**Regulation FD Disclosure.**

On November 19, 2018, Star Merger Sub, Inc., a Delaware corporation ( Merger Sub ), provided prospective investors with certain information in connection with proposed financing activities relating to the previously announced acquisition of The Dun & Bradstreet Corporation, a Delaware corporation (the Company ), by affiliates of CC Capital, Bilcar, LLC, Cannae Holdings and funds affiliated with Thomas H. Lee Partners, L.P. and certain other co-investors, pursuant to the Agreement and Plan of Merger, dated as of August 8, 2018 (the Merger Agreement ), by and among the Company, Star Parent, L.P., a Delaware limited partnership and Merger Sub (the Merger ), an excerpt of which is included as Exhibit 99.1 to this report and incorporated by reference in this Item 7.01. The information furnished in Exhibit 99.1 is presented in a format prepared by Merger Sub and includes anticipated cost savings information in connection with the Merger that was not prepared by and cannot be verified by the Company. This potential result would not be realized in the event the Merger is not consummated. In addition, this estimate is subject to a number of risks and inherent uncertainties that could cause actual results to differ materially from this estimate. This information is being furnished on this Current Report on Form 8-K solely because such information was incorporated into the materials made available by Merger Sub to prospective investors.

The information furnished pursuant to this Item 7.01 (including the related exhibit hereto) shall not be considered filed under the Securities Exchange Act of 1934, as amended (the Exchange Act ), nor shall it be incorporated by reference into any of the registrant's filings under the Securities Act of 1933, as amended (the Securities Act ), or under the Exchange Act, unless the registrant expressly states in such filing that such information is to be considered filed or incorporated by reference therein.

**Forward-Looking Statements:**

The excerpts attached to this Current Report on Form 8-K includes forward-looking statements within the meaning of Section 27A of the Securities Act, and Section 21E of the Exchange Act. These forward-looking statements are often identified by words such as anticipate, approximate, believe, commit, continue, could, estimate, expect, future, goal, guidance, hope, intend, may, outlook, should, would, will, and other similar words or expressions.

Such forward-looking statements are inherently uncertain, and stockholders and other potential investors must recognize that actual results may differ materially from the Company's expectations as a result of a variety of factors. Such forward-looking statements include known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance, or plans to differ materially from any future results, performance or plans expressed or implied by such forward-looking statements. Risks and uncertainties related to the proposed transaction include, but are not limited to, the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement; the failure of the parties to satisfy conditions to completion of the proposed transaction, including the failure of the parties to obtain required regulatory approvals; the risk that regulatory or other approvals are delayed or are subject to terms and conditions that are not anticipated; reliance on third parties to support critical components of the Company's business model; the Company's ability to protect its information technology infrastructure against cyber attack and unauthorized access; risks associated with potential violations of the Foreign Corrupt Practices Act and similar laws; customer demand for the Company's products; risks associated with recent changes in the Company's executive management team and Board of Directors; the integrity and security of the Company's global databases and data centers; the Company's ability to maintain the integrity of its brand and reputation; future laws or regulations with respect to the collection, compilation, storage, use, cross-border transfer, publication and/or sale of information and adverse publicity or litigation concerning the commercial use of such information; the effects of foreign and evolving economies, exchange rate fluctuations, legislative or regulatory requirements and the implementation or modification of fees or taxes to collect, compile, store, use, transfer cross-border, publish and/or sell data; the impact of the announcement of, or failure to complete, the proposed transaction on our relationships with employees, customers, suppliers, vendors and other business partners; and potential or actual litigation. In addition, these statements involve risks, uncertainties, and other factors detailed from time to time in the Company's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed or furnished with the Securities and Exchange Commission.

Many of these factors are beyond the Company's control. The Company cautions investors that any forward-looking statements made by the Company are not guarantees of future performance.
