G. WILLI-FOOD INTERNATIONAL LTD ANNOUNCES RESULTS FOR THE FIRST QUARTER ENDED MARCH 31, 2004

Q1 SALES INCREASE OF 18%, NET INCOME DECREASE OF 66%

Yavne, Israel, May 18, 2004.

G. Willi-Food International Ltd. (NASDAQ: WILCF) today reported its unaudited financial results for the first quarter ended March 31, 2004.

Total sales for the three months ended March 31, 2004, increased by 18% to NIS 44,431,000 (US\$ 9,813,000) from NIS 37,692,000 (US\$ 8,324,000) for the same period in 2003. The increase in total sales for the three months ended March 31, 2004 compared with the same period in 2003 was due primarily to expanded advertising efforts under the Company's "WILLI FOOD" label during the first quarter of 2004.

Gross profit for the three months ended March 31, 2004 increased by 2% to NIS 8,398,000 (US\$ 1,854,000) from NIS 8,243,000 (US\$ 1,820,000) for the same period

in 2003. The gross profit represents 19% of the total sales for the three months ended March 31, 2004 compared with 22% for the same period in 2003. The decrease in gross profit, as a percentage of sales, for the three months ended March 31, 2004 was due to, among other things, adverse market conditions and the need to promote the Company's products through discounts and other promotional activities that impacted the profit margin during the first quarter.

Operating income for the three months ended March 31, 2004 decreased by 60% to NIS 1,523,000 (US\$ 336,000) from NIS 3,772,000 (US\$ 833,000) for the same period in 2003. The decrease in operating income was due primarily to the increase in marketing costs during the first quarter. The Company undertook an expansive advertising campaign to promote the Company's brand name and products during Q1 that resulted in a one-time increase in marketing costs of approximately NIS 1,800,000 (US\$ 398,000).

Net income for the three months ended March 31, 2004 decreased by 66% to NIS 1,337,000 (US\$ 296,000) from NIS 3,023,000 (US\$ 668,000) for the same period in 2003.

The basic earnings per share for the three months ended March 31, 2004 decreased to NIS 0.31 (US\$ 0.07) from NIS 0.71 (US\$ 0.16) for the same period in 2003.

G. Willi-Food International Ltd., is engaged in the import, marketing and distribution of over 400 food products, including canned vegetables, pickled olives and other pickled vegetables, packaged fruit, canned and frozen fish, edible oil, dried fruit and nuts, coffee creamers, jams, halva, pasta, tahini, butter cookies and pastries, certain dairy products and certain frozen or chilled products. The Company believes that it is one of the leading importers in Israel of such a broad range of imported food products. The Company sells products with widespread demand in the Israeli marketplace, as well as products that cater to more select groups.
