PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON DECEMBER 6, 2011

INFORMATION CONCERNING THE SOLICITATION

This Proxy Statement is furnished to the holders of Common Stock, \$.01 par value per share (“Common Stock”) of Napco Security Technologies, Inc. (the “Company”) in connection with the solicitation of proxies on behalf of the Board of Directors of the Company for the Annual Meeting following Fiscal Year 2011, to be held on December 6, 2011, and at any adjournment thereof (the “Meeting”), pursuant to the accompanying Notice of Annual Meeting of Stockholders. Proxies in the enclosed form, if properly executed and returned in time, will be voted at the Meeting. Any stockholder giving a proxy may revoke it prior to its exercise by attending the Meeting and reclaiming the proxy, by executing a later dated proxy or by submitting a written notice of revocation to the Secretary of the Company at the Company’s office or at the Meeting. Stockholders attending the Meeting may vote their shares in person. This Proxy Statement and the form of proxy will first be mailed to the stockholders on or about November 2, 2011. A copy of the 2011 Annual Report of the Company, including financial statements, is being mailed herewith.

Only stockholders of record at the close of business on October 28, 2011 (the “Record Date”) are entitled to notice of and to vote at the Meeting. The outstanding voting securities of the Company on the Record Date consisted of 19,095,713 shares of Common Stock.

On all matters requiring a vote by holders of the Common Stock, each share of Common Stock entitles the holder of record to one vote. At the Meeting, the holders of record of Common Stock will vote on Item 1, the election of two directors; Item 2, the ratification of the selection of Holtz Rubenstein Reminick LLP as the independent registered public accountants; and Item 3, the transaction of any other business as may properly come before the Meeting and require a vote of the stockholders.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock authorized to vote will constitute a quorum for the transaction of business at the Meeting.

The affirmative vote of a plurality of the votes cast at the Annual Meeting is required for the election of directors. A properly executed proxy marked “WITHHOLD” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. A properly executed proxy marked “ABSTAIN” with respect to ratification of the selection of the independent requested public accountants will not be voted, although it will be counted for purposes of determining whether there is a quorum.

If you hold your shares in “street name” through a broker or other nominee and you do not instruct your broker or nominee how to vote in this election of Directors, your broker or nominee may not vote on your behalf. Your broker or nominee does however continue to have discretion to vote any uninstructed shares on the ratification of the selection of the Company’s independent registered public accounting firm. Shares represented by “broker non-votes” will be counted in determining if there is a quorum.

THEREFORE, THE COMPANY URGES YOU TO SIGN, DATE
AND RETURN THE ENCLOSED PROXY CARD.

Other Directorships

During the past five years, none of the directors or nominees has been a director of any company (other than the Company) which is subject to the reporting requirements of the Securities Exchange Act of 1934 or which is a registered investment company under the Investment Company Act of 1940, except that Mr. Wilder was a director of YTB International, Inc.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Directors

The Board currently consists of seven directors, four of whom the Board has affirmatively determined have no relationship with the Company or its subsidiaries which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and are independent as defined by the applicable NASDAQ Listing Standards. The four independent directors are Paul Stephen Beeber, Randy B. Blaustein, Arnold Blumenthal and Andrew J. Wilder.

Board Leadership Structure

The Board does not have a policy as to whether or not the roles of Chief Executive Officer and Chairman of the Board should be separate. The Board believes that it should be free to make a choice on the leadership structure of the Board from time to time in any manner that is in the best interests of the Company and its stockholders. Currently, and since 1998, Mr. Soloway has served as the Chairman of the Board, CEO and President.

The Board of Directors has not elected a Lead Independent Director. Mr. Wilder, an Independent Director and Chair of the Audit Committee, leads the executive sessions of the Independent Directors.

Board Oversight of Risk

The Company faces a variety of risks including strategic and operational risks, financial and liquidity risks, compliance risks and financial reporting risks. The Board exercises its oversight of the Company's risks through regular reports to the Board from the Chief Executive Officer, and other members of management on areas of material risk, actions and strategies to mitigate those risks and the effectiveness of those actions and strategies.

In addition, the Board oversees risk through oversight by the Audit Committee. The Audit Committee discusses with management the Company's policies with respect to risk assessment and risk management, including the Company's financial risk exposures and the steps management has taken to monitor and control its risks. Members of senior management with responsibility for oversight of particular risks report to the Audit Committee periodically throughout the year on aspects of the Company's risk management.

Board Structure and Committee Composition

The Board maintains three standing committees: Audit, Compensation, and Nominating. Each Committee is composed entirely of independent directors as defined in the applicable NASDAQ Listing Standards.

During fiscal 2011, the Board held five meetings. Each director attended at least 75% of all Board meetings and meetings of committees of which such director was a member.

Directors are expected to attend the Company's annual meetings of stockholders. All directors attended the last annual meeting of stockholders on December 7, 2010.

NAPCO maintains an "Investors" section on its website, www.napcosecurity.com, setting forth the Company's committee charters for the Audit, Compensation and Nominating Committees.

Audit Committee

The Audit Committee has been established in accordance with Section 3(a)(58)A of the Securities Exchange Act of 1934 as amended. The Audit Committee is responsible for retaining, evaluating and, if appropriate, recommending the termination of the Company's independent auditors. The Audit Committee assists the Board in oversight of (1) the integrity of the Company's financial statements, (2) the Company's independent auditor's qualifications and independence, and (3) the performance of the Company's internal audit function and independent auditors. In addition, the Committee renders its report for inclusion in the Company's annual proxy statement.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting or other advisors as the Audit Committee deems necessary to carry out its duties. The Audit Committee held four meetings in fiscal year 2011. The current members of the Audit Committee are Andrew J. Wilder (Chairman), Paul Stephen Beeber and Arnold Blumenthal, each of whom meets the NASDAQ Listing Standards for the independence of audit committee members. The Board has determined that Andrew Wilder is an audit committee financial expert.

The report of the Audit Committee is included in this proxy statement on page 10.

Compensation Committee

The Compensation Committee assists the Board in discharging its responsibilities relating to compensation of the Company's Chief Executive Officer and other executives. The Committee determines individuals to be granted options under the Employee Stock Option Plan, the number of options awarded and the term of the options and interprets provisions of such plan. The current members of the Compensation Committee are Randy B. Blaustein (Chairman), Andrew J. Wilder, and Arnold Blumenthal.

The Compensation Committee did not meet in fiscal year 2011.

During fiscal 2011, Mr. Soloway, had an employment agreement which provide for a minimum base salary and a minimum annual cost-of-living adjustment. For fiscal 2011, Mr. Soloway's salary was determined pursuant to such employment agreement. The fiscal 2011 salaries of the other named executive officers, Messrs. Buschel, Hevia and Carrieri, were continued at the same annual rate as their respective fiscal 2010 salaries. There was no short term incentive compensation plan in effect for fiscal 2011 and no bonuses for fiscal 2011 were paid. No grants of options to the named executive officers were made in the 2011 fiscal year.

Neither the Committee nor the Company has engaged a compensation consultant.

Nominating Committee

The Nominating Committee reviews and makes recommendation to the Board regarding potential candidates for nomination as director.

The Nominating Committee held two meetings in fiscal year 2011. The current members of the Nominating Committee are Arnold Blumenthal (Chairman), Andrew J. Wilder and Randy B. Blaustein.

Director Nomination Process

In connection with the director selection and nomination process, the Nominating Committee reviews the composition of the Board as a whole and considers the experience, mix of skills and other qualities necessary to assure appropriate Board composition, taking into account the current Board members and specific needs of the Company and the Board. The Nominating Committee considers the requirement that at least a majority of the Board members be independent as required by applicable laws and regulations and also considers any specific expertise necessary for members of Board committees.

The Nominating Committee has adopted a process as follows. It will consider candidates for director nominees proposed by directors, the Chief Executive Officer and stockholders. Potential candidates will be screened and interviewed by the Nominating Committee. All members of the Board may interview the final candidates. The same identifying and evaluating procedures will apply to all candidates for director nomination, including candidates submitted by stockholders.

The Company's general criteria for the nomination of director candidates, include the following:

- the candidates' personal and professional ethics, integrity and values,
- mature judgment,
- management, accounting or finance, industry and technical knowledge,
- demonstrated skills in his/her area of present or past professional or business responsibility,
- an ability to work effectively with others,
- sufficient time to devote to the affairs of the Company and
- freedom from conflicts of interest.

The Nominating Committee and the Board seek to identify nominees for election to the Board who, taken together, create a Board with the collective knowledge and experience, derived from the skills and experience of its individual members in a variety of areas that are important to the Company, including industry knowledge and experience, executive management, finance and strategic planning. The information as to each director set forth above on pages 4-5 includes a description of the experience, qualification, attributes or skills that were considered by the Nominating Committee and Board to determine that the individual nominee should serve as a director of the Company.

The Nominating Committee has not adopted a formal policy with regard to the consideration of diversity in identifying director nominees.

The Company has an employment agreement with Richard L. Soloway. The agreement with Mr. Soloway, entered into on June 26, 2003 for a five year period, and then year to year unless notice of termination is given at least six months prior to the end of the then applicable term, provides for a minimum annual salary to be adjusted for inflation and discretionary annual incentive compensation. In the event of death, the termination payment equals one year's salary payable over one year plus a bonus calculated on a pro rata basis through the end of the fiscal quarter immediately preceding death. In the event of disability, the Company must pay Mr. Soloway an amount equal to 60% of his annual salary through the term of the agreement plus his bonus on a pro rata basis through the end of the fiscal quarter preceding the sixth month of his disability. In the event the Company terminates Mr. Soloway other than for Cause or if Mr. Soloway terminates for Good Reason, the Company must pay Mr. Soloway, in a lump sum, an amount equal to three times his annual salary plus the bonus paid to him for the year prior to his termination. If during the term there should be a change in control, then Mr. Soloway is entitled to terminate his employment, and the Company is required to pay him, an amount equal to 299% of the average of the prior five calendar years' total compensation, subject to certain limitations. The Company's option plans provide for the accelerated vesting of unvested options upon a change in control.

Had Mr. Soloway's employment terminated on June 30, 2011 after a change in control, the Company would have been required to pay him \$2,006,748 pursuant to such agreement. In addition, assuming a change in control on June 30, 2011, vesting of options to purchase 5,000 shares of Company Common Stock would have been accelerated. The closing price per share of the Company's Common Stock on the NASDAQ Global Market on June 30, 2011 (\$2.97) was less than the exercise prices of such accelerated options.

Under such agreement, had Mr. Soloway's employment terminated on June 30, 2011 on account of (i) death, (ii) disability or (iii) by the Company other than for Cause, or by Mr. Soloway for Good Reason, the Company would have been required to pay him \$572,946, \$343,768, and \$1,718,838, respectively.

In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause. Had Mr. Buchel's employment been terminated on June 30, 2011 non-voluntarily without cause, the Company would have been required to pay him \$190,831, pursuant to such severance agreement.

In the event of a change in control on June 30, 2011, vesting of options to purchase 1,000 shares would have been accelerated for Mr. Buchel. The closing price per share of the Company's Common Stock on the NASDAQ Global Market on June 30, 2011 (\$2.97) was less than the exercise prices of such accelerated options.

The employment agreement with Mr. Buchel contains non-compete restrictions for three years after the employee's termination of employment.

Item 2: Proposal to Ratify the Selection of Independent Registered Public Accountants

Holtz Rubenstein Reminick LLP (“HRR”) served as our independent registered public accountants during fiscal 2011 and has been selected, subject to ratification by our stockholders at this Annual Meeting, to serve as our independent registered public accountants for fiscal 2012. HRR has audited our financial statement since fiscal 2009. A representative of HRR will be present at the annual meeting, with an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

If the selection of HRR is not ratified, or if before the next Annual Meeting of Stockholders it declines to act or otherwise becomes incapable of acting, or if its engagement is otherwise discontinued by the Audit Committee, the Audit Committee will appoint other independent registered public accountants whose engagement for any period after the next annual meeting will be subject to stockholder approval at that meeting.

Principal Accountant Fees

The fees billed for professional services for fiscal year 2011 and 2010 by HRR for professional services were as follows:

	Fiscal Year 2011	Fiscal Year 2010
Audit Fees (1)	\$165,000	\$200,400
Audit Related Fees	-	-
Tax Fees	-	-
All Other Fees (2)	13,000	12,500

(2) Includes services related to the audit of the Company’s employee benefit plan for the plan years ended December 31, 2011 and 2010.

The Audit Committee has considered whether the provision of the services described above under the headings “All Other Fees” is compatible with maintaining the auditor’s independence and determined that it is. In fiscal year 2011, 100% of “All Other Fees” were approved by the Audit Committee.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee specifically pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval may be provided for up to one year. Each pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date.
