NOTICE OF EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS

February 19, 2014

Notice is hereby given of an extraordinary general meeting of shareholders (the "Extraordinary General Meeting" or the "Meeting") of Taro Pharmaceutical Industries Ltd. (the "Company"), that will be held on March 27, 2014, at 10:00 a.m. (Israel time), at the Company's offices at 14 Hakitor Street, Haifa Bay 26110, Israel. The purpose of the Extraordinary General Meeting will be the ratification of certain resolutions adopted by the Company's shareholders at its 2013 annual general meeting (the "2013 AGM"), and certain other resolutions.

Certain resolutions on the agenda for the 2013 AGM were subject to special approval provisions under Israeli Companies Law 5759-1999 (the "Companies Law" or "Law") requiring, in addition to majority approval of all votes, approval by the majority of votes of shareholders who are neither (i) controlling shareholders nor (ii) persons who have a personal interest in the resolutions. Following the 2013 AGM, the Company learned that voting forms used by certain shareholders, which were not prepared by the Company, may not have informed the shareholders of their obligation to inform the Company if they are controlling shareholders or if they have a personal interest in these resolutions, and the Company has therefore called the Meeting for the purpose of having these resolutions ratified.

Each of these resolutions was duly adopted at the 2013 AGM, all proxy material prepared by the Company informed shareholders of their disclosure obligations, and the Company has not received any evidence to indicate that any votes were improperly included of controlling shareholders or shareholders who had a personal interest in these resolutions. Nevertheless, in order to address any procedural irregularities which may have occurred, through no fault of the Company, the Company has decided to call the Meeting for the purpose of ratifying the resolutions detailed hereunder:

1. To approve and ratify the Company's Compensation Policy under the requirements of the Companies Law.
2. To approve and ratify the remuneration of Mr. Dilip Shanghvi, Chairman of the Board of Directors of the Company, as approved by the Company's Audit Committee, Compensation Committee and Board of Directors as follows: an annual fee in the amount of USD 869,648, and an annual bonus in an amount of up to 100% of his annual fee, and a fee equal to the consideration paid by the Company to its external directors per meeting of the Board of Directors and any committee thereof, effective as of the date of his appointment and exclusive of reimbursement of any expenses for attending such meetings.
3. To approve and ratify the remuneration of Mr. Sudhir Valia, member of the Board of Directors of the Company, as approved by the Company's Audit Committee, Compensation Committee and Board of Directors as follows: an annual fee in the amount of USD 560,134, and an annual bonus in an amount of up to 100% of his annual fee, and a fee equal to the consideration paid by the Company to its external directors per meeting of the Board of Directors and any committee thereof, effective as of the date of his appointment and exclusive of reimbursement of any expenses for attending such meetings.

4. To approve and ratify the remuneration of Mr. Subramanian Kalyanasundaram (known in industry circles as Kal Sundaram), as Chief Executive Officer of the Company, as approved by the Company's Compensation Committee and Board of Directors as follows, which payments will be made either directly to Mr. Sundaram or through Sun Pharmaceutical Industries Ltd.: an annual fee in the amount of USD 500,000, and an annual bonus in an amount of up to 100% of his annual fee, and a fee equal to the consideration paid by the Company to its external directors per meeting of the Board of Directors and any committee thereof, effective as of the date of his appointment and exclusive of reimbursement of any expenses for attending such meetings.
5. To approve and ratify the re-election of Mrs. Ilana Avidov Mor and Mr. Dan Biran, to the Board of Directors as External Directors as defined in the Companies Law for additional three-year terms commencing as of December 31, 2013.

In addition, at the request of a shareholder of the company, the following item has been added to the agenda for the Meeting:

6. To elect Mr. Ben-Ami Rosenfeld and Ms. Adi Bershadsky, to the Board of Directors as External Directors as defined in the Companies Law for three-year terms.

Shareholders of record at the close of business on February 24, 2014, are entitled to notice of, and to vote at, the Meeting. All shareholders are cordially invited to attend the Extraordinary General Meeting in person.

Shareholders of Record on February 24, 2014, who are entitled to vote at the Extraordinary General Meeting, must inform the Company, in the event that they are controlling shareholders or if they have a personal interest, as such terms are defined in the Companies Law, in the approval of one or more of the resolutions detailed herein.

Shareholders who are unable to attend the Meeting in person are requested to complete, date and sign the enclosed form of proxy and to return it promptly in the pre-addressed envelope provided. No postage is required if mailed in the United States. Shareholders who subsequently revoke their proxies may vote their shares in person.

BY ORDER OF THE BOARD OF DIRECTORS,

PROXY STATEMENT

This Proxy Statement is furnished to the holders of ordinary shares, nominal (par) value NIS 0.0001 each (the "Ordinary Shares") and of founders' shares, nominal (par) value NIS 0.00001, of Taro Pharmaceutical Industries Ltd. (the "Company") in connection with the solicitation by the board of directors of the Company (the "Board of Directors") of proxies for use at the Extraordinary General Meeting of shareholders (the "Extraordinary General Meeting" or the "Meeting"), or any postponement or adjournment thereof, pursuant to the accompanying Notice of Extraordinary General Meeting of Shareholders. The Meeting will be held on March 27, 2014, at 10:00 a.m. (Israel time) at the Company's offices, 14 Hakitor Street, Haifa Bay 26110, Israel.

The purpose of the Extraordinary General Meeting will be the ratification of certain resolutions adopted by the Company's shareholders at its 2013 annual general meeting (the "2013 AGM"). Certain resolutions on the agenda for the 2013 AGM were subject to special approval provisions under Israeli Companies Law 5759-1999 (the "Companies Law" or "Law") requiring, in addition to majority approval of all votes, approval by the majority of votes of shareholders who are neither (i) controlling shareholders nor (ii) persons who have a personal interest in the resolutions.

Following the 2013 AGM, the Company learned that voting forms used by certain shareholders, which were not prepared by the Company, may not have informed the shareholders of their obligation to inform the Company if they are controlling shareholders or if they have a personal interest in these resolutions, and is therefore calling the Meeting for the purpose of having these resolutions ratified.

Each of these resolutions was duly adopted at the 2013 AGM, all proxy material prepared by the Company did inform shareholders of their disclosure obligations, and the Company has not received any evidence to indicate that any votes were improperly included of controlling shareholders or shareholders who had a personal interest in these resolutions. Nevertheless, in order to address any procedural irregularities which may have occurred, through no fault of the Company, the Company decided to call the Meeting for the purpose of ratifying the resolutions detailed hereunder. In addition item 6 below has been included on the agenda for this meeting at the request of a shareholder of the company.

It is proposed that, at the Meeting, the following matters be considered:

1. To approve and ratify the Company's Compensation Policy under the requirements of the Companies Law.
2. To approve and ratify the remuneration of Mr. Dilip Shanghvi, Chairman of the Board of Directors of the Company, as approved by the Company's Audit Committee, Compensation Committee and Board of Directors as follows: an annual fee in the amount of USD 869,648, and an annual bonus in an amount of up to 100% of his annual fee, and a fee equal to the consideration paid by the Company to its external directors per meeting of the Board of Directors and any committee thereof, effective as of the date of his appointment and exclusive of reimbursement of any expenses for attending such meetings.

4. 6. To elect Mr. Ben-Ami Rosenfeld and Ms. Adi Bershadsky, to the Board of Directors as External Directors as defined in the Companies Law for three-year terms

The Board of Directors recommends a vote FOR resolutions 1-5.

A form of proxy for use at the Meeting and a return envelope for the proxy are also enclosed. Shareholders may revoke the authority granted by their execution of proxies at any time before the effective exercise thereof by filing with the Company a written notice of revocation or duly executed proxy bearing a later date, or by voting in person at the Meeting.

Unless otherwise indicated on the form of proxy, shares represented by any proxy in the enclosed form, if the proxy is properly executed and received by the Company at least 48 hours prior to the Meeting, will be voted in favor of those resolutions recommended by the Board of Directors, as described above. The Board of Directors of the Company is soliciting proxies for use at the Meeting.

Only shareholders of record at the close of business on February 24, 2014, will be entitled to vote at the Extraordinary General Meeting. Proxies are being mailed to shareholders on or about February 25, 2014 and will be solicited chiefly by mail; however, certain officers, directors and employees of the Company may solicit proxies by telephone, fax or other personal contact, none of whom will receive additional compensation therefore. The Company may also retain one or more agents for the purpose of soliciting proxies in connection with the Meeting. The Company will bear the cost of the solicitation of the proxies, including postage, printing and handling, and will reimburse the reasonable expenses of brokerage firms and others for forwarding material to beneficial owners of Ordinary Shares.

In connection with the resolutions on the agenda for the Meeting, shareholders will be required to disclose if they either (i) are controlling shareholders of the Company or (ii) have a personal interest in any such resolution.

A "controlling shareholder" is any shareholder that has the ability to direct a company's activities (other than by means of being a director or other office holder of the company). For these purposes, a shareholder is deemed to be a controlling shareholder if it possesses, by itself or together with others who also possess a personal interest in the approval of the same transaction, twenty-five percent (25%) or more of the voting rights in the Company if no other shareholder possesses more than fifty percent (50%) of the voting rights in the Company.

A “personal interest” of a shareholder (i) includes an interest of any member of the shareholder’s immediate family (i.e., spouse, sibling, parent, parent’s parent, descendent, the spouse’s descendent, sibling or parent, and the spouse of each of these) or an interest of an entity with respect to which the shareholder (or such a family member thereof) serves as a director or the chief executive officer, owns at least 5% of the shares or its voting rights or has the right to appoint a director or the chief executive officer; and (ii) excludes an interest arising solely from the ownership of shares of the Company. In determining whether a vote cast by proxy is disinterested, the “personal interest” of the proxy holder is also considered and will cause that vote to be treated as the vote of an interested shareholder, even if the shareholder granting the proxy does not have a personal interest in the matter being voted upon.

In order to provide for a proper counting of shareholder votes, the enclosed form of proxy card includes a certification that, unless a shareholder indicate otherwise on the proxy card, (i) the shareholder is not a controlling shareholder of the Company and (ii) neither the shareholder nor any person appointed to act as the shareholder’s proxy has a personal interest in any of the resolutions.

Shareholders of Record on February 24, 2014, who are entitled to vote at the Extraordinary General Meeting, must inform the Company, in the event that they are controlling shareholders or if they have a personal interest, as such terms are defined in the Companies Law, as detailed above, in the approval of the one or more of the resolutions detailed hereunder. In addition, shareholders who wish to submit position statements with respect to the matters on the agenda for the Meeting for publication by the Company are required to do so no later than March 6, 2014. Such position statements may not exceed in length either (i) 500 words per each matter addressed in the statement or (ii) 1,500 words in total, and shall include the name and shareholdings of the shareholder submitting such statements, the names of any other shareholders with whom such shareholder is acting together in connection with the Meeting, any personal interest of such shareholder in any of the matters on the agenda of the Meeting and whether such shareholder is a controlling shareholder.

Item 1 – COMPENSATION POLICY

Under the Companies Law, all public Israeli companies, including companies whose shares are only listed outside of Israel, are required to adopt a written compensation policy, which sets forth their policy regarding the terms of office and employment of office holders, including compensation, equity awards, severance and other benefits, as well as indemnification undertakings and exemption from liability.

The Board of Directors unanimously recommends a vote FOR Item 4 above.

Item 5 – RE-ELECTION OF EXTERNAL DIRECTORS

At the Extraordinary General Meeting, it is intended that proxies (other than those directing the proxy holders not to vote for the listed nominees) will be voted for the re-election, as External Directors of the Company, of the two nominees named below who shall hold office for an additional three-year term, unless their service is earlier terminated under any applicable law or the Articles of Association.

The list of nominees is as follows:

- a. Ms. Ilana Avidov Mor
- b. Mr. Dan Biran

Under the Companies Law, companies incorporated under the laws of the State of Israel whose shares, inter alia, are listed for trading on a stock exchange or have been offered to the public by a prospectus and are held by the public are required to have at least two External Directors.

The Companies Law further provides that a person may not be elected as an External Director if the person or the person's relative, partner, employer, anyone to whom the person is subordinate, directly or indirectly, or any entity under the person's control has, as of the date of the person's election to serve as an External Director, or had, during the two years preceding that date, any affiliation (as defined below) with:

- (i) the company;
- (ii) any entity controlling the company as of the date of the election; or
- (iii) any entity controlled by the company or under common control with the company as of the date of the election or during the two years preceding that date.

The term "affiliation" includes an employment relationship, a commercial or professional relationship maintained on a regular basis or control of the Company, as well as service as an office holder (as defined below). Under the Companies Law, "relative" is defined as a spouse, brother or sister, parent, grandparent, child, and a child/brother/sister/parent of such person's spouse or the spouse of any of the foregoing.

The Companies Law defines the term "office holder" as general manager (that is the chief executive officer), chief business manager, vice-general manager, any other person assuming the responsibilities of any of the foregoing positions without regard to such person's title, any director and any manager that reports directly to the general manager.

The Companies Law further provides that no person can serve as an External Director if the person's other positions or businesses create, or may create, a conflict of interest with the person's responsibilities as an External Director or may otherwise interfere with the person's ability to serve as an External Director.

Until the lapse of two years from the time in which the External Director serves as such, a company may not engage an External Director to serve as an office holder and cannot employ or receive professional services from such former

External Director for consideration, either directly or indirectly, including through a corporation controlled by such former External Director.

A person shall be qualified to serve as an External Director only if he or she possesses accounting and financial expertise or professional competence. At least one External Director must possess accounting and financial expertise. Under the regulations of the Companies Law, a director has “financial and accounting expertise” if, inter alia, he or she, based on his or her education, experience and qualifications, is highly skilled in respect of, and understands, business and accounting matters and financial statements, in a manner that enables him or her to have an in-depth understanding of the company’s financial statements and to stimulate discussion in respect of the manner in which the financial data is presented. A director has “professional competence” under such regulation if, inter alia, he or she has an academic degree in either economics, business administration, accounting, law or public administration or an academic degree in, or completion of, other higher learning, each in an area relevant to the company’s business, or has at least an aggregate of five years’ experience in a senior position in any one or any combination of the following: (a) the business management of a corporation with a substantial scope of business; (b) public office or public service; or (c) the field of the company’s business.

The Companies Law further provides that when appointing an External Director, if all members of the board of directors of the company are of one gender then at least one External Director shall be of the other gender.

The Companies Law also provides that a shareholders’ general meeting at which the appointment of an External Director is to be considered will not be called unless the nominee has declared to the company that he or she complies with the qualifications for appointment as an External Director. Each proposed nominee has declared to the Company that such nominee possesses the qualifications and complies with the requirements for appointment as an External Director under the Companies Law, that such nominee is capable of dedicating the appropriate amount of time for the performance of such nominee’s role as an External Director of the Company considering, inter alia, the Company’s size and special needs and such nominee has agreed to stand for election. Copies of the declarations of the External Directors are available for inspection at the Company’s offices in Haifa, Israel.

The initial term of an External Director is three years and may be extended for two consecutive three-year terms. In accordance with the regulations under the Companies Law, companies whose securities are listed on one of a number of non-Israeli stock exchanges, may re-appoint an external director for additional three-year terms, in excess of the nine years described above, if the audit committee and the board of directors confirm that, due to the expertise and special contribution of the external director to the work of the board and its committees, his or her re-appointment is in the best interests of the company. The same special majority is required for election of the statutory external director for each additional three-year term (as was required for the initial term), with the additional requirement that the arguments of the board of directors and audit committee in favor of election for such additional term, and the number of terms already served by the external director, be presented to the general meeting prior to the vote.

An External Director may be removed from office only by the same percentage of votes as is required for election or by a court, if the External Director ceases to meet the statutory qualifications for appointment or if he or she violates his or her duty of loyalty to the company. Each committee of a company’s board of directors, that is empowered to exercise one of the functions of the board of directors, is required to include at least one External Director, except for the Audit Committee and the Compensation Committee, which are required to include all the External Directors.

2.2 In determining the Office holder's compensation, the following criteria, among others, will be examined:

The Office holder's education, qualifications, professional experience and achievements.

The Office holder's position, areas of responsibility and previous salary agreements with the Company.

3.1.1.1 The parameters specified in Section 2.2 above.

3.1.1.2 Executive compensation survey (benchmark) of companies operating in similar industries and/or with similar financial performance, per geographic location.

3.2.4 In addition, the Chairman of the Board of Directors is entitled to recommend granting a special incentive to Office holders, subject to approval of the Compensation Committee and the Board of Directors.

3.2.5 The performance targets and the maximum variable components payable to the Chairman and the CEO shall be determined by the Compensation Committee and the Board of Directors and to the other Office holders by the CEO.

3.2.6 The Company shall recover all or a portion of any compensation paid to an Office holder that was paid on the basis of financial data included in its financial statements, in any fiscal year, that were found to be inaccurate and were subsequently restated.

In such event, the Company will seek reimbursement from the Office holder to the extent such Office holder would not have been entitled to all or a portion of such compensation, based on the financial data included in the restated financial statements.

The Compensation Committee will be responsible for approving the amounts to be recouped and for setting terms for such recoupment from time to time.

3.3 Long Term Variable Compensation

3.3.1 The compensation package may include a long term incentive plan (in addition to the short term variable cash compensation) which may consist of either: (1) Long term cash bonus plan, which will be based on long term performance goals of the Company and the Office holder; or (2) Equity based awards, according to the recommendation of the Compensation Committee and approval of the Board of Directors.

3.3.2 The purpose of the long term variable compensation is to align the interests of the executive officers with those of the Company's shareholders, while basing the Officer's contribution on the Company's results on the basis of a long term perspective.

3.3.3 The period of the long term variable compensation component will be not less than two (2) years.

3.4 Maximum variable Compensation

3.4.1 The maximum variable compensation component, short and long term, as percentage of the base earned salary may differ from one Office holder to another based on the parameters specified in Section 2.2 above, and in any case will not exceed 200% of the annual base salary per year, as described in sections 3.2 and 3.3 above.

3.5 Termination related terms

5. Ratio of the Office holder's compensation to the average and median salary in the Company

Due to the Company's global nature, the Compensation Committee has taken and will take into consideration while determining the Office holders' compensation, the fact that the Company's employees are employed in various countries worldwide, under different terms of employment. Therefore the Compensation Committee considered the relationship between the terms of service and employment of the Office holder and the salary of the other employees of the Company in each Office holder's geographic location, and in particular the ratio of the total compensation for the Office holders of the Company to the average and median salary of the Company's employees in each geographic location. The Compensation Committee found that the relationship mentioned above does not harm the Company's performance and its ability to recruit and retain its employees in the various countries.

6. Processes for the supervision and control of the Compensation Policy

- 6.1 The responsibility for determining the rules of the Compensation Policy, the control thereof and the updating thereof shall rest with the Compensation Committee and the Board of Directors, based on the Compensation Committee's recommendations.
- 6.2 The Compensation Committee shall periodically review the Policy and monitor its implementation, and recommend to the Board of Directors and shareholders to amend the Policy as it deems necessary from time to time.
- 6.3 The approval of compensation for an Office holder, shall be determined by the Compensation Committee, and subsequently approved by the Board of Directors; the Company shall be subject to any existing and future provision of applicable law which relates to the Compensation Policy of the Company.
- 6.4 The Compensation Committee and the Board of Directors of the Company based on the Committee's recommendations shall reserve the possibility of reducing the variable components or setting maximum amounts with respect thereto, provided that these changes shall be in accordance with the considerations and the criteria which have been set forth in Section 2.2 above, according to law and subject to the circumstances of the matter.
- 6.5 Stringent control procedures shall be exercised, in order to ensure that the Compensation Policy which has been selected is appropriately implemented.
