Item 1.01. Entry into a Material Definitive Agreement.

On September 13, 2012, Container Applications Limited (“CAL”), a wholly-owned subsidiary of CAI International, Inc. (the “Company”), entered into a Note Purchase Agreement (the “Note Purchase Agreement”) with certain institutional investors, pursuant to which CAL issued \$103 million of its 4.90% Senior Secured Notes due September 13, 2022 (the “Notes”) to the investors in a private placement exempt from registration under the Securities Act of 1933, as amended. The Notes are guaranteed by the Company and secured by certain assets of CAL and the Company.

The Notes bear interest at 4.9% per annum, due and payable semiannually on March 13th and September 13th of each year, commencing on March 13, 2013. In addition, CAL is required to make certain principal payments on March 13th and September 13th of each year, commencing on March 13, 2013. Any unpaid principal and interest is due and payable on September 13, 2022. The Note Purchase Agreement provides that CAL may prepay at any time all or any part of the Notes in an amount not less than 10% of the aggregate principal amount of the Notes then outstanding, in either case at 100% of the amount to be prepaid plus the Make-Whole Amount (as defined in the Note Purchase Agreement). In the event of a Change of Control (as defined in the Note Purchase Agreement), CAL is obligated to make an offer to prepay the Notes at 100% of the principal amount of the Notes, together with interest on such Notes accrued to the date of prepayment. In such event, each holder of a Note will have the option to either accept or reject the prepayment offer, with a failure to timely respond being deemed a rejection.

The Note Purchase Agreement contains customary affirmative and negative covenants, representations and warranties, and events of default, which are subject to certain conditions and exceptions. The Note Purchase Agreement also contains financial covenants that require the Company to maintain a total leverage ratio of no greater than 3.75 to 1.00, a fixed charge coverage ratio of not less than 1.20 to 1.00 and a borrowing base ratio of not less than 82.50% of the net book value of eligible equipment not subject to direct finance leases plus 85.00% of the net present value of direct finance lease receivables.

The foregoing summary does not purport to be complete and is subject to, and is qualified in its entirety by, the full text of the Note Purchase Agreement which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information disclosed in Item 1.01 above is incorporated by reference into this Item 2.03.

Item 9.01. Financial Statements and Exhibits.

(d) Exhibits.

Exhibit No.	Description
99.1	Note Purchase Agreement, dated September 13, 2012, among Container Applications Limited, CAI International, Inc. and the purchasers named therein.
