Nokia Board of Directors resolved to convene the Annual General Meeting 2018, dividend of EUR 0.19 per share proposed for 2017

Espoo, Finland - Nokia announced today that its Board of Directors (the Board) has resolved to convene the Annual General Meeting on May 30, 2018. The notice of the Annual General Meeting and the complete proposals by the Board and its committees to the Annual General Meeting are scheduled to be available on Nokia's website on or about March 28, 2018.

The Board and its committees will submit the following proposals to the Annual General Meeting:

- Proposal to pay a dividend of EUR 0.19 per share for 2017;
- Proposals on the Board composition;
- Proposals on the Board remuneration;
- Proposal to authorize the Board to repurchase the company's shares;
- Proposal to authorize the Board to issue shares; and
- Proposals on the re-election of the auditor and the auditor's remuneration.

Proposal on the payment of dividend

As announced earlier, the Board proposes to the Annual General Meeting that a dividend of EUR 0.19 per share be paid for the financial year 2017. The ex-dividend date would be on May 31,

2018. The dividend record date would be on June 1, 2018 and the dividend is expected be paid on or about June 13, 2018. The actual dividend pay date outside Finland will be determined by the practices of the intermediary banks transferring the dividend payments.

Proposal on the Board composition

Jean C. Monty has informed that he will no longer be available to serve on the Nokia Board of Directors after the Annual General Meeting. The Board's Corporate Governance and Nomination Committee proposes to the Annual General Meeting that the number of Board members be ten (10) and that the following current Board members be re-elected as members of the Nokia Board of Directors for a term ending at the close of the Annual General Meeting 2019: Bruce Brown, Jeanette Horan, Louis R. Hughes, Edward Kozel, Elizabeth Nelson, Olivier Piou, Risto Siilasmaa, Carla Smits-Nusteling and Kari Stadigh.

In addition, the Committee proposes that Sari Baldauf, who is a non-executive director, be elected as a member of the Board of Directors for the same term.

Additional information on the Board candidates will be available in the Committee proposal which will be published simultaneously with the notice to the Annual General Meeting.

The Corporate Governance and Nomination Committee will further propose at the assembly meeting of the new Board taking place after the Annual General Meeting on May 30, 2018 that Risto Siilasmaa be elected as the Chair of the Board and Olivier Piou as the Vice Chair of the Board, subject to their election to the Board of Directors.

Proposal on the Board remuneration, Board plans to establish a Technology Committee following the Annual General Meeting

With regard to the Board remuneration, the Corporate Governance and Nomination Committee proposes that the annual fee payable to the Board members elected at the same meeting for a term ending at the Annual General Meeting in 2019 remains on the following levels: EUR 440 000 for the Chair of the Board, EUR 185 000 for the Vice Chair of the Board and EUR 160 000 for each Board member, EUR 30 000 each for the Chair of the Audit Committee and the Chair of the Personnel Committee as an additional annual fee and EUR 15 000 for each member of the Audit Committee as an additional annual fee.

In addition, the Board has informed the Corporate Governance and Nomination Committee that it is planning to establish a Technology Committee following the Annual General Meeting. Accordingly, the Corporate Governance and Nomination Committee proposes to the Annual General Meeting that EUR 20 000 is payable to the Chair of the Technology Committee as an additional annual fee subject to the Board establishing the Committee. The fee is payable from the establishment of the Committee until the close of the Annual General Meeting in 2019.

The Committee also proposes that a meeting fee for Board and Committee meetings be paid to all the other Board members, except the Chair of the Board, based on travel required between the Board member's home location and the location of a meeting. The meeting fee would be paid for a maximum of seven meetings per term and remain on the following levels: EUR 5 000 per meeting requiring intercontinental travel and EUR 2 000 per meeting requiring continental travel. Furthermore, the Committee also proposes that members of the Board of Directors shall be compensated for travel and accommodation expenses as well as other costs directly related to Board and Committee work.

Further, the Committee proposes that in line with Nokia's Corporate Governance Guidelines approximately 40 per cent of the annual fee be paid in Nokia shares either purchased from the

market or alternatively by using treasury shares held by the company. The directors shall retain until the end of their directorship such number of shares that corresponds to the number of shares they have received as Board remuneration during their first three years of service in the Board (the net amount received after deducting those shares needed to offset any costs relating to the acquisition of the shares, including taxes). The proposed meeting fee, travel and accommodation expenses as well as other costs directly related to Board and Committee work would be paid in cash.

Proposal to authorize the Board to repurchase company s shares

The Board proposes that the Annual General Meeting authorize the Board to resolve to repurchase a maximum of 550 million Nokia shares by using funds in the unrestricted equity. The proposed amount represents less than 10 per cent of the total number of Nokia shares. The shares may be repurchased in order to optimize the capital structure of the Company and are expected to be cancelled. In addition, shares may be repurchased in order to meet obligations arising from debt financial instruments that are exchangeable into equity instruments, to settle equity-based incentive plans for employees of Nokia or of its associated companies, or to be transferred for other purposes such as financing or carrying out acquisitions. The shares may be repurchased either through a tender offer made to all the shareholders on equal terms or in another proportion than that of the shares held by current shareholders (directed repurchase).

The authorization would be effective until November 30, 2019 and terminate the authorization granted by the Annual General Meeting on May 23, 2017.

Proposal to authorize the Board to issue shares

The Board also proposes that the Annual General Meeting authorize the Board to resolve to issue a maximum of 550 million shares through issuance of shares or special rights entitling to shares in one or more issues. The proposed amount represents less than 10 per cent of the total number of Nokia shares. The Board proposes that it may issue either new shares or treasury shares held by the company. In addition, the Board proposes the authorization to be used to develop the company's capital structure, diversify the shareholder base, finance or carry out acquisitions or other arrangements, to settle the company's equity-based incentive plans or for other purposes resolved by the Board. The proposed authorization includes the right for the Board to resolve on all the terms and conditions of the issuance of shares and special rights entitling to shares, including issuance in deviation from shareholders' pre-emptive rights.

The authorization would be effective until November 30, 2019 and terminate the authorization granted by the Annual General Meeting on May 23, 2017. The proposed authorization would not terminate the authorization granted to the Board by the Extraordinary General Meeting on December 2, 2015.

Proposals on re-election of the auditor and the auditor's remuneration

The Board's Audit Committee proposes to the Annual General Meeting that PricewaterhouseCoopers Oy be re-elected as the company's auditor, and that the auditor be reimbursed based on the invoice and in compliance with the purchase policy approved by the Audit Committee.
