In addition, all documents and reports and any future filings made by the Registrant pursuant to Section 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended, subsequent to the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be part hereof from the date of filing of such documents or reports. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant's officers and directors are and will be indemnified against certain liabilities under Delaware law, the Amended and Restated Certificate of Incorporation of the Registrant, ("Certificate of Incorporation"), and the By-laws of the Registrant ("By-laws"). The Certificate of Incorporation requires the Company to indemnify its directors and officers in the manner and to the fullest extent permitted from time to time by the Delaware General Corporation Law ("DGCL"). The By-laws contain provisions which implement the indemnification provisions of the Certificate of Incorporation.

Article Tenth of the Registrant's Certificate of Incorporation provides: "No Director or officer acting in the capacity of a Director or performing duties as Director shall be personally liable to the Corporation or any stockholder for monetary damages for a breach of fiduciary duty as a Director, except for liability (1) for any breach of the director's duty of loyalty to the corporation or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; (iii) under Section 174 of Title 8 of the Delaware Code (relating to the Delaware Corporation Law); or (iv) for any transaction from which the director derived an improper personal benefit. If the Delaware General Corporation Law is amended to authorize corporate action further eliminating or limiting the personal liability of Directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the Delaware General Corporation Law, as so amended. Neither the amendment nor repeal of this Article, nor the adoption of any provision of the Certificate of Incorporation inconsistent with this Article, shall eliminate or reduce the effect of this Article in respect of any matter occurring, or any cause of action, suit or claim, that, but for this Article, would accrue or arise, prior to such amendment, repeal or adoption of an inconsistent provision."

Article Seventh of the Registrant's Bylaws provides: "The Corporation shall indemnify to the full extent authorized by law any Director or officer made or threatened to be made a party to an action, suit or proceeding, whether criminal, civil, administrative or investigative, by reason of the fact that he, his testator or intestate is or was a Director or officer of the Corporation or is or was serving, at the request of the Corporation, as a Director or officer of another corporation, partnership, joint venture, trust or other enterprise. The Corporation may, at the discretion of the Board of Directors, indemnify to the full extent authorized by law any employee or agent made or threatened to be made a party to an action, suit or proceeding, whether criminal, civil, administrative or investigative by reason of the fact that he, his testator or intestate is or was an employee or agent of the Corporation or is or was serving at the request of the Corporation as an employee or agent of another corporation, partnership, joint venture, trust or other enterprise. Expenses incurred with respect to any claim, action or proceeding of the character, actual or threatened, described in Section 1 of this Article VII, may be advanced by the Corporation prior to the final disposition thereof upon receipt of an undertaking by such person to repay the amount so advanced if and to the extent it shall ultimately be determined by a court of competent jurisdiction that he was not entitled to indemnification under this Bylaw. The intention of this Bylaw is to provide indemnification with the broadest and most inclusive coverage permitted by law (a) at the time of the act or omission to be indemnified against, or (b) so permitted at the time of carrying out such indemnification, whichever of (a) or (b) may be broader or more inclusive and permitted by law to be applicable. If the indemnification permitted by law at this present time, or at any future time, shall be broader or more inclusive than the provisions of this Bylaw, then indemnification shall nevertheless extend to the broadest and most inclusive permitted by law at any

time and this Bylaw shall be deemed to have been amended accordingly. If any provision or portion of this Article shall be found, in any action, suit or proceeding, to be invalid or ineffective, the validity and effect of the remaining parts shall not be affected.”

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See Exhibit Index.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in value of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
