Pursuant to the Merger Agreement, and subject to the satisfaction or waiver of the conditions specified therein, (a) Merger Sub A shall be merged with and into Idera (the Idera Merger), with Idera surviving as a wholly owned subsidiary of Holdco, and (b) Merger Sub B shall be merged with and into BioCryst (the BioCryst Merger), and, together with the Idera Merger, the Mergers), with BioCryst surviving as a wholly owned subsidiary of Holdco. Holdco will be renamed prior to the closing of the Mergers.

The board of directors of each of BioCryst and Idera has unanimously approved the Merger Agreement and the transactions contemplated thereby.

Merger Consideration

At the effective time of the Mergers (the Effective Time), (i) each share of common stock, par value \$0.01 per share, of BioCryst (BioCryst Common Stock) issued and outstanding immediately prior to the Effective Time (other than the shares that are owned by BioCryst, Idera, Holdco, Merger Sub A or Merger Sub B or any wholly owned subsidiary of BioCryst, Idera, Holdco, Merger Sub A or Merger Sub B) will be converted into the right to receive 0.50 (the BioCryst Exchange Ratio) of a newly issued share of common stock (the Holdco Common Stock), par value \$0.01 per share, of Holdco (the BioCryst Merger Consideration). No fractional shares of Holdco Common Stock will be issued in the Mergers, and BioCryst stockholders will receive cash in lieu of fractional shares as part of the BioCryst Merger Consideration, as specified in the Merger Agreement.

At the Effective Time, (i) each share of common stock, par value \$0.001 per share, of Idera (Idera Common Stock) issued and outstanding immediately prior to the Effective Time (other than the shares that are owned by BioCryst, Idera, Holdco, Merger Sub A or Merger Sub B or any wholly owned subsidiary of BioCryst, Idera, Holdco, Merger Sub A or Merger Sub B) will be converted into the right to receive 0.20 (the Idera Exchange Ratio) of a newly issued share of Holdco Common Stock (the Idera Common Stock Merger Consideration) and (ii) each share of preferred stock, par value \$0.01 per share, of Idera (Idera Preferred Stock) issued and outstanding immediately prior to the Effective Time (other than the shares that are owned by BioCryst, Idera, Holdco, Merger Sub A or Merger Sub B or any wholly owned subsidiary of BioCryst, Idera, Holdco, Merger Sub A or Merger Sub B) will be converted into the right to receive an amount of Holdco Common Stock based on their liquidation preference (together with the Idera Common Stock Merger Consideration, the Idera Merger Consideration). No fractional shares of Holdco Common Stock will be issued in the Mergers, and Idera stockholders

will receive cash in lieu of fractional shares as part of the Idera Merger Consideration, as specified in the Merger Agreement.

Following the Effective Time, BioCryst common stockholders will own approximately 51.6% of the shares of Holdco Common Stock on a fully diluted basis, and Idera common stockholders will own 48.4%.

Also at the Effective Time, outstanding options to purchase shares of BioCryst Common Stock (the BioCryst Options) will accelerate and vest in full and be assumed by Holdco and converted into stock options to purchase shares of Holdco Common Stock (each, a Holdco Option) with the same terms and conditions (other than vesting) as applied to the BioCryst Options immediately prior to the Effective Time; however, each such Holdco Option will cover a number of shares of Holdco Common Stock equal to the product of the number of shares of BioCryst Common Stock subject to the BioCryst Option and the BioCryst Exchange Ratio and will have an exercise price per share equal to the amount obtained by dividing the per share exercise price of the BioCryst Option by the BioCryst Exchange Ratio. All BioCryst restricted stock units covering BioCryst Common Stock (BioCryst RSUs) will accelerate and vest in full and be converted into restricted stock units covering Holdco Common Stock (Holdco RSUs) with the same terms and conditions (other than vesting) as applied to the BioCryst RSUs immediately prior to the Effective Time; however, the Holdco RSUs will cover a number of shares of Holdco Common Stock equal to the product of the number of shares of BioCryst Common Stock subject to the BioCryst RSU and the BioCryst Exchange Ratio.

Also at the Effective Time, outstanding options to purchase shares of Idera Common Stock (the Idera Options) and outstanding warrants and pre-funded warrants to purchase shares of Idera Common Stock (Idera Warrants) will be assumed by Holdco and, if the Idera Options are held by individuals who are not a party to certain severance and change of control agreements, such options shall accelerate and vest in full. Each Idera Option will be converted into a Holdco Option with the same terms and conditions (other than, in the case described above, vesting) as applied to the option immediately prior to the Effective Time; however, the Holdco Option will cover a number of shares of Holdco Common Stock equal to the product of the number of shares of Idera Common Stock subject to the Idera Option and the Idera Exchange Ratio and will have an exercise price per share equal to the amount obtained by dividing the per share exercise price of the Idera Option by the Idera Exchange Ratio. All Idera Warrants will be converted into a warrant to acquire Holdco Common Stock (Holdco Warrant) with the same terms and conditions as applied to the warrant immediately prior to the Effective Time; however, the Holdco Warrant will cover a number of shares of Holdco Common Stock equal to the product of the number of shares of Idera Common Stock subject to the Idera Warrant and the Idera Exchange Ratio and will have an exercise price per share equal to the amount obtained by dividing the per share exercise price of the Idera Option by the Idera Exchange Ratio.

Under the terms of the Merger Agreement, as of the Effective Time, the corporate headquarters of Holdco and its subsidiaries will be located in Exton, Pennsylvania and the primary research and development facility for Holdco and its subsidiaries will be located in Birmingham, Alabama.

Conditions to the Mergers

The consummation of the Mergers is subject to customary closing conditions, including (i) the adoption of the Merger Agreement by the affirmative vote of the holders of a majority of all outstanding shares of BioCryst Common Stock entitled to vote thereon, (ii) the adoption of the Merger Agreement by the affirmative vote of the holders of a majority of all outstanding shares of Idera capital stock entitled to vote thereon, (iii) the absence of any adverse law or order promulgated, entered, enforced, enacted or issued by any governmental entity that prohibits, restrains or makes illegal the consummation of the Mergers, (iv) the shares of Holdco Common Stock to be issued in the Mergers being approved for listing on the NASDAQ Global Select Market, (v) the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976 and other material government approvals, if required, (vi) the U.S. Securities and Exchange Commission (the SEC) having declared effective the Form S-4 Registration Statement of Holdco which will contain the joint proxy statement/prospectus of the parties in connection with the Mergers, (vii) subject to certain materiality exceptions, the accuracy of certain representations and warranties of each of BioCryst and Idera contained in the Merger Agreement and the compliance by each party with the covenants contained in the Merger Agreement, (viii) the receipt of certain opinions from legal counsel regarding the intended tax treatment of the Mergers and (ix) the absence of a material adverse effect with respect to each of BioCryst and Idera. The parties expect the Mergers to be completed in the second quarter of 2018.

Certain Other Terms of the Merger Agreement

The Merger Agreement includes certain representations, warranties and covenants, including, among other things, covenants by BioCryst and Idera to conduct their businesses in the ordinary course during the period between the execution of the Merger Agreement and consummation of the Mergers, to refrain from taking certain actions specified in the Merger Agreement and to use reasonable best efforts to cause the conditions of the Mergers to be satisfied.

Neither BioCryst nor Idera is permitted to solicit, initiate or knowingly encourage or induce, or take any other action designed to facilitate, any competing transaction proposals from third parties or to engage in discussions or negotiations with third parties regarding any competing transaction proposals, subject to certain exceptions. Each party's board of directors may change its recommendation to its stockholders in response to a superior proposal or an intervening event

if the board of directors determines in good faith that the failure to take such action would constitute a breach of the directors' fiduciary duties under applicable law.

The Merger Agreement provides for certain termination rights for both BioCryst and Idera. Upon termination of the Merger Agreement under certain specified circumstances, Idera or BioCryst may be required to pay the other party a termination fee of \$25,000,000.00. In addition, if the Merger Agreement is terminated by BioCryst or Idera as a result of the other party's failure to obtain stockholder approval, or is terminated by BioCryst or Idera due to the other party's breach of its representations and covenants and such breach would result in the closing conditions not being satisfied, then the non-terminating party may be required to pay a fixed expense reimbursement amount of \$6,000,000.00.

The foregoing summary does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

The Merger Agreement has been attached as an exhibit to this report to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about BioCryst or Idera or to modify or supplement any factual disclosures about BioCryst or Idera in its public reports filed with the SEC. The Merger Agreement includes representations, warranties and covenants of BioCryst and Idera made solely for the purposes of the Merger Agreement and which may be subject to important qualifications and limitations agreed to by BioCryst and Idera in connection with the negotiated terms of the Merger Agreement. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may be subject to certain disclosures between the parties and a contractual standard of materiality different from those generally applicable to BioCryst's or Idera's SEC filings. In addition, the representations and warranties were made for purposes of allocating risk among the parties to the Merger Agreement and should not be relied upon as establishing factual matters.

Voting Agreement

Simultaneously with the execution of the Merger Agreement, BioCryst entered into a Voting and Support Agreement (the Voting and Support Agreement) with 667, L.P. (667), Baker Brothers Life Sciences, L.P. (BBLS) and 14159, L.P., each of which is an affiliate of Baker Bros. Advisors, LP (Baker Brothers), and Idera entered into a voting and support agreement with affiliates of Baker Brothers.

Baker Brothers is the beneficial owner of approximately 14% of the currently outstanding BioCryst Common Stock and approximately 9% of the currently outstanding Idera Common Stock. Pursuant to the Voting and Support Agreement, Baker Brothers has agreed, among other things, to vote its shares in favor of the adoption of the Merger Agreement at the meeting of BioCryst stockholders convened to approve the transaction.

The foregoing summary does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Voting and Support Agreement, which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Also in connection with the transactions contemplated by the Merger Agreement, BioCryst, 667 and BBLs executed an amendment (the Registration Rights Agreement Amendment) to that certain Registration Rights Agreement (the Registration Rights Agreement), dated as of March 15, 2017, by and among BioCryst, 667 and BBLs. The Registration Rights Agreement Amendment provides for the continuation of the registration rights provided pursuant to the Registration Rights Agreement in the event of a recapitalization, merger, consolidation, reorganization or other similar transaction (which will include the BioCryst Merger).

The foregoing summary does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Registration Rights Agreement Amendment, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year

On January 21, 2018, the BioCryst Board determined that it was in the best interests of BioCryst and its stockholders to amend the Amended and Restated By-Laws of BioCryst (the Bylaws) and by resolution authorized, approved and adopted an amendment to the Bylaws (the Bylaws Amendment). The Bylaws Amendment became effective immediately upon its adoption. The Bylaws Amendment designates the Court of Chancery of the State of Delaware as the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the BioCryst, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer, stockholder, employee or agent of BioCryst to the BioCryst or its stockholders, (iii) any action asserting a claim against BioCryst or any director, officer, stockholder, employee or agent of BioCryst arising out of or relating to any provision of the General Corporation Law of Delaware or BioCryst's Certificate of Incorporation or the By-Laws, or (iv) any action asserting a claim against BioCryst or any director, officer, stockholder, employee or agent of BioCryst governed by the internal affairs doctrine of the State of Delaware. The Bylaws Amendment further provides that, in the event that the Court of Chancery of the State of Delaware lacks subject matter jurisdiction over any such action or proceeding, the sole and exclusive forum for such action or proceeding shall be another state or federal court located within the State of Delaware, in each such case, unless the Court of Chancery (or such other state or federal court located within the State of Delaware, as applicable) has dismissed a prior action by the same plaintiff asserting the same claims because such court lacked personal jurisdiction over an indispensable party named as a defendant therein.

The foregoing description of the Bylaws Amendment does not purport to be a complete description and is qualified in its entirety by reference to the full text of the Bylaws Amendment, which is attached hereto as Exhibit 3.1 and is incorporated herein by reference.
