The purchase price for the shares of Series B Preferred Stock and Warrants (as defined below) was issued for the cancellation of \$30,728,589 of existing indebtedness owed by the Company to FV.

John Doerr’s individual holdings and holdings of entities affiliated with him (not including FV) resulted from equity compensation grants made to him in his capacity as a director of the Company and from private placements, respectively.

ITEM 4. PURPOSE OF TRANSACTION.

Securities Purchase Agreement

On May 8, 2017, the Company, FV and certain other investors entered into a Securities Purchase Agreement (the "Purchase Agreement"), for the issuance and sale of shares of the Company's Series A 17.38% Convertible Preferred Stock (the "Series A Preferred Stock"), shares of the Company's Series B 17.38% Convertible Preferred Stock, (the "Series B Preferred Stock"), two series of warrants to purchase shares of the Company's Common Stock at exercise prices of \$7.80 per share and \$9.30 per share (the "Cash Warrants"), and warrants to purchase additional shares of Common Stock in the event the Company undertakes certain dilutive transactions (the "Dilution Warrant" and, together with the Cash Warrants, the "Warrants").

On July 7, 2017, the Company's stockholders approved (the "Stockholder Approval") the issuance of shares of Common Stock upon the conversion or exercise of the Series B Preferred Stock and Warrants sold pursuant to the Purchase Agreement. Following the Stockholder Approval, each share of Series B Preferred Stock automatically converted, without any further action by the holder, subject to the Beneficial Ownership Limitation (as defined below), on October 9, 2017. Also following the Stockholder Approval, the Cash Warrants became immediately exercisable. Notwithstanding the foregoing, pursuant to the Purchase Agreement, the holders of Series B Preferred Stock and Warrants did not receive Common Stock exceeding an amount such that the holder, together with its affiliates, would beneficially own in excess of 4.99% (or such other percentage as determined by the holder and notified to the Company in writing, not to exceed 9.99%, provided that any increase of such percentage will not be effective until 61 days after notice thereof) of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of such Series B Preferred Stock (the "Beneficial Ownership Limitation").

On October 18, 2017, FV notified the Company of its decision to increase the Beneficial Ownership Limitation to 9.99%.

The Dilution Warrant held by FV gives FV the right to purchase a number of shares of Common Stock, at a price of \$0.0015 per share, sufficient to provide it with full-ratchet anti-dilution protection for any issuance by the Company of equity or equity-linked securities during the three year period following the Closing at a per share price (including any conversion or exercise price, if applicable) less than \$6.30 per share.

Registration Rights

Pursuant to the Purchase Agreement, within 30 calendar days of the date of the Stockholder Approval, the Company has agreed to file a registration statement on Form S-3 (or other appropriate form if the Company is not then S-3 eligible) providing for the resale of the shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Cash Warrants. The Company has agreed to use commercially reasonable efforts to cause such registration statement to become effective within 181 days following the Closing and commercially reasonable efforts to keep such registration statement effective at all times until (i) no party to the Purchase Agreement owns any shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Warrants or (ii) the shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Warrants are eligible for resale under Rule 144 without regard to volume limitations.
