Equity Purchase Agreement

On November 4, 2011, MusclePharm Corporation (the “Company”) entered into an Equity Purchase Agreement (the “Equity Purchase Agreement”) and a Registration Rights Agreement (the “Registration Rights Agreement”) with Southridge Partners II, LP (the “Investor” or “Southridge”), a limited partnership organized and existing under the laws of the State of Delaware.

Pursuant to the Equity Purchase Agreement, the Investor shall commit to purchase up to Ten Million Dollars (\$10,000,000) of the Company’s common stock over the course of twenty-four (24) months commencing on the effective date of the initial Registration Statement (as defined below), covering the Registrable Securities (as defined below) pursuant to the Equity Purchase Agreement. The put option price is ninety-four percent (94%) of the average of the two lowest closing bid prices of any two applicable trading days during the five (5) trading day period commencing on the day after (i) a put notice is delivered to the Investor and (ii) estimated put shares are delivered and cleared through the Investor’s brokerage account, in the manner provided by the Equity Purchase Agreement.

The “Registrable Securities” include the put shares and any securities issued or issuable by way of exchange, stock dividend or stock split or in connection with a combination of shares, recapitalization, merger, consolidation or other reorganization or otherwise.

Under the terms of the Registration Rights Agreement, the Company is obligated to file a registration statement (the “Registration Statement”) with the U.S. Securities and Exchange Commission (the “SEC”) to cover the Registrable Securities. The amount of the Registrable Securities required to be included in the initial Registration Statement shall be no less than the maximum amount of common stock permitted by the SEC to be included in a Registration Statement pursuant to Rule 415 (the “Rule 415 Amount”) promulgated under the Securities Act of 1933, as amended (the “Act”), and shall file additional Registration Statement(s) to register additional Rule 415 Amounts until all the Registrable Securities are registered.

In connection with the Equity Purchase Agreement, the Company (i) issued to the Investor 500,000 five-year warrants to purchase shares of the Company’s common stock at an exercise price equal to 120% of the average of the closing prices of the common stock during the twenty trading days during which the common stock has traded prior to the exercise date.

Series C Purchase Agreement

Additionally, on November 4, 2011, the Company entered into an exchange and purchase agreement (the “Series C Agreement”) with Southridge, pursuant to which the Company issued to Southridge 190 shares of the Company’s Series C Preferred Stock in exchange for (i) \$100,000 cash and (ii) the elimination of \$90,000 worth of accrued fees to Southridge.

The above descriptions of the Equity Purchase Agreement, Registration Rights Agreement, warrant and Series C Agreement do not purport to be complete and are qualified in their entirety by the full text of such documents.

Item 3.02 Unregistered Sales of Equity Securities.

See Item 1.01 above.

In addition, the Company is relying on an exemption from the registration requirements of the Act for the private placement of our securities under the Equity Purchase Agreement pursuant to Section 4(2) of the Act and/or Rule 506 of Regulation D promulgated thereunder. The transaction does not involve a public offering, the Investor is an “accredited investor” and/or qualified institutional buyer and the Investor has access to information about us and its investment.
