or 6.13 is held by a court of competent jurisdiction to be unavailable to an indemnified party with respect to any losses, claims, damages or liabilities referred to herein, the indemnifying Party, in lieu of indemnifying such indemnified party thereunder, shall to the extent permitted by applicable Law contribute to the amount

paid or payable by such indemnified party as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative fault of the indemnifying Party on the one hand and of the indemnified party on the other in connection with such loss, claim, damage or liability, as well as any other relevant equitable considerations. The relative fault of the indemnifying Party and of the indemnified party shall be determined by a court of Law by reference to, among other things, if it relates to an untrue or alleged untrue statement of a material fact or the omission to state a material fact in a Registration Statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereof covering the resale of any Registrable Securities by or on behalf of the holder of Registrable Securities, whether the untrue or alleged untrue statement of a material fact or the omission to state a material fact relates to information supplied by the indemnifying Party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid or payable by a party as a result of any loss, claim, damage or liability referred to above shall be deemed to include, subject to the limitations set forth in this Section 6.15, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. The Parties agree that it would not be just and equitable if contribution pursuant to this Section 6.15 were determined by pro rata allocation or by any other method of allocation which does not take account of the equitable considerations referred to in this Section 6.15. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

6.16 Removal of Legends and Stop Transfer Instructions. If any Registrable Securities are certificated and bear any restrictive legend, or are held in non-certificated book-entry form and are subject to any stop transfer or similar instruction or restriction, New Mylan shall upon the request of the holder of such Registrable Securities, as applicable, promptly cause such legends to be removed and new certificates without any restrictive legends to be issued or cause such stop transfer or similar instructions or restrictions to be promptly terminated and removed if (a) such Registrable Securities are registered for resale under the Securities Act or (b) the holder of such Registrable Securities provides New Mylan with reasonable assurance that such Registrable Securities can be sold, assigned or transferred pursuant to Rule 144 or otherwise without registration under the applicable requirements of the Securities Act, including, if requested by New Mylan, an opinion of outside legal counsel, reasonably acceptable to New Mylan, to such effect. Following the effective date of any Registration Statement pursuant to which Registrable Securities are registered for resale, New Mylan shall, as applicable, as soon as reasonably practicable deliver or cause to be delivered to the holder of such Registrable Securities certificates representing such Registrable Securities that are free from all restrictive legends, and cause all stop transfer or similar instructions or restrictions relating to such Registrable Securities to be terminated and removed.

Section 7.

Miscellaneous.

7.1 Fees and Expenses. Except as otherwise provided in this Agreement, each Party shall pay its own direct and indirect expenses incurred by it in connection with the preparation and negotiation of this Agreement and the consummation of the transactions contemplated by this Agreement, including all fees and expenses of its advisors and representatives.

7.2 Term. Notwithstanding anything contained herein to the contrary, this Agreement shall terminate, and all rights and obligations hereunder shall cease, on the date upon which the Abbott Shareholders no longer Beneficially Own any of the Initial Shares.

7.3 Notices. All notices and other communications in connection with this Agreement shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by delivery in person, by overnight courier service, by facsimile with receipt confirmed (followed

Any Party may, by delivery of written notice to the other Parties, change the address to which such notices and other communications are to be given in connection with this Agreement.

7.4 Counterparts; Entire Agreement; Corporate Power; Facsimile Signatures. This Agreement may be executed in one or more counterparts, all of which shall be considered one and the

same agreement. This Agreement and the Schedules hereto contain the entire agreement between the Parties with respect to the subject matter hereof, supersede all previous agreements, negotiations, discussions, writings, understandings, commitments and conversations with respect to such subject matter and there are no agreements or understandings between the Parties other than those set forth or referred to herein or therein. Each Party acknowledges that it and the other Parties may execute this Agreement by manual, stamp or mechanical signature, and that delivery of an executed counterpart of a signature page to this Agreement (whether executed by manual, stamp or mechanical signature) by facsimile or by email in portable document format (PDF) shall be effective as delivery of such executed counterpart of this Agreement. Each Party expressly adopts and confirms a stamp or mechanical signature (regardless of whether delivered in person, by mail, by courier, by facsimile or by email in portable document format (PDF)) made in its respective name as if it were a manual signature delivered in person, agrees that it shall not assert that any such signature or delivery is not adequate to bind such Party to the same extent as if it were signed manually and delivered in person and agrees that, at the reasonable request of the other Party at any time, it shall as promptly as reasonably practicable cause this Agreement to be manually executed (any such execution to be as of the date of the initial date thereof) and delivered in person, by mail or by courier.

7.5 Amendments and Waivers. No provision of this Agreement may be waived, modified, supplemented or amended except in a written instrument signed, in the case of an amendment, by New Mylan and Abbott on behalf of the Abbott Shareholders or, in the case of a waiver, by the Party against whom enforcement of any such waived provision is sought. No waiver of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any subsequent default or a waiver of any other provision, condition or requirement hereof, nor shall any delay or omission of any Party to exercise any right hereunder in any manner impair the exercise of any such right.

7.6 Successors and Assigns.

(a) Subject to clauses (b) and (c) below, this Agreement shall be binding upon the Parties and their respective successors and assigns and shall inure to the benefit of the Parties and their respective successors and permitted assigns.

(b) New Mylan may not assign or delegate this Agreement or any rights or obligations hereunder without the prior written consent of Abbott; provided that no such consent shall be required for any assignment by New Mylan of its rights or obligations hereunder in connection with a merger, consolidation, combination, reorganization or similar transaction or the transfer, sale, lease, conveyance or disposition of all or substantially all of its assets.

(c) The Abbott Shareholders may not assign or delegate this Agreement or any rights or obligations hereunder without the prior written consent of New Mylan; provided that no such consent shall be required for (i) any assignment by Abbott of its rights or obligations hereunder in connection with a merger, consolidation, combination, reorganization or similar transaction or the transfer, sale, lease, conveyance or disposition of all or substantially all of its assets, if such assignee agrees in writing to be bound by the terms of this Agreement or (ii) the assignment or delegation by an Abbott Shareholder of any of its rights or obligations under this Agreement to a Permitted Transferee, if such Permitted Transferee agrees in writing to be bound by the terms of this Agreement; provided further that no such assignment or delegation shall relieve any Abbott Shareholder of its obligations under this Agreement.

(d) The covenants and agreements of Abbott Shareholders set forth in Sections 3, 4 and 5 shall not be binding upon or restrict any transferee of Shares other than Permitted Transferees in

accordance with Section 3.1(b)(i), and no transferee of Shares other than such Permitted Transferees shall have any rights under this Agreement.

7.7 Non-Affiliation. From and after the date of this Agreement, New Mylan shall not and shall not cause, direct or permit any of its Subsidiaries or Controlled Affiliates to (a) identify the Abbott Shareholders (or any one of them) or any of their respective Affiliates (each, an Abbott Party and collectively, the Abbott Parties) or otherwise hold any Abbott Party out to be an Affiliate of New Mylan or any of its Subsidiaries, except to the extent that such identification is required by applicable Law, by virtue of the Abbott Shareholder's Beneficial Ownership of all or a portion of the Shares or other Equity Securities, and in such case only to the extent so required by Law, or (b) make, enter into, modify or amend any Contract, other than a Contract executed and delivered by any Abbott Party, that subjects any Abbott Party or any of its assets or properties (other than the Shares or other Equity Securities held by an Abbott Shareholder), tangible or intangible, to any lien, encumbrance, claim, restriction or similar obligation or grants or allows on or with respect to any such assets or properties any right of use, exploitation, access or discovery to or in favor of any Person.

7.8 Confidentiality.

(a) Each Party hereby agrees that it and its Representatives shall keep the other Party's Confidential Information confidential and shall not disclose such Confidential Information; provided that (i) a Party may disclose that portion of the other Party's Confidential Information as to which the other Party has given its prior written consent for such disclosure and (ii) a Party may disclose the other Party's Confidential Information to its Representatives who (A) need to know such information in connection with preparing or otherwise assisting in the preparation of such Party's financial statements or Applicable Filings and Releases, (B) have been informed of the confidential nature of such information and directed to treat such information confidentially, and (C) are subject to confidentiality obligations under existing agreements or professional standards.

(b) Each Party is aware, and shall advise its Representatives who are informed of the matters that are the subject of this Agreement, of the restrictions imposed by the United States securities laws on the purchase or sale of securities by any Person who has received material, nonpublic information from the issuer of such securities and on the communication of such information to any other person when it is reasonably foreseeable that such other person is likely to purchase or sell such securities in reliance upon such information.

(c) In the event that a Party or its Representatives are requested or required by any applicable Law or stock exchange listing requirement (including oral questions, depositions, interrogatories, requests for information or documents, subpoena, civil investigative demand or other similar process) (collectively, Applicable Law) to disclose any of the other Party's Confidential Information, the Party requested or required to make the disclosure shall, to the extent practicable and permitted by Applicable Law, provide the other Party with prompt notice of any such request or requirement so that the other Party (at the other Party's sole expense) may seek a protective order or other appropriate remedy or waive compliance with the provisions of this Section 7.8. If, in the absence of a protective order or other remedy or the receipt of a waiver from such other Party, the Party requested or required to make the disclosure or any of its Representatives are, nonetheless, on the advice of counsel, legally compelled to disclose the other Party's Confidential Information, the Party requested or required to make the disclosure or its Representative may disclose only that portion of the other Party's Confidential Information which such counsel advises is legally required to be disclosed, provided that the Party requested or required to make the disclosure exercises, to the extent practicable and permitted by Applicable Law, its reasonable efforts to preserve the confidentiality of the other Party's Confidential Information, including by

cooperating with the other Party to obtain an appropriate protective order or other reliable assurance that confidential treatment shall be accorded the other Party's Confidential Information.

(d) As used in this Agreement, the term Confidential Information means, with respect to a Party: (i) all nonpublic information, whether in written, verbal, graphic, electronic or any other form, concerning or relating to such Party or its Representatives and their businesses that is furnished by or on behalf of such Party or its Representatives at any time from and after the date hereof in connection with the performance by such Party under this Agreement and (ii) all notes, memoranda, analyses, compilations, studies, forecasts, reports, samples, data, statistics, summaries, interpretations or other documents prepared by or on behalf of the receiving Party or its Representatives that contain, reflect or are based upon, in whole or in part, the information described in clause (i) above; provided that the term Confidential Information does not include information that (A) is or becomes generally available to the public other than as a result of breach of this Section 7.8 by the receiving Party or its Representatives, (B) was within the receiving Party's possession prior to its being furnished to the receiving Party by or on behalf of the disclosing Party or its Representatives, provided that the receiving Party reasonably believes that the source of such information was not bound by a confidentiality agreement with or other contractual, legal or fiduciary obligation of confidentiality with respect to such information, (C) is or becomes available to the receiving Party on a non-confidential basis from a source other than the disclosing Party or any of its Representatives, provided that the receiving Party reasonably believes that such source was not bound by a confidentiality agreement with or other contractual, legal or fiduciary obligation of confidentiality with respect to such information, (D) is independently developed by the recipient without use of Confidential Information, as evidenced by its written records, or (E) is disclosed by the receiving Party or its Representatives with the disclosing Party's prior written approval.

7.9 No Third Party Beneficiaries. Except as expressly provided in Sections 6.12, 6.13, 6.14 and 6.15, this Agreement is intended for the benefit of the Parties and their respective successors and permitted assigns.

7.10 Severability. In the event that any one or more of the terms or provisions of this Agreement or the application thereof to any Person or circumstance is determined by a court of competent jurisdiction to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement, or the application of such term or provision to Persons or circumstances or in jurisdictions other than those as to which it has been determined to be invalid, illegal or unenforceable, and the Parties shall use their commercially reasonable efforts to substitute one or more valid, legal and enforceable terms or provisions into this Agreement which, insofar as practicable, implement the purposes and intent of the Parties. Any term or provision of this Agreement held invalid or unenforceable only in part, degree or within certain jurisdictions shall remain in full force and effect to the extent not held invalid or unenforceable to the extent consistent with the intent of the Parties as reflected by this Agreement. To the extent permitted by applicable Law, each Party waives any term or provision of Law which renders any term or provision of this Agreement to be invalid, illegal or unenforceable in any respect.

7.11 Business Days. If the last or appointed day for the taking of any action or the expiration of any right required or granted in this Agreement is not a Business Day, then such action may be taken or such right may be exercised on the next succeeding Business Day.

7.12 Governing Law and Venue: Waiver of Jury Trial.

(a) THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN AND IN ALL RESPECTS SHALL BE INTERPRETED, CONSTRUED AND GOVERNED BY AND IN

ACCORDANCE WITH THE SUBSTANTIVE AND PROCEDURAL LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ITS RULES OF CONFLICTS OF LAW. The Parties irrevocably submit to the exclusive jurisdiction of the courts of the State of New York and the federal courts of the United States of America located in the City of New York, Borough of Manhattan with respect to all matters arising out of or relating to this Agreement and the interpretation and enforcement of the provisions of this Agreement, and of the documents referred to in this Agreement, and in respect of the transactions contemplated by this Agreement, and waive, and agree not to assert, as a defense in any action, suit or proceeding for the interpretation or enforcement hereof or of any such document, that it is not subject thereto or that such action, suit or proceeding may not be brought or is not maintainable in such courts or that the venue thereof may not be appropriate or that this Agreement or any such document may not be enforced in or by such courts, and the Parties agree that all claims with respect to such action or proceeding shall be heard and determined exclusively in such a New York state or federal court. The Parties agree that a final judgment in any such any action, suit or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. The Parties consent to and grant any such court jurisdiction over the person of such Parties solely for such purpose and over the subject matter of such dispute and agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 7.3 or in such other manner as may be permitted by Law shall be valid and sufficient service.

(b) EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. EACH PARTY ACKNOWLEDGES AND AGREES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER. EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER. EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS IN THIS SECTION 7.12(b).

7.13 Enforcement. The Parties acknowledge and agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or was otherwise breached, and that monetary damages, even if available, would not be an adequate remedy therefor. It is accordingly agreed that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the performance of the terms and provisions hereof in any court referred to in Section 7.12, without proof of actual damages (and each Party hereby waives any requirement for the securing or posting of any bond in connection with such remedy), this being in addition to any other remedy to which they are entitled at Law or in equity. The Parties further agree not to assert that a remedy of specific enforcement is unenforceable, invalid, contrary to Law or inequitable for any reason, nor to assert that a remedy of monetary damages would provide an adequate remedy for such breach.

7.14 Joint and Several Liability. Each Abbott Shareholder shall be jointly and severally liable for any breach of this Agreement by the Abbott Shareholders.

[Signature pages follow.]

IN WITNESS WHEREOF, New Mylan and each of the Abbott Shareholders have caused this Agreement to be signed by their respective officers thereunto duly authorized, all as of the date first above written.
