BACKGROUND AND REASONS FOR MR. CHOI'S SOLICITATION

Between May 2005 and July 2007, Mr. Choi, an entrepreneur and an investor with a keen interest in biomedical sciences, purchased 1,557,069 shares of the Company's common stock at a cost of approximately \$3.98 million. Following his investment in July 2007, Mr. Choi engaged in discussions with the Company's management concerning a position for himself and a nominee of his choice to the Company's six-person Board of Directors. As a result of that negotiation, from March 2008 through August 2011, Mr. Choi served on the Company's Board. Following his appointment to the Board, Mr. Choi became frustrated with what he perceived as a tendency by the remaining members of the Board to approve without question decisions regarding the management of the Company made by the then Chief Executive Officer. Therefore, on May 9, 2011, Mr. Choi gave notice to the Company that he intended to nominate certain individuals for election to the Board. Due to the fact that Mr. Choi's stock was not owned of record, but was instead held in his brokerage account, the Company deemed his notice to be defective and prevented Mr. Choi from having his nominees considered for election as directors. At that meeting, a group consisting of David I. Portnoy, Mark L. Portnoy, Jonathan H. Wheeler, M.D., George Gaines, Harold D. Berger, Partner Community, Inc., uTIPu Inc., Mayim Investment Limited Partnership, Jamie H. Zidell, Deborah Portnoy, Lynne Portnoy, Gilbert Portnoy, Capital Asset Fund #1 Limited Partnership and Charles W. Northcutt, Jr. (the "Dissenters") succeeded in challenging the Company's nominations to the Board of Directors and in obtaining stockholder approval of the five persons nominated by the Dissenters.

Communications between the Participants and the Dissenters/Current Board

From the time the Dissenter's took office on August 25, 2011 until May 30, 2012, there were no material discussions or other communications between the Participants and the Dissenters.

On May 30, 2012, Mr. Choi delivered notice to the Company of his nomination of the Nominees for election as directors at the Annual Meeting.

On June 6, 2012, Mr. Choi delivered a letter to the Company, pursuant to Section 220 of the Delaware General Corporation Law (“DGCL”), demanding that the Company provide to Mr. Choi, within five business days, the Company’s stockholder lists and other records related to ownership of the Company’s outstanding securities, as required by Section 220 of the DGCL.

On June 8, 2012, Mr. Choi received a letter from David Portnoy, in his capacity as Chairman and co-Chief Executive Officer of the Company, confirming that (1) the Company’s board of directors is currently comprised of six directorships and no vacancies; (2) the Company’s bylaws attached as Exhibit 3.1 to its Form 8-K filed March 10, 2008 are in effect as of the date of the letter and no action has been taken by the board to amend such bylaws; and (3) Mr. Choi’s nominations were made timely in compliance with the Company’s bylaws with respect to the advance notice requirements of business to be brought before the Annual Meeting and nominations of directors by record stockholders.

On June 12, 2012, counsel for Mr. Choi delivered a letter to the Company concerning the Company's disclosure, pursuant to its Form 8-K filed June 7, 2012, that the Company's board of directors has increased the number of shares of Company common stock that management is authorized to repurchase from one million to three million shares (the "Repurchase Plan"). The letter raised issues regarding the propriety of the Repurchase Plan under Delaware law and demanded that the Company immediately cease and desist from performing any acts relating to the implementation of the Repurchase Plan and file a new 8-K announcing the withdrawal of the Repurchase Plan.

On June 14, 2012, Mr. Choi received a letter from David Portnoy, in his capacity as Chairman and Co-Chief Executive Officer of the Company, suggesting that he and Mr. Choi speak in the near future. The letter also stated, "We would like to reach an accommodation by offering you two board seats to avoid the disruption and cost that a proxy contest will involve."

On June 14, 2012, counsel for Mr. Choi delivered a letter to the Company advising the Company that because it had failed to respond to Mr. Choi's demand for the Company stockholder lists within five business days, that the Company is in violation of DGCL Section 220, and that Mr. Choi is prepared to file suit in the Delaware Chancery Court to compel the Company's cooperation.

On June 15, 2012, counsel for Mr. Choi received a letter from counsel for the Company asserting the propriety of the Repurchase Plan under Delaware law and that the Dissenters had disclosed in their proxy materials filed August 17, 2011 that a repurchase plan would be "foremost" among the initiatives the board would take if elected. The letter also asserted that since the Company's announcement of the Repurchase Plan, the Company had not repurchased any shares and that any repurchase from the date of the letter forward would not be settled prior to the Record Date and therefore would not affect the base of stockholders entitled to vote at the Annual Meeting.

On June 15, 2012, counsel for Mr. Choi received a letter from counsel for the Company indicating that the Company had received Mr. Choi's June 6, 2012 letter seeking stockholder list information pursuant to Delaware General Corporation Law § 220. Counsel for the Company indicated that the Company would provide the list of record holders as of the record date, but would not provide a list of non-objecting beneficial owners since the Company did not intend to obtain such a list.

Unfulfilled Goals of the Current Board

The Dissenter's 2011 proxy statement promised to seek to eliminate any and all unnecessary costs expended by the Company, reduce executive cash compensation, increase revenues, and to work diligently and intelligently to increase the value of all stockholders' investments in the Company. In Mr. Choi's opinion, as indicated below, the Dissenter's have failed to achieve these stated goals.

Did not Eliminate any and all Unnecessary Costs. Costs and expenses have increased by approximately 12.4% for the quarter ended February 29, 2012 as compared to the quarter ended February 28, 2011.

Did not Reduce Executive Cash Compensation. The Company now has “co-Chief Executive Officers”, Mr. David Portnoy and his brother, Mr. Mark Portnoy. Pursuant to their employment agreements, David Portnoy’s cash compensation is \$225,000 and Mark Portnoy’s cash compensation is \$200,000. In the 2010 fiscal year Mercedes Walton, the Company’s prior Chief Executive Officer, was paid cash compensation of \$371,108 and in the 2009 fiscal year her cash compensation was \$348,100. The combined salaries paid to Messrs. Portnoy exceed these amounts by over \$50,000, not including the expenses associated with providing benefits to two executives rather than one. Furthermore, according to David Portnoy’s employment agreement, the Company is required to pay “reasonable commuting expenses” so that he can commute between his home in Miami, Florida and the Company’s headquarters in Tampa, Florida while Mark Portnoy’s employment agreement requires the Company to pay relocation expenses so that he can relocate his primary residence to Tampa, Florida.

Declining Revenues rather than an Increase. Since the Dissenters took office on August 25, 2011, revenues have declined. Specifically, during the quarter ended February 29, 2012, revenues declined 6.6% as compared to the quarter ended February 28, 2011 and declined approximately 5.8% as compared to the final quarter of the last fiscal year ended November 30, 2011. Moreover, revenues for the quarter ended February 29, 2012 were even 5.2% lower than the revenues for the quarter ended August 31, 2011, which was the lowest revenue quarter that the Company had over the four quarters preceding the quarter ended February 29, 2011.

Stagnant Value of Stockholders' Investments in the Company rather than an Increase. The Company's common stock has experienced significant volatility since August 25, 2011. Nevertheless, for any stockholder who has held shares since that date, the value of those shares has stagnated overall. Specifically, on August 25, 2011, the date of the last annual meeting when the Dissenters took office, the last trade of the Company's common stock was at \$2.35. On June 12, 2012, the last trade of the Company's common stock was at \$2.35. By that measure, the Dissenters have not increased stockholder value.

Poor Use of Cash Reserves. On August 31, 2011 the Company had a total of \$6,875,490 in cash and marketable securities, but on February 29, 2012 that number had decreased to \$4,320,073, a decrease of \$2,555,417. Other than its accounts receivable and its cash, the Company does not have other significant assets. If the Company continues using cash at the rate disclosed in its Quarterly Report on Form 10-Q for the quarter ended February 29, 2012, it could conceivably deplete its cash resources by the end of the fiscal year. Furthermore, on June 7, 2012, the Company disclosed in a Current Report on Form 8-K that the Current Board had increased the number of shares of the Company's outstanding common stock that management is authorized to repurchase from 1 million to 3 million. Mr. Choi believes that embarking on this program could use up all of the Company's cash. The Current Board also approved a payment of \$528,000 to the Portnoy Group as reimbursement for legal fees and expenses related to an action filed by David Portnoy to force a special election in which the Portnoys ultimately lost their proxy campaign in 2007 and for the proxy contest waged in 2011. The payment made to the Portnoy Group as reimbursement for legal fees and expenses related to the action filed by David Portnoy in connection with his failed proxy contest were paid to him, even though the Delaware Chancery Court specifically denied Mr. Portnoy's request for reimbursement. (See *Portnoy v. Cryo-Cell International, Inc.* decided by the Delaware Court of Chancery on January 15, 2008.) Mr. Choi believes that, for a small company like Cryo-Cell, cash reserves are critical to operations and growth. Mr. Choi believes that the Dissenters' historical use of the Company's cash, and its authorization to triple the size of the stock repurchase program, is short-sighted and shows a lack of good judgment.

Mr. Choi believes that the Company has incurred unnecessary expenses in being required to pay salaries and benefits for two Chief Executive Officers instead of one and as a result of the Board's practice of granting stock options and other incentives that are not performance based. If elected, the Nominees intend to immediately begin recruiting one Chief Executive Officer who is qualified and has experience relevant to the position. The Nominees intend to engage a recruiting search firm to identify qualified candidates. Until a suitable Chief Executive Officer is found, the Nominees intend to appoint Dr. Warren Hoeffler, one of the Nominees, as the interim Chief Executive Officer. Dr. Hoeffler is the founder and Chief Executive Officer of Xgene Corporation, a life sciences consulting firm. The Nominees also want to improve the core business of cell storage by seeking to license currently available stem cell and cell freezing technologies in an effort to expand the Company's product line and, potentially, its revenue. The Nominees, if elected, also intend to stop the practice of granting stock options and other incentives that are not performance based.

Continuing Deficiencies in Disclosure Controls and Procedures and Internal Control Over Financial Reporting

The Company disclosed in its Quarterly Report on Form 10-Q for the quarter ended February 29, 2012 that the Company's disclosure controls and procedures and internal control over financial reporting remain ineffective. Mr.

Choi believes that these persistent deficiencies in the Company's disclosure controls and procedures and internal control over financial reporting have contributed to the stagnation of stockholder value.

Conclusion

For these and other reasons, Mr. Choi believes strongly that the Company needs a whole new Board that will exercise good, independent judgment to guide the Company and new executive officers who have experience in this industry.

During the Dissenters' contest for control, Mr. Choi discussed a possible appointment to the Company's Board of Directors in exchange for his agreement to vote his shares in favor of the Dissenters. No agreement with the Dissenters was reached and Mr. Choi did not vote for the Dissenters. In the period following the 2011 Annual Meeting to the present, Mr. Choi became convinced that the Dissenters' management did not result in positive changes in the Company. He reached the conclusion that, in order to effect substantive change and protect the significant investment he had in the Company's stock, he would have to assemble a qualified, independent Board that includes members with relevant industry and public company experience. He believes a change in management is necessary to enhance stockholder value for all stockholders of the Company and to ensure that the Company is being run in the best interests of all stockholders. As the single largest stockholder of the Company, he believes that his interests are squarely aligned with all stockholders. He believes that an election contest is the only means for seeking to improve the overall quality of the Board through the nomination of director candidates who possess extensive industry experience, expertise in managing operations and public company governance and who are truly independent of the Company's management.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Current Board is presently composed of six directors, all of whose terms will expire at the Annual Meeting. For the reasons stated above, Mr. Choi is seeking support at the Annual Meeting to elect the Nominees identified below. In a letter received by Mr. Choi on June 8, 2012, the Company acknowledged that Mr. Choi's nominations were made timely in compliance with the Company's bylaws with respect to the advance notice requirements of business to be brought before the Annual Meeting and nominations of directors by record stockholders. Under the Company's certificate of incorporation and its bylaws, the directors elected at the Annual Meeting will serve in such capacity for a one-year term expiring at the 2013 annual meeting of stockholders or until their successors have been duly elected and qualified, or until their earlier resignation or removal. Unless otherwise stated, each Nominee has sole voting power and sole investment power with respect to the shares of common stock beneficially owned by the Nominee, if any, and each Nominee is the beneficial owner of all shares held of record by the Nominee, if any.

Michael W. Cho, Ph.D. served as a director of the Company from March 2010 until August 25, 2011, the date the Dissenters took control. Dr. Cho was not a nominee for reelection at the Company's annual meeting of stockholders held on August 25, 2011, which is the reason that his term as a director ended on that date. Dr. Cho joined Iowa State University's department of biomedical sciences in September 2009 as an associate professor and associate director of their newly established Center for Advanced Host Defenses, Immunobiotics and Translational Comparative Medicine. In April 2012, he was promoted to professor and he continues to hold the Lloyd Chair in Biomedical Sciences in the College of Veterinary Medicine. On November 25, 2011, Mr. Choi exercised options to purchase 42,500 shares of the Company's common stock and Dr. Cho exercised options to purchase 14,166 shares of the Company's common stock.

Additional Information

Each of the Nominees has consented to be named in this Proxy Statement and to serve as a director of the Company, if elected. If at the time of the Annual Meeting any Nominee is unable to serve or for good cause will not serve as a director, the discretionary authority provided in the proxy will be exercised to vote for a substitute designated by Mr. Choi so long as, if such a substitute is selected, Mr. Choi identifies or nominates the substitute prior to the Annual Meeting, files an amended proxy statement that identifies the substitute nominee, discloses whether the substitute nominee has consented to being named in the amended proxy statement and to serve if elected and includes in the amended proxy statement the disclosure required by Items 5(b) and 7 of Schedule 14A. Mr. Choi has no reason to believe that any of the Nominees will be unable to serve as a director or will have good cause for not serving as a director, if elected. In addition, Mr. Choi reserves the right to nominate substitute persons, in the manner discussed above, if the Company makes or announces any changes to its bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying the Nominees. In any such case, shares represented by the enclosed **GOLD** proxy card will be voted for such substitute nominees. The Company's by-laws do not require any advance notice of substitute nominees.

The Nominees would not be barred from being considered independent under applicable NASDAQ rules and the independence standards applicable to the Company under paragraph (a)(1) of Item 407 of Regulation S-K under the Securities Exchange Act of 1934, as amended. Mr. Choi believes that if the Nominees are elected, there will be a sufficient number of independent directors to serve on the Board's Audit Committee, Compensation Committee and Governance Committee. He further believes that Mr. Badlani qualifies as an "audit committee financial expert" as defined by the SEC rules.

Other than as described in this Proxy Statement, as of June 18, 2012, none of the six Nominees for director named in this Proxy Statement nor any other Participants in this solicitation nor any other person who may solicit proxies on their behalf:

- has purchased or sold any class of securities of the Company within the past two years;

has, during the past ten years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors);

is a party to an arrangement or understanding pursuant to which he is proposed to be elected or has a substantial interest, direct or indirect, by security holdings or otherwise, in any matter to be acted on at the Annual Meeting, aside from the election to serve as a director of the Company;

has borrowed funds for the purpose of acquiring or holding any shares of common stock purchased by such person within the past two years;

is now or within the past year has been a party to any contract, arrangement or understanding with any person with respect to any securities of the Company;

had or will have a direct or indirect material interest in any transaction, or series of similar transactions, since the beginning of the Company's last fiscal year, or any currently proposed transaction, or series of similar transactions, to which the Company or any of its subsidiaries was or is to be a party and in which the amount involved exceeds \$120,000; or

has any arrangement or understanding with any person with respect to any future employment with the Company or its affiliates or any future transactions to which the Company or any of its affiliates will or may be a party.

There are no present plans, understandings or arrangements whereby any of the Nominees for election as directors will acquire any of the Company's operations or assets.

You are being asked to elect the Nominees. The enclosed **GOLD** proxy card may only be voted for the Nominees and does not confer voting power with respect to the Company's nominees. Accordingly, you will not have the opportunity to vote for any of the Company's nominees if you return the **GOLD** proxy card that we provide to you. You can only vote for the Company's nominees by executing a proxy card provided by the Company. The persons named as proxies in the accompanying **GOLD** proxy card intend to vote "FOR" the Nominees identified above unless specifically instructed to the contrary by the person executing the proxy card.

You are urged to vote FOR the election of the Nominees named above as directors of the Company by completing, signing, dating and mailing promptly the enclosed GOLD proxy card in the postage-paid envelope provided.

PROPOSAL NO. 2

THE COMPANY'S PROPOSAL TO RATIFY

THE APPOINTMENT OF INDEPENDENT

PUBLIC ACCOUNTANTS

The Company is asking its stockholders to ratify the appointment of Grant Thornton LLP as independent public accountants for the Company's fiscal year ending November 30, 2012. Mr. Choi does not object to the ratification of the appointment of Grant Thornton LLP as the Company's independent public accountants for the Company's fiscal year ending November 30, 2012. While this proposal also appears on the proxy card you may have received from the Company, you cannot vote for Mr. Choi's Nominees on that proxy card, and thus we request that you use the **GOLD** proxy card to vote on this matter. If you return the **GOLD** proxy card and no marking is made, you will be deemed to have given a direction to vote all the shares represented by the **GOLD** proxy card for this Proposal.

PROPOSAL NO. 3

THE COMPANY'S PROPOSAL TO APPROVE

THE 2012 EQUITY INCENTIVE PLAN

The Company is asking its stockholders to approve the 2012 Equity Incentive Plan. Mr. Choi objects to approving the Company's 2012 Equity Incentive Plan. Mr. Choi believes that until the Company's performance is improved, no awards should be made from the 2012 Equity Incentive Plan, especially not to members of the Current Board and current management. Mr. Choi believes that if the 2012 Equity Incentive Plan fails to be approved by the stockholders at the Annual Meeting, the future issuance of awards under such plan to members of the Current Board and current management will be much less likely. While the proposal regarding approval of the 2012 Equity Incentive Plan also appears on the proxy card you may have received from the Company, you cannot vote for Mr. Choi's Nominees on that proxy card, and thus we request that you use the **GOLD** proxy card to vote on this matter. If you return the **GOLD** proxy card and no marking is made, you will be deemed to have given a direction to vote all the shares represented by the **GOLD** proxy card against this Proposal.

VOTING INFORMATION

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Each share of common stock is entitled to one vote. Stockholders who sell shares before the Record Date (or acquire them without voting rights after the Record Date) may not vote those shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell their shares after the Record Date. Based on publicly available information, Mr. Choi believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the common stock. Shares represented by properly executed **GOLD** proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the Nominees to the Board, FOR the ratification of the appointment of Grant Thornton LLP as independent public accountants for the Company's fiscal year ending November 30, 2012, AGAINST the approval of the 2012 Equity Incentive Plan and in the discretion of the persons named as proxies on all other matters as may properly come before the Annual Meeting. If your shares are held in "street name," whether through a broker, bank or other nominee, only such bank, broker or other nominee can sign the **GOLD** proxy card with respect to your shares. You are therefore urged to contact the person(s) responsible for your account and give them instructions for how to complete a **GOLD** proxy card representing your shares so that a **GOLD** proxy card can be timely returned on your behalf. You also should confirm in writing your instructions to the person(s) responsible for your account and provide a copy of those instructions to our proxy solicitor, Alliance Advisors, LLC, so that they can attempt to ensure that your instructions are followed. If you wish instead to vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other nominee.

QUORUM

In order to conduct any business at the Annual Meeting, a quorum must be present in person or represented by valid proxies. A quorum consists of stockholders holding a third of the total number of shares of the Company then issued and outstanding on the records of the Company and entitled to vote. All shares that are voted “FOR,” “AGAINST” or “ABSTAIN” (or “WITHHOLD” in the case of election of directors) and broker non-votes on any matter will count for purposes of establishing a quorum and will be treated as shares entitled to vote at the Annual Meeting.

VOTES REQUIRED FOR APPROVAL

Election of Directors. A plurality of the total votes cast by holders of the shares entitled to vote at the Annual Meeting for the Nominees is required for the election of directors, and the six nominees who receive the most votes will be elected (assuming a quorum is present). Both a broker non-vote and a vote to “WITHHOLD” for any nominee for director will be counted for purposes of determining the quorum, but will have no other effect on the outcome of the vote on the election of directors. Stockholders do not have the right to cumulate their votes in the election of directors.

Ratification of Appointment of Grant Thornton LLP. The affirmative vote of the holders of stock having a majority of the votes cast by the holders of all of the shares of stock present or represented and voting at the Annual Meeting is required to approve the ratification of the appointment of Grant Thornton LLP (assuming a quorum is present).

Approval of the Company’s 2012 Equity Incentive Plan. The affirmative vote of the holders of stock having a majority of the votes cast by the holders of all of the shares of stock present or represented and voting at the Annual Meeting is required to approve the ratification of the Company’s 2012 Equity Incentive Plan (assuming a quorum is present).

With respect to the ratification of the appointment of Grant Thornton LLP, the approval of the Company’s 2012 Equity Incentive Plan and any matters other than the election of directors to be voted on at the Annual Meeting, abstentions and broker non-votes will not be taken into account and will have no effect on the outcome.

ABSTENTIONS AND WITHHOLDS

Abstentions and, in the case of the elections of directors, withholds will count as votes present for the purpose of determining whether a quorum is present. Abstentions will have no effect on the proposal to ratify the appointment of

Grant Thornton LLP or to approve the Company's 2012 Equity Incentive Plan, because abstentions do not count as votes cast and the bylaws provide that any matter other than the election of directors shall be decided by a majority of votes cast at a meeting of stockholders by the holders of shares entitled to vote thereon. In addition, withholds will have no effect on the outcome of the election of directors because the bylaws provide that the election of directors shall be determined by a plurality of the total votes cast by holders of the shares entitled to vote on the election and, therefore, assuming a quorum, only affirmative votes for the Nominees will determine the outcome of the election at the Annual Meeting.

DISCRETIONARY VOTING

If your shares are held in "street name," whether through a broker, bank or other nominee, only such bank, broker or other nominee can sign the **GOLD** proxy card with respect to your shares. A "broker non-vote" occurs if you do not give specific voting instructions to your broker, bank or other nominee regarding how to vote your shares on your behalf with respect to the election of directors at the Annual Meeting. In light of the contested nature of Mr. Choi's proxy solicitation, each of the proposals to be voted upon at the Annual Meeting will be considered a "non-routine matter" and brokers do not have discretionary authority to vote your shares of common stock on "non-routine matters." If you fail to provide voting instructions, your broker will have no discretionary authority to vote your shares on your behalf with respect to the election of directors or any of the other proposals to be voted upon and your shares will not be voted. We strongly encourage you to contact the person(s) responsible for your account and give them instructions for how to complete a **GOLD** proxy card representing your shares so that a **GOLD** proxy card can be timely returned on your behalf.

REVOCATION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to the Annual Meeting by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will also constitute a revocation of any earlier proxy. The revocation may be delivered either to Mr. Choi in care of Alliance Advisors, LLC at the address set forth in this Proxy Statement or to the Secretary of the Company at the address provided by the Company in the Company's proxy statement. A revocation is effective if delivered to the Company. Mr. Choi requests that either the original or photocopies of all revocations be mailed to him in care of Alliance Advisors, LLC at the address set forth on the back cover of this Proxy Statement so that he will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares. Additionally, Alliance Advisors, LLC may use this information to contact stockholders who have revoked their proxies in order to solicit later-dated proxies for the election of the Nominees.

If you wish to vote for the election of the Nominees to the board, for the ratification of the appointment of Grant Thornton LLP or against the approval of the Company's 2012 Equity Incentive Plan, please sign, date and return promptly the enclosed GOLD proxy card in the postage-paid envelope provided.

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by Mr. Choi and the other Participants in this solicitation. Proxies may be solicited by mail, fax, telephone, telegraph, email, other Internet media, in person and by advertisements. The expenses of preparing, printing and distributing this Proxy Statement and the accompanying form of proxy and the cost of soliciting proxies will be borne by Mr. Choi. Such expenses are estimated to be approximately \$150,000, of which approximately \$51,000 have been incurred as of June 18, 2012.

Copies of soliciting materials will be furnished to banks, brokerage houses and other custodians, nominees and fiduciaries for forwarding to the beneficial owners of shares of common stock for whom they hold shares, and Mr. Choi will reimburse them for their reasonable out-of-pocket expenses in connection therewith. Mr. Choi has also retained Alliance Advisors, LLC to assist it in the solicitation of proxies. Alliance Advisors, LLC will solicit proxies on behalf of Mr. Choi from individuals, brokers, bank nominees and other institutional holders in the same manner described above. Alliance Advisors, LLC will receive a fee not in excess of \$28,000 for its services to Mr. Choi for the solicitation of the proxies and will be reimbursed for certain expenses. Mr. Choi has also agreed to indemnify Alliance Advisors, LLC against certain claims. Approximately 20 persons will be employed by Alliance Advisors, LLC to solicit stockholders.

Mr. Choi intends to seek, without the vote of the holders of the common stock, reimbursement from the Company, to the extent permitted by law, for expenses incurred in connection with this proxy solicitation.

PARTICIPANTS IN THE SOLICITATION

Under applicable regulations of the SEC, each of the Nominees is deemed to be a “participant” in Mr. Choi’s solicitation of proxies. None of the Nominees or any of their respective “associates” has any arrangement or understanding with any person with respect to future employment or future transactions with the Company. There are no arrangements between any Nominee and any other person, pursuant to which any person is to be selected as such. There is no family relationship between Nominees, except that Mr. Choi and Dr. Cho are brothers-in-law. No Nominee or other Participant has any current plans to engage in any transactions with the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP

REPORTING COMPLIANCE

On May 20, 2011 Mr. Choi filed a Form 4 to report the receipt of stock options on July 14, 2009 and July 27, 2010. Each option grant was for the purchase of 7,500 shares of common stock. The exercise price of the stock options was \$1.58 and \$0.94, respectively.

ABSENCE OF APPRAISAL RIGHTS

Under the Delaware General Corporation Law, you do not have appraisal rights in connection with our solicitation of proxies.
