### Other Events.

The Quantum Group, Inc. (the Company) announced today that it has completed its registered public offering of 1,200,000 units at \$11.00 per unit. The units will be offered to the public pursuant to the Company's Registration Statement on Form SB-2 (File No. 333-142990), as amended (the Registration Statement), previously filed with the Securities and Exchange Commission (the SEC) and declared effective by the SEC on December 12, 2007. Each investor will receive a unit consisting of three shares of common stock, two non-callable Class A warrants to purchase one share of common stock at an exercise price of \$7.00 and two non-callable Class B warrants to purchase one share of common stock at an exercise price of \$11.00. Concurrently with the effectiveness of the public offering, the units will trade on the American Stock Exchange (AMEX) under the trading symbol QGP.U. Following the unit separation, common stock, Class A warrants and Class B warrants will trade on AMEX under the symbols QGP, QGP.WS.A and QGP.WS.B, respectively.

The Company expects to receive net proceeds of approximately \$11.7 million (or \$13.6 million if the underwriters exercise their over-allotment option in full), which it intends to use for, among other things, repayment of bridge debt and bridge loan, expansion of medical service provider networks, payment of taxes on conversion of accrued executive compensation, and general corporate and working capital purposes. For more detailed description of the use of the offering proceeds refer to the Registration Statement.

Paulson Investment Company, Inc. will serve as the lead underwriter for the offering pursuant to an underwriting agreement between the Company and the underwriters, the form of which was filed as Exhibit 1.1 to Pre-Effective Amendment No. 8 to the Registration Statement filed with the SEC on December 11, 2007. The Company has granted the underwriters a 45-day option to purchase up to an additional 180,000 units from the Company at the public offering price, less the underwriting discount, within 45 days from the date of the final prospectus, to cover over-allotments, if any.

The full text of Company's press release announcing the pricing of the offering is filed as Exhibit 99.1 to this Current Report on Form 8-K, and is incorporated herein by reference.
