

Item 8.01 Other Events.

Monarch National Insurance Company (“Monarch”), whose indirect parent, Monarch Delaware Holdings LLC, is a 42.4% consolidated subsidiary of Federated National Holding Company (the “Company”), has been notified by the Florida Office of Insurance Regulation (the “Florida OIR”) that the Florida OIR has approved Monarch’s requested rate decrease for its homeowners’ insurance program within the State of Florida. The rate decrease, which is effective April 15, 2016, will result in an average premium decrease of approximately 11.9% statewide for new and renewal business. The Company believes that this rate decrease will make Monarch more competitive in the Florida homeowners’ market; it is not possible at this time, however, to assess the possible impact of this rate decrease on the Company’s results of operations.
