On July 5, 2016, Thompson Creek Metals Company Inc. distributed the attached communication to its employees.

**To:** All Thompson Creek Employees  
**From:** Jacques Perron, President & CEO  
**Date:** July 5, 2016  
**RE:** Centerra Gold and Thompson Creek Announcement

Today, we publicly announced that we have entered into a definitive arrangement agreement, whereby Centerra Gold will acquire all of the issued and outstanding shares of Thompson Creek. The details of this announcement are in the accompanying press release that was distributed earlier this afternoon.

Following the prescribed legal processes in Canada and the United States related to business transactions of this nature, Thompson Creek shareholders must approve the transaction at a special meeting to be held later this year.

Both Centerra and Thompson Creek currently have world-class operations and dedicated, experienced and safe employees. This transaction will bring together two complementary companies to work towards creating better stakeholder value than we currently offer as separate entities.

Over the coming months, we have an obligation to continue to run our business in the safe, efficient and focused manner that we always have. We will continue to rely on every employee to do his or her job to the best of their ability, dedicated to safety and maintaining the value that we have created as a company.

Now that we have made this announcement, we expect more information to be readily available to share with employees over the coming weeks and months as the process unfolds and as information becomes available. We will schedule more frequent townhall meetings, toolbox discussions, and employee memos, as well as posting information to MineNet to keep you informed. For the next couple months, we will dedicate slides with a yellow background on MineNet to information specifically about the transaction.

Please remember also, that any information which does not come from the Company may not be accurate. If you have any questions, or if you need to substantiate information you hear from another source, please reach out to myself, or speak to a member of your senior management team.

Sincerely,

Jacques Perron

President & CEO, Thompson Creek Metals Company Inc.
