Item 1.01 Entry into a Material Definitive Agreement.

Amendment to Debt Commitment Letter

As previously disclosed in our Current Report on Form 8-K filed with the Securities and Exchange Commission on April 17, 2014, Platform Specialty Products Corporation (“Platform”) and Barclays Bank PLC (“Barclays”) entered into a commitment letter (the “Debt Commitment Letter”) for the purposes of financing the acquisition by Platform of Chemtura AgroSolutions, the agrochemicals business of Chemtura Corporation (the “Chemtura Acquisition”), and the fees and expenses in connection therewith, on the terms and subject to the conditions set forth in the Debt Commitment Letter.

On July 15, 2014, Platform and Barclays entered into an amended and restated Debt Commitment Letter (the “Amended and Restated Debt Commitment Letter”), which reduced the maximum commitment under the incremental first lien term loans from \$600 million to \$405 million and cancelled the initial \$120 million commitment under the second lien facility. These amendments resulted from Platform’s improved cash on hand position, primarily as a result of the private placement completed on May 21, 2014. No other material revisions were made to the Debt Commitment Letter, which remains subject to limited conditions precedent to borrowings, including the consummation of the Chemtura Acquisition in accordance with the Stock and Asset Purchase Agreement dated April 16, 2014.

The foregoing description of the Amended and Restated Debt Commitment Letter does not purport to be complete and is qualified in its entirety by reference to the full text of the Amended and Restated Debt Commitment Letter, a copy of which is filed herewith as Exhibit 10.1 and is incorporated herein by reference.
