Item 8.01. Other Events

Hersha Hospitality Trust (the “Company”) is filing this Current Report on Form 8-K to update certain items in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2009 (the “2009 Form 10-K”), initially filed on March 5, 2010. In accordance with the FASB Accounting Standards Codification 205-20, Presentation of Financial Statements—Discontinued Operations (“ASC 205-20”), revenues, expenses and the gain on sale of the Holiday Inn Express located in New Columbia, PA (the “Holiday Inn Express”) have been classified as discontinued operations in the Company’s Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2010 that was filed with the Securities and Exchange Commission (the “SEC”) on August 5, 2010.

Under requirements of the SEC, the same classification as discontinued operations required by ASC 205-20 is also required for previously issued financial statements for each of the three years presented in the Company’s 2009 Form 10-K, if those financial statements are incorporated by reference in certain subsequent filings with the SEC made under the Securities Act of 1933, as amended, even though those financial statements relate to periods prior to the classification of the Holiday Inn Express as held for sale. These reclassifications had no effect on the Company’s reported net income or loss, net income or loss applicable to common shareholders, funds from operations or funds from operations applicable to common shareholders or holders of units of limited partnership interest in Hersha Hospitality Limited Partnership.

The following items of the 2009 Form 10-K are being updated retrospectively to reflect the reclassification described above (which items as updated are included in Exhibits 99.1 through 99.4 to this Current Report on Form 8-K and incorporated by reference):

Item 5 –Selected Financial Data

Item 6 – Management’s Discussion and Analysis of Financial Condition and Results of Operations

Item 7 – Financial Statements and Supplementary Data

Item 15 – Computation of Ratio of Earnings to Combined Fixed Charges and Preferred Share Dividends

No items of the 2009 Form 10-K other than those identified above are being updated by this filing. Information in the 2009 Form 10-K is generally stated as of December 31, 2009. Without limitation of the foregoing, this filing does not purport to update “Management’s Discussion and Analysis of Financial Condition and Results of Operations” contained in the 2009 Form 10-K for any information, uncertainties, transactions, risks, events or trends occurring, or known to management. More current information is contained in the Company’s Quarterly Report on Form 10-Q for the quarterly periods ended March 31, 2010 and June 30, 2010 (the “Form 10-Qs”) and the Company’s other filings with the SEC. The Form 10-Qs and other SEC filings contain important information regarding events, developments and updates to certain expectations of the Company that have occurred subsequent to the filing of the 2009 Form 10-K on March 5, 2010.

Item 9.01. Financial Statements and Exhibits

d. Exhibits
