Item 8.01. Other Events

Alexander & Baldwin, Inc. (the “Company”) is filing this Current Report on Form 8-K to recast the presentation of its consolidated financial statements that were initially filed with the Securities and Exchange Commission (“SEC”) on February 25, 2011 in its Annual Report on Form 10-K for the year ended December 31, 2010 (the “Form 10-K”). The recasting reflects the reclassification of the Company’s second China string (“CLX2”) and various property sales as discontinued operations.

In August 2011, the Company finalized a decision to terminate CLX2 due to the longer-term outlook for sustained high fuel prices and increasingly volatile Transpacific rates. In connection with the termination of this service, the results of operation for the CLX2 component have been reclassified to discontinued operations for all periods presented. Additionally, the revenue and expenses of Arbor Park Shopping Center, a retail property in Texas; Wakea Business Center II, a commercial facility on Maui; and a leased Maui property have been reclassified to discontinued operations since they were sold in 2011.

The SEC requires a registrant to include or incorporate by reference in a registration statement filed with the SEC under the Securities Act of 1933, recasted information for previously issued financial statements whenever a component of the registrant is reflected as discontinued operations in financial statements for subsequent periods. Accordingly, the Company is revising and including in this Form 8-K the following portions of the Form 10-K:

- Part II, Item 6. Selected Financial Data;
- Part II, Item 7. Management’s Discussion and Analysis of Financial Condition and Results of Operations; and
- Part II, Item 8. Financial Statements and Supplementary Data

In order to preserve the nature and character of the disclosures set forth in the Form 10-K, the items included in this Form 8-K have been updated solely for matters relating specifically to the reclassification of CLX2 and the Company’s property sales as discontinued operations as described above. No attempt has been made in the Form 8-K, and it should not be read, to modify or update other disclosures, other than the omission of the “Outlook” section, as presented in the Form 10-K to reflect events or occurrences after the date of the filing of the Form 10-K. Therefore, this Form 8-K should be read in conjunction with the Form 10-K and the Company’s filings made with the SEC subsequent to the filings of the Form 10-K. References in the attached exhibits to the Form 10-K or parts thereof refer to the Form 10-K, except to the extent portions of such Form 10-K have been recast in this Form 8-K, in which case, they refer to the applicable recast portion in this Form 8-K.
