# MIND Will Report Q3 2010 Results on November 9, 2010 \*New Dividend Policy

**Yoqneam, Israel, October 26, 2010** - MIND C.T.I. LTD. (NasdaqGM:MNDO), a leading provider of convergent end-to-end billing and customer care product based solutions for service providers as well as telecom expense management (call accounting) solutions, will release financial results for its third quarter 2010 on Tuesday, November 9, 2010, after market close.

Since July 2003, when the Board of Directors adopted our dividend policy, we have distributed yearly cash dividends seven times and one special dividend as well (a total of \$2.05 per share).

As previously announced in our latest conference call, our Board of Directors reviewed lately the dividend policy. Yesterday it decided to further enforce the expected annual distributions and update the policy slightly.

Under the old policy, we declare, subject to specific board approval and applicable law, a dividend distribution once per year, in the amount of our net income from the previous year. The new policy changes only the amount to be distributed, the new amount being equal to our EBITDA plus financial income (expenses) minus taxes on income.

The Board of Directors also resolved that the Company should seek court approval formally required in order to enable a distribution for the year 2010, in an amount of up to \$6 million. Under Israeli law, a company with insufficient retained earnings is required to obtain approval from the court for such a cash distribution.

Prior to paying any dividend, which is still subject to specific Board approval, the Company will issue a press release announcing the exact dividend amount, record date and distribution date.

"We continue to strongly believe that our dividend policy enhances shareholders value. Our solid cash position (expected to be \$19.6 million as of September 30, 2010) and our long-standing positive operating cash flow enable us to sustain it," stated Monica Iancu, Chairperson and CEO.
