To the best of the Oaktree Parties' knowledge, each controlling member and executive officer of an Oaktree Party is a United States citizen and none of the Oaktree Parties' respective controlling members and executive officers have, during the last 5 years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or been a party to any civil proceeding as a result of which he was subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violations with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

See Item 4 for a description of the Subscription Agreements and the purchase by Holdings of the Company's securities. The Oaktree Parties did not pay any additional consideration to Waggoner or any other party in connection with the execution of any of the other agreements described in Item 6.

Item 4. Purpose of Transaction

(a) (b) Pursuant to a Subscription Agreement dated February 28, 2005 (the "Series G Subscription Agreement"), between Holdings and the Company, Holdings purchased 81,000 shares of Series G Convertible Preferred Stock, par value \$0.01 per share, of the Company (the "Series G Preferred Stock") for a purchase price of \$40,500,000. Pursuant to a Subscription Agreement dated February 28, 2005 (the "Series A Subscription Agreement"), between Holdings and GulfWest Oil & Gas Company, a wholly owned subsidiary of the Company, Holdings purchased 2,000 shares of the subsidiary's Series A Cumulative Exchangeable Preferred Stock, par value \$0.01 per share ("Series A Preferred Stock") for a purchase price of \$1,500,000.

Pursuant to a Subscription Agreement dated February 28, 2005 (the "Second Series G Subscription Agreement" and collectively with the Series G Subscription Agreement and Series A Subscription Agreement, the "Subscription Agreements"), Holdings sold 4,300 shares of Series G Preferred Stock at a price of \$500 a share, the same price at which Holdings acquired the shares, to a limited number of individuals consisting of management and related or affiliated parties. Allan D. Keel, Chief Executive Officer and President of the Company, is subject to restrictions on transfers of his shares of Series G Preferred Stock for a period of 2 years. Allan D. Keel and the other purchasers of Series G Preferred Stock are subject to a right of first offer in favor of Holdings, but not with respect to shares of Common Stock received upon conversion, and are required to convert their shares to Common Stock when Holdings and its affiliates convert their shares into Common Stock in the same proportion as Holdings and its affiliates.

The description contained in this Item 4 of the transactions contemplated by the Subscription Agreements is qualified in its entirety by reference to the full text of the Subscription Agreements, which are incorporated herein by reference and filed as Exhibit 99(a), 99(b) and 99(c) hereto.

(c) Not applicable.

(d) Effective at the closing of the transactions contemplated by the Subscription Agreements, Scott Manolis, Marshall Smith and Thomas Kaetzer resigned as members of the Company's board of directors. Waggoner and John Loehr remained as directors of the Company and B. James Ford, Skardon F. Baker and Allan D. Keel were elected to fill the vacancies resulting from the resignation of such three directors. Under the terms of the Statement of Resolution

Edgar Filing: GULFWEST ENERGY INC - Form SC 13D

governing the Series G Preferred Stock, the holders of that series have the right to elect a majority of the Company's board of directors.

8

CUSIP NO. 40274P109

(e) The newly authorized Series G Preferred Stock purchased by Holdings ranks junior to the authorized and outstanding Cumulative Convertible Preferred Stock, Series F, of the Company (the "Series F Preferred Stock") as to dividends and liquidation, but senior to all other classes of capital stock of the Company. The Statement of Resolution governing the Series A Preferred Stock was amended to require the holders of the Series A Preferred Stock to exchange all their shares for either approximately 1,429 shares of Common Stock per share of Series A Preferred Stock or for one share of the newly authorized Series H Convertible Preferred Stock, par value \$0.01 per share, of the Company (the "Series H Preferred Stock") per share of Series A Preferred Stock. The Series H Preferred Stock is convertible into Common Stock at a conversion price of \$0.35 a share and ranks junior to the Series G Preferred Stock as to dividends and liquidation but senior to all other classes of preferred stock of the Company other than the Series F Preferred Stock. If no election is made by a holder of Series A Preferred Stock by March 15, 2005, such holder's shares of Series A Preferred Stock will automatically be exchanged for Common Stock. Both Waggoner and Holdings elected on February 28, 2005 to exchange their shares of Series A Preferred Stock for Series H Preferred Stock. The Series D Preferred Stock, par value \$0.01 per share, which does not pay dividends, will remain of equal priority with the Cumulative Convertible Preferred Stock, Series E, par value \$0.01 per share, of the Company (the "Series E Preferred Stock") as to liquidation.

There has been no change to the Company's dividend policy, although in connection with the transactions referred to above the terms of the Series E Preferred Stock were amended to provide for a 6%, rather than \$30, annual dividend, expressed as a percentage of the stock's \$500 liquidation value plus accrued and unpaid dividends, payable quarterly. As amended, dividends on the Series E Preferred Stock will accrue but not be paid until March 31, 2009, at which time the Company will commence quarterly dividend payments. Deferred dividends on the Series E Preferred Stock may be paid to the extent the board of directors elects to do so or dividends on the Series G Preferred Stock are paid for a quarter. Accrued dividends on the Series E Preferred Stock may be converted to Common Stock at a conversion price of \$0.90. Accrued and unpaid deferred dividends are to be paid on liquidation or, at the Company's option, with the consent of the holders affected, at any time.

The Series G Preferred Stock provides for an 8% cash dividend, expressed as a percentage of the stock's \$500 liquidation value plus accrued and unpaid dividends, which will accrue but not be paid until the dividend owing April 1, 2009 is required to be paid, at which time the Company will commence quarterly dividend payments. Deferred dividends may be paid to the extent the board of directors elects to do so. Accrued dividends on the Series G Preferred Stock may be converted to Common Stock at a conversion price of \$0.90. Accrued and unpaid deferred dividends are to be paid on liquidation or, at the Company's option, with the consent of the holders affected, at any time.

Holders of the newly authorized Series H Preferred Stock are entitled to quarterly dividends of 10 shares of Common Stock per share of Series H Preferred Stock, or 40 shares of Common Stock annually per shares of Series H Preferred Stock.

Holders of both the Series G Preferred Stock and Series H Preferred Stock vote on an as-converted basis with the holders of the Common Stock.

(j) The Oaktree Parties currently hold their interest in the Company for investment purposes. The Filing Parties intend to continuously evaluate the Company's businesses and prospects, alternative investment opportunities and all other factors deemed relevant in determining whether additional shares of the Company's securities will be acquired by the Filing Parties or by other accounts and investment funds of which Oaktree is the general partner and/or investment manager or whether the Filing Parties or any such other accounts or investment funds will dispose of shares of the Company's securities. At any time, additional shares of securities of the Company may be acquired or some or all of the shares of the Company's securities held by the Filing Parties may be sold, in either case in the open market, in privately negotiated transactions or otherwise. Except as otherwise disclosed herein, the Filing Parties currently have no plan or proposal, beneficially or otherwise, which would be related to or would result in any of the matters described in Items 4(a)-(j) of Schedule 13D; however, as part of their respective ongoing evaluation of this investment and investment alternatives, the Filing Parties may consider such matters and, subject to applicable law, may formulate a plan with respect to such matters, and, from time to time, any Filing Party may hold discussions with or make formal proposals to the management or the Board of Directors of the Company, other shareholders of the Company or other third parties regarding such matters.

Item 5. Interest in Securities of Issuer

(a) and (b) Waggoner beneficially owns, and as a result of the Share Transfer Restriction Agreement and Proxy (described in Item 6) may be deemed, solely for the purpose of Rule 13d-3 of the Securities Exchange Act of 1934 (the "Exchange Act"), to share with Holdings beneficial ownership and shared voting and dispositive power for 16,725,943 shares of the Common Stock, which includes 9,545,229 shares of Common Stock, options to purchase 20,000 shares of Common Stock, warrants to purchase 625,000 shares of Common Stock, 2,250,000 shares of Common Stock issuable upon the conversion of 9,000 shares of the Series E Preferred Stock, based upon a conversion price of \$2.00, and 4,285,714 shares of Common Stock issuable upon the conversion of 3,000 shares of Series H Preferred Stock, based upon a conversion price of \$0.35.

Waggoner's current beneficial ownership represents approximately 62.04% of the shares of the Common Stock, based upon 19,779,319 shares of Common Stock issued and outstanding as of February 28, 2005, plus the 7,180,714 shares of Common Stock which may be received upon conversion of securities beneficially owned by Waggoner. In addition, as dividends accrue on the Series E Preferred Stock and are paid on the Series H Preferred Stock, Waggoner's beneficial ownership of Common Stock will increase.

Holdings beneficially owns and has voting and dispositive power for 45,468,254 shares of the Common Stock, which includes 2,857,143 shares issuable upon the conversion of 2,000 shares of Series H Preferred Stock, based upon a conversion price of \$.35, and 42,611,111 shares of Common Stock issuable upon the conversion of 76,700 shares of Series G Preferred Stock, based upon a conversion price of \$0.90. In addition, as a result of the Share Transfer

Edgar Filing: GULFWEST ENERGY INC - Form SC 13D

Restriction Agreement and Proxy, Holdings may be deemed, solely for the purpose of Rule 13d-3 of the Exchange Act, to share beneficial ownership with Waggoner and to have shared dispositive and voting power with Waggoner with respect to the 16,725,943 shares of Common Stock beneficially owned by Waggoner.

Holdings' current beneficial ownership may be deemed to represent approximately 85.87% of the shares of the Common Stock, based upon 19,779,319 shares of Common Stock issued and outstanding as of February 28, 2005, plus 52,648,968 shares of Common Stock which may be received upon conversion of securities beneficially owned (or which may be deemed beneficially owned) by Holdings. In addition, as dividends accrue on the Series G Preferred Stock and are paid on the Series H Preferred Stock, Holdings' beneficial ownership of Common Stock will increase.

Each of Waggoner, OCM GP, Oaktree and the individuals listed in Item 2(b) disclaims beneficial ownership of the securities reported herein, except to the extent of their respective pecuniary interest, and the filing of this Statement shall not be construed as an admission that any such person is the beneficial owner of any such securities.

Share Transfer Restriction Agreement and Irrevocable Proxy

11

CUSIP NO. 40274P109

Waggoner has entered into a Share Transfer Restriction Agreement, dated February 28, 2005 (the "Share Transfer Restriction Agreement") with Holdings, pursuant to which he agreed to deliver to Holdings an Irrevocable Proxy (the "Proxy") coupled with an interest with respect to his shares of Common Stock, Series E Preferred Stock and Series H Preferred Stock thereby allowing Holdings to vote such shares at any time in favor of reincorporating the Company in Delaware by merging the Company into a wholly owned Delaware subsidiary (the "Merger") or, if the Merger is not consummated by December 31, 2005, in favor of the conversion of certain of the Series G Preferred Stock into New Preferred Stock (as defined below) (the first to occur being referred to as the "Termination Date"). The proxy also grants Holdings a proxy with additional rights with respect to the Series H Preferred Stock until such time as all the Series H Preferred Stock has converted into Common Stock.

Waggoner, pursuant to the terms of the Share Transfer Restriction Agreement, is subject to restrictions on the disposition or transfer of the economic or voting rights of the capital stock owned by him, including prohibitions on transfers of shares of capital stock or entering into any swap, option, future, forward or other agreement that transfers, in whole or in part, any of the economic consequences of ownership of any such capital stock, without the consent of Holdings.

The Proxy and the restrictions on disposition in the Share Transfer Restriction Agreement terminate upon the Termination Date, other than with respect to the shares of Series H Preferred Stock held by Waggoner.

In addition, Waggoner agreed to exchange his shares of Series A Preferred Stock for Series H Preferred Stock pursuant to the amended terms of the Series A Preferred Stock Statement of Resolution and is required to convert any shares of Series H Preferred Stock he owns into Common Stock in the same proportion as that converted by Holdings or its affiliates.

The description contained in this Item 6 of the transactions contemplated by the Share Transfer Restriction Agreement and form of Proxy are qualified in their entirety by reference to the full text of the Share Transfer Restriction Agreement and form of Proxy, both of which are incorporated herein by reference and filed as Exhibit 99(d) hereto.

Shareholders Rights Agreement

Edgar Filing: GULFWEST ENERGY INC - Form SC 13D

Holdings and the Company have entered into a Shareholders Rights Agreement (the "Shareholders Rights Agreement") dated February 28, 2005 providing Holdings with up to four demand registrations with respect to shares of Series G Preferred Stock and Common Stock upon the request of holders holding 50% or more of the registrable securities on an as converted basis, and unlimited piggyback registration rights.

Pursuant to the Shareholders Rights Agreement, Holdings is entitled to receive monthly financial reports, an annual business plan and operating budget of the Company, periodic filings and other information, in addition to board observation rights. Further, the Shareholders Rights Agreement subjects the Company to various restrictive covenants affecting operation of its business.

Under the Shareholders Rights Agreement Holdings has a right of first refusal to purchase any additional securities proposed to be purchased by a third party from the Company.

If the Merger does not occur by July 30, 2005, the Company is required to make additional payments on the Series G Preferred Stock in the amount of \$80 per share per annum until the Merger occurs or a number of shares of Series G Preferred Stock are converted into a new series of Company preferred stock ("New Preferred Stock") substantially similar to the Series G Preferred Stock except that (i) it will not have the right to vote, (ii) it will be redeemable at the holder's option on January 15, 2008, and if not redeemed the dividend will increase to 14%, (iii) it will not be convertible, (iv) it will bear a quarterly dividend at an annual rate of 12%, and (v) it will be optionally redeemable by the Company at any time. The Company is required to use its best efforts to convert certain of the shares of Series G Preferred Stock into New Preferred Stock if the Merger has not occurred by December 31, 2005.

Omnibus and Release Agreement

Pursuant to an Omnibus and Release Agreement ("Omnibus and Release Agreement"), among Holdings, the Company and certain shareholders of the Company, dated February 28, 2005, such shareholders are prohibited from, directly or indirectly, entering into any swap, option, future, forward or other similar agreement that transfers, in whole or in part, any of the economic consequences of ownership of any Series H Preferred Stock or Common Stock, although such holders may sell the Common Stock or, after February 28, 2007, the Series H Preferred Stock. After February 28, 2007 Holdings and its affiliates have a right of first refusal to acquire any Series H Preferred Stock if a third party offers to acquire that stock, and the signatories to the Omnibus and Release Agreement have piggyback registration rights with respect to shares of Common Stock listed on Schedule I thereto or issued as a dividend on the Series H Preferred Stock. Shareholders (other than Holdings) of the Company that are party to the Omnibus and Release Agreement have agreed to vote in favor of the Merger. The restrictions imposed upon the shareholders of the Company that have executed the Omnibus and Release Agreement do not apply to shares of Common Stock owned by these shareholders, whether received upon conversion of the Series H Preferred Stock or otherwise, except as disclosed above.
