### *European Cost Reduction*

In the third quarter of 2012, the company announced plans to close an aftermarket facility in Vittaryd, Sweden. The company has completed its consultations with the works councils and is moving forward with this action. On January 31, 2013, the company announced its intention to make additional fixed cost reductions in Europe, subject to approval by the company's board of directors. Tenneco expects that most of the remaining expense will be recorded in late 2013 and 2014, and that the company will reach a full savings run rate in 2016. Any plans affecting the company's European hourly and salaried workforce would be subject to union consultation.
