PROXY STATEMENT FOR 2003 ANNUAL MEETING OF STOCKHOLDERS

Edgar Filing: LANTRONIX INC - Form DEFR14A

The enclosed Proxy is solicited on behalf of Lantronix, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on Thursday, November 20, 2003, at 9:00 a.m., local time, and at any adjournment(s) thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting of Stockholders. The Annual Meeting will be held at the corporate office of Lantronix, Inc. at 15353 Barranca Parkway, Irvine, CA 92618.

These proxy solicitation materials, which include the Proxy Statement, Proxy, and Form 10-K, were first mailed on or about October 9, 2003, to all stockholders entitled to vote at the Annual Meeting.

INFORMATION CONCERNING SOLICITATION AND VOTING

RECORD DATE

Stockholders of record at the close of business on September 29, 2003 (the "Record Date") are entitled to notice of the Annual Meeting and to vote at the Annual Meeting. Presence in person or by Proxy of a majority of the shares of common stock outstanding on the Record Date is required for a quorum. As of the close of business on the Record Date, 57,657,328 Shares of Common Stock, par value of \$0.0001 per share, were issued and outstanding and were the only class of voting securities outstanding.

REVOCABILITY OF PROXIES

Properly executed and unrevoked proxies received by the Company will be voted at the Annual Meeting in accordance with the instructions thereon. Where no instructions are specified, the proxies will be voted in favor of all proposals set forth in the Notice of Meeting. Any person giving a proxy in response to this solicitation has the power to revoke it at any time before it is voted. Proxies may be revoked by any of the following actions:

- filing a written notice of revocation with our Secretary at our principal executive office (15353 Barranca Parkway, Irvine, California 92618);
- filing with our Secretary at our principal executive office (15353 Barranca Parkway, Irvine, California 92618) a properly executed proxy showing a later date; or
- attending the meeting and voting in person by ballot.

OUR VOTING RECOMMENDATIONS

The Board of Directors recommends that you vote:

- "FOR" the Nominee to serve as a director until the 2006 Annual Meeting of Stockholders; and
- "FOR" the ratification of the appointment of Ernst & Young LLP as independent auditors of the Company for the year ending June 30, 2004.

1

VOTING AND SOLICITATION

Each share of Common Stock outstanding on the Record Date of September 29, 2003, will be entitled to one vote on all matters presented at the Annual

Edgar Filing: LANTRONIX INC - Form DEFR14A

Meeting. Stockholders do not have the right to cumulate their votes in the election of directors. Shares of Common Stock represented by properly dated, executed, and returned Proxies will, unless such Proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. In the absence of specific instructions to the contrary, properly executed proxies will be voted: (i) FOR the election of each of the Company's nominee(s) for director; and (ii) FOR the ratification of the appointment of Ernst & Young LLP as independent auditors of the Company for the year ending June 30, 2004. No business other than that set forth in the accompanying Notice of Annual Meeting of Stockholders is expected to come before the Annual Meeting. Should any other matter requiring a vote of stockholders properly arise, the persons named in the enclosed form of proxy will vote such proxy in accordance with the recommendation of the Board of Directors.

We will pay the costs of soliciting Proxies from stockholders, including the preparation, assembly, printing and mailing of proxy solicitation materials. We will provide copies of solicitation materials to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward these materials to the beneficial owners of Common Stock. We may reimburse brokerage firms and other such persons representing beneficial owners of Common Stock for their expenses in forwarding solicitation materials to such beneficial owners. Proxies may be solicited by certain of the directors, officers and employees of the Company, without additional compensation, personally or by telephone, telegram, letter or facsimile.

HOUSEHOLDING

In an effort to reduce printing costs and postage fees, we adopted the practice approved by the Securities and Exchange Commission called "householding." Under this practice, shareholders who have the same address and last name and do not participate in electronic delivery of proxy materials receive only one copy of our proxy materials unless they notify us they wish to receive individual copies. Shareholders who participate in householding will continue to receive separate Proxy Cards. If you share an address with another shareholder and received only one set of proxy materials and would like to request a separate copy of these materials, please send your request to the attention of the Secretary, Lantronix, Inc., 15353 Barranca Parkway, Irvine, California 92618. You may contact us if you received multiple copies of the proxy materials and would prefer to receive a single copy in the future.

QUORUM; ABSTENTIONS; BROKER NON-VOTES

The required quorum for the transaction of business at the Annual Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR" or "AGAINST" a matter are treated as being present at the meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Annual Meeting (the "Votes Cast") with respect to such matter.

Although there is no definitive statutory or case law authority in Delaware as to the proper treatment of abstentions, the Company believes abstentions should be counted for purposes of determining both (i) the presence of a quorum for the transaction of business and (ii) the total number of Votes Cast with respect to a proposal (other than the election of directors). In the absence of controlling precedent to the contrary, the Company treats abstentions in this manner. Accordingly, abstentions will have the same effect as a vote against the proposal.

We will count broker non-votes in determining the presence of a quorum, but will not count broker non-votes to determine the number of Votes Cast with respect to a particular proposal on which a broker has expressly not voted.

Edgar Filing: LANTRONIX INC - Form DEFR14A

Accordingly, broker non-votes will not affect the outcome of the voting on a proposal.

DEADLINE FOR RECEIPT OF STOCKHOLDER PROPOSALS

Stockholders may submit proposals that they believe should be voted upon at the Annual Meeting or nominate persons for election to our Board of Directors. The Corporate Governance and Nominating Committee shall consider all nominations submitted. Stockholders should submit nominations as set forth in this Proxy

2

Statement. Pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended ("Rule 14a-8"), some stockholder proposals may be eligible for inclusion in our 2004 Proxy Statement. Any such stockholder proposals must be submitted in writing to the attention of the Secretary, Lantronix, Inc., 15353 Barranca Parkway, Irvine, California 92618, no later than June 11, 2004 or the date which is 120 calendar days prior to the anniversary of the mailing date of this Proxy Statement. Stockholders interested in submitting such a proposal are advised to contact knowledgeable legal counsel with regard to the detailed requirements of applicable securities laws. The submission of a stockholder proposal does not guarantee that it will be included in our 2004 Proxy Statement.

Alternatively, under our Bylaws, a proposal or a nomination that the stockholder does not seek to include in our 2004 Proxy Statement pursuant to Rule 14a-8 may be submitted in writing to the Secretary, Lantronix, Inc., 15353 Barranca Parkway, Irvine, California 92618, for the 2004 Annual Meeting of Stockholders. Such proposal or nomination must be delivered to or mailed and received at the principal executive offices of the Company not less than 60 days nor more than 120 days prior to the date of the 2004 Annual Meeting. Note, however, that in the event we provide less than 70 days notice or prior public disclosure to stockholders of the date of the 2004 Annual Meeting, any stockholder proposal or nomination not submitted pursuant to Rule 14a-8 must be submitted to us not later than the close of business on the tenth day following the day on which notice of the date of the 2004 Annual Meeting was mailed or public disclosure was made. For example, if we provide notice of our 2004 Annual Meeting on September 9, 2004, for a 2004 Annual Meeting on November 10, 2004, any such proposal or nomination will be considered untimely if submitted to us after September 19, 2004. For purposes of the above, "public disclosure" means disclosure in a press release reported by the Dow Jones News Service, Associated Press or a comparable national news service, or in a document publicly filed by us with the Securities and Exchange Commission (the "SEC"). As described in our Bylaws, the stockholder submission must include certain specified information concerning the proposal or nominee, as the case may be, and information as to the stockholder's ownership of our common stock. If a stockholder gives notice of such proposal after the deadline computed in accordance with our Bylaws (the "Bylaw Deadline"), the stockholder would not be permitted to present the proposal to the stockholders for a vote at the 2004 Annual Meeting.

The rules of the SEC also establish a different deadline for submission of stockholder proposals that are not intended to be included in our Proxy Statement with respect to discretionary voting (the "Discretionary Vote Deadline"). The Discretionary Vote Deadline for the 2004 Annual Meeting is August 24, 2004, or the date which is 45 calendar days prior to the anniversary of the mailing date of this Proxy Statement. If a stockholder gives notice of such a proposal after the Discretionary Vote Deadline, our Proxy holders will be allowed to use their discretionary voting authority to vote against the stockholder proposal when and if the proposal is raised at the Annual Meeting. Because the Bylaw Deadline is not capable of being determined until we publicly

Edgar Filing: LANTRONIX INC - Form DEFR14A

announce the date for our 2004 Annual Meeting, it is possible that the Bylaw Deadline may occur after the Discretionary Vote Deadline. In such a case, a proposal received after the Discretionary Vote Deadline but before the Bylaw Deadline would be eligible to be presented at the 2004 Annual Meeting and we believe that our Proxy holders at such meeting would be allowed to use the discretionary authority granted by the Proxy to vote against the proposal at such meeting without including any disclosure of the proposal in the Proxy Statement relating to such meeting.

We have not been notified by any stockholder of his, her or its intent to present a stockholder proposal from the floor at the 2003 Annual Meeting. The enclosed Proxy grants the Proxy holders discretionary authority to vote on any matter properly brought before the 2003 Annual Meeting, including any stockholder proposals received between the date of this Proxy Statement and the Bylaw Deadline for the 2003 Annual Meeting, which is ten calendar days after the date this Proxy Statement is mailed.

CERTAIN FINANCIAL INFORMATION AND CERTIFICATIONS

Please take note that the Company's financial statements and related information as well as the required certifications as promulgated by the newly enacted Sarbanes-Oxley Act are as set forth in its Annual Report on Form 10-K filed with the Securities and Exchange Commission on September 29, 2003, and are incorporated herein by this reference. A copy of the Annual Report on Form 10-K is enclosed with this Proxy Statement.

PROPOSAL ONE

ELECTION OF DIRECTORS

NOMINEE

Our Board of Directors is currently composed of four (4) members. Our Certificate of Incorporation and Bylaws provide that the Board of Directors shall be divided into three classes, with each class serving staggered three-year terms. The first class consists of two directors, the second class consists of one director and the third class consists of one director. Directors Howard T. Slayen and H.K. Desai are the Class I directors whose terms expire at the 2004 Annual Meeting of Stockholders. Director Thomas W. Burton is the Class II director whose term expires at the 2005 Annual Meeting of Stockholders. Director Kathryn Braun Lewis is the Class III director whose term expires at the 2003 Annual Meeting and thus is nominated for reelection (the "Nominee"). All of the directors, including the Class III Nominee, are incumbent directors. There are no family relationships among any directors or executive officers, including the Nominee.

A director elected to fill a vacancy (including a vacancy created by an increase in the size of the Board of Directors) will serve for the remainder of the term of the class of directors in which the vacancy occurred and until his or her successor is elected and qualified. If elected at the Annual Meeting, the Class II Nominee would serve until the 2005 annual meeting and until his successor is elected and has qualified, or until his earlier death, resignation or removal.

Unless otherwise instructed, the holders of Proxies solicited by this Proxy Statement will vote the Proxies received by them for the Class III Nominee. Directors are elected by a plurality (excess of votes cast over opposing nominees) of the votes present in person or represented by proxy and entitled to

Edgar Filing: LANTRONIX INC - Form DEFR14A

vote at the meeting. Shares represented by signed proxies will be voted, if authority to do so is not withheld, for the election of the nominee named below. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the Proxy holders will vote for a nominee designated by the present Board of Directors to fill the vacancy. We are not aware of any reason that the Nominee will be unable or will decline to serve as a director. The Board of Directors recommends a vote "FOR" the election of the Nominee.

The names of the members of our Board of Directors, including the Class III Nominee, their ages as of September 29, 2003, and certain information about them, are set forth below.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

Even if the selection is ratified, the Board of Directors and the Audit

Edgar Filing: LANTRONIX INC - Form DEFR14A

Committee, in their discretion, may change the appointment at any time if it is determined that such a change would be in the best interests of Lantronix and its stockholders.

The following table provides information concerning option exercises during fiscal 2003 and the exercisable and unexercisable options held as of June 30, 2003, by the executive officers and highly compensated employees listed in the Summary Compensation Table:

(1) This number is calculated by using the fair market value on the date of exercise on February 5, 2003 (\$0.83) and subtracting the exercise price (\$0.50).

(2) This number is calculated by subtracting the option price from the closing price of common stock as reported by the Nasdaq Stock Market on June 30, 2003 (\$0.74) to get the "average value per option," and multiplying the average value per option by the number of exercisable and unexercisable options. The amounts in this column may not represent amounts actually realized by the executive officers listed in the Summary Compensation Table.

OPTION REPRICING

In January 2003, we completed a stock option exchange program in which we offered domestic employees the opportunity to exchange outstanding options with exercise prices greater than \$3.01 for new stock options at a ratio of 0.75 for each shares underlying the option exchanged. The new grant bears an exercise price equal to the fair market value of our common stock at the end of the offer period. Executive officers, directors, and consultants were not eligible to

participate in this program. We implemented the stock option exchange program because the options eligible to be exchanged had exercise prices significantly higher than the market price of our common stock, and we believed that those options were unlikely to be exercised in the near future and were not providing proper incentives to our employees. The replacement stock options vest over two years and six months and expire ten years from the date of grant.

The following table shows certain information concerning the repricing of options received by the executive officers and highly compensated employees listed in the Summary Compensation Table during the last ten years.

(1) The original grant of an option to purchase 150,000 shares of the Company's common stock was tendered and cancelled on January 27, 2003. The new grant of an option to purchase 112,500 shares of the Company's common stock was granted on July 28, 2003.

(2) Options were replaced at a ratio of 1 to 0.75, and thus the number of securities underlying the option the participant received represent 0.75 of that tendered for cancellation.

The note bears an interest rate of 5.19% per annum, compounded annually. Mr. Burton executed the note for a loan from the Company for Mr. Burton to pay income tax liabilities he incurred as a result of various exercises of stock options to purchase our common stock. No impairment has been recorded as it relates to the note receivable from Mr. Burton.

In accordance with the recently-enacted Sarbanes-Oxley Act of 2002, the Company will not enter into any similar future loan transactions with its executive officers or directors.

The Company's executive compensation program is administered by the Compensation Committee of the Board of Directors. The Compensation Committee, which is composed of Non-Employee Directors, is responsible for approving and reporting to the Board on all elements of compensation for the executive officers of the Company. The Compensation Committee has furnished the following report on executive compensation for the fiscal year ended June 30, 2003. The Compensation Committee held five (5) meetings during Fiscal Year 2003.

As part of its duties, the Compensation Committee reviews compensation levels of the executive officers to confirm that compensation is in line with performance and industry practices. The goal of the Committee is to ensure the compensation practices of the Company are sufficient to: (i) enable the Company to attract, retain and motivate the most qualified talent who contribute to the long-term success of the Company; (ii) align compensation with business objectives and performance; and (iii) align incentives for executive officers with the interest of stockholders in maximizing stockholder value. The Company emphasizes performance-based compensation that is competitive with the marketplace, and the importance of clearly communicating performance objectives. The Company intends to annually review its compensation practices by comparing them to surveys of relevant competitors and set objective compensation parameters based on this review. Compensation policies also reflect the competition for executive talent and the unique challenges and opportunities facing the Company in the networking device markets.

The Company's compensation program for all employees includes both cash and equity-based elements. Because it is directly linked to the interest of our stockholders, equity-based compensation is emphasized in the design of the Company's compensation programs. Consistent with competitive practices, the Company utilizes a cash bonus plan based on achievement of financial performance objectives.

CASH COMPENSATION

Salary. The Company sets a base salary range for each executive officer, including the Chief Executive Officer, by reviewing the base salary for comparable positions of a broad peer group, including companies similar in size and business that compete with the Company in the recruitment and retention of senior personnel. Individual salaries for each executive officer are set based on experience, performance and contribution to the Company's results.

Cash Bonuses. Selected employees and executive officers are eligible to participate in the Company's cash bonus plan, with executive employee bonuses determined by the Compensation Committee of the Board of Directors. This plan provides cash awards for meeting certain performance goals, based on a matrix in which 100% , or more, of target may be achieved only if the Company's results meet targets. Individual bonus amounts are determined by company performance and the employee's direct responsibilities and their impact on the Company's results. The corporate financial goals are based on the approved operating plan and any periodic updates thereto.

EQUITY-BASED COMPENSATION

Initial or "new-hire" options are granted to executive officers when they first join the Company. In addition, restricted stock may be sold to certain executive officers when they first join the Company. Thereafter, options may be granted and restricted stock may be sold to each executive officer annually and from time to time based on performance. To enhance retention, options granted and restricted stock sold to executive officers are subject to vesting restrictions that generally lapse over four years. The amount of actual options granted depends on the individual's level of responsibility and a review of stock option grants of positions at a broad peer group.

Edgar Filing: LANTRONIX INC - Form DEFR14A

COMPENSATION OF THE CHIEF EXECUTIVE OFFICER

When setting the Chief Executive Officer's compensation, the Committee does so without such person's attendance. The Chief Executive Officer's compensation is determined based on comparable salaries of chief executive officers in comparable technology companies. The Committee uses other industries for comparable measures, which have some of the same marketing, sales, research and development and operations challenges.

14

In May 2002, the Company hired Marc Nussbaum to serve as the Interim Chief Executive Officer. In February 2003, the Company eliminated the interim capacity and Mr. Nussbaum now serves as the Chief Executive Officer. He has an annual salary of \$290,000 and a monthly automobile allowance of \$750.

POLICY REGARDING DEDUCTIBILITY OF COMPENSATION

We are required to disclose our policy regarding qualifying executive compensation for deductibility under Section 162(m) of the Internal Revenue Code of 1986, as amended, which provides that, for purposes of the regular income tax, the otherwise allowable deduction for compensation paid or accrued with respect to the chief executive officer and the next four most highly compensated executive officers of a publicly-held company is limited to \$1 million per year, unless such compensation is performance-based within the meaning of Section 162(m) and the regulations thereunder.

The Committee intends to continue to utilize performance-based compensation in order to minimize the effect of the limits imposed by Section 162(m) and seeks to assure the maximum tax deductibility of all compensation it authorizes. However, the Committee believes that its primary responsibility is to provide a compensation program that will attract, retain and reward the executive talent necessary to the Company's success. Consequently, the Committee recognizes that the loss of a tax deduction may be necessary in some circumstances.
