Item 1.01 Entry into a Material Definitive Agreement

On June 17, 2005 Semtech Corporation's wholly-owned Swiss subsidiary, Semtech International AG, entered into a definitive agreement to acquire Xemics SA, a privately-held Swiss company, in a cash-for-stock transaction.

The transaction with Xemics shareholders is valued at approximately \$59 million, assuming all variable portions of the purchase price are paid and including payments associated with certain shareholder loans that will be assigned to and assumed by Semtech International. Approximately \$43 million will be payable by Semtech International upon closing of the transaction. An additional \$16 million may be payable if Xemics meets certain performance objectives during an earnout period of approximately one year. The purchase price is subject to a reduction for social security, pension and stamp duty obligations to be paid post-closing that are related to certain employee stock options exercised before closing; this adjustment will not impact the total cash outlay associated with the transaction.

The closing of the transaction, which is expected to occur within ten days, is subject to the termination of certain agreements related to existing Xemics options and other conditions. Approval of Government regulators is not required.

Xemics shareholders have made certain representations, warranties and covenants with respect to the financial condition of Xemics and other matters. A portion of the purchase price will not be immediately disbursed to the selling shareholders but will be held in escrow for fifteen months after the closing to assure some funds are available in the event liability attaches to the shareholders as a result of a breach of the representations and warranties. Six of the selling shareholders will remain liable for five years after the closing as to certain representations related to organization, capital structure, and tax matters. The contract provides for certain conditions and limitations on the selling shareholders' liability.

Semtech has agreed to certain covenants related to support of Xemics' business during the earnout period.

The foregoing description of the terms of the transaction does not purport to be complete and is qualified in its entirety by the Share Purchase and Sales Agreement attached as Exhibit 10.1 and incorporated herein by reference.
