PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON DECEMBER 12, 2017

INFORMATION CONCERNING THE SOLICITATION

This Proxy Statement is furnished to the holders of Common Stock, \$.01 par value per share (“Common Stock”), of NAPCO Security Technologies, Inc. (the “Company”) in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for the Annual Meeting following Fiscal Year 2017, to be held on December 12, 2017, and at any adjournment thereof (the “Meeting”), pursuant to the accompanying Notice of Annual Meeting of Stockholders. Proxies in the enclosed form, if properly executed and returned in time, will be voted at the Meeting. Any stockholder giving a proxy may revoke it prior to its exercise by attending the Meeting and reclaiming the proxy, by executing a later dated proxy or by submitting a written notice of revocation to the Secretary of the Company at the Company’s office or at the Meeting. Stockholders attending the Meeting may vote their shares in person. This Proxy Statement and the form of proxy will first be mailed to the stockholders on or about November 2, 2017. A copy of the 2017 Annual Report of the Company, including financial statements, is being mailed herewith.

Only stockholders of record at the close of business on October 26, 2017 (the “Record Date”) are entitled to notice of and to vote at the Meeting. The outstanding voting securities of the Company on the Record Date consisted of 18,848,842 shares of Common Stock.

On all matters requiring a vote by holders of the Common Stock, each share of Common Stock entitles the holder of record to one vote. At the Meeting, the holders of record of Common Stock will vote on Item 1, the election of two directors; and Item 2, the ratification of the selection of Baker Tilly Virchow Krause, LLP as the independent registered public accountants; and Item 3, the transaction of any other business as may properly come before the Meeting and requires a vote of the stockholders.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock authorized to vote will constitute a quorum for the transaction of business at the Meeting.

- 2 -

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked "WITHHOLD" with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Item 2 must be approved by a majority of votes cast on the matter by the holders of the shares present at this meeting and entitled to vote on such matter. A properly executed proxy marked "ABSTAIN" with respect to the ratification of the independent registered public accountants will not be voted, although it will be counted for purposes of determining whether there is a quorum. Abstentions will have no effect on the vote for Item 2.

If you are a record holder of shares and do not specify on your proxy card how you want to vote your shares, we will vote them "FOR" the election of all nominees for director as set forth under "Election of Nominees for Directors" below, and "FOR" the ratification of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accountants for fiscal 2017.

If you are a beneficial owner of shares and your bank or brokerage firm does not receive instructions from you about how your shares are to be voted, one of two things can happen, depending on the type of proposal. Under stock exchange rules, brokers have discretionary power to vote your shares with respect to "routine" matters, but they do not have discretionary power to vote your shares on "non-routine" matters. Uninstructed brokers have discretionary voting power as to ratification of Baker Tilly Virchow Krause, LLP as our independent registered public accountants (Item 2), which is considered a routine matter. Uninstructed brokers do not have discretionary voting power as to election of the two nominees for director (Item 1) which is considered a non-routine matter. A bank or brokerage firm may not vote your shares with respect to the non-routine matters if you have not provided instructions. This is called a "broker non-vote."

THEREFORE, THE COMPANY URGES YOU TO SIGN, DATE

AND RETURN THE ENCLOSED PROXY CARD.

Other Directorships

During the past five years, none of the directors or nominees has been a director of any company (other than the Company) which is subject to the reporting requirements of the Securities Exchange Act of 1934 or which is a registered investment company under the Investment Company Act of 1940.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Directors

The Board currently consists of seven directors, four of whom the Board has affirmatively determined have no relationship with the Company or its subsidiaries which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent as defined by the applicable NASDAQ Listing Standards. The four independent directors are Paul Stephen Beeber, Randy B. Blaustein, Arnold Blumenthal and Andrew J. Wilder.

Board Leadership Structure

The Board does not have a policy as to whether or not the roles of Chief Executive Officer and Chairman of the Board should be separate. The Board believes that it should be free to make a choice on the leadership structure of the Board from time to time in any manner that is in the best interests of the Company and its stockholders. Currently, and since 1998, Mr. Soloway has served as the Chairman of the Board, CEO and President.

The Board of Directors has not elected a Lead Independent Director. Mr. Wilder, an Independent Director and Chair of the Audit Committee, leads the executive sessions of the Independent Directors.

Board Oversight of Risk

The Company faces a variety of risks including strategic and operational risks, financial and liquidity risks, compliance risks and financial reporting risks. The Board exercises its oversight of the Company's risks through regular reports to the Board from the Chief Executive Officer, and other members of management on areas of material risk, actions and strategies to mitigate those risks and the effectiveness of those actions and strategies.

- 7 -

In addition, the Board oversees risk through oversight by the Audit Committee. The Audit Committee discusses with management the Company's policies with respect to risk assessment and risk management, including the Company's financial risk exposures and the steps management has taken to monitor and control its risks.

Risks Related to Compensation Policies and Practices

When determining our compensation policies and practices, our Compensation Committee and Board of Directors considered various matters relative to the development of a reasonable and prudent compensation program, including whether the policies and practices were reasonably likely to have a material adverse effect on us. We believe that the mix and design of our executive compensation plans and policies do not encourage management to assume excessive risks and are not reasonably likely to have a material adverse effect on us for the following reasons: we offer an appropriate balance of short- and long-term incentives and fixed and variable amounts and our variable compensation is based on a balanced mix of time-based and performance criteria.

Board Structure and Committee Composition

The Board maintains three standing committees: Audit, Compensation, and Nominating. Each Committee is composed entirely of independent directors as defined in the applicable NASDAQ Listing Standards.

During fiscal 2017, the Board held four meetings. Each director attended at least 75% of all Board meetings and meetings of committees of which such director was a member except for Mr. Blaustein.

Directors are expected to attend the Company's annual meetings of stockholders. All directors attended the last annual meeting of stockholders on December 13, 2016.

NAPCO maintains an "Investors" section on its website, www.napcosecurity.com, setting forth the Company's committee charters for the Audit, Compensation and Nominating Committees.

Audit Committee

The Audit Committee has been established in accordance with Section 3(a)(58)A of the Securities Exchange Act of 1934 as amended. The Audit Committee is responsible for retaining, evaluating and, if appropriate, recommending the termination of the Company's independent auditors. The Audit Committee assists the Board in oversight of (1) the integrity of the Company's financial statements, (2) the Company's independent auditor's qualifications and independence, and (3) the performance of the Company's internal audit function and independent auditors. In addition, the Committee renders its report for inclusion in the Company's annual proxy statement.

- 8 -

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. The Audit Committee held seven meetings in fiscal year 2017. The current members of the Audit Committee are Andrew J. Wilder (Chairman), Paul Stephen Beeber and Arnold Blumenthal, each of whom meets the NASDAQ Listing Standards for the independence of audit committee members. The Board has determined that Andrew Wilder is an audit committee financial expert.

The report of the Audit Committee is included in this proxy statement on page 12.

Compensation Committee

The Compensation Committee assists the Board in discharging its responsibilities relating to compensation of the Company's executive officers. The Compensation Committee determines the compensation of the Company's Chief Executive Officer and the other named executive officers. The Chief Executive Officer makes recommendations on our executive compensation program and the compensation of our named executive officers. In addition, the Committee determines individuals to be granted options under the 2012 Employee Stock Option Plan, the number of options awarded and the term of the options and interprets provisions of such plan. The current members of the Compensation Committee are Randy B. Blaustein (Chairman), Andrew J. Wilder, and Arnold Blumenthal, each of whom meets the NASDAQ Listing Standards for independence for Compensation Committee members. The Board considered the payment of \$6,000 to Mr. Blaustein for tax related services and determined that such compensation would not impair Mr. Blaustein's ability to make independent judgments about the Company's executive compensation.

The Compensation Committee held one meeting in fiscal year 2017.

The report of the Compensation Committee is included in this proxy statement on page 18.

Nominating Committee

The Nominating Committee reviews and makes recommendation to the Board regarding potential candidates for nomination as director.

The Nominating Committee held one meeting in fiscal year 2017. The current members of the Nominating Committee are Arnold Blumenthal (Chairman), Andrew J. Wilder and Randy B. Blaustein.

Director Nomination Process

In connection with the director selection and nomination process, the Nominating Committee reviews the composition of the Board as a whole and considers the experience, mix of skills and other qualities necessary to assure appropriate Board composition, taking into account the current Board members and specific needs of the Company and the Board. The Nominating Committee considers the requirement that at least a majority of the Board members be independent as required by applicable laws and regulations and also considers any specific expertise necessary for members of Board committees.

- 9 -

The Nominating Committee has adopted a process as follows. It will consider candidates for director nominees proposed by directors, the Chief Executive Officer and stockholders. Potential candidates will be screened and interviewed by the Nominating Committee. All members of the Board may interview the final candidates. The same identifying and evaluating procedures will apply to all candidates for director nomination, including candidates submitted by stockholders.

The Company's general criteria for the nomination of director candidates, include the following:

- the candidates' personal and professional ethics, integrity and values,
- mature judgment,
- management, accounting or finance, industry and technical knowledge,
- demonstrated skills in his/her area of present or past professional or business responsibility,
- an ability to work effectively with others,
- sufficient time to devote to the affairs of the Company and
- freedom from conflicts of interest.

The Nominating Committee and the Board seek to identify nominees for election to the Board who, taken together, create a Board with the collective knowledge and experience, derived from the skills and experience of its individual members in a variety of areas that are important to the Company, including industry knowledge and experience, executive management, finance and strategic planning. The information as to each director set forth above on pages 5-7 includes a description of the experience, qualification, attributes or skills that were considered by the Nominating Committee and Board to determine that the individual nominee should serve as a director of the Company.

The Nominating Committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees.

Stockholder Nominees

The Nominating Committee will consider nominations submitted by stockholders. Any stockholder nominations proposed for consideration by the Nominating Committee should include the nominee's name and qualifications for

Board membership and should be addressed to:

1. The Audit Committee has reviewed and discussed the Company's audited financial statements with the Company's management and representatives of Baker Tilly Virchow Krause, LLP ("Baker Tilly");

2. The Audit Committee has discussed with Baker Tilly the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and

EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION & ANALYSIS

This Compensation Discussion and Analysis explains the objectives, strategy and features of our executive compensation program and it describes how the compensation of our executive officers aligns with our corporate objectives and shareholder interests.

Compensation Program Objective

The objective of our executive compensation program is to allow us to successfully retain and motivate executives who enable us to achieve short and long term growth and operational excellence.

Oversight of Our Executive Compensation Program

The Compensation Committee of the Board of Directors (the “Committee”) assists the Board in discharging its responsibilities relating to compensation of the Chief Executive Officer and other executive officers and oversees the executive compensation program.

All of the members of the Compensation Committee have been determined to be independent under applicable NASDAQ and SEC rules.

The Committee’s responsibilities are detailed in its charter, which can be found at www.napcosecurity.com

The Company’s CEO participates in the Compensation Committee’s meetings and provides input into compensation decisions at the Compensation Committee’s request. In particular, the Company’s CEO participates by making recommendations on NEO compensation and input on objectives (other than for himself). The CEO’s compensation is determined solely by the Compensation Committee. The Committee’s process includes executive sessions where the

Committee meets alone, without the presence of management.

The Use of Compensation Survey Data and Peer Companies

During FY 2017, the Compensation Committee did not conduct any formal competitive pay benchmarking. Instead the competitiveness of the pay offered to the executive officer was based on existing employment agreements and compensation packages, the recommendations of the Chief Executive Officer, and the business experience of members of the Compensation Committee.

- 15 -

Components of the Executive Compensation Program-Description of Elements and Evaluation Process

The named executive officers, including our Chief Executive Officer, have a compensation program that includes the following components:

	§	Base salary
	§	Annual incentives
§		Long-term incentives in the form of stock options awards
	§	Employee benefits
	§	Perquisites

Compensation Mix. We do not have policies that define specific percentage allocations for fixed and variable compensation, or cash and non-cash compensation. We do, however, intend to deliver a portion of total compensation in the form of performance-based cash incentives and in awards of stock options, to achieve our objective of offering rewards for successful business results and shareholder value creation.

The following describes the general purpose of each element of compensation and how the Committee made fiscal year 2017 pay decisions from such element. The Committee considered the results of the fiscal year 2016 advisory vote approving our executive compensation, where we received 97% of the votes cast in support for our program.

Base Salaries. Base salaries are used to compensate each of our executives for their positions and levels of responsibility. Each of Messrs. Soloway, Hevia and Carreri have employment agreements, which provide for a minimum base salary and, in the case of Mr. Soloway, a minimum annual cost-of-living adjustment. For fiscal 2017 Messrs. Soloway, Hevia and Carrieri's salaries were determined pursuant to such Employment Agreements. Mr. Soloway recommended to the Committee the base salary for each of Mr. Hevia and Carrieri.

Mr. Buchel's salary for the 2017 fiscal year was in an amount recommended by the CEO. The considerations entering into the determination by the CEO of the salary recommendation for Mr. Buchel were the CEO's subjective evaluations of the ability and past performance of Mr. Buchel and the CEO's judgment of Mr. Buchel's potential for enhancing the Company's profitability.

Annual Cash Incentives. The Committee's policy is that named executive officers, other than the CEO, should receive short term incentive compensation in the form of bonuses based on recommendations by the CEO who may base such determinations on targets established for the named executive officers. For fiscal 2017, based on the CEO's recommendation, each named executive officer (including the CEO) received a cash bonus that was not based on

attaining any targets.

Long-term Incentive Awards. The purpose of the granting of stock options is to retain the services of the named executive officers and our key employees, and encourage them to improve our operating results and to become shareholders of the Company, all of which is intended to result in increased shareholder value.

- 16 -

The Committee's policy is generally to grant options to the named executive officers other than the CEO under the Company's Stock Option Plans after consideration of the amounts recommended periodically by the CEO. The recommendations of the CEO for option grants reflect the subjective judgment of the CEO of the performance of such executives and the potential benefit to the Company from the grant of this form of incentive compensation. No stock options were granted during fiscal 2017.

Employee Benefits, Perquisites and Other Personal Benefits. As a general rule, we do not provide special benefits to senior executives and the named executive officers participate in the same plans – including term life insurance, health and disability insurance – available to all salaried employees. We do, however, pay the premiums on additional life insurance policies for the benefit of each of the named executive officers and on additional health insurance policies for the benefit of Mr. Soloway. See footnote to the Summary Compensation Table.

We offer one retirement plan, a qualified profit sharing 401(k) plan to all employees, including the named executive officers that matches 50% of an employee's contribution up to the first 2% of the employee's salary subject to an overall dollar cap.

We have provided certain perquisites to the named executive officers, as summarized in footnotes 2 and 3 to the "Summary Compensation Table."

Employment Agreements

Change in Control, Severance Agreements. Under Mr. Soloway's Employment Agreement, if during its term there should be a change in control, then Mr. Soloway is entitled to terminate his employment and is entitled to receive a termination payment equal to 299% of the average of the prior five calendar years' compensation, subject to certain limitations. If the Company terminates Mr. Soloway's employment other than for Cause, as defined, or if Mr. Soloway terminates his employment with the Company for Good Reason, as defined, the Company shall pay a lump sum payment equal to (i) Mr. Soloway's annual base salary plus the bonus paid for the prior fiscal year multiplied by (ii) the greater of the number of years or portion thereof remaining in the term of the Agreement or three years.

Each of the agreements with Mr. Hevia and Mr. Carrieri provide for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment of the officer without cause. In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause.

We believe these changes in control and severance arrangements help to retain these executive talents by providing them with a sense of commitment by the Company to them.

Employment Agreements and Potential Payments Upon Termination or Change in Control

The Company has an employment agreement with each of Richard L. Soloway, Jorge Hevia and Michael Carrieri. The agreement with Mr. Soloway, entered into on June 26, 2003, is for a five year period, and then year to year unless notice of termination is given at least six months prior to the end of the then applicable term. The Agreement provides for a minimum annual salary to be adjusted for inflation and discretionary annual incentive compensation. Mr. Soloway's agreement contains non-compete restrictions during his employment and for one year after termination for any reason. The agreement also provides for termination payments to Mr. Soloway upon death, disability, termination by the Company other than for Cause, as defined, termination by Mr. Soloway for Good Reason, as defined, and termination by Mr. Soloway in the event of a change in control. In the event of death, the termination payment equals one year's salary payable over one year plus a bonus calculated on a pro rata basis through the end of the fiscal quarter immediately preceding death. In the event of disability, the Company must pay Mr. Soloway an amount equal to 60% of his annual salary through the term of the agreement plus his bonus on a pro rata basis through the end of the fiscal quarter preceding the sixth month of his disability. In the event the Company terminates Mr. Soloway other than for Cause or if Mr. Soloway terminates for Good Reason, the Company must pay Mr. Soloway, in a lump sum, an amount equal to three times his annual salary plus the bonus paid to him for the year prior to his termination. If during the term there should be a change in control, then Mr. Soloway is entitled to terminate his employment, and the Company is required to pay him, an amount equal to 299% of the average of the prior five calendar years' total compensation, subject to certain limitations. The Company's option plans provide for the accelerated vesting of unvested options upon a change in control.

Had Mr. Soloway's employment terminated on June 30, 2017 after a change in control, the Company would have been required to pay him \$2,618,000 pursuant to his employment agreement. In addition, assuming a change of control on June 30, 2017, vesting of options to purchase 6,000 shares of Common Stock of the Company would have been accelerated. The value of such accelerated options would have been \$26,436 based upon the closing price per share of \$9.40 of the Company's Common Stock on the NASDAQ Global Market on June 30, 2017.

Under such agreement, had Mr. Soloway's employment terminated on June 30, 2017 on account of (i) death, (ii) disability or (iii) by the Company other than for Cause, or by Mr. Soloway for Good Reason, the Company would have been required to pay him \$863,000, \$420,000 and \$2,345,000, respectively.

Mr. Hevia's agreement, as amended, terminates in October 2018 and provides for an annual salary of \$324,000 and for a bonus arrangement for fiscal 2017 based upon a scale of increased 2017 fiscal year net sales volume over 2016 net sales volume. Mr. Hevia's agreement, as amended, provides for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause or upon a change in control of the Company. Had either of such events occurred on June 30, 2017, the Company would have been required to pay him \$243,000.

Mr. Carrieri's agreement, as amended, terminates in August 2018 and provides for an annual salary of \$293,000 and for a bonus arrangement for fiscal 2017 based upon a scale of increased 2017 fiscal year net sales volume over 2016 net sales volume. Mr. Carrieri's agreement, as amended, provides for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause or upon a change in control of the Company. Had either of such events occurred on June 30, 2017, the Company would have been required to pay him \$220,000.

In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause or upon a change of control of the Company. Had Mr. Buchel's employment been terminated on June 30, 2017 non-voluntarily without cause, the Company would have been required to pay him \$226,000 pursuant to such severance agreement. Mr. Buchel's bonus arrangement for fiscal 2017 was based on a scale of increased 2017 fiscal year net sales volume over 2016 net sales volume and a scale of corporate profitability levels for the 2017 fiscal year.

In the event of a change of control on June 30, 2017, vesting of options to purchase 3,000 shares of Common Stock of the Company would have been accelerated for each of Messrs. Hevia, Buchel and Carrieri. The value of such accelerated options would have been \$14,580 for each of Messrs. Hevia, Buchel and Carrieri, based upon the closing price per share of \$9.40 of the Company's Common Stock on the NASDAQ Global Market on June 30, 2017.

Each of the severance agreements with Mr. Hevia, Mr. Carrieri and Mr. Buchel contains non-compete restrictions for three years after the employee's termination of employment.

Advisory Vote to Approve Named Executive Officer Compensation and on Frequency of Future Votes on Executive Compensation

The Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”) enacted in 2010 and Section 14A of the Securities and Exchange Commission Act of 1934 (the “Exchange Act”) require that the Company provide its stockholders with the opportunity to vote to approve, on a nonbinding, advisory basis, the compensation of its named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

Stockholders will have an opportunity to next vote to approve on a non-binding advisory basis the compensation of the Company’s named executive officers and to vote on a non-binding advisory basis on the frequency of future votes on executive compensation at the 2019 Annual Meeting of Stockholders.

Item 2. Proposal to Ratify the Selection of Independent Registered Public Accountants

Baker Tilly served as the Company’s independent registered public accountants since fiscal 2013. Subject to ratification by our stockholders at the Annual Meeting, it has been selected to serve as our independent registered public accountants for fiscal 2018. Baker Tilly’s predecessor, Holtz Rubenstein Reminick LLP (“HRR”), audited our financial statements from fiscal 2009 to fiscal 2012. A representative of Baker Tilly will be present at the annual meeting, with an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

If the selection of Baker Tilly is not ratified, or if before the next Annual Meeting of Stockholders it declines to act or otherwise becomes incapable of acting, or if its engagement is otherwise discontinued by the Audit Committee, the Audit Committee will appoint other independent registered accountants whose engagement for any period after the next Annual Meeting will be subject to stockholder approval at that meeting.

Principal Accountant Fees

The Audit Committee has considered whether the provision of the services described above under the headings “All Other Fees” is compatible with maintaining the auditor’s independence and determined that it is. In fiscal years 2017 and 2016, 100% of “All Other Fees” were approved by the Audit Committee.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee specifically pre-approves all audit and permissible non-audit services provided by the independent auditors.
