**Item 1.02. Termination of a Material Definitive Agreement**

On January 7, 2008 we terminated our commercial lease agreement with Chinook Business Park, L.L.C. for an office/warehouse building and real property in Yakima, Washington. We entered into the lease on October 24, 2005 for an initial term of five years with a purchase option and have been paying approximately \$19 thousand per month of rent in 2007. We did not pay a fee to terminate the lease.

In a transaction related to the lease termination, we assigned our purchase option for the Yakima facility and transferred all remaining assets (primarily leasehold improvements and furnishings) in the facility to a third party for a fee of \$1.4 million. After broker's fees and expenses, we expect to record a gain of approximately \$0.8 million in the first quarter of 2008.

We ceased operations in the Yakima facility on July 31, 2007 upon the implementation of a plan to reduce operating expenses and classified the remaining Yakima assets as available for sale. During the third quarter of 2007, we recorded an asset impairment charge of \$1.2 million to reduce the carrying value of these assets to their estimated net realizable value.
