This Proxy Statement and the accompanying materials are being mailed on or about August 17, 2006, to holders of record of the Common Stock, par value \$.01 per share, of the Company (the “Common Stock”) as of the record date. This solicitation is being made by management. All costs related to this solicitation are being borne by the Company.

On that date, 9,385,027 shares of Common Stock of the Company were outstanding and entitled to vote. Holders of record of Common Stock on the Record Date will be entitled to one vote for each share held on all matters properly brought before the Annual Meeting.

The presence at the Annual Meeting in person or represented by proxy of a majority of the outstanding shares of Common Stock entitled to vote thereat will constitute a quorum for the transaction of business. If a share is deemed present at the Annual Meeting for any one matter, it will be deemed present for purposes of determining the presence of a quorum for all other matters presented to the meeting. Votes withheld from any nominee for election as a director, abstentions, and shares held by a nominee for a beneficial owner that are voted on any matter which may come before the meeting, will be deemed present for purposes of determining the presence of a quorum.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. With respect to the election of directors, stockholders may vote in favor of all nominees, withhold their votes as to all nominees or withhold their votes as to specific nominees. Stockholders should specify their choices on the accompanying proxy card. If no specific instructions are given, the shares represented by a signed proxy will be voted FOR the election of all management nominees for election as directors, except as otherwise required by law. Directors will be elected at the Annual Meeting by a plurality of the votes cast in person or represented by proxy. The affirmative vote of a majority of all of the outstanding shares of Common Stock on the Record Date, either in person or by proxy is necessary for approval of the name change. Any stockholder of record returning the accompanying proxy card may revoke such proxy at any time prior to its exercise by (i) giving written notice to the Company of such revocation, (ii) voting in person at the Annual Meeting, or (iii) executing and delivering to the Company a later-dated proxy. Written revocations and later-dated proxies should be sent to Data Systems & Software Inc., 200 Route 17, Mahwah, New Jersey 07430, Attention: Secretary.

Commencing ten days before the date of the Annual Meeting, an alphabetical list of the names and addresses of the stockholders of record as of the Record Date will be available at our principal executive offices, 200 Route 17, Mahwah, New Jersey 07430, for inspection by any stockholder during normal business hours for any purpose germane to the Annual Meeting.

CORPORATE GOVERNANCE MATTERS

Meetings of the Board of Directors

During 2005 the Board of Directors met 13 times. Each incumbent director who served as a director in 2005 attended at least 75% of the aggregate of (i) the total number of meetings of the Board of Directors held (during the 2005 period for which the director served) and (ii) the total number of meetings held during 2005 by each committee of the Board of Directors on which such director served (during the period for which such director served).

Audit Committee

We have an Audit Committee that was established by our Board of Directors for the purpose of overseeing our accounting and financial reporting processes and audits of our financial statements by our independent auditors. The members of the Audit Committee are Mr. Yurman (Chairman), Dr. Zentman and Mr. Levine. Each of the members of the Audit Committee meets the independence and experience requirements of both the SEC and the NASDAQ Marketplace Rules.

It is contemplated that after the Annual Meeting, the Board of Directors will fill the vacancies on the Audit Committee caused by the departure of Mr. Yurman and Mr. Levine. In connection with such appointment, the Board will formally consider whether each of the new appointees to the Audit Committee meets the independence and experience requirements of the SEC.

Audit Committee Financial Expert

Our Board has determined that Mr. Shane Yurman, who currently serves as the Chairman of our Audit Committee, is an "audit committee financial expert" as defined in Item Regulation S-K Item 401(h)(2). Mr. Yurman is independent in accordance with SEC and NASDAQ Marketplace Rules. It is expected that one or more members of the newly constituted Audit Committee will qualify as an "audit committee financial expert."

Other Committees

The Board of Directors does not have any other committees. The company is not required by law to have a nominating committee. Nominations to the Board are acted upon by the entire Board and require a majority approval. The Board uses established policies and procedures for director nominations. The Board identifies potential director candidates from a variety of sources, including recommendations from current Directors or management, recommendations of

security holders, or any other source that the Board has deemed appropriate.

In considering candidates for the Board of Directors, the Board evaluates the entirety of each candidate's credentials, such as (i) business or other relevant experience; (ii) expertise, skills and knowledge; (iii) integrity and reputation; (iv) the extent to which the candidate will enhance the objective of having directors with diverse viewpoints and backgrounds, (v) willingness and ability to commit sufficient time to Board responsibilities; and (vi) qualification to serve on specialized board committees (such as the Audit Committee).

Our stockholders may recommend potential director candidates by contacting the Secretary of the Company to receive a copy of the procedure to recommend a potential director candidate for consideration by the independent directors, who will evaluate recommendations from stockholders in the same manner that they evaluates recommendations from other sources.

Policy Regarding Director Attendance at Annual Stockholders Meetings

The Board of Directors encourages directors to attend the Company's Annual Meeting of Stockholders, whether or not a meeting of the Board of Directors is scheduled for the same date of the Annual Meeting. As an incentive to attend annual meetings, the Board of Directors pays the standard attendance fee to directors who attend Annual Meeting, whether or not there is a meeting of the Board of Directors held afterwards.

Code of Ethics & Business Conduct

We have adopted a code of ethics that applies to our principal executive officer, principal financial officer, and principal accounting officer or controller, and/or persons performing similar functions. Our code of ethics has previously been filed as an exhibit to our Annual Report on Form 10-K for the year ended December 31, 2003. We have also adopted a Code of Ethics & Business Conduct for all employees, officers and directors. A copy of the Code of Ethics & Business Conduct is available without charge upon written request to the Secretary of the Company.

Stockholder Communication with Board Members

The Board has adopted a procedure to enable our stockholders to contact directors. Any director may be contacted by mail addressed to such director, in care of the Secretary of the Company at the address on the first page of this proxy statement. All such correspondence should be addressed to the director and marked "Confidential-Stockholder Communication."

EXECUTIVE AND DIRECTOR COMPENSATION

Compensation of Directors

Each of our directors is generally paid \$1,000 for each Board or committee meeting which he attends (except if a committee meeting is held on the same day as a Board meeting) and is reimbursed for associated out-of-pocket expenses. Mr. Kerbs, Dr. Zentman and Mr. Levine are each paid \$6,000 per annum plus meeting fees in connection with their service on the Board (and in the case of Mr. Levine and Dr. Zentman, on the Audit Committee). Mr. Yurman is paid \$24,000 per annum plus meeting fees for his service on the Board and as Chairman of the Audit Committee. In 2005, Mr. Kerbs was paid a total of \$6,000, Mr. Yurman was paid a total of \$30,000, Mr. Levine was paid a total of \$10,000, Dr. Zentman was paid a total of \$13,000, and Mr. Morgenstern was paid a total of \$5,000 in connection with their respective service on the Board and the Audit Committee.

Our 1994 Stock Option Plan for Outside Directors provides for awards of non-qualified options to our directors who are not employed by us, or any of our affiliates, and who meet certain other eligibility criteria. Pursuant to the plan, (i) upon first election or appointment to the Board of Directors, each newly elected or appointed eligible director is granted an option to purchase 7,500 shares of our Common Stock and (ii) immediately following each of our Annual Meeting of Stockholders, each eligible director will generally be granted an option to purchase 7,500 shares of our Common Stock. Options granted under the plan have an exercise price per share equal to the fair market value of our Common Stock on the date of issuance and are exercisable beginning on the first anniversary of the date of the grant until the earliest of (i) ten years from the date of grant, (ii) one year from the date on which an optionee ceases to be an eligible director and (iii) 90 days after the date on which the optionee ceases to be a director. The maximum number of shares of our Common Stock in respect of which awards may be granted under the plan is 400,000, of which 30,000 non-expired options are outstanding.

The Company has in the past granted options to directors, including directors who are not employed by us or any of our affiliates, outside of the Plan described above.

It is expected that after the election of the new Board, it will consider new cash and equity compensation arrangements for members of the Board.

Compensation Committee Interlocks and Insider Participation

All matters related to the compensation of executive officers, including the Chief Executive Officer, are acted upon by the full Board of Directors.

In 2005 George Morgenstern served as both a member of our Board of Directors and an officer of the company (Chairman of the Board, President and Chief Executive Officer). During 2005, no member of the Board of Directors who was also one of our officers participated in any deliberations of the Board of Directors or any committee thereof relating to his own compensation or to the compensation of any person to whom he is related. Except as described above, each member of the Board of Directors participated in 2005 in deliberations of the Board of Directors concerning executive officer compensation. During 2005, George Morgenstern engaged in transactions with us in which he was deemed to have an interest. For further information, see "Certain Related Party Transactions" below.

Employment Arrangements

John A. Moore became our President and Chief Executive Officer in March 2006. He does not yet have a formal employment contract and is being compensated at the rate of \$120,000 per annum as approved by the Board of Directors. The Board also approved grants to Mr. Moore of an option to purchase 200,000 shares of our Common Stock at an exercise price of \$2.00 per share, vesting on September 30, 2006 and expiring on March 31, 2011, and an

option to purchase 200,000 shares of our Common Stock at an exercise price of \$2.25 per share, vesting on March 30, 2009 and expiring on March 31, 2011, both subject to certain accelerated vesting provisions.

Through March 2006, George Morgenstern served as our Chairman, President and Chief Executive Officer pursuant to an employment agreement dated as of January 1, 1997, as amended by the First Amendment to Employment Agreement dated as of May 17, 2001, the Second Amendment to Employment Agreement dated as of March 13, 2002, the Third Amendment to Employment Agreement dated as of December 30, 2004 and a Letter Agreement dated as of March 16, 2005 (collectively, the "GM Employment Agreement").

On March 10, 2006 Mr. Morgenstern entered into an Amendment and Assignment of Employment Agreement with us in connection with the sale of our Databit subsidiary pursuant to which Databit assumed all remaining obligations under the GM Employment Agreement, subject to a lump sum payment by us of \$600,000 to Mr. Morgenstern. In connection with the Amendment and Assignment, Mr. Morgenstern releases us from any further obligations under the GM Employment Agreement. Mr. Morgenstern has been retained as a consultant, presently engaged as Chairman of our Board, by way of a Consulting Agreement between himself and the Company, dated March 10, 2006. Such agreement provides for the payment of an annual consulting payment of \$1.00, the assumption by Mr. Morgenstern of the remainder of the payments due under an auto loan after the one-time payment of \$25,000 by the Company towards such loan, and a non-accountable expense allowance of \$65,000 per year. For further information, see "Certain Related Party Transactions" below.

Through March 2006, Shlomie Morgenstern served as the Chief Executive Officer and President of Databit and as our Vice President-Operations pursuant to an employment agreement dated as of August 19, 2004 (the "SM Employment Agreement"). The SM Employment Agreement provided for a four year initial term and subsequent one year renewal terms (unless either party gave notice of non-renewal within 90 days prior to the end of the initial term or a renewal term).

In March 2006, in connection with the sale of Databit, Shlomie Morgenstern's employment with us was terminated pursuant to a termination and release agreement. Pursuant to that agreement, Shlomie Morgenstern agreed to the termination of his employment with us and released us from any future liabilities stemming from the SM Employment Agreement, including the release from any severance obligations. For further information, see "Certain Related Party Transactions" below.

Yacov Kaufman served as Vice President and Chief Financial Officer of the Company and as Executive Vice President and Chief Financial Officer of dsIT until November 2005, pursuant to an employment agreement dated as of January 1, 1999, as amended by the Amendment to Employment Agreement dated as of June 1, 2002, which provided for a salary of \$200,000. Mr. Kaufman resigned as an officer effective November 30, 2005.

Under the terms of the employment agreement with Mr. Kaufman, we were obligated to make certain payments to fund, in part, our severance obligations to him. We were required to pay Mr. Kaufman an amount equal to 150% of his last month's salary multiplied by the number of years (including partial years) that Mr. Kaufman worked for us. This severance obligation, which is customary for executives of Israeli companies, was to be reduced by the amount contributed by us to certain Israeli pension and severance funds pursuant to Mr. Kaufman's employment agreement. In addition, the agreement with Mr. Kaufman provided for an additional payment equal to six times his last month's total compensation, payable at the end of his employment with us. As of December 31, 2005, the unpaid portion of these payments was \$277,000. Payments of the balance of funds due to Mr. Kaufman were made in January 2006. In December 2005, we modified the terms of options to purchase 30,000 shares of common stock previously granted to Mr. Kaufman to allow their exercise until December 2006.

Jacob Neuwirth serves as President and Chief Executive Officer of dsIT pursuant to an employment agreement dated as of December 16, 2001. Mr. Neuwirth's employment agreement provides for a base salary denominated in NIS and linked to Israeli Consumer Price Index linked NIS, which is equivalent to \$175,000 per annum. Mr. Neuwirth is entitled to a salary increase if dsIT achieves certain performance targets. In addition to his base salary, Mr. Neuwirth is entitled to receive a bonus payment equal to 5% of dsIT's net profit before tax. Six months advance notice of termination is required by either party to the agreement and if terminated, Mr. Neuwirth is entitled to an additional

payment equal to six times his last month's total compensation.

Under his employment agreement, Mr. Neuwirth is entitled to a loan of up to \$100,000 from dsIT. As of December 31, 2005 the loan balance plus accrued interest, which is denominated in linked NIS, bears interest at 4% and has no fixed maturity date, had an outstanding balance of \$104,000.

The stock option agreements with our executive officers generally provide for accelerated vesting in the event we have a change in control.

Certain Related Party Transactions

During 2005, we paid approximately \$360,000 for legal services rendered and reimbursement of out-of-pocket expenses to Eilenberg & Krause LLP, a law firm in which Sheldon Krause, a former director and our Secretary and General Counsel, is a member. Such fees related to services rendered by Mr. Krause and other members and employees of his firm, as well as certain special and local counsel retained and supervised by his firm who performed services on our behalf. Mr. Krause is the son-in-law of George Morgenstern, our Chairman.

As reported on the Summary Compensation Table above, Shlomie Morgenstern, the son of George Morgenstern, received compensation during 2005 in connection with his position as Vice President-Operations. In addition, during 2005, Shlomie Morgenstern loaned the Company \$425,000 on a note payable. The note bore interest at the rate of prime plus 3% during the time it was outstanding. The note was repaid in full during 2005. The Company paid approximately \$3,000 of interest to Shlomie Morgenstern with respect to the note.

On March 10, 2006 the Company entered into a Stock Purchase Agreement dated as of March 9, 2006 for the sale of all the outstanding capital stock of its Databit subsidiary to Shlomie Morgenstern, President of Databit and a former Vice President of the Company. The transactions contemplated under the Stock Purchase Agreement, and the related transactions to which the Company, Shlomie Morgenstern and George Morgenstern were parties and which are described herein (collectively, the "Transactions"), were consummated on March 10, 2006.

The closing of the Transactions was conditioned, among other things, on the following:

(a) Termination of the Employment Agreement dated August 19, 2004 among Shlomie Morgenstern, Databit and the Company and the release of the Company from any and all liability thereunder (other than under the related stock option and restricted stock agreements which would be modified as provided described below), including the waiver by Shlomie Morgenstern of any and all severance or change of control payments to which he would have been entitled to thereunder.

(b) Amendment of the option and restricted stock agreements between the Company and Sholmie Morgenstern to provide for acceleration of any unvested grants on the closing of the Transactions and for all options to be exercisable through 18 months from the closing.

(c) The assignment to and assumption by Databit of the obligations of the Company to George Morgenstern under the GM Employment Agreement upon the following terms:

(i) Reduction of the amounts owed to George Morgenstern under the GM Employment Agreement by the lump sum payment described below and the modifications to options and restricted stock agreements described below.

(ii) A release by George Morgenstern of the Company from any and all liability and obligations to him under the GM Employment Agreement, subject to a lump sum payment of \$600,000.

(d) The assumption by Databit of the Company's obligations under the Registrant's leases for the premises in New York City and Mahwah, New Jersey, which provide for aggregate rents of approximately \$450,000 over the next three years.

(e) The delivery by John A. Moore and the other reporting persons on the Schedule 13D dated June 30, 2005 (filed July 11, 2005), as amended, of consent agreements manifesting approval of the Transactions and their fairness, and agreeing not to institute any claims against the parties to the Transactions arising from the Transactions, subject to the fulfillment of certain conditions specified in such consents.

(f) The amendment of the option agreement with George Morgenstern dated December 30, 2004 to provide for the acceleration of the 60,000 options that are not currently vested and the extension of the exercise period for all options held by George Morgenstern to the later of (i) September 2009 and (ii) 18 months after the cessation of service under the new consulting agreement described below.

(g) Execution and delivery by George Morgenstern and the Company of a new consulting agreement for a period of two years, pursuant to which George Morgenstern would serve as a consultant to the Registrant, primarily to assist in the management of the Registrant's dsIT subsidiary for compensation of \$1.00 per year plus a non-accountable expense allowance of \$65,000 per year to cover expected costs of travel and other expenses.

The Transactions were approved by a special committee of the Board comprised of only independent directors acting with the advice of a financial advisor and special counsel engaged by the committee.

On August 7, 2006 the Company entered into a Common Stock Purchase Agreement with Paketeria GmbH, a limited liability company incorporated under the laws of Germany, and certain Paketeria shareholders, including our President and Chief Executive Officer, John A. Moore, and director nominee, Richard Rimer, for the purchase by the Company of an approximately 23% interest in Paketeria for a purchase price of approximately €600,000 (equivalent to approximately \$776,000).

In addition to the Common Stock Purchase Agreement and other agreements, the Company also entered into a Stock Purchase Agreement with John A. Moore and Richard Rimer. Pursuant to that agreement, the Company is entitled through August 2007 to purchase the shares of Paketeria held by Messrs. Moore and Rimer, for an aggregate purchase price of the US dollar equivalent on the date of purchase of €600,000 (approximately \$776,000 at the current exchange rate), payable in Company Common Stock and warrants on the same terms as the Company's recently completed private placement. At the current exchange rate this would result in the issuance of approximately 292,000 shares of Common Stock and warrants exercisable for 73,000 shares of Common Stock. The warrants would have an exercise price of \$2.78 per share and be exercisable through July 31, 2011.

dsIT's Chief Executive Officer, Jacob Neuwirth, has a loan outstanding from dsIT based on a contract from 2001. The loan balance and accrued interest at December 31, 2005 was \$104,000. The loan has no defined maturity date, is denominated in NIS, is linked to the Israeli Consumer Price Index and bears interest at 4%.

The Audit Committee is composed of three directors each of whom meets the independence and experience requirements of both the SEC and the NASDAQ Marketplace Rules. The Audit Committee operates under a written charter adopted by the Board, which was amended during 2004 to reflect recent changes in applicable laws and regulations pertaining to audit committees.

Management is responsible for our internal controls and financial reporting process. The external auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

Kesselman & Kesselman, a member of PricewaterhouseCoopers International Limited ("K&K"), has served as our independent auditors for the two most recently completed fiscal years ended 2004 and 2005. The Audit Committee has met and held discussions with management and K&K. Dear Fellow Shareholder:

My name is John Moore and I am your new CEO. I am an investor who has worked with many great entrepreneurs and have created a history of success in a wide range of businesses. Over the past two years I have purchased over 380,000 shares of DSSI common stock on the open market and, as your CEO, I have a plan to maximize shareholder value. Please visit my websites, www.betthejockey.com and www.edsonmoore.com for more information about my background.

As a holding company, DSSI owns both controlling and strategic equity positions in other companies. DSSI owns a majority stake in dsIT, which has acted as a technology business incubator. dsIT has managed to operate on an approximately cash neutral basis over the past year, while incubating two promising businesses in port security and oncology protocol management. We are actively seeking partners to help us fund and grow these businesses

DSSI also owns 24% of Comverge, and is Comverge's largest shareholder. Comverge had its genesis as the Powercom division of DSSI's dsIT subsidiary. Comverge provides clean, low-cost peak electric capacity reduction achieved through Demand Response solutions and technologies, such as its patent pending fully outsourced Virtual Peaking Capacity(TM) offering

DSSI's current and going-forward challenge is to find new, attractive acquisition opportunities. We are looking for great entrepreneurs with companies who have already eliminated technology and market risk but who need capital to *accelerate* their business' growth phase. I believe we will be able to make handsome returns by buying or making significant investments in businesses with proven products near breakeven. We recently completed an equity financing in which we raised approximately \$3 million, which we intend to use to develop our pipeline of business opportunities.

I am also currently evaluating other opportunities for DSSI. I look globally for businesses that solve macroeconomic problems and have "ready for market strategies" that will provide strong shareholders returns with limited downside.

To accomplish our goal of building shareholder value we seek to add three new Board members with proven entrepreneurial and finance experience. Richard Rimer, recently retired at age 41 as a partner at Index Ventures, a \$1 billion fund that was an early investor in Skype. Richard was previously a founder and CFO of Europe's first mail service pharmacy. Kevin Wren has spent over 30 years in consumer banking and recently retired as a Vice Chairman of MBNA America, the second largest issuer of credit cards in North America. Rick Giacco heads two plastics technology companies and was previously the Associate General Counsel for Safeguard Scientifics. I have asked George Morgenstern, our Founder, and Sam Zentman, a recently retired textile executive, to remain on the Board. Great thanks are owed to Eli Levine and Shane Yurman for their years of service on the Board.

An important part of our approach to shareholder value is keeping costs down. We have greatly reduced our overhead expenses with the sale of Databit and appropriate downsizing of our headquarters expenses to the minimum level necessary to support our holding company activities.

We recently made an investment in our investor relations efforts by retaining Bibicoff & Associates, Inc. Harvey Bibicoff is a substantial shareholder in DSSI and has a unique approach to help companies maximize their market potential. I invite you to e-mail Harvey at harvey@bibicoff.com or call him at (818) 379-8500.

Being one of the largest individual investors in DSSI, my intent is to maximize shareholder value for all of us. If you have any questions or concerns, please contact me directly at (302) 993-0541 or by email, jamoore@dssiinc.com. Also, I encourage you to attend our annual shareholder meeting on Friday, September 15th at 10:00 a.m. in the Grant Room at the Union League Club, at 38 East 37th Street at Park Avenue, New York City. I would like to meet you and tell you our story in person.

Sincerely,
John A. Moore
