Item 9A. Controls and Procedures

The Company maintains controls and procedures designed to ensure that all relevant information is recorded and reported in all filings of financial reports. Such information is reported to the Company's management, including its Chief Executive Officer and its Chief Financial Officer to allow timely and accurate disclosure based on the definition of "disclosure controls and procedures" in Rule 13a-15(e). In accordance with Rule 13a-15(b) of the Exchange Act, we carried out an evaluation as of December 31, 2006 under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures as defined in Rule 13a-15(e) under the Exchange Act. Based on that evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that our disclosure controls and procedures are effective as of December 31, 2006.

There have been no significant changes in the Company's internal controls or in other factors that could significantly affect the internal controls subsequent to the date the Company completed its evaluation.

Management's assessment of the effectiveness of the Company's internal control over financial reporting has been audited by Perry-Smith LLP, the independent registered public accounting firm that audited the Company's 2006 Consolidated Financial Statements, as stated in its report, which is set forth on page 50 in "Item 8.
