BOS PURCHASES ASSETS OF QUASAR IN EXCHANGE FOR ISSUANCE OF SHARES

TERADYON, ISRAEL - September 29, 2004 - B.O.S. Better On-Line Solutions Ltd. ("BOS" or the "Company") (NASDAQ: BOSC, TASE: BOS), a global developer of high quality communication solutions, announced today that it has entered into a definitive asset purchase agreement with Quasar Communication Systems Ltd. ("Quasar"), an Israeli company engaged in the business of developing, manufacturing and selling of cellular communication gateways. Under the Agreement BOS shall purchase the majority of Quasar's assets relating to Quasar's business, including its fixed assets, product lines, intellectual property rights and industrial rights, know-how, technology, licenses, assignable existing distribution channels and markets, and goodwill. In consideration for the acquired assets, the Company has issued Quasar 285,000 Ordinary Shares (6.8% of the current outstanding shares of the Company), which are subject to a "lock-up" period of one year. The Company also committed to purchase Quasar's inventory in the ordinary course of business, for cash consideration equal to the book value of Quasar's inventory.

The Ordinary Shares issued will not be registered under the Securities Act of 1933, and may not be subsequently offered or sold by the investors without registration or an applicable exemption from the registration requirements. The Company has agreed to grant Quasar certain incidental registration rights, to cover the resale of the Ordinary Shares issued in this transaction, subject to certain terms and conditions.

Adiv Baruch, President and CEO of B.O.S, commented: "The transaction is a strategic step for the Company, implementing the Company's M&A strategy to continue developing the communication division, while offering our clients an extended product line that will enable savings in telecommunication expenses for enterprise and SOHO clients.
