**PROXY STATEMENT  
FOR THE SPECIAL MEETING OF SHAREHOLDERS  
TO BE HELD ON TUESDAY, JUNE 15, 2004**

---

This Proxy Statement is furnished to the shareholders of mPhase Technologies, Inc. (the "Company") in connection with the solicitation of proxies by our Board of Directors to be voted at the Special Meeting of Shareholders and at any adjournment(s) or postponement(s) thereof. The Special Meeting will be held on Tuesday, June 15, 2004 at 10:00 a.m. Eastern time at the Company's principal executive offices located at 587 Connecticut Avenue, Norwalk, Connecticut 06854-1711.

The approximate date on which this Proxy Statement and the accompanying Proxy Card are first being sent or given to shareholders is May 14, 2004.

**Matter to be Considered at the Meeting**

At the Special Meeting, shareholders will be asked to approve an amendment to the Company's Amended Certificate of Incorporation (1) to increase the number of authorized shares of common stock from 150,000,000 shares to 250,000,000 shares and (2) to change the par value of the Company's common stock from no par value to \$.01 par value per share. The purpose of the proposed amendment is to give the Company a sufficient number of shares to enable the Board of Directors, at its discretion and without further shareholder approval, to issue shares in furtherance of the Company's business purposes, as more fully set forth below under "Reasons For and Effects of the Proposal."

**Record Date**

The securities that may be voted at the Special Meeting consist of the Company's common stock, no par value. The Board of Directors has fixed the close of business on April 16, 2004, as the record date for determining the holders of common stock who are entitled to notice of and to vote at the Special Meeting. On the record date, the Company had outstanding 82,910,707 shares of common stock that were eligible to be voted at the Special Meeting. Each holder of record of common stock on the record date is entitled to one vote per share on the proposal presented at the Special Meeting, exercisable in person or by proxy.

**Quorum and Votes Required**

The holders of a majority of the total shares of common stock issued and outstanding at the close of business on the record date, whether present in person or represented by proxy, will constitute a quorum for the transaction of business at the Special Meeting. If there are not sufficient votes in attendance at the meeting in person or by proxy for approval of the matter to be voted upon at the Special Meeting, the Special Meeting may be adjourned to permit further solicitation of proxies. Assuming a quorum is present, the affirmative vote of a majority of the outstanding shares of common stock present in person or represented by proxy and entitled to vote at the Special Meeting, is required for the approval of the proposal to be voted upon at the Special Meeting.

Shares abstaining or withheld from voting, as well as broker "non-votes," are counted as shares represented at the Special Meeting in order to determine a quorum, but will not be counted as votes cast in favor of the proposal. Therefore, abstentions and votes withheld, as well as broker "non-votes," will have the effect of a vote against the proposal. The term broker "non-votes" refers to shares held by brokers and other nominees or fiduciaries that are present at the Special Meeting, but are not voted on a particular matter because those persons are precluded from exercising their voting authority because of the matter's non-routine matter abstentions and broker non-votes will not affect the outcome of such matter.

**Solicitation Procedures**

The accompanying proxy is solicited by and on behalf of the Company's Board of Directors.

Proxies will be solicited primarily by mail. Proxies may also be personally solicited by directors, officers or regular employees of the Company (who, except as noted below, will not be compensated separately for their services) by mail, telephone, telegraph, cable, facsimile, electronic mail, personal discussion or otherwise. The Company has specially engaged the services of Abraham Biderman, a director of the Company, to solicit proxies on the Company's behalf. The Company has agreed to pay Mr. Biderman \$50,000 in the event that the shareholders approve the proposed amendment to the Company's Amended Certificate of Incorporation that is the subject of this Proxy Statement.

The Company will request banks, brokers, and other custodians, nominees and fiduciaries to forward proxy materials to the beneficial owners of common stock held of record by such persons and request authority for the execution of proxies. The Company may reimburse such entities for their reasonable out-of-pocket expenses incurred in handling proxy materials for the beneficial owners of the Company's common stock.

The Company will bear the cost of soliciting proxies from its shareholders. The Company expects that such cost will be approximately \$110,000.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted by delivering to the Secretary of the Company written notice of revocation bearing a later date than the proxy, by duly executing a subsequent proxy relating to the same shares or by attending the Special Meeting and voting in person. Attendance at the Special Meeting will not in itself constitute revocation of a proxy unless the shareholder votes its shares of common stock in person at the Special Meeting.

Please complete, date, sign and return the accompanying proxy promptly.

**Voting by Proxy**

The Company's common stock represented by properly executed proxies received at or before the Special Meeting that have not been revoked will be voted at the Special Meeting in accordance with the instructions contained therein. The Company's common stock represented by properly executed proxies for which no instruction is given will be voted "FOR" approval of the herein referenced proposal. If any other matter properly comes before the Special Meeting, the persons named as proxies will vote upon such matter according to their judgment.

If the Special Meeting is postponed or adjourned for any reason at any subsequent reconvening of the Special Meeting, all proxies (except for any proxies that have theretofore effectively been revoked or withdrawn) will be voted in the same manner as such proxies would have been voted at the original convening of the Special Meeting, notwithstanding that such proxies may have been effectively voted on the same or any other matter at a previous meeting.

**PROPOSAL TO AMEND THE COMPANY'S AMENDED CERTIFICATE OF INCORPORATION TO INCREASE THE AUTHORIZED COMMON STOCK FROM 150,000,000 SHARES TO 250,000,000 SHARES AND TO CHANGE THE PAR VALUE OF THE COMPANY'S COMMON STOCK FROM NO PAR VALUE TO \$.01 PAR VALUE PER SHARE**

**Background**

The Company's Amended Certificate of Incorporation, as currently in effect, provides that the Company's authorized capital stock consists of 150,000,000 shares of common stock, no par value per share. On April 21, 2004, the Company's Board of Directors unanimously approved an amendment to Article 4 of the Company's Amended Certificate of Incorporation (1) to increase the number of authorized shares of common stock from 150,000,000 shares to 250,000,000 shares and (2) to change the par value of the Company's common stock from no par value to \$.01 par value per share. In accordance with New Jersey law, the proposed amendment to the Amended Certificate of Incorporation is subject to shareholder approval.

In the event that shareholder approval of the proposed amendment is obtained, the Company expects to file a Certificate of Amendment to the Amended Certificate of Incorporation with the New Jersey Secretary of State on or about the close of business on the date of the Special Meeting. A form of the Certificate of Amendment to the Amended Certificate of Incorporation is set forth as Appendix A to this Proxy Statement.

As of April 16, 2004, out of the 150,000,000 shares of common stock currently authorized for issuance under the Amended Certificate of Incorporation, a total of 82,910,707 shares were issued and outstanding and 63,646,366 shares were reserved for issuance upon exercise of the Company's stock options, warrants and other convertible securities. An increase in the number of shares of common stock authorized for issuance under the Company's Amended Certificate of Incorporation is necessary to permit the Company to have additional shares available for issuance in furtherance of the Company's business purposes, as more fully set forth below under "Reasons For and Effects Of the Proposal." The Board has also voted to change the par value of the Company's common stock from no par value to \$.01 par value per share.

**Reasons for and Effects of the Proposal**

Due to the limited number of shares of common stock available to be issued, the Board of Directors has unanimously approved, and voted to recommend that the shareholders approve, an amendment to the Company's Amended Certificate of Incorporation pursuant to which (1) the number of shares of common stock which the Company would be authorized to issue would be increased from 150,000,000 shares to 250,000,000 shares and (2) the par value of the Company's common stock would change from no par value to \$.01 par value per share.

The Board of Directors believes that an increase in authorized common stock would provide the Company with increased flexibility to issue and/or sell common stock from time to time at the discretion of the Board of Directors, and without further authorization by the shareholders, for one or more of the following business purposes: (i) in public or private offerings as a means of obtaining additional capital for the Company's business; (ii) as part or all of the consideration required to be paid for the acquisition of ongoing businesses or other assets; (iii) to satisfy any current or future financial obligations of the Company; (iv) in connection with the exercise of options, warrants or rights, or the conversion of convertible securities that may be issued by the Company; or (v) pursuant to any benefit, option or stock ownership plan or employment agreement.

The proposed increase in the number of authorized shares of common stock will not change the number of shares of common stock outstanding or the rights of the holders of such stock. Other than for the possibility of issuing new shares of common stock upon the exercise of outstanding stock options or warrants, the Company does not have any immediate plans, arrangements, commitments or understandings with respect to the issuance of any of the additional shares of common stock that would be authorized by the proposed amendment to the Amended Certificate of Incorporation. However, the Company anticipates that it will need to raise additional equity capital in the near future through the issuance of common stock or other securities that are convertible into, or otherwise grant the holder thereof the right to purchase, common stock.

Any issuance of additional shares of common stock could reduce the current shareholders' proportionate interests in the Company, depending on the number of shares issued and the purpose, terms and conditions of the issuance. Moreover, the issuance of additional shares of common stock could discourage attempts to acquire control of the Company by tender offer or other means. In such a case, shareholders might be deprived of benefits that could result from such an attempt, such as realization of a premium over the market price of their shares in a tender offer or the temporary increase in market price that could result from such an attempt. Also, the issuance of stock to persons supportive of the Board of Directors could make it more difficult to remove incumbent management and directors from office. Although the Board of Directors intends to issue common stock only when it considers such issuance to be in the best interest of the Company, the issuance of additional shares of common stock may have, among others, a dilutive effect on earnings per share of common stock and on the equity and voting rights of holders of shares of common stock. The Board of Directors believes, however, that the benefits of providing the flexibility to issue shares without delay for any business purpose outweigh any such possible disadvantages.

Ownership of shares of common stock entitles each shareholder to one vote per share of common stock. Holders of shares of common stock do not have preemptive rights to subscribe to additional securities that may be issued by the Company, which means that current shareholders do not have a prior right to purchase any new issue of capital stock of the Company in order to maintain their proportionate ownership. Shareholders wishing to maintain their interest, however, may be able to do so through normal market purchases.

The change in the Company's common stock from no par value to \$.01 par value per share is proposed to facilitate the Company's record keeping and accounting functions and is not expected to have any adverse effect on shareholders.

#### **Implementation of the Increase in Authorized Common Stock and Change in Par Value**

The increase in the authorized common stock and change in par value would be implemented by effecting an amendment to the Company's Amended Certificate of Incorporation, replacing the current Article 4 with a new Article 4 as follows:

4. The aggregate number of shares of common stock which the Corporation shall have authority to issue is 250,000,000 shares, par value \$.01 per share

Assuming the increase in authorized common stock and change in par value is approved by the shareholders at the Special Meeting, an amendment to the Company's Amended Certificate of Incorporation will be filed with the Secretary of State of the State of New Jersey, and the increase in authorized common stock will become effective as of 5:00 p.m. Eastern time on the date of such filing. The Company expects that such filing will take place on or about the date the Special Meeting is held. The increase in authorized common stock and change in par value may be abandoned by the Board of Directors at any time before or after the Special Meeting should the shareholders not approve this proposal. The proposed Certificate of Amendment to the Amended Certificate of Incorporation is attached as Exhibit A hereto.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE AMENDED CERTIFICATE OF INCORPORATION THEREFORE INCREASING THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 150,000,000 SHARES TO 250,000,000 SHARES, AND CHANGING ALL SHARES OF COMMON STOCK FROM NO PAR VALUE TO \$.01 PAR VALUE PER SHARE, AS SET FORTH ABOVE. THE AFFIRMATIVE VOTE OF HOLDERS OF A MAJORITY OF OUTSTANDING SHARES OF COMMON STOCK IS REQUIRED TO APPROVE THE AMENDMENT TO THE AMENDED CERTIFICATE OF INCORPORATION. SHARES OF COMMON STOCK REPRESENTED AT THE MEETING BY EXECUTED BUT UNMARKED PROXIES WILL BE VOTED "FOR" APPROVAL OF THE PROPOSAL.**
