NEWS RELEASE - OCTOBER 30, 2008

THE RULE FAMILY TRUST ACQUIRES MORE SHARES OF IMA EXPLORATION INC.

IMA EXPLORATION INC. (IMR-AMEX, IMR-TSX.V) ("IMA" or the "Company") is pleased that the Rule Family Trust continues to buy shares of the company and now holds 10,094,100 common shares representing 19.36 percent of IMA's outstanding common shares (as press released October 28, 2008). The Rule Family Trust owns Global Resource Investments Ltd., a full service brokerage firm that focuses on natural resource investments worldwide. Led by Chairman Rick Rule, the company has built an international reputation for its specialist expertise in sourcing global investment opportunities in the mining, oil and gas, alternative energy, agriculture, forestry, and water industries.

The company knows of the excellent track record of Mr. Rule over the more than 25 years of investing in the natural resource sector. Like IMA's management, Mr. Rule has lived through and thrived during many market cycles and he sees IMA as a well-positioned company offering fundamental value in this economic phase.

"We are very excited to have such a successful resource investor build a larger position in our company and for us to have the ability to call on his expertise and contacts within the sector. We will make full use of Mr. Rule's advice" stated Joseph Grosso, president and chief executive officer of IMA. "Current market conditions offer unprecedented investment and acquisition opportunities at vastly discounted prices. Rick's market knowledge and reputation combined with our company's significant cash position will lead IMA towards its goal of increasing shareholder value."

IMA is a Vancouver based exploration company with over \$23M in its treasury. The acquisition of the Island Copper Project is Phase I of IMA's business strategy and aligns with the Company's objective to acquire projects that contain established resources, near-term cash flow and offer significant opportunities for expansion through continued exploration. A PowerPoint presentation on the project is available on the Company's web site (www.imaexploration.com).
