Peace Arch Entertainment Provides Update On Release of Financial Results for Fiscal 2007

TORONTO--(MARKET WIRE) January 28, 2008 Peace Arch Entertainment Group Inc. (AMEX:PAE) (TSX:PAE), an integrated global entertainment company, today provided a status update with respect to the Company's filing of its financial statements for the year ended August 31, 2007 and its first quarter ending November 30, 2007.

After discussions with Peace Arch representatives, the Ontario Securities Commission (OSC) has agreed that the current Management Cease Trade Order issued on December 24, 2007 will remain in place to allow Peace Arch additional time to complete the statements provided Peace Arch continues to comply with the alternative information guidelines of the OSC.

Our filings have been delayed because we are integrating the financial results of three private companies we acquired during the fiscal year, our CEO was replaced shortly before the original filing deadline, and management has determined under applicable variable-interest entity accounting rules to consolidate the results of numerous privately held, single picture production companies from whom Peace Arch acquired distribution rights during the fiscal year,

said Jeff Sagansky, Chief Executive Officer of Peace Arch Entertainment. We are determined to ensure that the Company is in good financial standing, and we believe this additional time will allow us to finalize our year-end filing and enable Peace Arch to enter 2008 on a firm financial footing. We confirm once again that other than the release of our statements, there is no material information concerning the affairs of the Company that has not been generally disclosed as of the date of this announcement.

Peace Arch originally anticipated filing its annual statements during the week of December 9, 2007. Despite its best efforts, management subsequently determined that further time was required to prepare those filings and for its independent auditors to complete their audit. Based on the work done to date, management's best estimate at this time is that the annual audited financial statements will be filed by February 29, 2008. As a result of not filing its 2007 financial statements, Peace Arch also has not yet filed its financial statements for the first quarter ended November 30, 2007. First quarter results will be filed shortly after the Company files its annual statements.

This update is provided pursuant to the alternative information guidelines of the OSC. These guidelines require the Company to provide bi-weekly updates on its affairs until such time as the Company is current with its filing obligations under Canadian securities laws. Peace Arch intends to continue to comply with the alternative information guidelines of the OSC until such time as it becomes current with its filing obligations.
