SPECIAL NOTICE

Please be advised that on the afternoon of the day these Proxy Materials were to be sent to the printers to be finalized prior to mailing to shareholders, Management learned of the unexpected and unfortunate death of Director R. Todd Henry. We here at United Security Bancshares are deeply saddened by Director Henry's passing but are grateful for the many contributions he has made to the Company over the years. It is without a doubt that he will be missed. As his replacement, our Board of Directors has approved the nomination of Mr. Kenneth D. Newby for election at the Meeting. Mr. Newby is well known to our management team and had previously worked with Director Henry. Given the timing of Director Henry's death and rather than effectuate a substantial rewrite of this Proxy Statement which would have caused a delay in mailing, we have decided to retain the information relating to Director Henry in this Proxy Statement and to provide this explanatory note regarding the nomination of Mr. Newby for election as his replacement on our Board. Therefore, please disregard references in this Proxy Statement to Director Henry as a

nominee for election at the Meeting and understand that Mr. Newby is the Board's nominee as Director Henry's replacement.

Mr. Newby is a well-respected certified public accountant with long-standing ties to the community. He has been self-employed as a financial consultant in Fresno, California since June 2008. Previously, he worked as a manager and a partner with the public accounting firm of Deloitte & Touche, LLP. Mr. Newby is a graduate of the California State University, Fresno, where he received his Bachelor of Science in Business Administration and Accounting in 1972.

The election of Mr. Newby is subject to prior regulatory approval. Mr. Newby owns 100 shares of our common stock, less than 0.01% of the shares outstanding.

INFORMATION ABOUT THE ANNUAL MEETING VOTING

Why did you send me this Proxy Statement?

We sent you this Proxy Statement and the enclosed proxy card because our Board of Directors is soliciting your proxy to vote at the Meeting. This Proxy Statement summarizes the information you need to know to cast an informed vote at the Meeting. However, you do not need to attend the Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card. You may also vote electronically by telephone or the Internet by following the instructions on the proxy card.

We have previously sent you the Company's 2013 Annual Report to Shareholders, which includes our Annual Report on Form 10-K. The 2013 Annual Report to Shareholders is also available on our website at http://www.unitedsecuritybank.com/index.php?option=com_wrapper&Itemid=114. United Security Bancshares is also referred to in this Proxy Statement as "the Company." The Company's wholly-owned bank subsidiary, United Security Bank, is also referred to in this Proxy Statement as the "Bank."

Who is entitled to vote?

We will begin sending this Proxy Statement, the attached Notice of Annual Meeting and the enclosed proxy card on or about April 14, 2014 to all shareholders entitled to vote. Shareholders who were the record owners of the Company's no par value common stock (the "Common Stock") at the close of business on March 26, 2014 are entitled to vote. On this record date, there were 14,788,888 shares of the Company's Common Stock issued and outstanding and entitled to vote. Our Common Stock is our only class of outstanding capital stock.

What is the difference between a Shareholder of Record and a "Street Name" holder?

If your shares are registered directly in your name, you are considered the shareholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a company, trust or other nominee, then the broker, company, trust or other nominee is considered to be the shareholder of record with respect to those shares. However you are still considered the beneficial owner of those shares and your shares are said to be held in "street name." Street name holders generally cannot vote their shares directly and must instead instruct the broker, company, trust or other nominee how to vote their shares using the voting instruction form provided by it. If you hold your shares in street name and do not provide voting instructions, your broker, company, trust or other nominee has discretionary authority to vote your shares on the ratification of the selection of Moss Adams LLP as our independent auditor, even in the absence of your specific voting instruction. Those shares will also be counted as present at the Meeting for purposes of determining a quorum. However, in the absence of your specific instructions as to how to vote, your broker, company, trust or other nominee does not have discretionary authority to vote on the election of directors or any other proposals that may properly come before the Meeting.

What constitutes a quorum?

A quorum of shareholders is necessary to hold a valid meeting. The presence at the Meeting in person or by proxy of the holders of a majority of the outstanding shares of Common Stock entitled to vote shall constitute a quorum for the transaction of business. Proxies marked as abstaining (including proxies containing broker non-votes) on any matter to be acted upon by shareholders will be treated as present at the Meeting for purposes of determining a quorum but will

not be counted as votes cast on such matters. If there is no quorum, a majority of the votes present at the Meeting may adjourn the Meeting to another date.

How many votes do I have?

Holders of Common Stock are entitled to one vote, in person or by proxy, for each share of Common Stock held in his or her name on the books of the Company as of the record date for the Meeting on any matter submitted to the vote of the shareholders, except that in connection with the election of directors, the shares are entitled to be voted cumulatively. Cumulative voting entitles a shareholder to give one nominee as many votes as is equal to the number of directors to be elected multiplied by the number of shares owned by such shareholder, or to distribute his or her votes on the same principle between two or more nominees as he or she deems appropriate. The ten (10) nominees receiving the highest number of votes will be elected.

Pursuant to California law, no shareholder may cumulate votes for a nominee unless such nominee(s) name has been placed in nomination prior to the voting and the shareholder has given notice at the Meeting prior to the voting of the shareholder's intention to cumulate. If any shareholder gives notice, all shareholders may cumulate their votes.

The proxy holder does not, at this time, intend to cumulate votes pursuant to the proxies solicited in this Proxy Statement unless another shareholder gives notice to cumulate, in which case the proxy holder may cumulate votes in accordance with the recommendations of the Board of Directors. Therefore, discretionary authority to cumulate votes in such event is solicited in this Proxy Statement.

How do I vote by proxy?

Whether or not you plan to attend the Meeting, we urge you to complete, sign and date the enclosed proxy card and to return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the Meeting and vote. You may also vote over the Internet or by telephone. Instructions for all voting can be found on the back of the Proxy Card included with this Proxy Statement.

If you properly fill in your proxy card and send it to us in time to vote, or vote by Internet or telephone, your “proxy” (the individual named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors as follows:

•“FOR” the election of all ten (10) nominees for director; and

•“FOR” ratification of the selection of Moss Adams LLP as the Company’s independent registered public accounting firm for 2014.

For the election of directors (Proposal 1), a shareholder may withhold authority for the proxy holders to vote for any one or more of the nominees by marking the enclosed proxy card in the manner instructed on the proxy card. Unless authority to vote for the nominees is so withheld, the proxy holders will vote the proxies received by them for the election of the nominees listed on the proxy card as directors of the Company. Your proxy does not have an obligation to vote for nominees not identified on the preprinted proxy card (that is, write-in nominees). Should any shareholder attempt to “write in” a vote for a nominee not identified on the preprinted card (and described in these proxy materials), your proxy will NOT vote the shares represented by your proxy card for any such write-in nominee, but will instead vote the shares for any and all other indicated nominees. If any of the nominees should be unable or decline to serve, which is not now anticipated, your proxy will have discretionary authority to vote for a substitute who shall be designated by the present Board of Directors to fill the vacancy. In the event that additional persons are nominated for election as directors, your proxy intends to vote all of the proxies in such a manner, in accordance with the cumulative voting, as will assure the election of as many of the nominees identified on the proxy card as possible. In such event, the specific nominees to be voted for will be determined by the proxy holders, in their sole discretion.

If any other matter is presented (including but not limited to a motion for adjournment or postponement of the Meeting), your proxy will vote in accordance with the recommendation of the Board of Directors, or, if no recommendation is given, in accordance with his or her best judgment. At the time this Proxy Statement went to press, we knew of no matters which needed to be acted on at the Meeting, other than those discussed in this Proxy Statement.

What is the effect of withholding authority to vote, broker non-votes and abstentions?

The ten (10) nominees for director who receive the most votes will be elected. If you do not vote for a particular nominee, your vote will be voted in accordance with the recommendations of management. If you indicate “WITHHELD” for a particular nominee on your proxy card, your vote will not count either for or against the nominee. Ratification of the appointment of our auditors requires the approval of a majority of the votes represented and voting at the Meeting.

If you hold your shares of Common Stock in “street name” (that is, through a broker or other nominee) you must vote your shares through your broker. You should receive a form from your broker asking how you want to vote your shares. Follow the instructions on that form to give voting instructions to your broker. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine, but not on non-routine matters. If you fail to instruct your broker or nominee as to how to vote your shares of Common Stock, your broker or nominee may, in its discretion, vote your shares “FOR” ratification of the appointment of Moss Adams LLP as our independent registered public accounting firm for the year ending December 31, 2013, which is considered a routine matter. **HOWEVER, YOUR BROKER MAY NOT VOTE YOUR SHARES “FOR” the election of the nominees for director, without your specific direction.** A “broker non-vote” occurs when your broker does not vote on a particular proposal because the broker does not receive instructions from the beneficial owner and does not have discretionary authority. It is **VERY IMPORTANT** that you return the instructions to your broker or nominee. Therefore if you wish to be represented you must vote by completing the information which is sent to you by your broker or nominee.

California law requires the following two votes to adopt any proposal (other than the election of directors): (1) the affirmative vote of a majority of the shares represented and voting at the Meeting, unless the vote of a greater number is required by law or by our Articles of Incorporation and (2) the affirmative vote of at least a majority of the shares required to constitute a quorum. In determining whether the first vote under (1) has been obtained, abstentions and broker non-votes are not treated as shares voting and therefore will not affect the vote on any proposal. In determining whether the second vote under (2) has been obtained, abstentions and broker non-votes will have the effect of votes cast AGAINST the proposal to ratify our independent registered public accounting firm. That is, abstentions and broker non-votes will reduce the number of affirmative votes and therefore reduce the total percentage of votes the proposal might otherwise have received.

May I vote telephonically or electronically over the internet?

Shareholders whose shares are registered in their own names may vote either by mail, telephone or over the Internet. Special instructions to be followed by any registered shareholder interested in voting via the Internet or telephone are set forth on the reverse of your proxy card. The Internet and telephone voting procedures are designed to authenticate the shareholder's identity and to allow shareholders to vote their shares and confirm that their voting instructions have been properly recorded.

May I change my vote after I return my proxy?

A form of proxy for use at the Meeting is enclosed. If it is executed and returned it may nevertheless be revoked at any time before it is exercised by: (i) filing with the Secretary of the Company, Robert G. Bitter, an instrument revoking it or a duly executed proxy bearing a later date; (ii) appearing and voting in person at the Meeting or (iii) if you have voted your shares by Internet or telephone, recording a different vote, or by signing and returning a proxy card dated as of a date that is later than your last Internet or telephone vote. Subject to such revocation, shares represented by a properly executed proxy received in time for the Meeting will be voted by the proxy holder thereof in accordance with the instructions on the proxy. **IF NO INSTRUCTION IS SPECIFIED WITH RESPECT TO A MATTER TO BE ACTED UPON, THE SHARES REPRESENTED BY THE PROXY WILL BE VOTED IN FAVOR OF THE PROPOSALS LISTED ON THE PROXY. IF ANY OTHER BUSINESS IS PROPERLY PRESENTED AT THE MEETING, THE PROXY WILL BE VOTED IN ACCORDANCE WITH THE RECOMMENDATIONS OF THE COMPANY'S BOARD OF DIRECTORS.**

How do I vote in person?

If you plan to attend the Meeting and vote in person, we will give you a ballot form when you arrive. However, we strongly recommend that you return the proxy card rather than vote in person as this will expedite the vote counting process at the Meeting. **PLEASE NOTE THAT IF YOUR SHARES ARE HELD IN THE NAME OF YOUR BROKER, COMPANY OR OTHER NOMINEE, YOU MUST BRING A POWER OF ATTORNEY FROM YOUR NOMINEE IN ORDER TO VOTE AT THE MEETING. IF YOUR SHARES ARE HELD IN STREET NAME YOU WILL NOT BE ABLE TO VOTE AT THE MEETING WITHOUT THE POWER OF ATTORNEY FORM.**

How may I obtain a separate set of proxy materials or request a single set for my household?

If you share an address with another shareholder, you may receive only one set of proxy materials unless you have provided contrary instructions. If you wish to receive a separate set of proxy materials now or in the future, please request the additional copies by calling (888) 683-6030 (toll free); by writing to us at United Security Bancshares, 2126 Inyo Street, Fresno, California 93721, Attn: Mr. Ken Donahue or by email at kdonahue@unitedsecuritybank.com.

What should I do if I receive more than one set of voting materials?

Similarly, if you share an address with another shareholder and have received multiple copies of our proxy materials, you may contact us in the same manner or write us at the address set forth below in the last question to request delivery of a single copy of these materials.

Why may I receive multiple voting instruction forms and/or proxy cards?

If you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a shareholder of record and your shares are registered in more than one name, you will receive more than one proxy card. In each case, please complete, sign, date and return each proxy card and voting instruction form that you receive.

Who is making the solicitation?

This solicitation of Proxies is being made by the Board of Directors of the Company. The expense of preparing, assembling, printing and mailing this Proxy Statement and the materials used in the solicitation of Proxies for the Meeting will be borne by the Company which the Company does not anticipate to be a material amount. It is contemplated that Proxies will be solicited principally through the use of the mail, but officers, directors and employees of the Company may solicit Proxies personally or by telephone, without receiving special compensation for such activities. Although there is no formal agreement to do so, the Company may reimburse companies, brokerage houses and other custodians, nominees and fiduciaries for their reasonable expenses in forwarding these Proxy Materials to shareholders whose stock in the Company is held of record by such entities.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON MAY 21, 2014

The Proxy Statement is available on the internet at

VOTING SECURITIES

There were issued and outstanding 14,788,888 shares of the Company's Common Stock on March 26, 2014, which has been fixed as the record date for the purpose of determining shareholders entitled to notice of, and to vote at, the Meeting. Each holder of Common Stock will be entitled to one vote, in person or by Proxy, for each share of Common Stock held of record on the books of the Company as of the record date for the Meeting on any matter submitted to the vote of the shareholders, except that in connection with the election of directors, the shares may be voted cumulatively if a shareholder present at the Meeting has given notice at the Meeting, prior to the voting, of his or her intention to vote cumulatively. If any shareholder has given such notice, then all shareholders entitled to vote for the election of directors may cumulate their votes. Cumulative voting means that a shareholder has the right to vote the number of shares he or she owns as of the record date, multiplied by the number of directors to be elected. This total number of votes may be cast for one nominee or it may be distributed on the same principle among as many nominees as the shareholder sees fit. If cumulative voting is declared at the Meeting, votes represented by Proxies delivered pursuant to this Proxy Statement may be cumulated in the discretion of the Proxy Holders, in accordance with the recommendations of the Company's Board of Directors.

A majority of the outstanding shares, represented in person or by Proxy, is required for a quorum. Nominees receiving the most votes, up to the number of directors to be elected, are elected as directors for the ensuing year. A majority of the shares represented and voting at the Meeting is required to ratify the selection of Moss Adams LLP as the Company's independent registered public accounting firm for 2014.

If you hold Common Stock in "street name" and you fail to instruct your broker or nominee as to how to vote such Common Stock, your broker or nominee may, in its discretion, vote such Common Stock "FOR" ratification of the selection of Moss Adams LLP as the independent registered public accounting firm and auditors of the Company for 2014, but CANNOT vote FOR election of directors, unless you instruct them as to your vote. IT IS EXTREMELY IMPORTANT THAT YOU VOTE BY RETURNING YOUR PROXY CARD BY MAIL, INTERNET OR TELEPHONE.

SHAREHOLDINGS OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Management knows of no person who owns, beneficially or of record, either individually or together with associates, five percent (5%) or more of the outstanding shares of the Company's Common Stock, except as set forth in the table below. The following table sets forth, as of March 1, 2014, the number and percentage of shares of the Company's outstanding Common Stock beneficially owned, directly or indirectly, by each the Company's directors, Named Executive Officers and principal shareholders and by the directors and Named Executive Officers of the Company as a group. CORPORATE GOVERNANCE PRINCIPLES AND CODE OF ETHICS

Corporate Governance Guidelines

The Company is committed to having sound corporate governance principles that are important to the way the Company manages its business and to maintaining the Company's integrity in the marketplace. The Company's Corporate Governance Principles are available at <http://www.unitedsecuritybank.com>. Click "About Us" and then "Governance."

Board of Directors and Committees of the Company

The Board of Directors of the Company oversees its business and monitors the performance of management. In accordance with corporate governance principles, our Board of Directors does not involve itself in day-to-day operations. The directors keep themselves informed through, among other things, discussions with the Chief Executive Officer, other key executives and our principal outside advisors (legal counsel, outside auditors, and other consultants), by reading reports and other materials that the company sends them and by participating in board and committee meetings.

During 2013, the Board of Directors held 12 meeting. During 2013, no director attended less than 75% of all Board of Directors meeting and the meetings of any committee of the Board of Directors on which he or she served, except for Mr. Todd Henry, who was unable to attend 75% of the meetings because of medical restrictions.

In 2013, the Board of directors had the following committees: Audit Committee; Compensation Committee, and Corporate Governance/Nominating Committee.

Attendance at Annual Meetings

While the Company does not have a policy regarding director attendance at each Annual Meeting of Shareholders, all of the Company's directors attended the 2013 Annual Meeting of Shareholders.

Shareholder Communications with the Board

Shareholders who wish to communicate with the Board of Directors as a whole, or with an individual director, may do so by emailing the Board of Directors at kbledsoe@unitedsecuritybank.com.

The Risk Management Committee engages in periodic discussions with the risk manager, the Company's executive officers and other Company officers as the Risk Committee may deem appropriate related to risk management. In addition, each Board committee has been assigned oversight responsibility for specific areas of risk and risk management to be included as an agenda topic at all regular committee meetings. The committees consider risks within their areas of responsibility, for instance the Compensation Committee considers risks that may result from changes in compensations programs.

Selection and Evaluation of Director Nominees

The Corporate Governance/Nominating Committee is responsible for identifying and presenting nominees for membership on the Board by the following process:

The Corporate Governance/Nominating Committee identifies nominees by first evaluating the current members of the Board of Directors qualified and willing to continue in service

The Corporate Governance/Nominating Committee identifies if the Board of Directors needs to add new members with specific skills or to fill a vacancy on the Board.

The Corporate Governance/Nominating Committee initiates a search, working with staff support and seeking input from the members of the Board and senior management of nominees including existing members that are willing to continue to serve as directors. The Corporate Governance/Nominating Committee also considers any nominees recommended by shareholders.

The Corporate Governance/Nominating Committee identifies a potential slate of nominees, after taking account of the criteria discussed in the next section below.

The Corporate Governance/Nominating Committee determines if any Board members have contacts with the potential nominees.

The Corporate Governance/Nominating Committee interviews prospective nominee(s) other than existing board members.

- The Corporate Governance/Nominating Committee keeps the Board informed of the selection progress.

The Corporate Governance/Nominating Committee meets to consider and approve its slate of recommended nominees also using the criteria discussed in the next section below. The Corporate Governance/Nominating Committee, in evaluating existing directors as nominees and nondirectors as nominees, balances the value of continuity of service by existing members of the Board with that of obtaining a new perspective.

The Corporate Governance/Nominating Committee presents its slate of recommended nominees to the Board and seeks the Board's endorsement of such nominee(s).

There is no third party that we currently pay to assist in identifying or evaluating potential director nominees, although the Corporate Governance/Nominating Committee has sole authority to retain or terminate the services of a third-party search firm to identify director nominees. The Corporate Governance/Nominating Committee's process for identifying and evaluating nominees for directors will not materially differ based on whether or not the nominee is recommended by a shareholder.

Nomination of Directors

The Board of Directors maintains a Corporate Governance/Nominating Committee, which is responsible for assisting the Board of Directors in director selection, as well as review and consideration of developments in corporate governance practices. This committee consists solely of independent directors. This committee will also review director nominees submitted by shareholders. The Corporate Governance/Nominating Committee is responsible for annually reviewing and evaluating with the Board of Directors the appropriate skills and characteristics required for Board of Directors members in the context of the current composition of the Board of Directors and our goals for nominees to the Board of Directors, including nominees who are current directors.

The Board of Directors' policies with respect to director nominees have been to consider, among other factors: (a) the business experience of the nominee; (b) his or her reputation and influence in the community and standards of moral and ethical responsibility; (c) availability and willingness to devote time to fully participate in the work of the Board of Directors and its committees; and (d) commitment to the Company as evidence by personal investment. Directors are expected to have demonstrated notable achievement in business, education or public service; possess the education

and experience to make a significant contribution to the Board of Directors; bring a range of skills, diverse perspective and background to the Board of Directors; and serve as active resources for referrals and business development.

The Board of Directors will consider properly submitted nominees to the Board of Directors proposed by shareholders, although the Board has no formal policy with regard to shareholder nominees as it considers all nominees on their merits, as discussed above. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership and should be addressed to:

Dennis R. Woods, Chairman of the Board

Narrative Disclosure to Summary Compensation Table

Employment Agreements

Although in the past, the Company had entered into employment agreements with Dennis R. Woods, the Company's President and Chief Executive Officer, which set forth certain elements of his compensation, including base salary, severance benefits and payments in the event of a change in control of the Company, the Company presently does not have any such employment agreements with any Named Executive Officer.

Salaries

The Compensation Committee determines the appropriate components of compensation to the Named Executive Officers and the amounts of each component of compensation based upon a review and analysis of peer group data. Although the Compensation Committee has engaged outside consultants in the past to assist it in this regard, no compensation consultants were used in 2013. The Compensation Committee determines the base salary paid to the Named Executive Officers and reviews salary information annually to assure that the salaries are consistent with the Company's peer group in order to maintain the Company's competitiveness in attracting and retaining qualified individuals in these key executive positions. Although salaries were increased in 2011 to align the compensation of the Company's executive officers with those of industry peers, no salary adjustments were made during 2013.

Incentive Compensation

No incentive compensation was paid in 2013.

Equity Incentives

In May 2005, the Company's shareholders approved the United Security Bancshares 2005 Stock Option Plan (the "2005 Plan"). At the same time, all previous plans, including the 1995 Plan, were terminated. In adopting the 2005 Plan, the objective of the Board of Directors and the Compensation Committee was to align the interests of executive officers with the long-term interests of shareholders by providing executive officers (and employees) with an ownership interest in the Company in the form of stock options. Historically, stock options were granted at the time of employment as part of an initial compensation package and additional stock options were granted years later. The Compensation Committee, in making a determination to grant additional stock options, considers the total stock options already held by an executive officer, the date of last grant and the amount of stock options last granted, the number of shares of Company stock acquired through exercise of stock options by the executive officer and the

percentage of Company stock ownership level held by the executive officer. Under the Company's compensation policy, the Compensation Committee will not make an annual stock option grant to an executive officer who had a new hire stock option grant within three (3) years of the hire date, and the Compensation Committee will not make an annual stock option grant to an executive officer who owns less than three (3) times his or her annual base salary in Company stock (as measured by market value) as of the date of the expected grant.

The 2005 Plan provides for the granting of up to 622,358 shares of authorized and unissued shares of Common Stock at stock option prices per share which must not be less than 100% of the fair market value per share at the time each stock option is granted. Stock options granted under the 2005 Plan are either nonqualified stock options or "incentive" stock options pursuant to Section 422 of the Internal Revenue Code, as amended, and have an exercise price at the prevailing market price on the date of grant. All stock options granted are exercisable 20% each year commencing one year after the date of grant and expire ten years after the date of grant.

Under the 2005 Plan, 193,082 granted shares are outstanding (163,210 incentive stock options and 29,872 nonqualified stock options) as of December 31, 2013, of which 153,179 are vested. The following table sets forth the stock options outstanding, exercisable, exercised and forfeited under the 2005 Plan during 2013.

	2005 Plan	Weighted Average Exercise Price
Options outstanding December 31, 2012	194,224	\$ 10.27
Granted during the year	25,502	4.16
Exercised during the year	5,202	2.29
Forfeited during the year	21,442	2.29
Options outstanding December 31, 2013	193,082	\$ 10.57

Included in total outstanding options at December 31, 2013, are 153,179 exercisable shares at a weighted average price of \$12.27, a weighted average remaining contract term of 2.50 years and intrinsic value of \$15,000.

The CEO is provided with a Company owned vehicle along with reimbursement for membership dues in a country club that he owns. The COO is provided with a Company owned vehicle due to his job duties requiring extensive

business travel. The Company provides these perquisites to their Named Executive Officers because these perquisites are offered by many of its peers, and therefore the Committee believes that providing these perquisites to the Named Executive Officers is necessary for their retention and for the recruitment of new executive officers.

Narrative Disclosure Regarding Retirement Benefits and Change in Control Benefits

401(k) Plan

The Company has established a contributory 401(k) defined contribution plan (the “401(k) Plan”) covering substantially all employees. The 401(k) Plan allows eligible employees to contribute a portion of their income to a trust on a tax-favored basis. All employees of the Company and/or the Bank are eligible to participate in the 401(k) Plan upon the first day of the month after completing three (3) months of service. Participants are automatically vested 100% in all participant contributions which may be invested in any of several authorized investments, including the Company’s Common Stock. The Company also matches participant contributions up to 4% of their eligible annual compensation. The Company’s matching contributions are invested in the Company’s Common Stock and are subject to certain vesting requirements over a period of six years. Management believes that investing the matching contribution in the Company’s Common Stock creates incentives for participants to work towards the success of the Company. During 2013, the Company reserved \$229,000 to match all employee contributions to the 401(k) Plan, of which \$34,615 was reserved to match contributions of the Company’s executive officers and is included as “Other Compensation” in the Summary Compensation Table above.

Supplemental Executive Retirement Plan

The Board of Directors has determined that it is in the best interest of the Company and its shareholders to provide appropriate incentives to key employees, including certain Named Executive Officers, to remain with the Company and become long-term loyal leaders. As part of these incentives, the Company has established and sponsors a

supplemental executive retirement Plan (“SERP”) pursuant to which the Company has agreed to provide supplemental retirement income to key employees, including certain Named Executive and their families, if certain pre-agreed eligibility and vesting conditions are met. The primary condition to the vesting of benefits under the Company’s SERP is the long-term service to the Company. Therefore, vesting is set pro-rata for each year over the term of the SERP. Prior service credit for any newly hired executive is not permitted, except in the discretion of the Compensation Committee, which oversees the management of the SERP. The expected annual payment under the SERP are limited to not more than 50% of the annual base salary of the executive officer at the time of entering into the SERP and the duration of such benefit payments are limited to not more than fifteen (15) years after retirement. The Compensation Committee may increase the annual payment amount of the SERP to 50% of the annual base salary averaged over the last five years of the executive officer’s employment with the Company. The Compensation Committee may also approve a split dollar agreement related to the SERP of an executive officer, and determine the terms of such split dollar agreement including the treatment of imputed income of such split dollar agreement to the executive officer and any gross up of taxes associated with the imputed

income. Prior to providing any SERP to an executive officer, the Compensation Committee will prepare and analyze the accounting and tax effects of any SERP to the Company.

Dennis R. Woods, the Company's President and CEO, commenced participation in the Company's SERP in June 1996 and by June 2007, all benefits under his SERP have fully vested and can be drawn on by Mr. Woods upon his retirement. Under the terms of his SERP, Mr. Woods will be entitled to compensation for 15 years at \$100,000 per year.

Ken Donahue, the Company's Chief Administrative Officer, and David L. Eytcheson, the Company's Chief Operating Officer, commenced participation in the Company's SERP in January 1997 and by January 2008, all benefits under their respective SERPs have fully vested and can be drawn on upon their retirement. Under the terms of their respective SERPs, Mr. Donahue and Mr. Eytcheson will be entitled to compensation for 15 years at \$100,000 per year.

Richard B. Shupe, the Company's Chief Financial Officer, commenced participation in the Company's SERP in January 2006 and all benefits under his SERP will fully vest by January 2017, after which date, Mr. Shupe may draw upon his SERP benefits upon his retirement. Under the terms of his SERP, Mr. Shupe will be entitled to compensation for 15 years at \$50,000 per year.

The SERPs also provide that benefits be paid to the executive officers' beneficiaries in the event of their deaths. The Company's obligation to pay begins in the month following death. The Company purchases single-premium life insurance policies for each SERP issued to protect the Company for this eventuality. The life insurance policies accrue tax-free income to the Company. The policies can remain in effect until the executive is deceased, even after all benefits under the SERP have been paid or can be liquidated at the option of the Company at the cash surrender value. The death benefit is designed to return to the Company, the cost of the SERP expense and cash value of the insurance carried on its books as an asset.

The following table provides certain information regarding the retirement benefits to the Named Executive Officers, other than Porsche A. Saunders, who is not eligible to participate in the Company's SERP program.

Executive Change in Control Agreements

None of the Named Executive Officers have agreements with the Company or the Bank that provide compensation in the event of a Change in Control of the Company.

Director Compensation

Director compensation is evaluated and recommended by the Committee and approved by the Board of Directors. Non-employee directors receive cash compensation for committee attendance, premiums for serving as chairs of certain committees, and equity grants in the form of stock options.

During 2013, directors of the Company and the Bank were compensated for monthly board meetings based on a performance rating structure ranging from a minimum of \$760 per meeting up to \$1,235 per meeting. In addition, the lead director received an additional \$200 per meeting and the secretary received an additional \$250 per meeting. Also, directors, other than Mr. Woods, were paid \$200 for their attendance at committee meetings, other than loan committee meetings, and were paid \$300 for their attendance at loan committee meetings, if such committee meeting was held on a day other than the regular board of directors' meeting. The chairman of the audit committee also received \$400 per audit meeting, and the chairmen of the risk management committee, compensation committee, and executive committee received \$300 per meeting. No changes have been made to director compensation in 2014.

Historically the non-employee Company directors have received equity compensation in the form of nonqualified stock options. The Committee selected this form of equity compensation because it aligned the interests of the Board of Directors to those of the shareholder and also because of accounting and tax treatments of such awards.

The following table shows compensation paid or accrued for the last fiscal year to the Company's non-employee directors. Mr. Woods does not receive committee fees and his director meeting fees are disclosed in the All Other Compensation Table for executives.

Director Emeritus Plan

In 1995, United Security Bank established a Directors Emeritus Plan, which was amended in May, 2000. Those directors who (i) retire as directors of United Security Bank or (ii) retired as directors of Golden Oak Bank and Legacy Bank and who signed a shareholder's agreement are eligible to participate in the Directors Emeritus Plan. Each Director Emeritus will be a lifetime position or until a Director Emeritus shall sell a majority of his or her ownership in United Security Bank. Directors Emeritus receive a monthly fee of \$400, and receive preferential deposit and customer service with free checking as long as they serve as a Director Emeritus. Director Emeritus benefits terminate upon (i) the ultimate sale of United Security Bank, (ii) the sale of a majority of the Director Emeritus' shares of United Security Bank's common stock, or (iii) the finding by United Security Bank's board of directors that the Director Emeritus is engaging in activities or making statements which are detrimental to United Security Bank or United Security Bank's public image. At December 31, 2013, there were twelve participants in the Directors Emeritus Plan. A total of \$57,600 was paid to Director Emeritus in 2013.

PROPOSAL 2:

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of Moss Adams, LLP, independent auditors, has been selected to serve as the Company's independent registered public accounting firm for 2014. Shareholders are hereby asked to ratify the selection of Moss Adams LLP. It is anticipated that a representative of Moss Adams LLP will be present at the Meeting and will be available to respond to appropriate questions from shareholders.

Although ratification is not required by our Bylaws or the SEC, the Board is submitting the selection of Moss Adams LLP to our shareholders for ratification because we value our shareholders' views on the Company's independent registered public accounting firm and as a matter of good corporate practice. In the event that our shareholders fail to ratify the selection of Moss Adams LLP, however, we reserve the discretion to retain Moss Adams LLP as our independent registered public accounting firm for 2014. Even if the selection is ratified, the Board of Directors, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our shareholders.

During the two most recent fiscal years there were no disagreements between the Company and its principal accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the principal accountant's satisfaction, would have caused the principal accountant to make reference to the subject matter of the disagreement in connection with its reports.

The audit reports on the consolidated financial statements of the Company as of and for the fiscal year ended December 31, 2013 were issued by Moss Adams LLP and did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles.

Under applicable SEC rules, the Company's Audit Committee is required to pre-approve the audit and non-audit services performed by the independent registered public accountants in order to ensure that they do not impair the auditors' independence. The SEC's rules specify the types of non-audit services that the independent registered public accountants may not provide to its audit client and establish the Audit Committee's responsibility for administration of the engagement of the independent registered public accountants.

Consistent with the SEC's rules, the Audit Committee Charter requires that the Audit Committee review and pre-approve all audit services and permitted non-audit services provided by the independent registered public accountants to the Company or any of its subsidiaries. The Audit Committee approved 100% of all professional services rendered by Moss Adams LLP during the 2013 and 2012 fiscal years, respectively, including pre-approval of all audit and permissible non-audit services, and considered whether the provision of such services is compatible with Moss Adams LLP maintaining its independence. The Audit Committee determined that the provision of non-audit services to the Company by Moss Adams LLP was compatible with maintaining the independence of Moss Adams LLP.

Aggregate fees billed by Moss Adams LLP to the Company during 2013 and 2012, respectively, are as follows:

	2013	2012
Audit Fees (a)	\$233,501	\$186,977
Tax Fees associated with consulting and tax return preparation (b)	\$36,500	\$107,230

(a) The increase in audit fees is due to an audit of OREO properties

(b) Higher tax fees in 2012 associated with cost of IRS exam assistance

Ratification of the selection of Moss Adams LLP to serve as the Company's independent registered public accounting firm for 2013 requires the affirmative vote of a majority of the outstanding shares of the Company's Common Stock represented and voting at the Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" RATIFICATION OF THE SELECTION OF MOSS ADAMS LLP TO SERVE AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF UNITED SECURITY BANCSHARES FOR 2014.

SECTION 16(A) BENEFICIAL OWNERSHIP COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and certain executive officers and persons who own more than ten percent (10%) of a registered class of the Company's equity securities (collectively, the "Reporting Persons"), to file reports of ownership and changes in ownership with the SEC. The Reporting Persons are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from the Reporting Persons that no Forms 4 or 5 were required for those persons, The Company believes that, during 2013 the Reporting Persons complied with all filing requirements applicable to them, except Mr. William Yarbenet who inadvertently filed one Form 4 late.
