**Item 7.01. Regulation FD Disclosure**

On June 29, 2009, we provided an update to our shareholders that the Israel Correctional Facilities order for our less lethal launchers has increased from 140 to 220 weapons. The munitions portion also increased dramatically. This order totals approximately \$470,000, and is our biggest order since going public. Additionally, we stated that the military order will be placed sometime in the future and will be larger than this correctional facility order. We also stated that the Israeli forces require very high standards of performance for their weapons; and that Lamperd is pleased that our products have found favor and acceptance with them.
