ITEM 8.01 OTHER EVENTS

On August 10, 2016, CyrusOne Inc. (CyrusOne) issued a press release announcing that it has priced a public offering of 6,800,000 shares of its common stock, of which 3,400,000 shares were offered directly by CyrusOne, and 3,400,000 shares were offered, at the request of CyrusOne, by the Forward Purchaser (as defined below) or its affiliate in connection with the forward sale agreement described below, at a price to the public of \$50.50 per share. The underwriters have been granted an option to purchase up to 1,020,000 additional shares of common stock from the Forward Purchaser or its affiliate.

In connection with the offering of CyrusOne's common stock, CyrusOne entered into a forward sale agreement with Goldman, Sachs & Co. (who is referred to in such capacity as the Forward Purchaser), with respect to 3,400,000 shares of its common stock covered by the offering. The Forward Purchaser or its affiliate is expected to borrow from third parties and sell to the public through the underwriters 3,400,000 shares of CyrusOne's common stock. In addition, if the underwriters' option to purchase additional shares is exercised, such additional shares of common stock are expected to be sold by the Forward Purchaser or its affiliate to the underwriters, in which case CyrusOne will enter into one or more additional forward sale agreements with the Forward Purchaser in respect of the number of additional shares of common stock that are subject to the option being exercised.

Pursuant to the terms of the forward sale agreements, and subject to CyrusOne's right to elect cash or net share settlement under the forward sale agreements, CyrusOne intends to issue and sell, upon physical settlement of such forward sale agreements, 3,400,000 shares of its common stock to the Forward Purchaser (or 4,420,000 shares, if the underwriters' option to purchase additional shares is exercised in full) in exchange for cash proceeds per share equal to the applicable forward sale price, which will initially be the public offering price, less underwriting discounts and commissions, and will be subject to certain adjustments as provided in the applicable forward sale agreement. CyrusOne expects to physically settle the forward sale agreement (and additional forward sale agreements, if any) in full, which settlement or settlements will occur by August 1, 2017.

CyrusOne will receive proceeds from the sale of shares of its common stock offered by it in the offering, but will not initially receive any proceeds from the sale of shares of its common stock offered by the Forward Purchaser or its affiliate to the underwriters, except in certain circumstances described in the prospectus supplement relating to the offering. CyrusOne intends to contribute, directly and indirectly, the net proceeds from the offering to its operating partnership, CyrusOne LP (the Operating Partnership), in exchange for an equivalent number of newly issued common units of limited partnership interests in the Operating Partnership.

The Operating Partnership is expected to use such proceeds to fund growth capital expenditures related to recently signed leases, to repay borrowings under its senior unsecured revolving credit facility, and for general corporate purposes, which may include funding future acquisitions, investments or capital expenditures.

A copy of the press release is furnished herewith as Exhibit 99.1.
