INTRODUCTION

EDLA Family Partnership. (“EDLA” collectively with the other participants in this solicitation, “we ” “us ” or “Participants”), is furnishing this Consent Solicitation Statement (the “Consent Statement”) in connection with our solicitation of written consents from the holders of common stock, par value \$.001 per share (the “Common Stock”), of Parks! America, Inc. (“Parks!” or the Corporation ”), a Nevada corporation with principal executive offices at 1300 Oak Grove Road, Pine Mountain, GA 31822, to take the following actions without a stockholders’ meeting in accordance with Nevada law:

(1) To elect the following individuals (the “Nominees”) as directors of the Corporation, to serve until the next annual meeting and until their successors are elected and qualified (Proposal 1); and

Larry Eastland;
Queenie Lai;
Michael Lempres;
Jack Klosterman;
Roderick Davies;
Mark D. Stubbs,
Bart Marcois;
Jonathan Wing Lock, So; and
Richard Nguyen Huu Nam.

(2) To amend Article IV, Section 4.4 of the Corporation’s By-Laws, as amended from time to time (the “By-laws ”) to increase the number of directors to 15 (Proposal 2 ”).

WE ARE MAKING THIS CONSENT SOLICITATION ON OUR OWN BEHALF AND NOT BY OR ON BEHALF OF PARKS!. WE ARE ASKING THE STOCKHOLDERS OF THE CORPORATION TO ACT BY WRITTEN CONSENT WITH RESPECT TO THESE PROPOSALS ON THE ACCOMPANYING CONSENT CARD.

A consent solicitation is a process that allows a company’s stockholders to act by submitting written consents to any proposed stockholder actions in lieu of voting in person or by proxy at an annual or special meeting of stockholders. Whereas at special or annual meetings of stockholders at which a quorum is present, proposed actions generally only require that a majority of the votes cast at such meeting by the holders of shares present in person or represented by

proxy and entitled to vote thereon vote in favor of a proposal, a written consent solicitation requires the majority vote of all outstanding shares of a company, unless a higher vote is required. A higher vote is not required for the stockholders to pass these Proposals.

This Consent Statement and the enclosed consent card are first being furnished to certain stockholders of Parks! on or about [____], 2009.

Pursuant to Section 78.320 of the Nevada Revised Statute ("NRS"), for the Proposals to be effective, the Corporation must receive properly completed and duly delivered unrevoked written consents to the Proposals from holders of record of a majority of the shares. We anticipate soliciting consents beginning on the day this Consent Statement is first provided to stockholders until such time as we have received consents from a majority of the issued and outstanding shares Common Stock. Upon receiving consents from a majority of the issued and outstanding shares of Common Stock entitled to vote on the Proposals, we shall submit such consents to the Corporation at which time the consents shall be irrevocable. Prior to us submitting such consents to the Corporation, the consents shall be revocable as provided for below.

THE SECURITIES AND EXCHANGE COMMISSION HAS NOT PASSED UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED IN THIS DOCUMENT. ANY REPRESENTATION TO THE CONTRARY IS UNLAWFUL.

OUR CONCERNS AND PAST ACTIONS

We beneficially own approximately 23% of Parks! Common Stock and have long been concerned about Parks! stock price performance and the quality of leadership and corporate governance. We believe that a fundamental tenet of stockholder democracy is that management must be accountable to the stockholders. At present, none of the serving directors have been elected by the stockholders. Instead, they have been appointed to their current positions by the other members of the board. Additionally, these same directors also service as the Corporation's officers. This creates an inherent conflict of interest. We propose to increase the number of independent directors on the Corporation's board. We believe that once a majority of the board is independent, and nominated by a majority of the shareholders, that management's interest will be better aligned with that of the shareholders.

Although we strongly believe that the adoption of the Proposals will serve to increase stockholder value, we can give no assurances that approval of the Proposals will produce that intended result. Nor can we assure you that that the newly composed board, or any successor officers which they may appoint, will be more effective at increasing stockholder value or making strategic decisions that will better serve all stockholders.

On June 25, 2009, we sent an open letter to the Corporation's board of directors and a Written Demand for a special meeting of the shareholders as provided for in Article III Section 3.3 of the Corporation's By-Laws. The purpose as stated in the written demand was for the election of several nominees included in this consent. A copy of the letter and demand were filed with the Securities and Exchange Commission ("SEC") as Exhibit 2 to our Schedule 14A, as amended, filed on July 6, 2009.

On July 2, 2009, we received a response from the Corporation's board of directors informing us that the board would call an annual meeting at their discretion. This response is in direct contradiction to the Corporation's bylaws. A copy of the letter is attached as Annex 3 hereto.

The various letters, notices and demands described above are qualified in their entirety by reference to the full text of each such letter, notice or demand. Stockholders are strongly encouraged to review each such letter, notice or demand on the SEC's website.

WE RECOMMEND THAT YOU CONSENT TO ALL OF OUR PROPOSALS

Approval of each of the Proposals requires the affirmative consent of the holders of a majority (i.e., more than 50%) of the issued and outstanding shares of Common Stock on the Record Date (as defined below). Although we encourage you to consent to each Proposal, you have the right to consent to some of the Proposals without consenting to all of the Proposals.

YOUR CONSENT IS IMPORTANT!

TO CONSENT TO OUR PROPOSALS, PLEASE PROMPTLY SIGN, DATE AND RETURN THE ENCLOSED CONSENT CARD.

If your shares of Common Stock are held in your own name, please sign, DATE and mail or hand-deliver the enclosed consent card today in the enclosed postage-paid envelope to Regan & Associates, Inc. at the address below.

3

If your shares of Common Stock are held in "Street Name," only your bank or broker can execute a consent on your behalf, but only upon receipt of your specific instructions. Please sign, DATE and mail or hand-deliver the enclosed consent instruction form to your bank or broker today in the postage-paid envelope provided. To ensure that your consent is effective, please contact the persons responsible for your account and instruct them to execute the consent card on your behalf and make sure to DATE the consent.

FACTS ABOUT OUR SOLICITATION OF CONSENTS

We may solicit consents by mail, advertisement, telephone, facsimile, e-mail, or in person. Solicitations may be made by our agents and/or their employees, none of whom will receive any additional compensation for such solicitations. We will request banks, brokerage houses and other custodians, nominees and fiduciaries to forward all of our solicitation materials to the beneficial owners of the shares of Common Stock which such individuals or entities hold of record. We will reimburse these record holders for customary clerical and mailing expenses incurred by them in forwarding these materials to the beneficial owners of the Common Stock.

EDLA has retained Regan & Associates, Inc. ("Regan") to conduct the solicitation, for which Regan is to receive a fee of \$5,000, plus reimbursement for reasonable out-of-pocket expenses. It is anticipated that Regan will employ approximately 6 persons to solicit consents from Park! Shareholders. The total expenditures in furtherance of, or in connection with, the solicitation of consents is approximately \$10,000 to date, and is estimated to be \$100,000 in total.

EDLA will pay all costs associated with this solicitation of consents. EDLA intends to seek reimbursement for the costs and expenses associated with the solicitation in the event that any of the Nominees are elected to the Corporation's board of directors, but does not intend to submit the issue of reimbursement to a vote of the security holders.

VOTING RULES AND PROCEDURES

The shares of Common Stock are the only class of capital stock of the Corporation entitled to consent to and authorize the Proposals. Every holder of Common Stock on the Record Date is entitled to one vote for each share of Common Stock held.

The record date for determining stockholders entitled to consent and authorize the Proposals is the day on which we receive consents representing a majority of the issued and outstanding shares of Common Stock ("Record Date"). As set forth in the Parks!'s 2009 10-Q filing, there 53,606,537 shares of Common Stock outstanding and entitled to vote as of August 12, 2009.

The Proposals will each be approved upon the affirmative vote of a majority of all shares of the Common Stock of the Corporation then outstanding. Only shares of Common Stock that are voted in favor of a particular proposal will be counted toward such proposal's attaining a majority of votes.

An executed consent card may be revoked at any time prior to us submitting consents representing a majority of the issued and outstanding shares of Common Stock and voting in favor of the Proposals by marking, dating, signing and delivering a written revocation. A revocation may be in any written form validly signed by the record holder as long as it clearly states that the consent previously given is no longer effective. The delivery of a subsequently dated consent card that is properly completed will constitute a revocation of any earlier consent. The revocation may be delivered either to the Corporation or to Regan. Although a revocation is effective if delivered to the Corporation, we request that either the original or photostatic copies of all revocations of consents be mailed or delivered to Regan at the address set forth above, so that we will be aware of all revocations and can more accurately determine if and when consents to the Proposals have been received from the holders of a majority of the outstanding shares.

CONSENT PROCEDURE UNDER NEVADA LAW

NRS 78.320 generally provides that, unless otherwise provided in the articles of incorporation or the bylaws, any action required or permitted to be taken at a meeting of the stockholders may be taken without a meeting if, before or after the action, a written consent thereto is signed by stockholders holding at least a majority of the voting power, except that if a different proportion of voting power is required for such an action at a meeting, then that proportion of written consents is required.

The Corporation's certificate of incorporation does not prohibit, and therefore permits, the Corporation's stockholders to act by written consent. In addition, Article III Section 3.15 of the Corporation's By-laws permit the stockholders to act by written consent.

We intend to notify Parks!'s stockholders, to the extent permitted by law, of relevant information regarding the consent solicitation via press release(s) that will also be filed with the SEC.

(1) Does not include a stock grant of 25,000 common shares as compensation for services provided as a director. The grant was valued at less than \$10,000.

Employment Agreements and Arrangements

On February 1, 2005, the Corporation entered into an employment agreement with Larry Eastland, who was at the time the Corporation's President and CEO. The agreement provided for a base annual salary of \$120,000, for part-time employment until a second theme park was acquired. The agreement has a base term of three (3) years and is effective retroactively as of February 1, 2005. The agreement was thereafter renewable for additional periods of two (2) years, unless the Corporation provided notice to the contrary. Upon the Corporation's acquisition of a second theme park, the base annual salary would adjust to \$170,000.

In addition, Dr. Eastland was entitled to receive an annual cash bonus based upon a percentage of our pre-tax income (as defined therein) for each fiscal year covered by the employment agreement at a percentage of 2%. No bonus is payable unless and until the Company earns pre-tax income in excess of \$500,000. Each of the employment agreements also provides for the payment of additional severance compensation, in amounts based on a formula of not less than three (3) times the executive's then current base salary, at any time during the term thereof when either of the following occurs: (i) the agreement is terminated by us without cause (as defined therein), or (ii) terminated by the executive due to a change in control (as defined therein). These agreements also entitle the officers to participate in

the Stock Option Plans. Upon hiring additional marketing personnel, we may enter into additional employment agreements, which we anticipate may contain similar terms to our existing employment agreements.

Mr. Eastland resigned as Chairman and Chief Executive Officer of the Company effective March 28, 2009. In connection with his resignation, the Company entered into a mutual release with Mr. Eastland and also agreed to a severance package under which Mr. Eastland would continue to receive his base salary for a period of six months.

TRANSACTIONS WITH NOMINEES

Except as described below, since the beginning of the Corporation's last fiscal year, no Nominee has been a party to a transaction, or any currently proposed transaction, in which the Corporation was or is to be a participant and the amount involved exceeds \$ 120,000, and in which any Nominee had or will have a direct or indirect material interest:

Information regarding disclosure of employment relationships or transaction involving nominees who were previously directors or executive officer and any related compensation solely resulting from that employment relationship or transaction is incorporated by reference from section of this Consent Solicitation entitled "Compensation."

PROPOSAL 2 AMENDMENT OF BYLAWS

Article IV Section 4.4 of the By-Laws states:

"The Board shall consist of no fewer than one (1) and no more than eleven (11) directors. The corporation shall have three (3) directors until that number is changed in accordance with these Bylaws. If the shareholders elect a greater or lesser number of directors than is specified in this section, then election of that number shall automatically amend these Bylaws to increase the number of directors to the number elected."

At present, it is not clear whether the By-Laws have been properly amended to allow for more than three (3) directors. Although the amendment to the By-Laws will automatically occur upon the approval of Proposal 1, we are none the less submitting the Proposal to the stockholders and seeking their consent for purposes of transparency and good corporate governance.

WE RECOMMEND THAT YOU CONSENT TO THIS PROPOSAL 2 RELATING TO THE AMENDMENT OF THE BY-LAWS.

DISSENTER'S RIGHTS OF APPRAISAL

Stockholders have no dissenter's rights of appraisal of similar rights with respect to the Proposals.

(1) Under Rule 13d-3 under the Exchange Act, certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by that person (and only that person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership with respect to the number of shares of our common stock actually outstanding at May 5, 2009.

(2) Based upon 52,106,537 shares of common stock issued and outstanding as of May 5, 2009 except that shares of common stock underlying options or warrants exercisable within 60 days of the date hereof are deemed to be outstanding for purposes of calculating the beneficial ownership of securities of the holder of such options or warrants.
