THE FOLLOWING IS A PRESS RELEASE ISSUED BY TELIA AB ON NOVEMBER 5, 2002.

Press release

2002-11-05

**The Swedish Ministry of Employment, Industry and Communications issued the following comments today by Minister Leif Pagrotsky about the decision made at Telia's Extraordinary General Meeting yesterday:**

The Swedish government has been discussing for some time with the Finnish government the nomination committee's proposal to elect Anders Igel as a member of TeliaSonera's Board of Directors. In order to take into consideration the Finnish government's earlier views about the nomination, the Swedish government requested the nomination committee at the Extraordinary General Meeting yesterday to replace Anders Igel on the board already at the ordinary Annual General Meeting early next spring.

Today, the Swedish government has been contacted by the Finnish government, which claims that the Swedish government's decision to support the nomination, in accordance with the nomination committee's proposal, is not in agreement with the shareholders' agreement.

We will continue discussions in order to resolve the situation that has now come up and avoid unwanted effects for the merger. It is the hope of the Swedish government that these discussions will lead to a satisfactory solution for all parties, commented Leif Pagrotsky in a statement.
