Enclosure: Partner Communications considers potential debt offering in Israel

PARTNER COMMUNICATIONS CONSIDERS
POTENTIAL DEBT OFFERING IN ISRAEL

ROSH HA'AYIN, Israel, April 14, 2011 - Partner Communications Company Ltd. ("Partner" or "the Company") (NASDAQ and TASE: PTNR), a leading Israeli communications operator, announced today that it is currently considering the offering of debt securities in Israel of up to NIS 1.2 billion par value through a public offering pursuant to a shelf offering report and the Company's shelf prospectus dated September 3, 2009, as amended on May 23, 2010 and on September 20, 2010 ("the Shelf Prospectus"). The Company intends to use the proceeds of such an offering, if made, for the Company's current needs including settling payments on, or purchasing, the Company's Series A Notes and/or refinancing other debt. Such an offering, if made, will be pursuant to a 'uniform public offering', as defined in the Securities regulations promulgated under the Israeli Securities Law, 1968, as further described in a shelf offering report to be published by the Company, if published.

In connection with the potential debt offering, the Company is considering the offering of notes through expanding three of the Company's series of notes currently traded on the Tel Aviv Stock Exchange Ltd.: (1) Series C Notes bearing an annual fixed interest rate of 3.35% and linked to the Israeli Consumer Price Index; (2) Series D Notes bearing a floating annual interest rate based on the annual interest rate of short term debt issued by the State of Israel ('Makam') in addition to a fixed annual spread of 1.20%; and (3) Series E Notes bearing an annual fixed interest rate of 5.5% and not linked to the Israeli Consumer Price Index.

The Series C Notes, Series D Notes and Series E Notes were initially issued by the Company pursuant to a shelf offering report dated April 15, 2010, as amended on April 21, 2010. The terms of the Series C Notes, Series D Notes and Series E Notes, to be issued, if issued, would be identical to the terms of the currently outstanding Series C Notes, Series D Notes and Series E Notes. The Company has not yet made any definite decision as to the offering of any securities, nor as to its scope, terms or timing, nor is there any certainty that such an offering will be made, in part or in whole, or that a shelf offering report will be published.

Any public offering of securities, if made, will be made only in Israel. Securities, if offered, will not be registered under the U.S. Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States and/or to U.S. Persons (as defined in Regulation "S" promulgated under the Securities Act) without registration under the Securities Act or an applicable exemption from the registration requirements of the Securities Act.

In this connection, on April 14, 2011, Standard & Poor's Maalot announced that it "assigned its 'ilAA-' rating to additional Series C and/or D and/or E bonds of up to NIS1.2 billion par value, to be issued by Partner Communications Company Ltd. (ilAA-/Negative) through an expansion of the series.

The proceeds from the issuance are designated for Partner's current needs, including settling payments on, or purchasing, the company's Series A bonds, and/or refinancing other debt. The rating reflects our assessment that the expansion of the bonds in itself will not negatively influence the company's financial risk profile, nor the rating of the existing bond series, as a significant increase in the net financial debt beyond the company's consolidated debt post acquisition of 012 Smile, is not anticipated." For further information see Standard & Poor's Maalot's announcement dated April 14, 2011 on: <http://www.maalot.co.il/reports/495/B14042011.pdf> or its informal English translation attached to our Form 6-K to be furnished to the Securities and Exchange Commission later today. In addition, for details regarding the rationale behind the rating of the Company, see Standard & Poor's Maalot's rating report dated October 19, 2010, in the Standard & Poor's Maalot's announcement on: <http://www.maalot.co.il/reports/495/RU19102010.pdf> or its informal English translation attached to our Form 6-K furnished to the Securities and Exchange Commission on October 20, 2010.

For financial information regarding 012 Smile Telecom Ltd. and the implications of its acquisition by the Company and for further certain supplemental financial information, all prepared in connection with the potential debt offering in Israel, see our Form 6-K to be furnished to the Securities and Exchange Commission later today.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any securities.
